TO: HONORABLE MAYOR
AND CITY COUNCIL

FROM: Dolan Beckel

SUBJECT: CITY INITIATIVES ROADMAP
FOURTH QUARTER 2021-2022
UPDATE

DATE: September 12, 2022

Approved

Date

9/14/2022

RECOMMENDATION

Accept the fourth quarter status report on the implementation of the Fiscal Year 2021-2022 City Initiatives Roadmap and the Fiscal Year 2022-2023 City Initiatives Roadmap.

OUTCOME

The Mayor and City Council will understand the fourth quarter (Q4) actual Key Results for the Fiscal Year 2021-2022 City Initiatives Roadmap, draft first quarter (Q1) planned Key Results for the 2022-2023 City Initiatives Roadmap, and current and future plans for integrating more robust measures into the City Initiatives Roadmap process as part of the “Outcomes, Equity Indicators, and Performance Management” initiative.

EXECUTIVE SUMMARY

This memorandum:

1. Summarizes the role of the City Initiatives Roadmap as a tool and process for prioritizing and implementing strategic and complex change initiatives and service transformations;
2. Reports status on the Q4 actual Key Results for the following Enterprise Priorities:
 - COVID-19 Pandemic: Community and Economic Recovery;
 - Emergency Management and Preparedness;
 - Ending Homelessness;
 - Safe, Vibrant, and Inclusive Neighborhoods and Public Life;
 - Building the San José of Tomorrow with a Downtown for Everyone;
 - Smart, Sustainable, and Reliable City: 21st Century Infrastructure¹;
 - Strategic Fiscal Positioning and Resource Deployment; and
 - Powered by People.

¹ This Enterprise Priority is not reporting in this memorandum as it has merged with the new “Sustainable and Resilient City Infrastructure and Emergency Preparedness” and will be reporting in the City Initiatives Roadmap First Quarter 2022-2023 Update memorandum which is planned to report to City Council in November 2022.

3. Begins reporting on the 2022-2023 City Initiatives Roadmap for the following Enterprise Priorities:
 - COVID-19 Pandemic: Community and Economic Recovery;
 - Sustainable and Resilient City Infrastructure and Emergency Preparedness²;
 - Ending Homelessness;
 - Safer San José;
 - Clean, Vibrant, and Inclusive Neighborhoods and Public Life;
 - Building the San José of Tomorrow with a Downtown for Everyone;
 - Strategic Fiscal Positioning and Resource Deployment; and
 - Powered by People.
4. Describes current actions and future plans for the “Outcomes, Equity Indicators, and Performance Management” initiative and pilot with the Neighborhood Services City Service Area as part of the “Evaluation and Follow-up” section of this memorandum.

BACKGROUND

City Initiatives Roadmap Background

The purpose of the City Initiatives Roadmap is to focus the City of San José (City) on our most vital change initiatives and service transformations. The initiatives that make up the City Initiatives Roadmap in any year are importantly distinct from City core services in that they represent significant new policies, strategies, projects, or programs (series of projects that in totality deliver the expected impact) that are not traditionally or routinely delivered by the City, are complex and cross-departmental, and/or require significant strategic planning and leadership capacity to deliver successfully. Organizing around the City Initiatives Roadmap is a major change to the way that the City thinks about, communicates, and delivers on City Council priorities, and is an opportunity for the City Administration and City Council to be more measured, transparent, and accountable.

City Initiatives Roadmap Status Reporting Approach

City Council receives and participates in quarterly updates on the City Initiatives Roadmap, shown in Figure 1 and Attachment A, primarily using Objectives as measured by Key Results (OKRs) as the communication and accountability mechanism to measure the progress of the City Initiatives Roadmap. Over the course of a quarterly cadence, the Executive Sponsor for each Enterprise Priority report out to the Mayor and City Council on OKR completion (actual results/goals set and measured) from the previous quarter and give an update on the goals for the next quarter (planned results/goals set and not yet measured).

