**WHEREAS**, the current Policy 1) requires potential contractors to disclose prior wage theft judgments or final administrative orders during the contract solicitation process; 2) requires City contractors to disclose wage theft judgments and final administrative orders during the term of the contract; 3) requires City contractors and subcontractors to comply with all wage and hour laws; 4) authorizes the City to terminate the contract for violation of wage and hour laws; and 5) specifies how the City may seek denial, suspension or revocation of City permits and licenses for violation of wage and hour laws; and

**WHEREAS**, the City Council desires to amend the Policy to revise mandatory disqualification from procurement, remove the exemption for City public works projects, and exempt from mandatory disqualification future procurements for janitorial services or security guard services if the proposer can demonstrate the ability to comply with certain labor requirements including wages, hours, working conditions, and a grievance process to address wage claims, and make other clarifying changes; and

<b>TITLE</b> WAGE THEFT PREVENTION POLICY	<b>PAGE</b> 1 of 5	<b>POLICY NUMBER</b> 0-44
<b>EFFECTIVE DATE</b> July 1, 2016	<b>REVISED DATE</b> <u>March 28, 2023</u> <u>(Effective July 1, 2023)</u>	
<b>APPROVED BY COUNCIL ACTION</b> May 24, 2016, Item 4.1, Res. No. 77755; <u>March 28, 2023, Item 3.6, Res. No. XXXXX</u>		

**BACKGROUND**

Wage theft occurs when an employer fails to pay its workers the wages to which they are legally entitled. It is the crime of stealing earned wages from workers. There are numerous forms of wage theft involving violations of employment laws but all resulting in workers earning less than they are entitled to earn.

Local and national studies on wage theft report that wage theft is a pervasive and chronic problem. Wage theft is not incidental, aberrant, rare or committed only by a few rogue employers at the periphery of the labor market. Instead, it takes place in industries that span the economy – from retail, restaurants and grocery stores; caregiver industries; manufacturing, construction and wholesalers; building services such as janitorial and security; and personal services such as dry cleaning and laundry, car washes and beauty and nail salons.

~~At the June 23, 2015 City Council Priority Setting Session, the issue of wage theft and how to combat it was deemed to be the Council’s highest priority. Staff was directed to analyze various policy options to combat wage theft.~~

**PURPOSE**

To establish a Council Policy and procedure to prevent wage theft on City contracts as well as deny, suspend or revoke certain City permits and licenses to businesses with unpaid wage theft judgments.

**POLICY**

It is the policy of the City of San José that all parties contracting with the City must comply with all applicable federal, state and local wage and hour laws including but not limited to the Federal Fair Labor Standards Act (“FSLA/FLSA”), the California Labor Code and the San José Minimum Wage Ordinance.
