SUBJECT: INDEPENDENT POLICE
AUDITOR

RECOMMENDATION

I would like to withdraw my previous memo on this item.

BACKGROUND

The contents of the aforementioned memo regard possible changes pertaining to civilian oversight of the Police Department. Item 8.1 to be presented at Council is expressly for the 2017 IPA Annual Report. Discussion and actions pertaining to Charter amendments relating to the Office of the Independent Police Auditor should be brought to Rules and Open Government Committee, then added to a City Council agenda separately to avoid confusion and to prevent diversion in public comment and Council discussion.