The Administration will conclude status reporting for the 2021-2022 City Initiatives Roadmap by reporting against Q4 Actual Key Results below. With this successful completion, the Administration will begin reporting on the 2022-2023 City Initiatives Roadmap, shown in Figure

² This Enterprise Priority is not reporting in this memorandum and will be reporting in the City Initiatives Roadmap First Quarter 2022-2023 Update memorandum which is planned to report to City Council in November 2022.

2 and Attachment B, adopted by the City Council on May 16, 2022, by outlining Planned Annual Key Results and Q1 Planned Key Results for the updated Enterprise Priorities and Initiatives.

ANALYSIS

The following Analysis is composed of three major sections:

- A. Q4 2021-2022 Actual Key Results Status Report by Enterprise Priority;
- B. 2022-2023 Planned Annual Key Results by Enterprise Priority; and
- C. Q1 2022-2023 Planned Key Results by Enterprise Priority.

A. Q4 2021-2022 Actual Key Results Status Report by Enterprise Priority

To continue the expansion of using OKRs to drive the City Initiatives Roadmap and measure progress, the leadership teams (made up of an Executive Sponsor and the Senior Staff and Lead for each initiative) for the Enterprise Priorities defined objectives, to set direction and vision for the year, and Key Results, to measure quarterly progress.

The following describes the Q4 OKRs for these Enterprise Priorities:

- A-1. COVID-19 Pandemic: Community and Economic Recovery;
- A-2. Emergency Management and Preparedness;
- A-3. Ending Homelessness;
- A-4. Safe, Vibrant, and Inclusive Neighborhoods and Public Life;
- A-5. Building the San José of Tomorrow with a Downtown for Everyone;
- A-6. Smart, Sustainable, and Reliable City: 21st Century Infrastructure;
- A-7. Strategic Fiscal Positioning and Resource Deployment; and
- A-8. Powered by People.

A-1. COVID-19 Pandemic: Community and Economic Recovery

As stated as part of the “COVID- 19 Pandemic: Community and Economic Recovery” Enterprise Priority, no event in living memory has been more painful or traumatic for the people of San José than the COVID-19 pandemic and economic crisis that has laid bare and exacerbated existing inequalities. In this moment our biggest challenge, and our biggest opportunity, is to foster an equitable recovery to “build back better.” The journey to healing, recovery and resilience will require unprecedented effort, resources, and creativity across our community and organization. Recovery is not for us to do alone, rather this work must be done WITH the whole community, for the benefit of those most burdened by the crisis, guided by their wisdom, tapping into their potential, and building on their deep enduring strength.

The 2021-2022 Objectives for this Enterprise Priority were:

- Invest in our most vulnerable residents, families, small businesses, and non-profits;
- Empower our community with resources that build resiliency; and
- Stabilize and improve equitable outcomes for all.

The 2021-2022 Initiatives driving this Enterprise Priority were:

- Housing Stabilization;
- Re-Employment and Workforce Development;
- Small Business Recovery;

- Food and Necessities Distribution;
- Digital Equity;
- Child Care; and
- The Build Back Better COVID-19 Recovery Task Force.

The Q4 Key Results for “COVID-19 Pandemic: Community and Economic Recovery” are shown with their completion status as of June 30, 2022, in Figure 3 and Attachment C, and include the following:

