

## CITY COUNCIL STAFF REPORT

<b>File Nos.</b>	C22-126, C22-127, C22-128, C22-129, C22-130, C22-131, C22-132, C22-133, C22-134, C22-135, C23-096
<b>Location</b>	555 parcels at various locations within the City of San José.
<b>Existing Zoning</b>	A Agriculture, CN Commercial Neighborhood, CO Commercial Office, CP Commercial Pedestrian, IP Industrial Park, LI Light Industrial, R-1-2, R-1-2, R-1-5 and R-1-8 Single-Family Residential, R-1-RR, R-2, R-M
<b>Proposed Zoning</b>	A Agriculture, CIC Combined Industrial/Commercial, CP Commercial Pedestrian, LI Light Industrial, MUN Mixed Use Neighborhood, OS Open Space, PQP Public/Quasi-Public, R-1-2 and R-1-8 Single-Family Residential, R-1-RR Rural Residential
<b>CEQA:</b>	Determination of Consistency with the Envision San José 2040 General Plan EIR (Resolution No. 76041) and the Envision San José General Plan Supplemental EIR (Resolution No. 77617), and Addenda thereto.

### RECOMMENDATION:

Staff recommends that the City Council:

1. Consider the Determination of Consistency with the Envision San José 2040 General Plan EIR (Resolution No. 76041) and the Envision San José General Plan Supplemental EIR (Resolution No. 77617), and Addenda thereto.
2. Approve an ordinance of the City of San José rezoning 132 properties from R-M Zoning District to MUN Mixed Use Neighborhood Zoning District, 94 from R-1-1 Single-Family Residential Zoning District to OS Open Space Zoning District, 48 from A Agriculture Zoning District to OS Open Space Zoning District, 40 from R-1-5 Single-Family Residential Zoning District to OS Open Space Zoning District, 37 from R-1-8 Single-Family Residential Zoning District to OS Open Space Zoning District, 36 from A Agriculture Zoning District to R-1-8 Single-Family Residential Zoning District, 33 from R-1-8 Single-Family Residential Zoning District to PQP Public/Quasi-Public Zoning District, 27 from R-2 to MUN Mixed Use Neighborhood Zoning District, 21 from A Agriculture Zoning District to PQP Public/Quasi-Public Zoning District, 11 from A Agriculture Zoning District to R-1-2, nine from R-1-5 Single-Family Residential Zoning District to PQP Public/Quasi-Public Zoning District, eight from A Agriculture Zoning District to CP Commercial Pedestrian Zoning District, eight from R-1-1 Single-Family Residential Zoning District to PQP Public/Quasi-Public Zoning District, five from R-1-5 Single-Family Residential Zoning District to CP Commercial Pedestrian Zoning District, five from R-1-5

Single-Family Residential Zoning District to R-1-2, four from R-1-8 Single-Family Residential Zoning District to MUN Mixed Use Neighborhood Zoning District, four from R-1-RR to R-1-2, four from R-1-5 Single-Family Residential Zoning District to R-1-RR, four from A Agriculture Zoning District to R-1-RR, three from LI Light Industrial Zoning District to CP Commercial Pedestrian Zoning District, three from CN Commercial Neighborhood Zoning District to OS Open Space Zoning District, two from R-1-2 to CIC CIC Combined Industrial/Commercial Zoning District, two from IP Industrial Park Zoning District to OS Open Space Zoning District, two from CP Commercial Pedestrian Zoning District to R-1-8 Single-Family Residential Zoning District, two from R-1-2 to R-1-RR, one from R-1-5 Single-Family Residential Zoning District to A Agriculture Zoning District, one from IP Industrial Park Zoning District to CP Commercial Pedestrian Zoning District, one from R-1-1 Single-Family Residential Zoning District to LI Light Industrial Zoning District, one from R-1-1 Single-Family Residential Zoning District to MUN Mixed Use Neighborhood Zoning District, one from CO Commercial Office Zoning District to OS Open Space Zoning District, one from CP Commercial Pedestrian Zoning District to OS Open Space Zoning District, one from R-1-2 to OS Open Space Zoning District, one from R-M Zoning District to OS Open Space Zoning District, one from CN Commercial Neighborhood Zoning District to PQP Public/Quasi-Public Zoning District, one from Water to PQP Public/Quasi-Public Zoning District, located in various locations on those certain real properties within the City of San José.

