ARTICLE II

THE NOTES

Section 2.01. Commitment to Lend; Use of Note Proceeds. During the Commitment Period, the Bank agrees, on the terms and conditions set forth in this Agreement, to lend to the Authority by purchasing from the Authority the Notes and making Advances thereunder from time to time in an amount not to exceed the Available Commitment on the Advance Date for such Advance and not to exceed in the aggregate at any one time outstanding the amount of the Commitment. Advances may be used by the Authority to finance Capital Costs, pay costs of issuing the Notes and to refinance other Debt of the Authority or the City secured by a Lien on or payable from Net System Revenues but may not be used to repay any Debt that is in default. The Authority hereby agrees to sell to the Bank, all, but not less than all, of the Notes at a purchase price equal to the aggregate of the Advances made thereunder. Except for the initial Advance under a Tax-Exempt Note, each Advance must be made in a minimum amount of \$1,000,000. Within the foregoing limits, Advances may be made on the Notes under Section 2.04, the Notes may be prepaid under Section 2.07, Tax-Exempt Notes may be issued by the Authority under Section 2.04, and the principal amount of the Taxable Note that is paid or prepaid by the Authority may again be Advanced under the Taxable Note as provided in Section 2.04 at any time during the Commitment Period. Notwithstanding anything to the contrary contained in this Agreement, the aggregate amount of the Advances made under any Tax-Exempt Note may not exceed the stated principal amount of that Tax-Exempt Note. The Authority agrees to pay the Bank the outstanding principal amount of any and all Notes, together with interest thereon, in accordance with this Agreement.

Section 2.02. Fees. The Authority agrees to pay to the Bank fees in the amounts and at such times as provided in the Fee Letter Agreement. Any amounts due and payable under the Fee Letter Agreement shall be considered due and payable hereunder for all purposes of this Agreement as if set forth herein in full. The terms of the Fee Letter Agreement shall be deemed incorporated by reference into this Agreement and all references herein to this “Agreement” shall be deemed to include the Fee Letter Agreement.

Section 2.03. Termination or Reduction of Commitment.

(a) The Authority may, upon at least three Business Days' notice (ten Business Days' notice in connection with a termination of the Commitment in its entirety) given by an Authorized Officer to the Bank, terminate the Commitment entirely at any time or reduce the Commitment from time to time by a minimum amount of \$1,000,000 and any amount in excess thereof. The Authority shall pay any amounts due under the Fee Letter Agreement by reason of such termination or reduction.

(b) If the Commitment is terminated in its entirety, all amounts payable to the Bank hereunder and under the Related Documents shall be payable in full on the effective date of such termination.

Section 2.04. Issuance of Notes and Method of Making Advances.

(a) *Issuance of Notes.*

(i) *Taxable Note.* On the Closing Date the Authority will issue the Taxable Note registered in the name of the Bank, designated as the City of San José Financing Authority Subordinate Wastewater Revenue Taxable Note, in the stated principal amount of not to exceed \$300,000,000 outstanding at any one time and will deliver the same to the Bank as provided in Section 3.01(d). The Taxable Note shall be dated the Closing date, be issued in minimum authorized denominations of \$1,000,000 and any amount in excess thereof and be in the form attached hereto as Exhibit C. On and after the Closing Date, the Authority may request Advances under the Taxable Note as provided herein.

(ii) *Tax-Exempt Notes.* On the Closing Date, the Authority will issue an initial Tax-Exempt Note registered in the name of the Bank, designated as the City of San José Financing Authority Subordinate Wastewater Revenue Note, Series A (the "Series A Tax-Exempt Note"), in the stated principal amount of not to exceed \$300,000,000. From time to time after the Closing Date, the Authority may deliver to the Bank a Note Issuance Notice and, pursuant to such Notice, the Authority may issue one or more additional Tax-Exempt Note(s) (not to exceed four Tax-Exempt Notes outstanding at any one time) and deliver the same to the Bank. Each additional Tax-Exempt Note shall be registered in the name of the Bank and designated as and constitute a separate series of Tax-Exempt Notes from all other series of Tax-Exempt Notes issued by the Authority under this Agreement. In connection with each delivery of a Tax-Exempt Note, the Authority shall satisfy the conditions set forth in Section 3.02. Each Tax-Exempt Note shall be dated its date of issuance, be issued in minimum authorized denominations of \$1,000,000 and any amount in excess thereof and be in the form attached hereto as Exhibit D. Following such delivery of a Tax-Exempt Note, the Authority may request Advances under such Tax-Exempt Note as provided herein; provided that the aggregate amount of the Advances made under any Tax-Exempt Note may not exceed the stated principal amount of that Tax-Exempt Note. No more than four Tax-Exempt Notes may be outstanding at any time.

(iii) *Execution of Notes.* The Notes shall be executed on behalf of the Authority by the manual or facsimile signature of any Authorized Officer of the Authority. In case any Authorized Officer of the Authority who shall have signed any of the Notes shall cease to be an Authorized Officer of the Authority before the Notes so signed shall have been delivered or issued by the Authority, such Notes may nevertheless be delivered and issued and, upon such delivery and issue, shall be as binding upon the Authority as though those who signed the same had continued to be an Authorized Officer of the Authority, and also any Note may be signed on behalf of the Authority by such persons as at the actual date of execution of such Note shall be the proper Authorized Officer of the Authority although at the nominal date of such Note any such person shall not have been such Authorized Officer of the Authority.

(iv) *Registration of Notes.* The Notes shall be issued in registered form, initially registered in the name of the Bank. The Authority shall maintain in its books and records the name of each registered owner of the Notes from time to time. Registered ownership of the Notes may not be transferred without the prior written consent of the Authority.

(b) *Request for Advances.* If, on any Business Day during the Commitment Period, the Bank receives, at the location specified for the delivery of a Request for Advance specified pursuant to Section 8.01, a Request for Advance from an Authorized Officer of the Authority with respect to an outstanding Note, and the Authority telephonically confirms the Bank's receipt of such Request for Advance, by not later than 12:00 noon, the Bank shall, subject to satisfaction of the requirements of Section 2.01 and Article III, transfer to the Authority not later than 2:00 p.m. on the Advance Date specified in the Request for Advance, so long as such Advance Date occurs during the Commitment Period and is at least five Business Days following the Bank's receipt of such Request for Advance, as specified in such Request for Advance, in immediately available funds, an amount equal to the Advance thereby requested. The Authority may not request that Advances be made hereunder more than twice in any 30-day period.

(c) *Generally.* A Request for Advance may be given by facsimile transmission or electronic mail. A Request for Advance shall be irrevocable after receipt thereof by the Bank. Each Request for Advance shall specify the following information:

(i) the aggregate amount of the Advance or Advances requested;

(ii) as to each Advance requested, the amount which is to be Advanced under the Taxable Note and the amount which is to be Advanced under a Tax-Exempt Note and, in the case of Advances under a Tax-Exempt Note, the designation of the Tax-Exempt Note under which the Advance is to be made;

(iii) as to each Advance under a Tax-Exempt Note, a certification by the Authority that the sum of the amount of such Advance plus the amount of all previous Advances made under such Tax-Exempt Note does not exceed the stated principal amount of such Tax-Exempt Note;

(iv) the Advance Date for each Advance requested, which shall be a Business Day that falls within the Commitment Period;

(v) the wire instruction pursuant to which the proceeds of the proposed Advance(s) are to be transferred; and

(vi) a representation by the Authority that as of the Advance Date for each requested Advance all conditions set forth in Article II and Article III with respect to each Advance requested in such Request for Advance have been satisfied.

