ADA ALERT

In accordance with the requirements of AB 2449, the Board of Administration (“Board”) will generally, upon request, provide appropriate aids and services leading to effective communication for individuals with disabilities so they can participate equally in the Board’s meetings, including qualified sign language interpreters, documents in Braille, and other ways of making information and communications accessible to people who have speech, hearing, vision or other disabilities.

THE LEVINE ACT

Senate Bill 1439 (“Levine Act”) amended Government Code Section 84308 and requires disclosure and recusal by a local elected official and some members of boards and commissions if they receive campaign contributions over \$250 from a party, a participant with a financial interest in a proceeding, or their respective agents. The Levine Act was an anti-corruption law intended to curb “pay-to-play” and enhance public trust so that decision-makers can maintain their independence from the influence of donations for political campaigns. SB 1439 expanded the scope from state agency appointees or appointed local officials to include local elected officials.