**PROJECT DESCRIPTION**

City-initiated Conforming Rezoning to rezone a total of 555 properties. The 132 properties from R-M Zoning District to MUN Mixed Use Neighborhood Zoning District, 94 from R-1-1 Single-Family Residential Zoning District to OS Open Space Zoning District, 48 from A Agriculture Zoning District to OS Open Space Zoning District, 40 from R-1-5 Single-Family Residential Zoning District to OS Open Space Zoning District, 37 from R-1-8 Single-Family Residential Zoning District to OS Open Space Zoning District, 36 from A Agriculture Zoning District to R-1-8 Single-Family Residential Zoning District, 33 from R-1-8 Single-Family Residential Zoning District to PQP Public/Quasi-Public Zoning District, 27 from R-2 to MUN Mixed Use Neighborhood Zoning District, 21 from A Agriculture Zoning District to PQP Public/Quasi-Public

Zoning District, 11 from A Agriculture Zoning District to R-1-2, nine from R-1-5 Single-Family Residential Zoning District to PQP Public/Quasi-Public Zoning District, eight from A Agriculture Zoning District to CP Commercial Pedestrian Zoning District, eight from R-1-1 Single-Family Residential Zoning District to PQP Public/Quasi-Public Zoning District, five from R-1-5 Single-Family Residential Zoning District to CP Commercial Pedestrian Zoning District, five from R-1-5 Single-Family Residential Zoning District to R-1-2, four from R-1-8 Single-Family Residential Zoning District to MUN Mixed Use Neighborhood Zoning District, four from R-1-RR to R-1-2, four from R-1-5 Single-Family Residential Zoning District to R-1-RR, four from A Agriculture Zoning District to R-1-RR, three from LI Light Industrial Zoning District to CP Commercial Pedestrian Zoning District, three from CN Commercial Neighborhood Zoning District to OS Open Space Zoning District, two from R-1-2 to CIC CIC Combined Industrial/Commercial Zoning District, two from IP Industrial Park Zoning District to OS Open Space Zoning District, two from CP Commercial Pedestrian Zoning District to R-1-8 Single-Family Residential Zoning District, two from R-1-2 to R-1-RR, one from R-1-5 Single-Family Residential Zoning District to A Agriculture Zoning District, one from IP Industrial Park Zoning District to CP Commercial Pedestrian Zoning District, one from R-1-1 Single-Family Residential Zoning District to LI Light Industrial Zoning District, one from R-1-1 Single-Family Residential Zoning District to MUN Mixed Use Neighborhood Zoning District, one from CO Commercial Office Zoning District to OS Open Space Zoning District, one from CP Commercial Pedestrian Zoning District to OS Open Space Zoning District, one from R-1-2 to OS Open Space Zoning District, one from R-M Zoning District to OS Open Space Zoning District, one from CN Commercial Neighborhood Zoning District to PQP Public/Quasi-Public Zoning District, one from Water to PQP Public/Quasi-Public Zoning District, located in various locations on those certain real properties within the City of San José. The specific locations of the parcels to be rezoned are specified in the proposed rezoning ordinance, attached hereto and incorporated herein by reference as Attachment 1.

### **Background**

Government Code section 65860 (amended in 2018 by Senate Bill 1333) requires charter cities such as San José to make zoning consistent with the General Plan land use designation. To comply with the recent change in State law and to streamline the development review process for projects consistent with the General Plan, staff has been working on a multiyear effort to make the zoning district map consistent with the Envision San José 2040 General Plan land use map. The first phase of this work (Phase 1(a)) was approved by the City Council in June 2019, which aligned the existing zoning districts with their respective General Plan designations, including changes to permitting requirements in the Zoning Ordinance across all zoning districts. Phase 1(b) was approved by the City Council in June 2021 and created six new urban village and mixed-use zoning districts to support areas that are planned for mixed-use development and high-density residential or commercial uses.

