Dear sj community, and city govt.

Items, 2.14, and 2.18, includes Smart Outdoor light management. and Wi Fi Infrasturcture, for ESUHSD In the ne t few months, it is time, we can all begin, to better consider, the good ideas of reimagine, equity, open public polices, accountability. And an overall, more well rounded approach, to local neighborhood law enforcement needs, along with digital equity questions.

sincerely,
blair beekman
