Dear City Council,

I am not able to speak at the Council meeting on this item, but I'd like to register my support for the 826 N Winchester proposal.

The magnitude of the benefit of 135 new homes is far greater than the magnitude of any drawbacks claimed by opponents. Housing is a cornerstone of human existence. Even if there are parking or traffic disruptions, it does not justify denying the existence of these new homes.

Please keep this project alive.

Thanks,  
Benson Louie