Rezoning properties to make zoning districts consistent with the General Plan land use designations represents the final phase of work to bring the Zoning District Map into conformance with the General Plan land use map. Currently, staff is proposing the rezoning of 555 properties to make their designated zoning consistent with their General Plan land use designation. The proposed 555 properties are located in various locations, as indicated on the attached draft Ordinance and shown on the maps. (Attachment)

## ANALYSIS

The proposed project was analyzed for conformance with the following:

- 1) Envision San José 2040 General Plan
- 2) Zoning Ordinance
- 3) Senate Bill 330
- 5) California Environmental Quality Act (CEQA)

### **Envision San José 2040 General Plan Conformance**

The subject sites have an Envision San José 2040 General Plan Land Use/Transportation Diagram land use designations of A Agriculture, CIC Combined Industrial/Commercial, LH Lower Hillside, LI Light Industrial, MUN Mixed Use Neighborhood, NCC Neighborhood Community/Commercial, OH Open Hillside, OSPH Open Space, Parklands and Habitat, PQP Public/Quasi-Public, PROS Private Recreation and Open Space, RN Residential Neighborhood, and RR Rural Residential. (see Exhibit A-1 of the attached ordinance).

*A Agricultural:* Sites in the Agriculture designation are intended for a variety of agricultural uses, including grazing, dairying, raising of livestock, feedlots, orchards, row crops, nursery stock, flower growing, ancillary residential uses, ancillary commercial uses such as fruit stands, and the processing of agricultural products. Consistent with other Envision General Plan goals and policies, agricultural practices are encouraged that follow ecologically sound practices and support economic development, provide open space, and link to the region's history. The Agriculture designation supports more intensive agricultural uses than is supported by the Open Hillside designation. Building intensity in this designation will be greatly limited. The minimum parcel in areas designated as Agriculture is 20 acres in size. This designation is intended to support existing and future agricultural uses on properties. No uses or structures are allowed that would require urban services, such as sanitary sewers or other urban street improvements. Some ancillary, supportive uses can be allowed in accordance with the Rural Agriculture Goals & Policies in the Envision General Plan.

*CIC Combined Industrial/Commercial:* This category allows a significant amount of flexibility for the development of a varied mixture of compatible commercial and industrial uses, including hospitals and private community gathering facilities. Properties with this designation are intended for commercial, office, or industrial developments or a compatible mix of these uses. This designation occurs in areas where the existing development pattern exhibits a mix of commercial and industrial land uses or in areas on the boundary between commercial and industrial uses. Development intensity can vary significantly in this designation based on the nature of specific uses likely to occur in a particular area. In order to maintain an industrial character, small, suburban strip centers are discouraged in this designation, although larger big-box type developments may be allowed because they mix elements of retail commercial and warehouse forms and uses. While this designation potentially accommodates a wide variety of uses and building forms, more specific guidance should be provided through the application of the Zoning Ordinance in order to establish use and form standards that will promote the development of a cohesive employment area across multiple adjoining properties that share this designation.

*LH Lower Hillside:* This designation is applied to properties at the edge of the developed City, just inside its Urban Growth Boundary (UGB) and at the limit of the Urban Service Area (USA), but where urbanization has already partially occurred and where urban infrastructure and services (streets, utilities, etc.) are already available. This designation is applied to properties located downhill from the UGB, but that typically have hillside characteristics, and which typically have a higher cost for the provision of public services. Development of Lower Hillside properties is not intended to expand the City or create new areas of development, but rather to allow for limited infill that completes the existing pattern of development at its edge. New residential development is limited to one dwelling unit per existing lot, with new subdivisions not to exceed one dwelling unit per five acres (1 DU/5 AC).