Section 2.05. Notes. The Advances made by the Bank under the Notes will be treated by the Bank as loans made by the Bank to the Authority through the purchase of the Notes by the Bank in installments equal to the Advances. The Bank is authorized to make a notation on each Note as to the date and amount of each Advance and as to each payment of principal of the Note, but the failure to make such notation shall not relieve the Authority of its obligations to pay the outstanding principal of the Notes, together with interest thereon, as provided herein.

Section 2.06. Interest.

(a) **Accrual.** Each Note shall bear interest on the outstanding principal amount thereof, for each day from and including the date the initial Advance is made thereunder until it is paid in full. The Taxable Notes shall bear interest at the Taxable Rate. The Tax-Exempt Notes shall bear interest at the Tax-Exempt Rate. Interest on the Tax Exempt Notes is to be excludable from the Bank's income for federal income and tax purposes. Interest on Taxable Notes and other amounts owing hereunder (other than Tax Exempt Notes) is to be includable in the Bank's gross income for federal income tax purposes.

(b) **Calculation.** The Calculation Agent shall determine the applicable interest rate for the Notes as of each applicable Computation Date, and such rate shall become effective on the Rate Reset Date next succeeding such Computation Date. Interest on the outstanding principal amount of each Note shall accrue each day during the applicable Interest Period. Interest on each Note and amounts otherwise payable hereunder shall be calculated as provided in Section 2.09.

(c) **Payment.** The Authority agrees to pay to the Bank interest on the outstanding principal amount of all Notes monthly in arrears on each Interest Payment Date and, as to each Note, on the date the outstanding principal of such Note is paid in full and, as to each Note, but solely with respect to the portion of such Note being prepaid, on the date any portion of the principal of such Note is prepaid in part.

(d) **Overdue Amounts.** Any overdue principal and, to the extent permitted by law, overdue interest on any Note and all other amounts payable hereunder or under the Fee Letter Agreement which are not paid when due shall bear interest, payable on demand, for each day until paid, at a rate per annum equal to the Default Rate.

(e) **Taxability.** In the event a Taxable Date occurs prior to the date on which the parties identify that Note Interest is Taxable, in addition to (but not in duplication of) the amounts required to be paid pursuant hereto, the Authority hereby agrees to pay to the Bank, within 30 days of a demand therefor (i) an amount equal to the difference between (A) the amount of interest paid to the Bank during the period in which Note Interest is Taxable beginning on the Taxable Date (the “Taxable Period”) and (B) the amount of interest that would have been paid to the Bank during such Taxable Period had the Tax Exempt Note borne the Taxable Rate, and (ii) an amount equal to any interest, penalties or charges owed by the Bank as a result of interest on the Tax Exempt Note becoming includable in the gross income of the Bank, together with any and all attorneys’ fees, court costs, or other out of pocket costs incurred by the Bank in connection therewith. On and after a Taxable Date for a Tax-Exempt Note, the Tax Exempt Note for which the Note Interest is Taxable shall constitute a Taxable Note and shall bear interest at the Taxable Rate until such time as another interest rate shall apply pursuant to the terms hereof.

(f) **Contest.** Subject to the provisions of subsection (g) of this Section 2.06, the Bank shall afford the Authority the opportunity, at the Authority’s sole cost and expense, to contest (i) the validity of any amendment to the Code which causes the interest on a Tax Exempt Note to be includable in the gross income of the Bank or (ii) any challenge to the validity of the tax exemption with respect to interest on a Tax Exempt Note, including the right to direct the necessary litigation contesting such challenge (including administrative audit appeals).

(g) **Condition Precedent to Contest.** As a condition precedent to the exercise by the Authority of its right to contest as set forth in subsection (f) of this Section 2.06, the Authority shall, on demand, immediately reimburse the Bank for (i) any and all expenses (including attorneys’ fees for services that may be required or desirable, as determined by the Bank in its sole discretion) that may be incurred by the Bank in connection with any such contest, and (ii) any and all penalties or other charges payable by the Bank for failure to include interest on the Tax Exempt Note in its gross income.

(h) **Survival.** The obligations of the Authority under this Section shall survive the termination of this Agreement and the payment in full of the Notes.

Section 2.07. Principal.

(a) **Optional Prepayment.** The Authority may prepay a Note in whole at any time, or from time to time in part in amounts aggregating \$1,000,000 and any amount in excess thereof or, if the outstanding principal amount of the Note being prepaid is less than \$1,000,000, the total amount of such Note which is then outstanding, by giving notice to the Bank by 11:00 a.m. on the date which is at least two Business Days prior to the date on which such prepayment is to be made and by paying to the Bank the principal amount thereof to be prepaid together with accrued interest to the date of prepayment. Any such notice shall be irrevocable once received by the Bank.

(b) **Mandatory Repayment.** The Notes shall mature in full on the Termination Date and the Authority shall repay all of the Notes and all other amounts then due and owing under this Agreement, under the Notes and the Fee Letter Agreement on the Termination Date; provided that no Note may mature more than 50 years from its date of issuance.

(c) **Term Out.** (i) Notwithstanding subsection (b) above, in the event the Bank does not receive repayment of the outstanding principal of all Notes on or before the Termination Date, and provided that (A) no Default or Event of Default shall have occurred and be continuing and (B) the representations and warranties set forth in Article IV shall be true and correct on the Termination Date, then the Authority shall pay the outstanding principal amount of the Notes (the “Amortization Amount”) in installments payable on each Amortization Principal Payment Date (each such payment, an “Amortization Principal Payment”), with the final installment in an amount equal to the remaining balance of the Amortization Amount on the Amortization End Date (the period commencing on the Termination Date and ending on the Amortization End Date is herein referred to as the “Amortization Period”). Each Amortization Principal Payment shall be that amount of principal which will result in equal (as nearly as possible) aggregate Amortization Principal Payments over the Amortization Period so the Amortization Amount is fully repaid by the end of the Amortization Period. The Authority may prepay, or cause to be prepaid, some or all of the Amortization Amount on any date upon one Business Days’ notice to the Bank, such prepayment to be accompanied by interest accrued thereon at the Bank Rate to the date of prepayment.

(ii) During the Amortization Period, interest on the Notes shall accrue at the Bank Rate and shall be payable in arrears on each Amortization Interest Payment Date.

Section 2.08. General Provisions as to Payments. The Authority shall make each payment of principal of, and interest on, the Notes, not later than 3:00 p.m., on the day when due, in federal or other funds immediately available to the Bank. All payments by the Authority to the Bank hereunder shall be nonrefundable and made in lawful currency of the United States and in immediately available funds. Amounts payable to the Bank hereunder shall be transferred to the Bank’s account specified pursuant to the Fee Letter Agreement not later than 3:00 p.m., on the date payment is due. Any payment received by the Bank after 3:00 p.m. shall be deemed to have been received by the Bank on the next Business Day. If any payment hereunder is due on a day that is not a Business Day, then such payment shall be due on the immediately succeeding Business Day, and, in the case of the computation of the interest or fees hereunder, such extension of time shall, in such case, be included in the computation of the payment due hereunder.

Section 2.09. Computation of Interest. Interest on the Notes shall be computed on the basis of year of 360 and the actual number of days elapsed in the calculation period. Interest on all amounts owing hereunder bearing interest at a rate calculated using the Base Rate shall be computed on the basis of a year of 365 or 366 days and paid for the actual number of days elapsed.

