The World AIDS Day Tower and Rotunda Lighting event began on November 30 and was lit until December 6, 2020. World AIDS Day takes place every December 1st and is an opportunity for communities around the world to come together and show their support for people living with and affected by HIV. It is also a time to remember those who have lost

their lives to AIDS. Lighting the Tower and Rotunda in red is a symbol of awareness and support for people living with HIV. The event was free and open to the public.

ANALYSIS

Approval by the City Council of the event will ensure compliance with the Council's prior direction regarding Council Special Events. In observance of existing fundraising disclosure requirements, Councilmember Raul Peralez and Councilmember Pam Foley will report any cash or in-kind donations received for the event on their Disclosure of Fundraising Report (DFR-1). Approval of this memorandum will enable Council District 3 and 9, City departments and the Office of the City Clerk to proceed with the event. Any cash donations received will be processed pursuant to the City's normal financial and budgetary procedures.