*LI Light Industrial:* This designation is intended for a wide variety of industrial uses and excludes uses with unmitigated hazardous or nuisance effects. Warehousing, wholesaling, and light manufacturing are examples of typical uses in this designation. Light Industrial designated properties may also contain service establishments that serve only employees of businesses located in the immediate industrial area. Office and higher-end industrial uses, such as research and development, are discouraged in order to preserve the scarce, lower-cost land resources that are available for companies with limited operating history (startup companies) or lower-cost industrial operations. Because of the limited supply of land available for industrial suppliers/services firms in the city, Land Use Policies in the Envision General Plan restrict land use changes on sites designated Light Industrial. Design controls for this category of use are not as stringent as for the “Industrial Park” uses.

*MUN Mixed-Use Neighborhood:* This designation supports commercial or mixed-use development integrated within the Mixed-Use Neighborhood area. This designation should be used to establish new neighborhoods with a cohesive urban form, to provide the transition between higher-density and lower-density neighborhoods, or to facilitate new infill development within an existing area that does not have an established cohesive urban character. Hospitals and other healthcare facilities may potentially be located within mixed-use neighborhood areas provided that any potential land-use impacts can be mitigated. This designation may also be appropriate for areas in close proximity to urban amenities (such as transit stations), but that are not within a proposed Urban Village area. Development within this designation should occur through the use of standard Zoning Districts which specify the minimum lot size. Development at higher ends of the density range will typically require larger lot sizes (or a combination of existing lots) and must still meet Community Design Policies in the Envision General Plan and applicable design guidelines. The allowable density/intensity for mixed-use development will be determined using an allowable Floor Area Ratio (FAR) (0.25 to 2.0) rather than Dwelling Units per Acre (DU/ AC) to better address the urban form and potentially allow fewer units per acre if in combination with other non-residential uses such as commercial or office.

*NCC Neighborhood Community/Commercial:* This designation supports a very broad range of commercial activity, including commercial uses that serve the communities in neighboring areas, such as neighborhood-serving retail and services and commercial/professional office development. Neighborhood / Community Commercial uses typically have a strong connection to and provide services and amenities for the nearby community and should be designed to promote that connection with an appropriate urban form that supports walking, transit use, and public interaction. General office uses, hospitals, and private community gathering facilities are also allowed in this designation. This designation also supports one hundred percent (100%)

deed-restricted affordable housing developments that are consistent with General Plan Policy H-2.9 and Policy IP-5.12.

*OH Open Hillside:* This designation is applied to areas that are located outside of the Urban Growth Boundary (UGB) with the intent of preserving a permanent greenbelt of open space and natural habitat along the City's eastern and southern edges. Within this designation, the supported uses vary slightly for lands owned publicly or privately. Publicly owned lands within the Open Hillside designation include habitat conservation areas, open space preserves, and large-scale parklands. Privately-owned lands within the Open Hillside designation may allow a limited amount of development, including single-family dwellings and, on large sites, private recreation, and low-intensity institutional or commercial uses with the majority of the site preserved as open space, very-low intensity agricultural uses such as grazing or tree farming, or privately owned open space/habitat preserves. Publicly owned lands may also support low-intensity institutional uses. Development under this land use designation will be consistent with the Non-Urban Area Land Use development policies of the Envision General Plan and requires discretionary development review permits.

*OSPH Open Space, Parklands, and Habitat:* These lands can be publicly- or privately-owned areas that are intended for low-intensity uses. Lands in this designation are typically devoted to open space, parks, recreation areas, trails, habitat buffers, nature preserves, and other permanent open space areas. This designation is applied within the Urban Growth Boundary to lands that are owned by nonprofits or public agencies that intend their permanent use as open space, including lands adjacent to various creeks throughout the City. This designation is also applied outside of the Urban Growth Boundary to the bay lands located within Alviso. New development on lands within this designation should be limited to minimize potential environmental and visual impacts and, for properties located outside of the Greenline / Urban Growth Boundary, should avoid the use of non-native, irrigated vegetation or development of new structures that would alter the environmental and visual quality of native habitat areas. Development of public facilities such as restrooms, playgrounds, educational/visitors' centers, or parking areas can be an inherent part of City or County Park properties and are appropriate for Open Space, Parklands and Habitat properties both within and outside of the Greenline / Urban Growth Boundary, but in the latter case should be sensitively located so as to minimize potential environmental and visual impacts. Within the Greenline / Urban Growth Boundary, community centers, public golf courses, and other amenities open to the public would also be allowed within publicly owned properties in this designation. Privately owned lands in this designation are to be used for low-intensity, open-space activities. Appropriate uses for privately owned lands in this category include cemeteries, salt ponds, and private buffer lands such as riparian setbacks. Where appropriate and where it has not otherwise been identified for use as open space (through a zoning, for instance), privately owned land in this designation may be considered for low-intensity agricultural uses provided that such uses do not involve the addition of buildings or other structures or use of irrigation on significant portions of the site.