Section 2.10. Request by the Authority for Extension of Term of Agreement. Not earlier than 180 days prior to the Stated Expiration Date, the Authority may by written notice to the Bank in the form of Exhibit E request that the Stated Expiration Date be extended. The Bank may grant such requested extension of the Stated Expiration Date by delivery of notice in the form of Exhibit F. The Bank shall have the right to accept or reject any such request in its sole and absolute discretion and failure of the Bank to provide such written response to the Authority within 30 days after receipt of such request shall be deemed a rejection by the Bank of such request. If the Stated Expiration Date is extended, the Authority shall, except as otherwise agreed to in writing by the Bank, be deemed to have made the representations and warranties contained herein on and as of the date on which the Stated Expiration Date is so extended. Notwithstanding anything to the contrary contained in this Section 2.10, (a) in no event shall the Stated Expiration Date be extended to a date that is more than 50 years after the Closing Date and (b) if any Tax-Exempt Notes will be outstanding on any date that the Stated Expiration Date is extended, the Authority shall obtain an opinion of Bond Counsel to the effect that such extension of the Stated Expiration Date will not, in and of itself, cause interest on the outstanding Tax-Exempt Notes to be included in gross income for purposes of federal income taxation.

Section 2.11. Maximum Interest Rate.

(a) If the amount of interest payable for any period in accordance with the terms hereof or the Notes exceeds the amount of interest that would be payable for such period had interest for such period been calculated at the Maximum Interest Rate, then interest for such period shall be payable in an amount calculated at the Maximum Interest Rate for such period.

(b) Any interest that would have been due and payable for any period but for the operation of subsection (a) above shall accrue and be payable as provided in this subsection (b) and shall, less interest actually paid to the Bank, as applicable, for such period, constitute the “Excess Interest Amount.” If there is any accrued and unpaid Excess Interest Amount as of any date then the principal amount of the Notes with respect to which interest is payable shall bear interest at the Maximum Interest Rate, until payment to the Bank, of the entire Excess Interest Amount.

(c) Notwithstanding the foregoing, on the date on which no Notes are outstanding hereunder, to the extent possible without violating Applicable Law, the Authority shall pay to the Bank, a fee equal to any accrued and unpaid Excess Interest Amount.

Section 2.12. Maintenance of Accounts. The Bank shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Authority and the amounts payable and paid from time to time hereunder and under the Fee Letter Agreement. In any legal action or proceeding in respect of this Agreement or the Fee Letter Agreement, the entries made in such account or accounts shall be presumptive evidence of the existence and amounts of the obligations of the Authority therein recorded. The failure to record any such amount shall not, however, limit or otherwise affect the obligations of the Authority hereunder or under the Fee Letter Agreement to repay all amounts owed hereunder, together with all interest accrued thereon as provided herein.

Section 2.13. Net of Taxes, Etc.

(a) **Taxes.** Any and all payments to the Bank by the Authority hereunder shall be made free and clear of and without deduction for any and all taxes, levies, imposts, deductions, charges, withholdings or liabilities imposed thereon, excluding, however, Excluded Taxes (all such non excluded taxes, levies, imposts, deductions, charges, withholdings and liabilities being hereinafter referred to as “Taxes”). If the Authority shall be required by law to withhold or deduct any Taxes imposed by the United States or any political subdivision thereof from or in respect of any sum payable hereunder to the Bank, (i) the sum payable shall be increased as may be necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 2.13), the Bank receives an amount equal to the sum it would have received had no such deductions been made, (ii) the Authority shall make such deductions and (iii) the Authority shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable law. If the Authority shall make any payment under this Section 2.13 to or for the benefit of the Bank with respect to Taxes and if the Bank shall claim any credit or deduction for such Taxes against any other taxes payable by the Bank to any taxing jurisdiction in the United States then the Bank shall pay to the Authority an amount equal to the amount by which such other taxes are actually reduced; provided, that the aggregate amount payable by the Bank pursuant to this sentence shall not exceed the aggregate amount previously paid by the Authority with respect to such Taxes. In addition, the Authority agrees to pay any present or future stamp, recording or documentary taxes and any other excise or property taxes, charges or similar levies that arise under the laws of the United States of America or the States of New York or California from any payment made hereunder or from the execution or delivery or otherwise with respect to this Agreement (hereinafter referred to as “Other Taxes”). The Bank shall provide to the Authority within a reasonable time a copy of any written notification it receives with respect to Taxes or Other Taxes owing by the Authority to the Bank hereunder; provided, that the Bank’s failure to send such notice shall not relieve the Authority of its obligation to pay such amounts hereunder.

(b) **Reimbursement.** The Authority shall, to the fullest extent permitted by law and subject to the provisions hereof, reimburse the Bank for the full amount of Taxes and Other Taxes including any Taxes or Other Taxes imposed by any jurisdiction on amounts payable under this Section 2.13 paid by the Bank or any liability (including penalties, interest and expenses) arising therefrom or with respect thereto, whether or not such Taxes or Other Taxes were correctly or legally asserted; provided, that the Authority shall not be obligated to reimburse the Bank for any penalties, interest or expenses relating to Taxes or Other Taxes arising from the Bank’s gross negligence or willful misconduct. The Bank agrees to give notice to the Authority of the assertion of any claim against the Bank relating to such Taxes or Other Taxes as promptly as is practicable after being notified of such assertion; provided, that the Bank’s failure to notify the Authority promptly of such assertion shall not relieve the Authority of its obligation under this Section 2.13. Payments by the Authority pursuant to this reimbursement obligation shall be made within thirty (30) days from the date the Bank makes written demand therefor, which demand shall be accompanied by a certificate describing in reasonable detail the basis thereof. The Bank agrees to repay to the

Authority any refund (including that portion of any interest that was included as part of such refund) with respect to Taxes or Other Taxes paid by the Authority pursuant to this Section 2.13 received by the Bank for Taxes or Other Taxes that were paid by the Authority pursuant to this Section 2.13 and to contest, with the cooperation and at the expense of the Authority, any such Taxes or Other Taxes which the Bank or the Authority reasonably believes not to have been properly assessed.

(c) **Notice.** Within thirty (30) days after the date of any payment of Taxes by the Authority, the Authority shall furnish to the Bank the original or a certified copy of a receipt evidencing payment thereof.

(d) **Survival of Obligations.** The obligations of the Authority under this Section 2.13 shall survive the termination of this Agreement.

Section 2.14. Make Whole Funding. In the event the Bank shall incur any loss, cost, or expense (including, without limitation, any loss, cost, or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired or contracted to be acquired by the Bank to fund or maintain the Notes or the relending or reinvesting of such deposits or other funds or amounts paid or prepaid to the Bank) as a result of any prepayment of any outstanding principal amount of any Note bearing interest at an interest rate calculated on the basis of LIBOR on a date other than a Rate Reset Date for any reason, whether before or after default, and whether or not such payment is required by any provision of this Agreement, then upon the demand of the Bank, the Authority shall pay to the Bank such amount as will reimburse the Bank for such loss, cost, or expense, as determined by the Bank in good faith; provided that this Section 2.14 shall not apply to any prepayment of any outstanding principal amount of any Note if the date of such prepayment occurs (a) at least 30 days after irrevocable and unconditional written notice of such prepayment is given to the Bank by the Authority or (b) on or after the Termination Date. If the Bank requests such a reimbursement, it shall provide to the Authority a certificate setting forth the computation of the loss, cost, or expense giving rise to the request for reimbursement in reasonable detail and such certificate shall be conclusive absent manifest error.

Section 2.15. Absence of LIBOR Funding.

(a) **Circumstances Affecting LIBOR Index Availability.** If for any reason (i) the Bank shall determine (which determination shall be conclusive and binding absent fraud or manifest error) that Dollar deposits are not being offered to banks in the London interbank Eurodollar market for the applicable amount of any Note, or (ii) the Bank shall determine (which determination shall be conclusive and binding absent fraud or manifest error) that reasonable and adequate means do not exist for ascertaining the LIBOR Index for any Interest Period with respect to any Note, then the Bank shall promptly give notice thereof to the Authority. Thereafter, the Notes shall automatically convert to bear interest at a rate reasonably selected by the Calculation Agent of which the Authority has notice.

