Clerk San Jose Councilmember,

Dear Rules Committee Members,

As a resident of San José and as a first generation Latine, I am writing to express my strong support for the memo proposed by Councilmembers Ortiz, Campos, Cohen, and Candelas, which outlines critical actions to protect our city's residents from the harmful policies of the incoming presidential administration.

San José has always been a city that values its diversity and stands with its immigrant communities, who are essential to our city. The threats posed by mass deportation policies and heightened immigration enforcement risk tearing families apart, spreading fear, and undermining public safety.

The steps outlined in this memo – strengthening the Rapid Response Network, providing legal and support services, and reaffirming our sanctuary city policies – are vital to preserving the trust, safety, and dignity of all San José residents. By passing this memo, the City Council can send a clear message that San José will remain a place where all communities are valued and protected.

I urge you to pass this memo to safeguard our city's future.

Thank you for your leadership and commitment to ensuring that San José remains a welcoming and inclusive city for everyone.

Sincerely
Delmy Reyes