*PQP Public/Quasi-Public:* This category is used to designate public land uses, including schools, colleges, corporation yards, homeless shelters, supportive housing for the homeless, libraries, fire stations, water treatment facilities, convention centers and auditoriums, museums, governmental offices, and airports. Joint development projects that include public and private participation - such as a jointly administered public/private research institute or an integrated convention center/hotel/restaurant complex - are allowed. This category is also used to designate lands used

by some private entities, including private schools, daycare centers, hospitals, public utilities, and the facilities of any organization involved in the provision of public services such as gas, water, electricity, and telecommunications facilities that are consistent in character with established public land uses. Private community gathering facilities, including those used for religious assembly or other comparable assembly activity, are also appropriate on lands with this designation. The appropriate intensity of development can vary considerably depending on potential impacts on surrounding uses and the particular Public/Quasi-Public use developed on the site.

*PROS Private Recreation and Open Space:* The Private Recreation and Open Space areas allow a broad range of recreation or open space uses, located within the Urban Growth Boundary, and typically at a higher intensity than those found on lands with Open Space, Parklands, and Habitat designation. Possible recreation uses include amusement parks, country clubs, golf courses, tennis clubs, driving ranges, recreational vehicle parks, private campgrounds, and cemeteries. Ancillary commercial uses, such as bars and restaurants, are allowed in conjunction with private recreation uses. The intensity of any combination of buildings or structures developed under this category is expected to be limited with the majority of the land area maintained as open space, so that the Private Recreation and Open Space lands generally maintain an open space character.

*RN Residential Neighborhood:* This designation is applied broadly throughout the City to encompass most of the established, single-family residential neighborhoods, including both the suburban and traditional residential neighborhood areas that comprise the majority of its developed land. The intent of this designation is to preserve the existing character of these neighborhoods and to strictly limit new development to infill projects that closely conform to the prevailing existing neighborhood character as defined by density, lot size and shape, massing, and neighborhood form and pattern. New infill development should improve and/ or enhance existing neighborhood conditions by completing the existing neighborhood pattern and bringing infill properties into general conformance with the quality and character of the surrounding neighborhood. New infill development should be integrated into the existing neighborhood pattern, continuing and, where applicable, extending or completing the existing street network. The average lot size, orientation, and form of new structures for any new infill development must therefore generally match the typical lot size and building form of any adjacent development, with particular emphasis given to maintaining consistency with other development that fronts onto a public street to be shared by the proposed new project.

*RR Rural Residential:* This designation is applied to areas already largely developed for residential use with a low density or rural character. Any new infill development should be limited to densities that match the established density, lot size, and character of surrounding properties. Properties with this designation that have existing zoning entitlements or traffic allocations in place may proceed with the development of those entitlements, even if at a higher density than 2 DU/AC or existing land use pattern. New development in this designation may also be limited to densities lower than 2 DU/AC due to issues such as geologic conditions, grading limitations, proximity to creeks, or higher costs for the provision of services. Since this designation is planned on the fringes of the city, the type and level of services required to support future developments in this category are expected to be less than that required for more urban land uses. Projects should minimize the demand for urban services and provide their own major funding for the construction of service facilities necessitated for the project. Discretionary development permits should be required for new development and subdivisions in these areas as

a mechanism to address public service levels, grading, geologic, environmental, aesthetics, and other issues.