(b) **Laws Affecting LIBOR Index Availability.** If, after the date hereof, the introduction of, or any change in, any applicable law or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof or compliance by the

Bank (or any its lending offices) with any request or directive (whether or not having the force of law) of any such Governmental Authority, central bank or comparable agency, shall make it unlawful or impossible for the Bank (or any of its lending offices) to honor its obligations hereunder to make or maintain the Notes, the Bank shall promptly give notice thereof to the Authority. Thereafter, the Notes shall automatically convert to bear interest at a rate reasonably selected by the Calculation Agent of which the Authority has notice.

Section 2.16. Pledge of Authority Revenues. (a) The Authority hereby pledges the Authority Revenues to secure the payment of the principal of, premium, if any and interest on the Notes in accordance with their terms and the provisions of this Agreement and the payment of all other amounts payable by the Authority under this Agreement. This pledge shall constitute a lien on and security interest in such assets and shall attach, be perfected and be valid and binding from and after delivery of any Notes, without any physical delivery thereof or further act.

(b) In addition, the Authority hereby grants a security interest in and assigns to the Bank all of the Authority Revenues and all of the right, title and interest of the Authority in the Installment Purchase Agreement as security for the repayment of all amounts owed under the Notes and under this Agreement. The Bank shall be entitled to and shall collect and receive all of the Authority Revenues, and any Authority Revenues collected or received by the Authority shall be deemed to be held, and to have been collected or received, by the Authority as the agent of the Bank and shall forthwith be paid by the Authority to the Bank. The Bank shall also be entitled to take all steps, actions and proceedings reasonably necessary in its judgment to enforce all of the rights of the Authority and all of the obligations of the City under the Installment Purchase Agreement.

(c) The City hereby acknowledges the foregoing pledge of the Authority Revenues. The City agrees to pay the Authority Revenues to the Bank to the extent amounts are owed hereunder, under the Notes or under the Fee Letter Agreement.

Section 8.05. Benefit of Agreement.

(a) **Generally.** This Agreement shall be binding upon and inure to the benefit of and be enforceable by the respective successors and assigns of the parties hereto; provided that the Authority may not assign and transfer any of its interests without prior written consent of the Bank.

(b) **Participations.** The Bank may at any time sell, assign, negotiate, grant participations in, or otherwise dispose of its rights under this Agreement or the other Related Documents, to certain participating entities (the "Participants"); provided that (i) the Bank's obligations under this Agreement shall remain unchanged, (ii) the Bank shall remain solely responsible to the Authority for the performance of its obligations, (iii) the Authority shall continue to deal solely and directly with the Bank in connection with the Bank's rights and obligations under this Agreement and (iv) no Participant shall be entitled to receive any greater payment under the Notes, this Agreement or the Fee Letter Agreement than the Bank would have been entitled to receive with respect to the participation sold to such Participant. The Bank may, in connection with any participation or proposed participation, disclose to the Participant or proposed Participant any information relating to the Authority furnished to the Bank by or on behalf of the Authority. While the Bank has no present intent to sell, assign, negotiate, grant participations in, or otherwise dispose of its rights under this Agreement or the other Related Documents, the Bank reserves the right to do so in its sole discretion.

Section 8.06. Severability. Any provision of this Agreement that is prohibited, unenforceable or not authorized shall be ineffective to the extent of such prohibition, unenforceability or nonauthorization without invalidating the remaining provisions hereof. The parties shall endeavor, in good faith negotiations, to replace the invalid, illegal or unenforceable provisions with valid provisions, the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Section 8.07. Headings. Section headings in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

Section 8.08. Counterparts. This Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. This Agreement shall become effective when the Bank shall have received counterparts hereof signed by all of the parties hereto. Complete sets of counterparts shall be lodged with the Authority, the City and the Bank. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging means (e.g. “pdf” or “tif”) shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 8.09. Governing Law. THIS AGREEMENT AND THE OTHER RELATED DOCUMENTS AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER RELATED DOCUMENT (EXCEPT, AS TO ANY OTHER RELATED DOCUMENT, AS EXPRESSLY SET FORTH THEREIN) AND THE TRANSACTIONS CONTEMPLATED HEREBY AND THEREBY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF CALIFORNIA.

Section 8.10. Indemnity. In addition to any and all rights of reimbursement, indemnification, subrogation or any other rights pursuant hereto or under law or equity, the Authority hereby agrees (to the extent permitted by law) to indemnify and hold harmless the Bank and its officers, directors and agents (each, an “Indemnitee”) from and against any and all claims, damages, losses, liabilities, reasonable costs or expenses whatsoever (including reasonable attorneys’ fees) which may be incurred by or which may be claimed against an Indemnitee by any Person (collectively, the “Liabilities”) by reason of or in connection with (a) the execution and delivery or transfer of, or payment or failure to pay under, any Related Document to which the Authority or the City is a party; (b) the issuance of the Notes; and (c) the use of the proceeds of the Notes; provided that the Authority shall not be required to indemnify an Indemnitee for any claims, damages, losses, liabilities, costs or expenses to the extent, but only to the extent, caused by the willful misconduct or gross negligence of such Indemnitee. If any proceeding shall be brought or threatened against an Indemnitee by reason of or in connection with the events described in clause (a), (b) or (c) as a condition of indemnity hereunder each Indemnitee shall promptly notify the Authority in writing and the Authority shall assume the defense thereof, including the employment of counsel reasonably satisfactory to such Indemnitee and the payment of all reasonable costs of litigation. Notwithstanding the preceding sentence, each Indemnitee shall have the right to employ its own counsel and to determine its own defense of such action in any such case, but the fees and expenses of such counsel shall be at the expense of such Indemnitee unless (i) the employment of such counsel shall have been authorized in writing by the Authority, or (ii) the Authority, after due notice of the action, shall not have employed counsel reasonably satisfactory to such Indemnitee to have charge of such defense, in either of which events the reasonable fees and expenses of counsel for such Indemnitee shall be borne by the Authority. The Authority shall not be liable for any settlement

of any such action effected without its consent. Nothing under this Section 8.10 is intended to limit the Authority's payment of the Obligations.

Section 8.11. Survival of Agreement. All covenants, agreements, representations and warranties made herein, in the other Related Documents and in the certificates delivered pursuant hereto shall survive the issuance of the Note and shall continue in full force and effect as to the Bank so long as any obligations of the Authority hereunder or under the other Related Documents are outstanding and unpaid and so long as the Bank has any liability hereunder.

Section 8.12. Oral Negotiations and Prior Writings. This Agreement and the documents, instruments, and agreements required hereunder supersede all oral negotiations and prior writings in respect of the subject matter hereof and thereof.

Section 8.13. Disclaimer. The Authority acknowledges that the Bank has made no representation that the transactions contemplated by this Agreement or any other agreement delivered in connection herewith will have particular tax or accounting treatment upon the Authority or any other Person.

Section 8.14. No Third Party Beneficiary Rights or Benefits. This Agreement shall not be construed so as to confer any right or benefit upon any Person other than the parties to the Agreement and their respective successors and assigns (including the Participants).

Section 8.15. Responsibility. Except to the extent required by law, neither the Bank nor any Participants shall have any responsibility as to the application by the Authority of the proceeds of any Note.