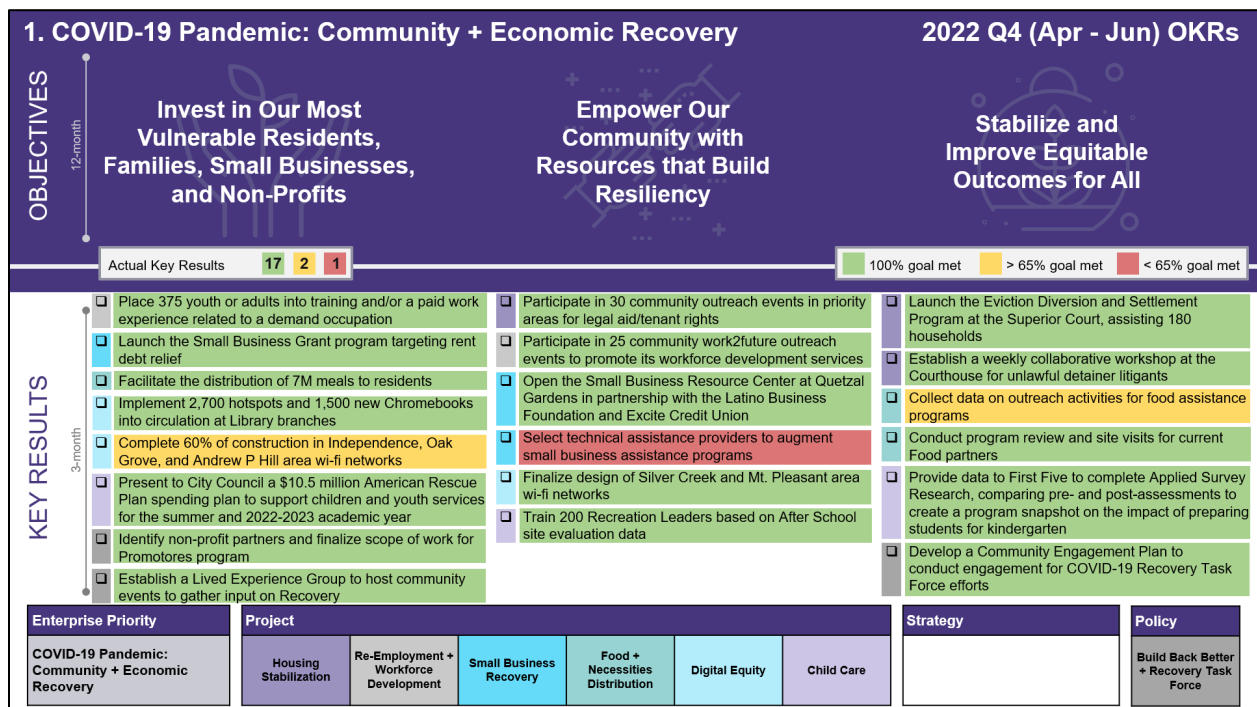

Figure 3. COVID-19 Pandemic: Community and Economic Recovery Q4 OKRs.

Green (100% goal met): 17 Key Results

- Place 375 youth or adults into training and/or a paid work experience related to a demand occupation;
- Launch the Small Business Grant program targeting rent debt relief;
- Facilitate the distribution of seven million meals to residents;
- Implement 2,700 hotspots and 1,500 new Chromebooks into circulation at Library branches;
- Present to City Council a \$10.5 million American Rescue Plan spending plan to support children and youth services for the summer and 2022-2023 academic year;
- Identify non-profit partners and finalize scope of work for Promotores program;
- Establish a Lived Experience Group to host community events to gather input on Recovery;
- Participate in 30 community outreach events in priority areas for legal aid/tenant rights;
- Participate in 25 community work2future outreach events to promote its workforce development services;

- Open the Small Business Resource Center at Quetzal Gardens in partnership with the Latino Business Foundation and Excite Credit Union;
- Finalize design of Silver Creek and Mt. Pleasant area wi-fi networks;
- Train 200 Recreation Leaders based on After School site evaluation data;
- Launch the Eviction Diversion and Settlement Program at the Superior Court, assisting 180 households;
- Establish a weekly collaborative workshop at the Courthouse for unlawful detainer litigants;
- Conduct program review and site visits for current food partners;
- Provide data to FIRST 5 to complete Applied Survey Research, comparing pre- and post-assessments to create a program snapshot on the impact of preparing students for kindergarten; and
- Develop a Community Engagement Plan to conduct engagement for COVID-19 Recovery Task Force efforts.

Yellow (99-65% goal met): Two Key Results

- Complete 60% of construction in Independence, Oak Grove, and Andrew P. Hill area wi-fi networks; and
- Collect data on outreach activities for food assistance programs.