The proposed conforming rezoning is consistent with the following General Plan policies:

1. Implementation Policy IP-1.7: Ensure that proposals to rezone and prezone properties conform to the Land Use/Transportation Diagram, and advance Envision General Plan vision, goals, and policies.
2. Implementation Policy IP-8.2: Use the City's conventional zoning districts, contained in its Zoning Ordinance, to implement the Envision General Plan Land Use/Transportation Diagram. These districts include a range of allowed land uses, development intensities, and standards within major land use categories (residential, commercial, and industrial) together with zoning districts for other land uses such as mixed-use and open space. The various ranges of allowed use and development intensity correspond generally to the respective Envision General Plan land use designations while providing greater detail as to the appropriate land uses and form of development.
3. Implementation Policy IP-8.3 – Zoning: For the review of privately or publicly initiated rezoning applications, consider the appropriateness of the proposed zoning district in terms of how it will further the Envision General Plan goals and policies as follows:
  - a. Align with the Envision General Plan Land Use/Transportation Diagram.
  - b. Retain or expand existing employment capacity.
  - c. Preserve existing retail activity.
  - d. Avoid adverse land use incompatibilities.
  - e. Implement the Envision General Plan goals and policies including those for Urban Design.
  - f. Support higher-density land uses consistent with the City's transition to a more urban environment.
  - g. Facilitate the intensification of Villages and other growth areas consistent with the goal of creating walkable, mixed-use communities.
  - h. Address height limits, setbacks, land use interfaces, and other design standards so as to provide for the intensification of land uses adjacent to already developed areas.

*Analysis: The General Plan land use designations for the proposed sites include, A, CIC, LI, LH, MUN, OH, OSPH, PQP, NCC, PROS, RN, and RR. Therefore, staff proposes a Conforming Rezoning of the properties from the R-M to MUN, R-1-1 to OS, A to OS, R-1-5 to OS, R-1-8 to OS, A to R-1-8, R-1-8 to PQP, R-2 to MUN, A to PQP, A to R-1-2, R-1-5 to PQP, A to R-1-2, R-1-5 to PQP, A to CP, R-1-1 to PQP, R-1-5 to R-1-2, R-1-5 to CP, R-1-8 to MUN, R-1-RR to R-1-2, A to R-1-RR, R-1-5 to R-1-RR, A to R-1-RR, R-1-5 to R-1-RR, LI to CP, CN to OS, R-1-2 to CIC, IP to OS, CP to R-1-8, R-1-2 to R-1-RR, R-1-5 to A, IP to CP, R-1-1 to LI, R-1-1 to MUN, CO to OS, CP to OS, R-1-2 to OS, R-M to OS, CN to PQP and WATER to PQP. This would correspond to the existing Envision General Plan land use designations for the subject sites. The proposed rezoning would allow future development consistent with the sites' General Plan land use designations.*

### **Zoning Ordinance Conformance**

The proposed rezoning conforms with Table 20-270 in Section 20.120.110 of the San José Municipal Code, which identifies the A, CIC, CP, LI, MUN, OS, PQP, R-1-1, R-1-8, and R-1-RR as a conforming district to the respective A, CIC, LI, LH, MUN, OH, OSPH, PQP, NCC, PROS, RN, and RR General Plan land use designations. (See Exhibit A of the attached ordinance). The proposed rezoning would allow the properties to be used and developed in accordance with the allowable uses in Title 20 of the San José Municipal Code.

### **Senate Bill 330 Compliance**

The Housing Crisis Act of 2019 (SB 330) limits the manner in which local governments may reduce the capacity for residential units that can be built on properties that allow housing, including actions such as down-zoning, changing general or specific plan land use designations to a less intensive use, reductions in height, density or floor area ratio, or other types of increased requirements. An exception to this is that a property may be allowed to reduce the intensity of residential uses if changes in land use designations or zoning elsewhere ensure “no net loss” (down-zoning) in residential capacity within the jurisdiction.

