

# City Council Hearing

---

June 29, 2021

*Planning, Building and  
Code Enforcement*

# Item 8.4

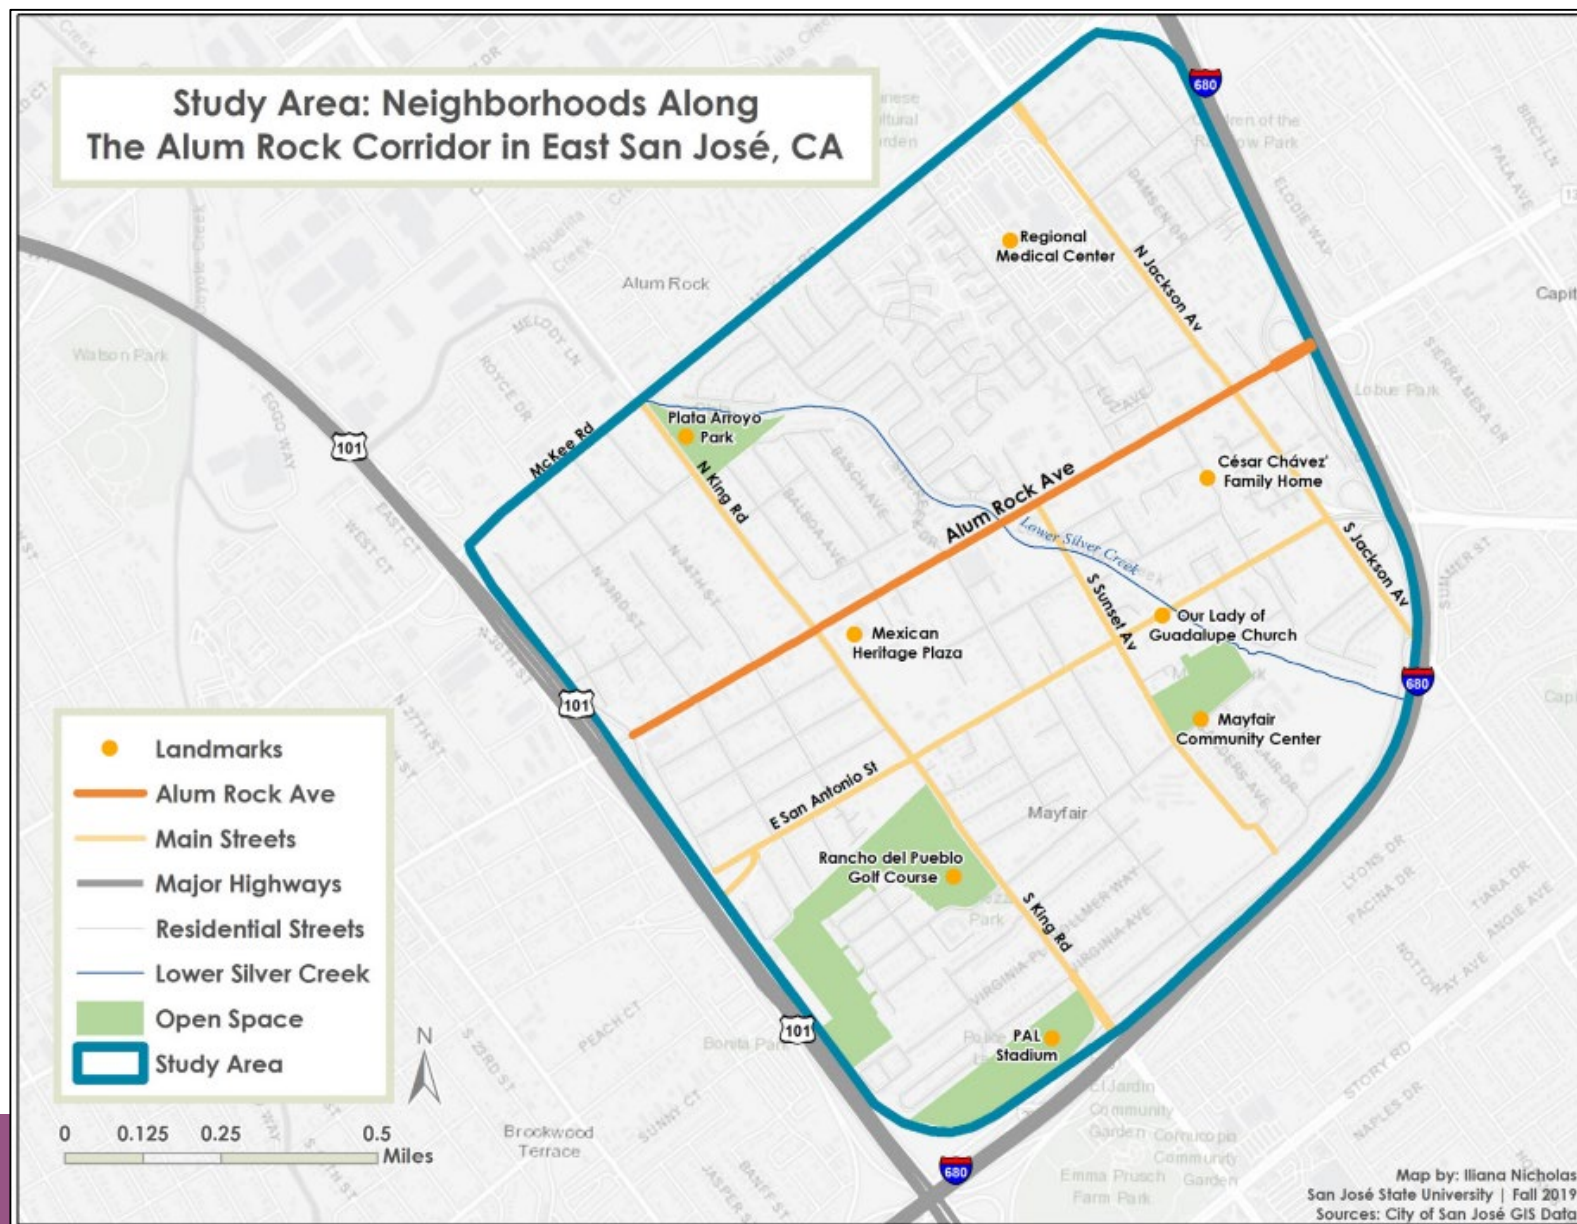

Acceptance of the SJSU “Community Priorities for the Alum Rock Corridor” Report

Presenter: Jared Hart, PBCE

# Creation of the Community Priorities Report

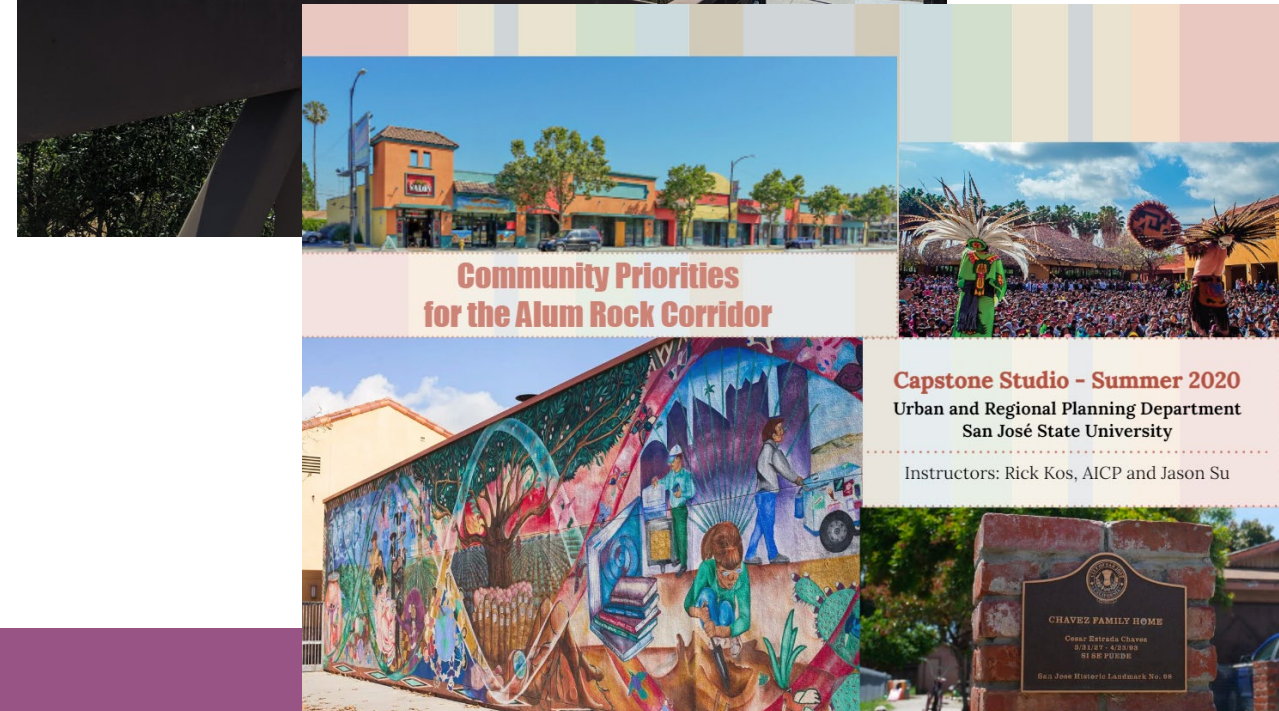

- Report prepared by SJSU graduate students in Department of Urban and Regional Planning
- Partnership with Council District 5 and CommUniverCity
- Covers Alum Rock and Little Portugal Urban Village areas

# Creation of the Community Priorities Report

Work resulted in two reports:

- “Vision for the Alum Rock Corridor” (June 2019) → existing conditions
- “Community Priorities for the Alum Rock Corridor” (October 2020) → community priority identification