Section 8.16. Liability of the Bank. As to the Bank, the Authority assumes all risks of the acts or omissions of any Persons with respect to the use of the Note proceeds; provided, however, that this assumption is not intended to, and shall not, preclude the Authority from pursuing such rights and remedies as it may have against any such Person at law or under any other agreement. Neither the Bank nor any of their officers, directors, employees or agents shall be liable or responsible for:

- (a) the validity, sufficiency or genuineness of any documents or endorsements, even if such documents should in fact prove to be in any or all respects invalid, insufficient, fraudulent or forged;
- (b) payment by the Bank against presentation of documents which do not comply with the terms of this Agreement, including failure of any documents to bear adequate reference to this Agreement; or
- (c) any other circumstances in making or failing to make payment under this Agreement;

provided, however, that the Authority shall have a claim against the Bank, and the Bank shall be liable to the Authority for direct, but not indirect, consequential, special or punitive damages (the right to receive indirect, consequential, special or punitive damages being hereby waived by the Authority) suffered by the Authority which were caused solely by the willful misconduct or

gross negligence of the Bank in connection with payments under this Agreement. By way of amplification, the Bank may accept documents that appear on their face to be in order without responsibility for further investigation, regardless of any notice or information to the contrary. Subject to the foregoing, the determination of whether a Request for Advance has been presented pursuant to this Agreement prior to the Termination Date or whether a Request for Advance or any accompanying document or instrument is in proper and sufficient form shall be made by the Bank in its sole discretion, which determination shall be conclusive and binding upon the Authority absent evidence that such determination was manifestly in error. The Authority hereby waives any right to object to any payment made under this Agreement against a Request for Advance with accompanying documents but varying in punctuation, capitalization, spelling or similar matters of form.

Section 8.17. Consent To Jurisdiction; Judicial Reference.

(a) ***Jurisdiction.*** EACH PARTY HERETO CONSENTS TO THE JURISDICTION OF A CALIFORNIA FEDERAL OR STATE COURT HAVING JURISDICTION OVER THE MATTER, SUBJECT TO THE FURTHER PROVISIONS OF SUBSECTIONS (b) AND (c) OF THIS SECTION 8.17.

(b) ***Waiver of Jury Trial.*** EACH PARTY HERETO WAIVES ITS RIGHT TO A JURY TRIAL OF ANY AND ALL CLAIMS OR CAUSES OF ACTION BASED UPON OR ARISING OUT OF THIS AGREEMENT AND THE OTHER RELATED DOCUMENTS. IT IS HEREBY ACKNOWLEDGED THAT THE WAIVER OF A JURY TRIAL IS A MATERIAL INDUCEMENT FOR THE BANK TO HOLD THE NOTES AND THAT THE EXECUTION AND DELIVERY OF THIS AGREEMENT BY THE AUTHORITY, THE CITY AND THE BANK IS MADE IN RELIANCE UPON SUCH WAIVER. EACH PARTY HERETO FURTHER WARRANTS AND REPRESENTS THAT SUCH WAIVER HAS BEEN KNOWINGLY AND VOLUNTARILY MADE FOLLOWING CONSULTATION WITH ITS RESPECTIVE LEGAL COUNSEL.

(c) ***Judicial Reference.*** If and to the extent that the foregoing waiver of the right to jury trial is unenforceable for any reason in the State of California, each of the parties hereto hereby consents to the adjudication of all claims pursuant to judicial reference as provided in California Code of Civil Procedure Section 638, and the judicial referee shall be empowered to hear and determine all issues in such reference, whether fact or law.

Section 8.18. USA Patriot Act. The Bank hereby notifies the Authority that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107 56 (signed into law October 26, 2001)) (the “Patriot Act”), it is required to obtain, verify and record information that identifies the Authority, which information includes the name and address of the Authority and other information that will allow the Bank to identify the Authority in accordance with the Patriot Act, and the Authority hereby agrees to take any action necessary to enable the Bank to comply with the requirements of the Patriot Act.

Section 8.19. Obligations Absolute. The obligations of the Authority under this Agreement shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement and the Note under all circumstances without set off or counterclaim. The obligations of the Authority under this Agreement shall be performed strictly in accordance with the terms of this Agreement, under all circumstances whatsoever, including without limitation, the following circumstances: (i) any lack of validity or enforceability of the Related Documents or any other agreement or document relating thereto; (ii) any amendment or waiver of or any consent to or departure from this Agreement, the Related Documents or any document relating thereto; (iii) the existence of any claim, set off, defense or other right which the Authority may have at any time against the Bank or any other person or entity, whether in connection with this Agreement, the transactions described herein or any unrelated transaction; (iv) the occurrence of an Event of Default by the Authority hereunder; (v) the impairment of any security for the performance or observance of any of the agreements or terms of this Agreement; or (vi) any of the circumstances contemplated in clauses (a) through (c), inclusive, of Section 8.16. The Authority understands and agrees that no payment by it under any other agreement (whether voluntary or otherwise) shall constitute a defense to its obligations hereunder, except to the extent that the Bank has been indefeasibly paid in full.

Section 8.20. Assignment to Federal Reserve Bank. The Bank may assign and pledge all or any portion of the obligations owing to it hereunder to any Federal Reserve Bank or the United States Treasury as collateral security pursuant to Regulation A of the Board of Governors of the Federal Reserve System and any Operating Circular issued by such Federal Reserve Bank, provided that any payment in respect of such assigned obligations made by the Authority to the Bank in accordance with the terms of this Agreement shall satisfy the Authority's obligations hereunder in respect of such assigned obligation to the extent of such payment. No such assignment shall release the Bank from its obligations hereunder.

Section 8.21. No Advisory or Fiduciary Relationship. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Related Document), the Authority acknowledges and agrees, and acknowledges its Affiliates' understanding, that: (a) (i) the services regarding this Agreement provided by the Bank and any Affiliate thereof are arm's-length commercial transactions between the Authority, on the one hand, and the Bank and its Affiliates, on the other hand, (ii) the Authority has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (iii) the Authority is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Related Documents; (b) (i) the Bank and its Affiliates each is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary, for the Authority, or any other Person and (ii) neither the Bank nor any of its Affiliates has any obligation to the Authority with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Related Documents; and (c) the Bank and its Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Authority, and neither the Bank nor any of its Affiliates has any obligation to disclose any of such interests to the Authority. To the fullest extent permitted by law, the Authority, hereby waives and releases any claims that it may have against the Bank or any of its Affiliates with respect to any breach or

alleged breach of agency or fiduciary duty in connection with any aspect of any transactions contemplated hereby.

Section 8.22. Payments Set Aside. To the extent that any payment by or on behalf of the Authority is made to the Bank and such payment or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Bank in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made.

Section 8.23. Electronic Execution of Certain Documents. The words “execute,” “execution,” “signed,” “signature,” and words of like import in any in any amendment or other modification hereof (including waivers and consents) shall be deemed to include signatures exchanged by electronic mail or by facsimile.