Approval of File Nos. C22-126, C22-127, C22-128, C22-129, C22-130, C22-131, C22-132, C22-133, C22-134, C22-135, C23-096 would not result in a decrease in residential capacity. Among the properties that are the subject of the proposed rezoning, 323 properties would have a reduction of a total of 18,585 residential unit capacity, 178 properties would have an increase of a total of 58,935 residential unit capacity, 54 properties would not have any change in residential capacity. Thus, the proposed rezoning would not result in any decrease in residential unit capacity but will result in a 40,350-unit residential capacity increase, which complies with SB330 requirements.

### **CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA)**

Pursuant to Section 15168(c)(2) of the CEQA Guidelines, the City of San José has determined that the proposed project is pursuant to, in furtherance of, and within the scope of the Envision San José 2040 General Plan program, the impacts of which were analyzed and disclosed in the Final Environmental Impact Report for the Envision San José 2040 General Plan (FEIR), for which findings were adopted by City Council Resolution No. 76041 on November 1, 2011, and Supplemental Environmental Impact Report (SEIR) adopted by City Council Resolution No. 77617 on December 15, 2015, and addenda thereto. The FEIR, SEIR, and Addenda were prepared for the comprehensive update and revision of all elements of the City of San José General Plan, including an extension of the planning timeframe to the year 2040.

No new or more significant environmental impacts beyond those identified in the Envision San José 2040 General Plan FEIR, SEIR, and Addenda have been identified, nor have any new mitigation measures or alternatives that are considerably different from those analyzed in the FEIR, SEIR, and Addenda been identified.

### **PUBLIC HEARING NOTIFICATION**

Staff followed Council Policy 6-30: Public Outreach Policy. Planning staff distributed notices to the property owners and tenants for File Nos. C22-126, C22-127, C22-128, C22-129, C22-130, C22-131, C22-132, C22-133, C22-134, C22-135, C23-096 on August 25, 2023, to provide

information on the proposed Conforming Rezoning. Staff included their contact information on the notice and have been available to answer any questions that property owners and tenants may have. The notice also included direction to the Rezoning and General Plan Alignment website that has information to assist property owners and tenants with the process and includes frequently asked questions. The notice also included directions to our interactive Rezoning Map Viewer where the community can view the rezonings that are happening within their neighborhood and throughout the City.

Subsequent to sending the rezoning notice to affected property owners and tenants, a notice of the public hearing was distributed to the owners and tenants of all properties located within 300 feet of the project site and posted on the City website. The staff report is also posted on the City's website. Staff has been available to respond to questions from the public. Staff received one email from a member of the public inquiring about the rezoning.

**DRAFT – Contact the Office of the City Clerk at (408) 535-1260 or CityClerk@sanjoseca.gov for final document.**

8/23/2022

**SINGLE-FAMILY RESIDENTIAL ZONING DISTRICT, TWO FROM R-1-2 TO R-1-RR, ONE FROM R-1-5 SINGLE-FAMILY RESIDENTIAL ZONING DISTRICT TO A AGRICULTURE ZONING DISTRICT, ONE FROM IP INDUSTRIAL PARK ZONING DISTRICT TO CP COMMERCIAL PEDESTRIAN ZONING DISTRICT, ONE FROM R-1-1 SINGLE-FAMILY RESIDENTIAL ZONING DISTRICT TO LI LIGHT INDUSTRIAL ZONING DISTRICT, ONE FROM R-1-1 SINGLE-FAMILY RESIDENTIAL ZONING DISTRICT TO MUN MIXED USE NEIGHBORHOOD ZONING DISTRICT, ONE FROM CO COMMERCIAL OFFICE ZONING DISTRICT TO OS OPEN SPACE ZONING DISTRICT, ONE FROM CP COMMERCIAL PEDESTRIAN ZONING DISTRICT TO OS OPEN SPACE ZONING DISTRICT, ONE FROM R-1-2 TO OS OPEN SPACE ZONING DISTRICT, ONE FROM R-M ZONING DISTRICT TO OS OPEN SPACE ZONING DISTRICT, ONE FROM CN COMMERCIAL NEIGHBORHOOD ZONING DISTRICT TO PQP PUBLIC/QUASI-PUBLIC ZONING DISTRICT, AND ONE FROM WATER TO PQP PUBLIC/QUASI-PUBLIC ZONING DISTRICT, ALL LOCATED ON THOSE CERTAIN REAL PROPERTIES SITUATED WITHIN THE CITY OF SAN JOSEÉ**

