Dear Councilmembers,

I am writing on behalf of the Housing Action Coalition in strong support of the Jimenez & Davis Development Memo. At the Housing Action Coalition, one of our main priorities has been removing barriers of housing production. We believe the direction of this memo will help to promote better design standards and help reduce the cost to development. As we have been working closely with city staff to get an approved Housing Element by the state, this memo gets us one step closer to the improvements that are necessary to meet our RHNA goals. Thank you for making housing a priority. Please move this Memo forward without a delay.

In solidarity,

--
