Subject: Item C-2 Sept. 10th Rules Committee: Support for No Secret Police Memo

[**External Email.** Do not open links or attachments from untrusted sources. [Learn more](#)]

Clerk San Jose Councilmember,

Dear Rules Committee Members,

I am writing to express my strong support for the memo proposed by Councilmembers Ortiz, Kamei, Cohen, and Campos, which directs the City Attorney to draft an ordinance prohibiting law enforcement officers — including federal agents — from concealing their identities while interacting with the public in San José.

Transparency and accountability are essential to building trust between law enforcement and the communities they serve. Yet recent incidents of ICE officers refusing to identify themselves, and even individuals impersonating federal agents, have put immigrant communities at risk and eroded public confidence. No one should be able to wield state power in our city while hiding their identity.

By requiring all officers to wear visible identification and prohibiting the use of masks or disguises, this ordinance will strengthen community safety, protect civil rights, and send a clear message that San José stands for openness and accountability.

I urge you to move this memo forward to ensure that our city remains a place where all residents are protected and respected.

Thank you for your leadership and commitment to transparency and justice.

Sincerely

Luisa Almanza

Subject: Item C-2 Sept. 10th Rules Committee: Support for No Secret Police Memo

[**External Email.** Do not open links or attachments from untrusted sources. [Learn more](#)]

Clerk San Jose Councilmember,

Dear Rules Committee Members,

I am writing to express my strong support for the memo introduced by Councilmembers Ortiz, Kamei, Cohen, and Campos, which directs the City Attorney to draft an ordinance prohibiting law enforcement officers — including federal agents — from concealing their identities when interacting with the public in San José.

This issue is deeply personal to me and to many in our community. Families, immigrants, and vulnerable residents deserve to feel safe when engaging with those who hold authority. Recent incidents involving ICE officers refusing to identify themselves, along with reports of individuals impersonating federal agents, have created fear, confusion, and distrust. These actions undermine the public's confidence and put entire communities at risk.

Requiring officers to wear visible identification and banning masks or disguises is not just about policy — it's about protecting civil rights, rebuilding trust, and ensuring that everyone in San José can feel secure seeking help or accessing services without intimidation. Transparency and accountability are the foundation of a healthy relationship between law enforcement and the community, and this ordinance represents an important step forward.

I urge you to advance this memo and make clear that San José stands for safety, dignity, and respect for all residents.

Thank you for your leadership and continued commitment to justice.

Sincerely,
Maria Arellano

Yet recent incidents of ICE officers refusing to identify themselves, and even individuals impersonating federal agents, have put immigrant communities at risk and eroded public confidence. No one should be able to wield state power in our city while hiding their identity.

By requiring all officers to wear visible identification and prohibiting the use of masks or disguises, this ordinance will strengthen community safety, protect civil rights, and send a clear message that San José stands for openness and accountability.

I urge you to move this memo forward to ensure that our city remains a place where all residents are protected and respected.

Thank you for your leadership and commitment to transparency and justice.

Sincerely

Clerk San Jose Councilmember,

Dear Rules Committee Members,

I am writing to express my strong support for the memo proposed by Councilmembers Ortiz, Kamei, Cohen, and Campos, which directs the City Attorney to draft an ordinance prohibiting law enforcement officers — including federal agents — from concealing their identities while interacting with the public in San José.

Transparency and accountability are essential to building trust between law enforcement and the communities they serve. Yet recent incidents of ICE officers refusing to identify themselves, and even individuals impersonating federal agents, have put immigrant communities at risk and eroded public confidence. No one should be able to wield state power in our city while hiding their identity.

By requiring all officers to wear visible identification and prohibiting the use of masks or disguises, this ordinance will strengthen community safety, protect civil rights, and send a clear message that San José stands for openness and accountability.

I urge you to move this memo forward to ensure that our city remains a place where all residents are protected and respected.

Thank you for your leadership and commitment to transparency and justice.

Sincerely,
Janet