**WHEREAS**, all rezoning proceedings required under the provisions of Chapter 20.120 of Title 20 of the San José Municipal Code have been duly had and taken with respect to the real property hereinafter described; and

**WHEREAS**, pursuant to Section 15168(c)(2) of the CEQA Guidelines, the City of San José has determined the proposed rezoning is pursuant to, in furtherance of and within the scope of the previously approved program evaluated in the Final Program Environmental Impact Report for the Envision San José 2040 General Plan (the “FEIR”), for which findings were adopted by City Council through its Resolution No. 76041 on November 1, 2011 and Supplemental Environmental Impact Report (the “SEIR”), through Resolution No. 77617, adopted by City Council on December 15, 2015, and Addenda thereto, and does not involve new significant effects beyond those analyzed in the FEIR and SEIR; and

8/23/2022

**WHEREAS**, the City Council of the City of San José is the decision-making body for the proposed subject rezonings to the A Agriculture, CIC Combined Industrial/ Commercial, CP Commercial Pedestrian, LI Light Industrial, MUN Mixed Use Neighborhood, OS Open Space, PQP Public/Quasi-Public,R-1-2 and R-1-8 Single-Family Residential, and R-1-RR Rural Residential; and

**WHEREAS**, this Council of the City of San José has considered and approves the information contained in the FEIR and related City Council Resolution No. 76041, and in the SEIR and related City Council Resolution No. 77617, and Addenda thereto, and the determination of consistency therewith prior to acting upon or approving the subject rezoning; and

**WHEREAS**, the proposed rezonings are consistent with the designations of the sites in the applicable General Plan; and

**WHEREAS**, pursuant to Senate Bill 330, the proposed rezonings (File Nos. C22-126, C22-127, C22-128, C22-129, C22-130, C22-131, C22-132, C22-133, C22-134, C22-135, C23-096) would not decrease the residential units satisfying Senate Bill 330 and Senate Bill 940 requirements; the changes in zoning decrease the residential capacity on some properties by 18,58~~56~~ residential units but increase the residential capacity on other properties by 58,935 residential units; therefore, there is still a surplus of 40,3~~5049~~ residential units available ( $58,935 - 18,58\del{56} = 40,3\del{5049} units) complying with Senate Bill 330 and Senate Bill 940 requirements;$

**NOW, THEREFORE**, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF SAN JOSE:

**SECTION 1.** The recitals above are incorporated herein.

8/23/2022

**SECTION 2.** All that real property hereinafter described in this section, hereinafter referred to as "subject property," is hereby rezoned to the A Agriculture, CIC Combined Industrial/ Commercial, CP Commercial Pedestrian, LI Light Industrial, MUN Mixed Use Neighborhood, OS Open Space, PQP Public/Quasi-Public, R-1-2 and R-1-8 Single-Family Residential, R-1-RR Rural Residential.

The subject properties referred to in this section are all those real properties situated in the County of Santa Clara, State of California, described in Exhibit "A" and depicted in Exhibit "B" attached hereto and incorporated herein by this reference.

**SECTION 3.** The district map of the City is hereby amended accordingly.

**SECTION 4.** Any land development approval that is the subject of City File Nos. C22-126, C22-127, C22-128, C22-129, C22-130, C22-131, C22-132, C22-133, C22-134, C22-135 and C23-096 is subject to the operation of Part 2.75 of Chapter 15.12 of Title 15 of the San José Municipal Code. The issuance of a building permit to implement such land development approval may be suspended, conditioned or denied where the City Manager has determined that such action is necessary to remain within the aggregate operational capacity of the sanitary sewer system available to the City of San José or to meet the discharge standards of the sanitary sewer system imposed by the California Regional Water Quality Control Board for the San Francisco Bay Region.