Section 8.24. Limited Liability of Authority. Neither the Notes nor any obligation of the Authority under this Agreement or the Fee Letter Agreement shall be deemed to constitute a debt or liability of the State of California or of any political subdivision thereof other than the Authority or a pledge of the faith and credit of the State of California or of any political subdivision thereof, but shall be payable solely from the funds herein provided. None of the State of California, any political subdivision thereof, or the Authority shall be obligated to pay the principal of, premium, if any, or interest on the Notes or any other amount under this Agreement or the Fee Letter Agreement except from the Authority Revenues and neither the faith and credit nor the taxing power of the State of California or of any political subdivision thereof is pledged to the payment of the principal of, premium, if any, or the interest on the Notes or any other amount under this Agreement or the Fee Letter Agreement. The execution and delivery of this Agreement, the Fee Letter Agreement and the issuance of the Notes shall not directly or indirectly or contingently obligate the State of California or any political subdivision thereof to levy or to pledge any form of taxation whatever therefor or to make any appropriation for their payment. Notwithstanding anything in this Agreement, the Fee Letter Agreement or in the Notes contained, the Authority shall have no pecuniary liability under the Notes, this Agreement or the Fee Letter Agreement except that which can be satisfied from the Authority Revenues, and the Authority shall not be required to advance any moneys derived from any source other than the Authority Revenues for any of the purposes in this Agreement or the Fee Letter Agreement mentioned, whether for the payment of the principal of, premium, if any, or the interest on the Notes or any other amount under this Agreement or the Fee Letter Agreement or for any other purpose of this Agreement or the Fee Letter Agreement. Nevertheless, the Authority may, but shall not be required to, advance for any of the purposes hereof any funds of the Authority which may be made available to it for such purposes.

Section 8.25. Waiver of Personal Liability. No member, officer, official, agent or employee of the Authority or the City shall be individually or personally liable for the payment of the principal of, premium, if any, or interest on the Notes or any other amount under this Agreement or the Fee Letter Agreement or be subject to any personal liability or accountability by reason of the execution and delivery of this Agreement, the Fee Letter Agreement or the issuance of the Notes; but nothing herein contained shall relieve any such member, officer,

official, agent or employee of the Authority or the City from the performance of any official duty provided by law or by this Agreement.

Section 8.26. Time of the Essence. Time is of the essence of the Related Documents.

REGISTERED OWNER: WELLS FARGO BANK, NATIONAL ASSOCIATION

CITY OF SAN JOSE FINANCING AUTHORITY, a joint powers authority and public entity of the State of California (the "Authority"), for value received, hereby promises to pay (but only out of the Authority Revenues pledged therefor as hereinafter mentioned) to the Registered Owner specified above (the "Registered Owner"), on the Termination Date (as defined in the Credit Agreement, dated as of October 1, 2017, among the Authority, the City of San José (the "City") and Wells Fargo Bank, National Association (the "Bank") (as amended from time to time in accordance with its terms, the "Credit Agreement")) the outstanding principal amount hereof, in lawful money of the United States of America; and to pay interest thereon (but only from said Authority Revenues) in like lawful money on the dates provided in the Credit Agreement at the rates per annum determined pursuant to the Credit Agreement. All payments of principal hereof, and interest hereon, are payable to the Registered Owner not later than the time specified in the Credit Agreement on the day when due, in federal or other funds immediately available as provided in the Fee Letter Agreement (as defined in the Credit Agreement). This Note is issuable in denominations of \$1,000,000 and any amount in excess thereof. Capitalized terms used herein and not otherwise defined herein shall have the meanings ascribed thereto in the Credit Agreement.

This Note is one of a duly authorized issue of notes of the Authority designated as "City of San José Financing Authority Subordinate Wastewater Revenue Taxable Notes" (the "Notes"), limited in aggregate principal amount to \$300,000,000 outstanding at any one time, and issued pursuant to the provisions of the Joint Exercise of Powers Act, constituting Title 1, Division 7, Chapter 5 of the Government Code of the State of California (the "Act"), and the Credit Agreement. Subject to the terms of the Credit Agreement, Advances may be made on this Note, this Note may be prepaid, and the principal amount of this Note that is paid or prepaid by the Authority may again be Advanced under this Note. The Notes are issued for the purpose of financing the acquisition, construction and installation from time to time of certain improvements, additions, and betterments to, and extensions and replacements of, the Treatment Plant for the City and/or, subject to the terms of the Credit Agreement, the refunding of any

bonds, notes or other evidences of indebtedness of the Authority or the City issued or incurred for such purpose.

The Notes and the interest thereon are limited obligations of the Authority payable solely from the Authority Revenues (as that term is defined in the Credit Agreement), constituting installment payments (the “Installment Payments”) to be made by the City to the Authority pursuant to the Subordinate Installment Purchase Contract, dated as of October 1, 2017 (as amended from time to time in accordance with its terms and the terms of the Credit Agreement, the “Installment Purchase Agreement”), between the Authority and the City, and are secured by a pledge and assignment of said Authority Revenues, subject only to the provisions of the Credit Agreement permitting the application thereof for the purposes and on the terms and conditions set forth in the Credit Agreement. The Notes are further secured by an assignment of the right, title and interest of the Authority in the Installment Purchase Agreement (to the extent and as more particularly described in the Credit Agreement).

The Notes are limited obligations of the Authority and the principal thereof, premium, if any, and interest thereon, are payable solely from, and secured in accordance with their terms and the provisions of the Credit Agreement solely by, the Authority Revenues. The Notes are not a debt or liability of the State of California, the City or of any other political subdivision of the State of California other than the Authority or a pledge of the faith and credit of the State of California, the City or of any other political subdivision of the State of California, but shall be payable solely from the Authority Revenues. None of the State of California, the City, any other political subdivision of the State of California, or the Authority shall be obligated to pay the principal of, premium, if any, or interest on the Notes except from the Authority Revenues and neither the faith and credit nor the taxing power of the State of California, the City or of any political subdivision of the State of California is pledged to the payment of the principal of, premium, if any, or the interest on the Notes. The issuance of the Notes shall not directly or indirectly or contingently obligate the State of California, the City or any other political subdivision of the State of California to levy or to pledge any form of taxation whatever therefor or to make any appropriation for their payment. Notwithstanding anything herein or in the Credit Agreement, the Authority shall have no pecuniary liability under the Notes except that which can be satisfied from the Authority Revenues, and the Authority shall not be required to advance any moneys derived from any source other than the Authority Revenues for the payment of the principal of, premium, if any, or the interest on the Notes.

Reference is hereby made to the Credit Agreement (a copy of which is on file with the Authority) and to the Act for a description of the rights thereunder of the Registered Owner, of the nature and extent of the security for the Notes, and of the rights and obligations of the Authority thereunder, all of the provisions of which Credit Agreement are incorporated herein and to which the Registered Owner of this Note, by acceptance hereof, assents and agrees.

Interest

This Note shall bear interest on the outstanding principal amount hereof, for each day from and including the date the initial Advance is made hereunder until it is paid in full, at the Taxable Rate.

“Taxable Rate” means a per annum rate of interest established by the Calculation Agent on each Computation Date equal to the sum of the Taxable Applicable Spread plus the LIBOR Index. The Taxable Rate shall be rounded upwards to the fifth decimal place. Upon the occurrence and during the continuance of an Event of Default the Taxable Rate shall equal the Default Rate.

The Calculation Agent shall determine the applicable interest rate for this Note as of each applicable Computation Date, and such rate shall become effective on the Rate Reset Date next succeeding such Computation Date. Interest on the outstanding principal amount of this Note shall accrue each day during the applicable Interest Period. Interest on this Note shall be computed on the basis specified in the Credit Agreement.

Interest on the outstanding principal amount of this Note is payable monthly in arrears on each Interest Payment Date, on the date the outstanding principal of this Note is paid in full and, solely with respect to the portion of this Note being prepaid, on the date any portion of the principal of this Note is prepaid in part.

Optional Prepayment

The Authority may prepay this Note in whole at any time, or from time to time in part in amounts aggregating \$1,000,000 and any amount in excess thereof or, if the outstanding principal amount of this Note being prepaid is less than \$1,000,000, the total amount of this Note which is then outstanding, by giving notice to the Registered Owner by 11:00 a.m. on the date which is at least two Business Days prior to the date on which such prepayment is to be made and by paying to the Registered Owner the principal amount thereof to be prepaid together with accrued interest to the date of prepayment. Any such notice shall be irrevocable once received by the Registered Owner.

