

RESOLUTION NO. _____

A RESOLUTION OF THE COUNCIL OF THE CITY OF SAN JOSE APPROVING THE CITYWIDE TRANSPORTATION PLAN, MOVE SAN JOSE, TO FOCUS CITY EFFORTS ON ACHIEVING THE CITY'S SAFETY, EQUITY, AND CLIMATE GOALS

WHEREAS, City of San José ("City") leaders set ambitious transportation policy goals in the Envision San José 2040 General Plan and Climate Smart San José which envision a sustainable and human-centered transportation system that supports a more equitable, environmentally sustainable, dynamic, dense, and transit-oriented city; and

WHEREAS, the Department of Transportation will bring a series of plans and policies to implement these ambitious goals with Move San José as the strategic, data and equity-driven citywide transportation plan that focuses the City's work on the projects, programs, and policies that will most effectively meet the City's transportation goals; and

WHEREAS, the data-driven work of Move San José is informed by a Decision Support System that uses key performance indicators to understand changing conditions, help decision-makers select the best strategies and projects to address deficiencies, and track performance toward the City's ambitious goals; and

WHEREAS, Move San José focuses on nine goals, defined by City Council direction and a co-creation process with community-based organizations and the public: (1) Transportation Safety, (2) Clean the Air, (3) Connected Neighborhoods, (4) Enjoyable Transportation, (5) Less Driving; (6) Move the Economy, (7) Plan for the Future, (8) Access for All, (9) 20-Minute Neighborhoods;

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF SAN JOSE THAT:

The City Council hereby adopts the Citywide transportation plan, Move San José, to focus efforts on achieving the City’s safety, equity, and climate goals.
