RECOMMENDATION:

Excuse my absence from the Regular Meeting of the Rules and Open Government Committee on January 15, 2020 due to the following:

- Authorized City Business: On January 15th, I attended three meetings in Sacramento with the Energy and Insurance Stability Wildfire Working Group, Rural County Representatives of California, and PG&E Customer Groups to discuss transforming PG&E into a customer-owned utility. On December 10, 2019 City Council voted to pass a resolution in support of a customer-owned utility, and I have since engaged in conversations with various stakeholders and legislators to further this effort.

- Illness

- Death of a close family member