Payment of Principal after Termination Date

Notwithstanding anything to the contrary contained herein or in the Credit Agreement, in the event the Registered Owner does not receive repayment of the outstanding principal of this Note on or before the Termination Date, and provided that (A) no Default or Event of Default shall have occurred and be continuing and (B) the representations and warranties set forth in the Credit Agreement shall be true and correct on the Termination Date, then the Authority shall pay the outstanding principal amount of this Note (the “Amortization Amount”) in installments payable on each Amortization Principal Payment Date (each such payment, an “Amortization Principal Payment”), with the final installment in an amount equal to the remaining balance of the Amortization Amount on the Amortization End Date (the period commencing on the Termination Date and ending on the Amortization End Date is herein referred to as the “Amortization Period”). Each Amortization Principal Payment shall be that amount of principal which will result in equal (as nearly as possible) aggregate Amortization Principal Payments over the Amortization Period so the Amortization Amount is fully repaid by the end of the Amortization Period. The Authority may prepay, or cause to be prepaid, some or all of the Amortization Amount on any date upon one Business Days’ notice to the Registered Owner, such prepayment to be accompanied by interest accrued thereon at the Bank Rate to the date of prepayment.

During the Amortization Period, interest on the Notes shall accrue at the Bank Rate and shall be payable in arrears on each Amortization Interest Payment Date.

Maximum Interest Rate

If the amount of interest payable on this Note for any period in accordance with the terms hereof or the Credit Agreement exceeds the amount of interest that would be payable on this Note for such period had interest for such period been calculated at the Maximum Interest Rate, then interest for such period shall be payable in an amount calculated at the Maximum Interest Rate for such period.

Any interest that would have been due and payable for any period but for the operation of the immediately preceding paragraph shall accrue and be payable on this Note as provided in this paragraph and shall, less interest actually paid to the Registered Owner, as applicable, for such period, constitute the "Excess Interest Amount." If there is any accrued and unpaid Excess Interest Amount as of any date with respect to this Note then the principal amount of this Note shall bear interest at the Maximum Interest Rate, until payment to the Registered Owner, of the entire Excess Interest Amount.

The Authority shall treat the Registered Owner hereof as the absolute owner hereof for all purposes, and the Authority shall not be affected by any notice to the contrary.

THE REGISTERED OWNER OF THIS NOTE WILL PURCHASE THE PRINCIPAL AMOUNT OF THIS NOTE IN INSTALLMENTS BY MAKING ADVANCES IN ACCORDANCE WITH THE TERMS OF THE CREDIT AGREEMENT. ACCORDINGLY, THE PRINCIPAL AMOUNT OF THIS NOTE WHICH HAS BEEN PURCHASED AND IS OUTSTANDING AT ANY GIVEN TIME MAY BE LESS THAN THE MAXIMUM PRINCIPAL AMOUNT OF THIS NOTE AS SET FORTH ON THE FACE OF THIS NOTE. THE REGISTERED OWNER OF THIS NOTE MAY MAKE A NOTATION ON THIS NOTE ON THE SCHEDULE ATTACHED HERETO AS TO THE DATE AND THE AMOUNT OF EACH ADVANCE AND AS TO EACH PAYMENT OF PRINCIPAL OF THIS NOTE, BUT THE FAILURE TO MAKE A NOTATION SHALL NOT RELIEVE THE AUTHORITY OF ITS OBLIGATIONS TO PAY THE OUTSTANDING PRINCIPAL OF THIS NOTE, TOGETHER WITH INTEREST HEREON, AS PROVIDED HEREIN AND IN THE CREDIT AGREEMENT.

PAYMENTS OF THE PRINCIPAL OF AND PREMIUM, IF ANY, AND INTEREST ON THIS NOTE MAY BE MADE DIRECTLY TO THE REGISTERED OWNER HEREOF WITHOUT NOTATION HEREON. IT CANNOT BE DETERMINED FROM THE FACE OF THIS NOTE WHETHER ALL OR ANY PART OF SUCH PAYMENTS HAVE BEEN PAID.

It is hereby certified and recited that any and all acts, conditions and things required to exist, to have happened and to have been performed precedent to and in the issuance of this Note do exist, have happened and have been performed in due time, form and manner as required by the provisions of the Act and by the Constitution and laws of the State of California, and that the amount of this Note, together with all other indebtedness of the Authority, does not exceed any

limit prescribed by the Act or the Constitution and laws of the State of California, and is not in excess of the amount of Notes permitted to be issued under the Credit Agreement.

IN WITNESS WHEREOF, CITY OF SAN JOSE FINANCING AUTHORITY has caused this Note to be executed in its name and on its behalf by the manual signature of its [Treasurer] as of the date set forth above.

All payments of principal hereof, and interest hereon, are payable to the Registered Owner not later than the time specified in the Credit Agreement on the day when due, in federal or other funds immediately available as provided in the Fee Letter Agreement (as defined in the Credit Agreement). This Note is issuable in denominations of \$1,000,000 and any amount in excess thereof. Capitalized terms used herein and not otherwise defined herein shall have the meanings ascribed thereto in the Credit Agreement.

This Note is one of a duly authorized issue of notes of the Authority designated as "City of San José Financing Authority Subordinate Wastewater Revenue Notes, Series [__]" (the "Notes"), limited in aggregate principal amount to \$[_____], and issued pursuant to the provisions of the Joint Exercise of Powers Act, constituting Title 1, Division 7, Chapter 5 of the Government Code of the State of California (the "Act"), and the Credit Agreement. The Notes are issued for the purpose of financing the acquisition, construction and installation from time to time of certain improvements, additions, and betterments to, and extensions and replacements of, the Treatment Plant for the City and/or, subject to the terms of the Credit Agreement, the

refunding of any bonds, notes or other evidences of indebtedness of the Authority or the City issued or incurred for such purpose.

The Notes and the interest thereon are limited obligations of the Authority payable solely from the Authority Revenues (as that term is defined in the Credit Agreement), constituting installment payments (the “Installment Payments”) to be made by the City to the Authority pursuant to the Subordinate Installment Purchase Contract, dated as of October 1, 2017 (as amended from time to time in accordance with its terms and the terms of the Credit Agreement, the “Installment Purchase Agreement”), between the Authority and the City, and are secured by a pledge and assignment of said Authority Revenues, subject only to the provisions of the Credit Agreement permitting the application thereof for the purposes and on the terms and conditions set forth in the Credit Agreement. The Notes are further secured by an assignment of the right, title and interest of the Authority in the Installment Purchase Agreement (to the extent and as more particularly described in the Credit Agreement).

The Notes are limited obligations of the Authority and the principal thereof, premium, if any, and interest thereon, are payable solely from, and secured in accordance with their terms and the provisions of the Credit Agreement solely by, the Authority Revenues. The Notes are not a debt or liability of the State of California, the City or of any other political subdivision of the State of California other than the Authority or a pledge of the faith and credit of the State of California, the City or of any other political subdivision of the State of California, but shall be payable solely from the Authority Revenues. None of the State of California, the City, any other political subdivision of the State of California, or the Authority shall be obligated to pay the principal of, premium, if any, or interest on the Notes except from the Authority Revenues and neither the faith and credit nor the taxing power of the State of California, the City or of any political subdivision of the State of California is pledged to the payment of the principal of, premium, if any, or the interest on the Notes. The issuance of the Notes shall not directly or indirectly or contingently obligate the State of California, the City or any other political subdivision of the State of California to levy or to pledge any form of taxation whatever therefor or to make any appropriation for their payment. Notwithstanding anything herein or in the Credit Agreement, the Authority shall have no pecuniary liability under the Notes except that which can be satisfied from the Authority Revenues, and the Authority shall not be required to advance any moneys derived from any source other than the Authority Revenues for the payment of the principal of, premium, if any, or the interest on the Notes.

