## RECOMMENDATION

Continue item 10.2 to the next available land use evening meeting agenda, which is currently scheduled for September 25<sup>th</sup>.

## BACKGROUND

On Tuesday, August 28<sup>th</sup>, I moved for a Continuance of the Dove Hill item to allow for additional community outreach and feedback. On September 6, we held a community meeting at the Evergreen Community Center, which allowed our residents to learn more about the proposal, ask questions, and present concerns.

Today, I'm requesting that this item be moved to the next evening land use agenda so that our Planning Department has time to thoroughly review and respond to the concerns raised by neighbors during the community meeting. I look forward to seeing Planning's memo in advance of the next meeting, and I ask my colleagues to support this additional Continuance so that Planning staff has sufficient time for this task.
