How to provide spoken Public Comment during the City Council Meeting:

You may speak to the City Council about any discussion item that is on the agenda, and you may also speak during Open Forum on items that are not on the agenda and are within the subject matter jurisdiction of the City Council. Please be advised that, by law, the City Council is unable to discuss or take action on issues presented during Open Forum. According to State Law (the Brown Act) items must first be noticed on the agenda before any discussion or action.

Each speaker generally has two minutes to speak per item. The total amount of time allocated for public testimony for each public speakers or for an agenda item may be limited at the Mayor’s discretion, depending on the number of speakers or the length of the agenda. (California Government Code Section 54954.3; Council Policy 0-37)

Fill out a Yellow Speaker's Card and submit it to boxes at the bottom of the Chambers. Do this before the meeting or before the item is heard. This will ensure that the name on the card is called for the item(s) that you wish to address, and it will help ensure the meeting runs smoothly for all participants by calling speakers in an orderly manner. You may remain anonymous, but please fill out a card so we may call you. You can put "anonymous speaker" or "no name" on the card. When the Council reaches your item on the agenda, the Mayor will open the public hearing and call your name. Please address the Council from the podium, which is located to the left of the City Clerk's table. To assist you in tracking your speaking time, there is a display on the podium. The green light turns on when you begin speaking; the yellow light turns on when you have 30 seconds left; and the red light turns on when your speaking time is up.

3. Addressing the Council, Committee, Board or Commission:

- (a) Persons wishing to speak on an agenda item or during open forum are requested to complete a speaker card and submit the card to the City Clerk or other administrative staff at the meeting.
- (b) Meeting attendees are usually given two (2) minutes to speak on any discussion item and/or during open forum; the total amount of time allocated for public testimony for each public speaker or for an agenda item is in the discretion of the Chair of the meeting and may be limited when appropriate.

(California Government Code Section 54954.3; Council Policy 0-37) Applicants and appellants in land use matters are usually given more time to speak. Speakers using a translator will be given twice the time allotted to ensure non-English speakers receive the same opportunity to directly address the Council, Committee, Board or Commission.

- (c) Speakers should discuss only the agenda item when called to speak for that item, and only topics related to City business when called to speak during open forum on the agenda.
- (d) Speakers' comments should be addressed to the full body. Requests to engage the Mayor, Council Members, Board Members, Commissioners or Staff in conversation will not be honored. Abusive language is inappropriate.
- (e) Speakers will not bring to the podium any items other than a prepared written statement, writing materials, or objects that have been inspected by security staff.
- (f) If an individual wishes to submit written information, he or she may give it to the City Clerk or other administrative staff at the meeting.
- (g) Speakers and any other members of the public will not approach the dais at any time without prior consent from the Chair of the meeting.