Reference is hereby made to the Credit Agreement (a copy of which is on file with the Authority) and to the Act for a description of the rights thereunder of the Registered Owner, of the nature and extent of the security for the Notes, and of the rights and obligations of the Authority thereunder, all of the provisions of which Credit Agreement are incorporated herein and to which the Registered Owner of this Note, by acceptance hereof, assents and agrees.

Interest

This Note shall bear interest on the outstanding principal amount hereof, for each day from and including the date the initial Advance is made hereunder until it is paid in full, at the Tax Exempt Rate.

“Tax Exempt Rate” means a per annum rate of interest established by the Calculation Agent on each Computation Date equal to the product of (a) the sum of (i) the Tax Exempt Applicable Spread plus (ii) the product of (A) the LIBOR Index multiplied by (B) the Applicable Factor multiplied by (b) the Margin Rate Factor. The Tax Exempt Rate shall be rounded upwards to the fifth decimal place. Upon the occurrence and during the occurrence of an Event of Default the Tax Exempt Rate shall equal the Default Rate.

The Calculation Agent shall determine the applicable interest rate for this Note as of each applicable Computation Date, and such rate shall become effective on the Rate Reset Date next succeeding such Computation Date. Interest on the outstanding principal amount of this Note shall accrue each day during the applicable Interest Period. Interest on this Note shall be computed on the basis specified in the Credit Agreement.

Interest on the outstanding principal amount of this Note is payable monthly in arrears on each Interest Payment Date, on the date the outstanding principal of this Note is paid in full and, solely with respect to the portion of this Note being prepaid, on the date any portion of the principal of this Note is prepaid in part.

Taxability

On and after a Taxable Date for this Note, this Note shall bear interest at the Taxable Rate until such time as another interest rate shall apply pursuant to the terms hereof.

“Taxable Rate” means a per annum rate of interest established by the Calculation Agent on each Computation Date equal to the sum of the Taxable Applicable Spread plus the LIBOR Index. The Taxable Rate shall be rounded upwards to the fifth decimal place. Upon the occurrence and during the continuance of an Event of Default the Taxable Rate shall equal the Default Rate.

Optional Prepayment

The Authority may prepay this Note in whole at any time, or from time to time in part in amounts aggregating \$1,000,000 and any amount in excess thereof or, if the outstanding principal amount of this Note being prepaid is less than \$1,000,000, the total amount of this Note which is then outstanding, by giving notice to the Registered Owner by 11:00 a.m. on the date which is at least two Business Days prior to the date on which such prepayment is to be made and by paying to the Registered Owner the principal amount thereof to be prepaid together with accrued interest to the date of prepayment. Any such notice shall be irrevocable once received by the Registered Owner.

Payment of Principal after Termination Date

Notwithstanding anything to the contrary contained herein or in the Credit Agreement, in the event the Registered Owner does not receive repayment of the outstanding principal of this Note on or before the Termination Date, and provided that (A) no Default or Event of Default shall have occurred and be continuing and (B) the representations and warranties set forth in the Credit Agreement shall be true and correct on the Termination Date, then the Authority shall pay the outstanding principal amount of this Note (the “Amortization Amount”) in installments

payable on each Amortization Principal Payment Date (each such payment, an “Amortization Principal Payment”), with the final installment in an amount equal to the remaining balance of the Amortization Amount on the Amortization End Date (the period commencing on the Termination Date and ending on the Amortization End Date is herein referred to as the “Amortization Period”). Each Amortization Principal Payment shall be that amount of principal which will result in equal (as nearly as possible) aggregate Amortization Principal Payments over the Amortization Period so the Amortization Amount is fully repaid by the end of the Amortization Period. The Authority may prepay, or cause to be prepaid, some or all of the Amortization Amount on any date upon one Business Days’ notice to the Registered Owner, such prepayment to be accompanied by interest accrued thereon at the Bank Rate to the date of prepayment.

During the Amortization Period, interest on the Notes shall accrue at the Bank Rate and shall be payable in arrears on each Amortization Interest Payment Date.

Maximum Interest Rate

If the amount of interest payable on this Note for any period in accordance with the terms hereof or the Credit Agreement exceeds the amount of interest that would be payable on this Note for such period had interest for such period been calculated at the Maximum Interest Rate, then interest for such period shall be payable in an amount calculated at the Maximum Interest Rate for such period.

Any interest that would have been due and payable for any period but for the operation of the immediately preceding paragraph shall accrue and be payable on this Note as provided in this paragraph and shall, less interest actually paid to the Registered Owner, as applicable, for such period, constitute the “Excess Interest Amount.” If there is any accrued and unpaid Excess Interest Amount as of any date with respect to this Note then the principal amount of this Note shall bear interest at the Maximum Interest Rate, until payment to the Registered Owner, of the entire Excess Interest Amount.

The Authority shall treat the Registered Owner hereof as the absolute owner hereof for all purposes, and the Authority shall not be affected by any notice to the contrary.

THIS NOTE IS BEING ISSUED AS A DRAW-DOWN NOTE, IN THAT THE REGISTERED OWNER OF THIS NOTE WILL PURCHASE THE PRINCIPAL AMOUNT OF THIS NOTE IN INSTALLMENTS BY MAKING ADVANCES IN ACCORDANCE WITH THE TERMS OF THE CREDIT AGREEMENT. ACCORDINGLY, THE PRINCIPAL AMOUNT OF THIS NOTE WHICH HAS BEEN PURCHASED AND IS OUTSTANDING AT ANY GIVEN TIME MAY BE LESS THAN THE MAXIMUM PRINCIPAL AMOUNT OF THIS NOTE AS SET FORTH ON THE FACE OF THIS NOTE. THE REGISTERED OWNER OF THIS NOTE MAY MAKE A NOTATION ON THIS NOTE ON THE SCHEDULE ATTACHED HERETO AS TO THE DATE AND THE AMOUNT OF EACH ADVANCE AND AS TO EACH PAYMENT OF PRINCIPAL OF THIS NOTE, BUT THE FAILURE TO MAKE A NOTATION SHALL NOT RELIEVE THE AUTHORITY OF ITS OBLIGATIONS TO PAY THE OUTSTANDING PRINCIPAL OF THIS NOTE, TOGETHER WITH INTEREST HEREON, AS PROVIDED HEREIN AND IN THE CREDIT AGREEMENT.

PAYMENTS OF THE PRINCIPAL OF AND PREMIUM, IF ANY, AND INTEREST ON THIS NOTE MAY BE MADE DIRECTLY TO THE REGISTERED OWNER HEREOF WITHOUT NOTATION HEREON. IT CANNOT BE DETERMINED FROM THE FACE OF THIS NOTE WHETHER ALL OR ANY PART OF SUCH PAYMENTS HAVE BEEN PAID.

It is hereby certified and recited that any and all acts, conditions and things required to exist, to have happened and to have been performed precedent to and in the issuance of this Note do exist, have happened and have been performed in due time, form and manner as required by the provisions of the Act and by the Constitution and laws of the State of California, and that the amount of this Note, together with all other indebtedness of the Authority, does not exceed any limit prescribed by the Act or the Constitution and laws of the State of California, and is not in excess of the amount of Notes permitted to be issued under the Credit Agreement.

IN WITNESS WHEREOF, CITY OF SAN JOSE FINANCING AUTHORITY has caused this Note to be executed in its name and on its behalf by the manual signature of its [Treasurer] as of the date set forth above.
