

# Memorandum

**TO:** HONORABLE MAYOR  
AND CITY COUNCIL

**FROM:** Rosalynn Hughey

**SUBJECT:** SEE BELOW

**DATE:** December 11, 2020

Approved

Date

12/11/2020

**SUBJECT: 2021-2022 HAZARDOUS VEGETATION COMMENCEMENT REPORT**

## RECOMMENDATION

Adopt a resolution:

- a) Accepting the 2021-2022 Hazardous Vegetation Commencement Report (see attached Weed Abatement Program Commencement Report) compiled by the Office of Santa Clara Environmental Resource Agency, Department of Agriculture and Resource Management, Division of Hazardous Vegetation, and
- b) Declaring that those certain noxious or dangerous seasonal and recurrent weeds, growing or likely to be growing, and refuse, situated or likely to be situated, on those properties identified in the Report are a public nuisance; and
- c) Directing the Office of Santa Clara Environmental Resource Agency, Department of Agriculture and Resource Management, Division of Hazardous Vegetation to mail a notice of a public hearing on January 26, 2021, at 1:30 p.m. before the City Council to property owners of affected real properties on the Report pursuant to Chapter 9.12 of Title 9 of the San José Municipal Code and the Weed Abatement Agreement between the City of San José and the County of Santa Clara.

## OUTCOME

Adoption of this resolution will enable the City's contractor to commence the seasonal Weed Abatement Program by identifying all vacant parcels in the City that will be covered by the program for the 2021-2022 season and begin notification to property owners.

## **BACKGROUND**

The 2021-2022 Hazardous Vegetation Commencement Report (Report) was compiled by the Office of the Santa Clara Environmental Resource Agency, Department of Agriculture and Resource Management, Division of Hazardous Vegetation pursuant to Chapter 9.12 of the San José Municipal Code and Weed Abatement Agreement between the City of San José and County of Santa Clara. The Report identifies where a dangerous accumulation of weeds is growing or likely to be growing or where a dangerous accumulation of refuse is situated or is likely to be situated upon streets, parkways, sidewalks, or vacant private properties in the City. Each year, these noxious or dangerous seasonal and recurrent weeds and refuse are declared to be public nuisance by resolution of the City Council.

## **ANALYSIS**

The Report identifies the locations, assessor's parcel numbers and owners of all properties that are proposed to be monitored under the Hazardous Vegetation Management Program. A copy of the Report is available for review on the Code Enforcement website. The Department of Planning, Building and Code Enforcement staff has reviewed the Report and recommends that the Council accept the Report. Further, the Council should direct the County Environmental Resources Agency, Department of Agricultural and Resource Management, Division of Hazardous Vegetation to mail notices of a public hearing before the City Council to each property owner of real property listed on the Report. The notice will advise property owners of the date, time, and place of a public hearing before Council at which they will have the opportunity to voice any objections or concerns regarding the inclusion of their property in the Hazardous Vegetation Management Program as well as the proposed removal of such weeds and refuse. These notices also will contain information about required maintenance standards, abatement procedures and abatement charges.

The City contracts with the Santa Clara County Department of Agriculture and Environmental Management to abate fire hazards and nuisances caused by dry or overgrown vegetation on vacant properties. The City could elect to conduct an abatement program using City staff and equipment. However, undetermined costs would be incurred for the purchase, operation, and maintenance of equipment and to hire staff to administer and implement the abatement program.

The Department of Planning, Building and Code Enforcement has contracted with the County to provide weed abatement services as the County already possesses the necessary equipment, staff, and expertise to provide satisfactory abatement services at a reasonable cost.

## **CONCLUSION**

The City contracts with the County for the seasonal Weed Abatement Program and approval of this resolution is needed prior to identifying all vacant parcels in the City that will be covered by the program for the 2021-2022 season and notifying property owners.

## **EVALUATION AND FOLLOW-UP**

The Weed Abatement Program addresses the extent of yearly overgrown vegetation on private vacant properties and the reduction of such growth before the fire season starts. The Santa Clara Department of Agriculture and Resource Management will send a letter of notice with a Return Reply Form to all owners of vacant property in San José after the December 15, 2020 Council meeting. The Return Reply Form allows the owner to request that the County Contractor perform weed abatement work on their parcel or maintain their parcel in a manner consistent with the Minimum Fire Safety Standards from March 1, 2021, through the end of the fire season, which typically runs through October.

## **CLIMATE SMART SAN JOSE**

The recommendation in this memorandum has no effect on Climate Smart San José energy, water, or mobility goals.

## **PUBLIC OUTREACH**

The Office of the County Environmental Resources Agency, Department of Agricultural and Resource Management, Division of Hazardous Vegetation will mail notices of the date, time, and place of the public hearing to the property owners affected real properties pursuant to Chapter 9.12 of Title 9 of the San José Municipal Code. This memorandum and attached Report will also be available on the City Council's Agenda webpage for the December 15, 2020 Council Meeting.

## **COORDINATION**

This memorandum has been coordinated with the City Attorney's Office and the Office of Santa Clara Environmental Resources Agency, Department of Agricultural and Resource Management, Division of Hazardous Vegetation.

HONORABLE MAYOR AND CITY COUNCIL

December 11, 2020