# Community Priorities

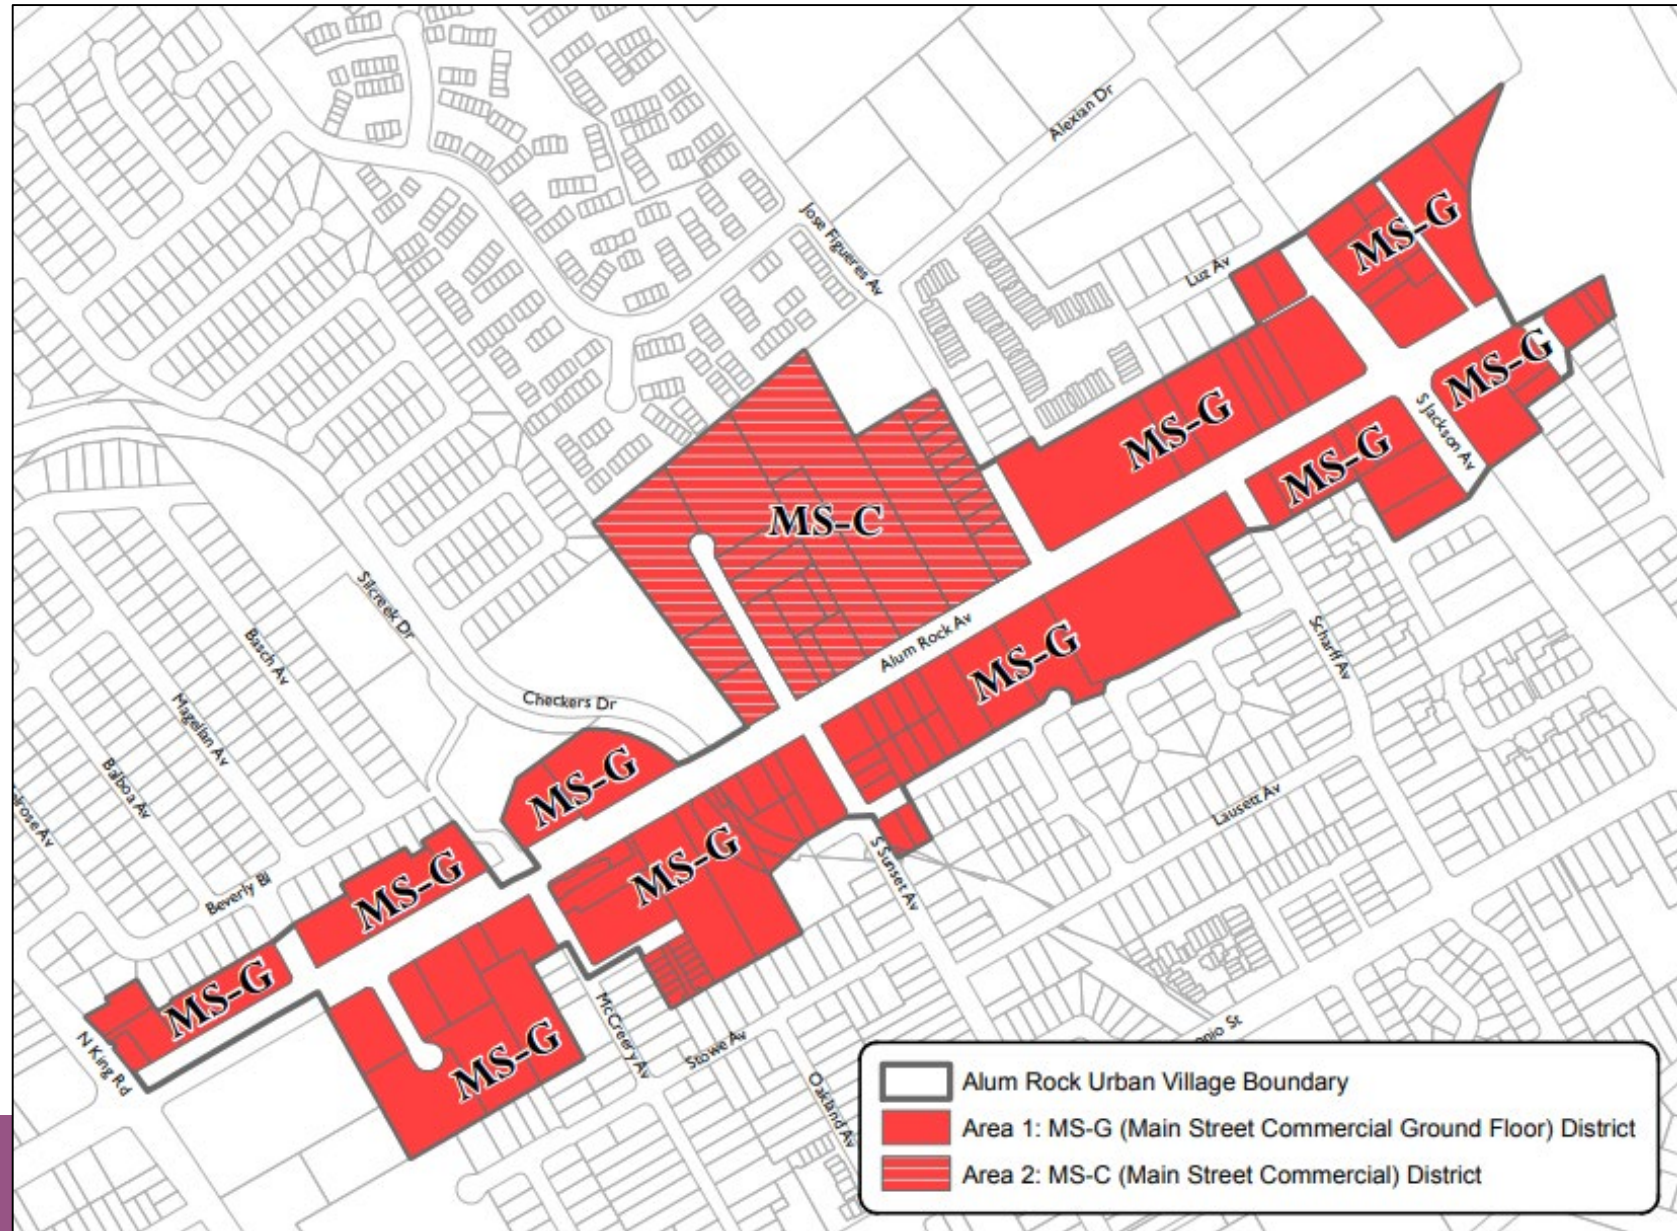

---

- Prevent Resident and Business Displacement
- Increase Access to Affordable Housing
- Enhance Cleanliness and Safety of Parks, Streets, and Gardens
- Improve Pedestrian and Bicyclist Safety
- Decrease Vehicle Speeds
- Address Parking Shortages
- Make More Space for Recreation Centers and Outdoor Events and Festivals
- Expand Access to Open Space and Parks
- Increase Access to Grocery Stores, Farmers' Markets, and Outdoor Dining
- Offer More Youth and Teen Programming
- Support Local and Culturally Relevant Public Art

# Acceptance of Community Priorities Report

- Document serves as informational guidance document for public, staff, developers, and decision makers
- Supplements existing Alum Rock Pedestrian-Oriented Zoning/Urban Village Plan