Yellow Key Results - Background on Challenges, Actions to Mitigate, and/or Pivots

As of June 30, 2022, the construction of Oak Grove and Andrew P. Hill area wi-fi networks were met with material and supply chain delays and the Independence area wi-fi network was 98% complete. The City's food assistance program partners had also integrated data collection and outreach activities into partner contracts, but partners requested additional time for data collection on transitioning program participants to sustainable food programs.

Red (less than 65% goal met): One Key Result

- Select technical assistance providers to augment small business assistance programs.

Red Key Results - Background on Challenges, Actions to Mitigate, and/or Pivots

As of June 30, 2022, efforts continued to identify small business technical assistance providers to respond to a Request for Proposals; however, at the end of the quarter, no responses were received by the City. Therefore, the City extended the deadline for proposals into Q1 with the same Key Result to select a provider.

A-2. Emergency Management and Preparedness

As stated as part of the "Emergency Management and Preparedness" Enterprise Priority, no issue is more important than the lives and safety of our residents. As the City shifts from an extended response to the COVID-19 pandemic to community and economic recovery, we must continue to prioritize the work of ensuring San José is well prepared for earthquakes and other disasters, particularly for those who are most vulnerable. As a City, we will do more to be prepared for emergencies and commit to this priority with relentless attention and support.

The Objectives for this Enterprise Priority were:

- Support Residents and Employee for Positive Health Outcomes During the COVID-19 Pandemic; and
- Safeguard the Public Through Disaster Risk Reduction Policies and Processes.

The Initiatives driving this Enterprise Priority were:

- Vaccination Task Force; and
- Soft-Story Building Earthquake Retrofit Policy.

The Q4 Key Results for “Emergency Management and Preparedness” are shown with their completion status as of June 30, 2022, in Figure 4 and Attachment D, and include the following:

Figure 4. Emergency Management and Preparedness Q4 OKRs.

Green (100% goal met): Seven Key Results

- Partner with the County of Santa Clara to organize at least 15 vaccination events in priority neighborhoods;
- Maximize transition of Vaccine Champions from City of San José Temp U positions into County of Santa Clara permanent positions;
- Reach 100,000 digital impressions through newly explored social media channels for public health communications;
- Identify and secure partnerships to fill potential vaccination service gaps left as the County of Santa Clara concludes mobile vaccination (MoVax) program;
- Launch a Request for Proposals for a seismic consultant to create an inventory of structures and building typologies, retrofit measures, and program design;

- Complete the review of consultant proposals and identify recommended short-list of seismic consultants; and
- Create a draft communication strategy for outreach to soft-story stakeholders.

Yellow (99-65% goal met): One Key Result

- Complete Vaccination Task Force exit strategy to align with the anticipated Emergency Declaration end date of June 30, 2022.

Yellow Key Results - Background on Challenges, Actions to Mitigate, and/or Pivots

As of June 30, 2022, the Vaccination Task Force continued to monitor data of the COVID-19 pandemic and the Omicron BA.5 surge. Considering recent data, the Vaccination Task Force had not fully ramped down activities and continues to monitor and assess COVID-19 case, hospitalization, and death rates to appropriately inform response efforts.

Red (less than 65% goal met): Zero Key Results

- None.

A-3. Ending Homelessness

As stated as part of the “Ending Homelessness” Enterprise Priority, all people in San José need a place they can call home and feel they belong as a vital part of the City, yet the City and region are faced with an unprecedented housing crisis. While the brunt of this crisis is borne by our unhoused neighbors, its impacts are felt across our community. The City will continue to invest in permanent supportive and affordable housing, while addressing systemic issues to improve the condition of our City. The City will also take immediate action by increasing emergency and interim housing options and expanding services to meet the basic health and safety needs of our unhoused residents.

The Objectives for “Ending Homelessness” were:

- Increase Production of Emergency and Interim Housing; and
- Create Safe and Healthy Conditions for People who are Unhoused.

The Initiatives driving this Enterprise Priority were:

- Emergency Housing Construction and Operation;
- Sheltering and Enhanced Encampment Services; and
- Encampment Management and Safe Relocation Policy.

The Q4 Key Results for “Ending Homelessness” are shown with their completion status as of June 30, 2022, in Figure 5 and Attachment E, and include the following:

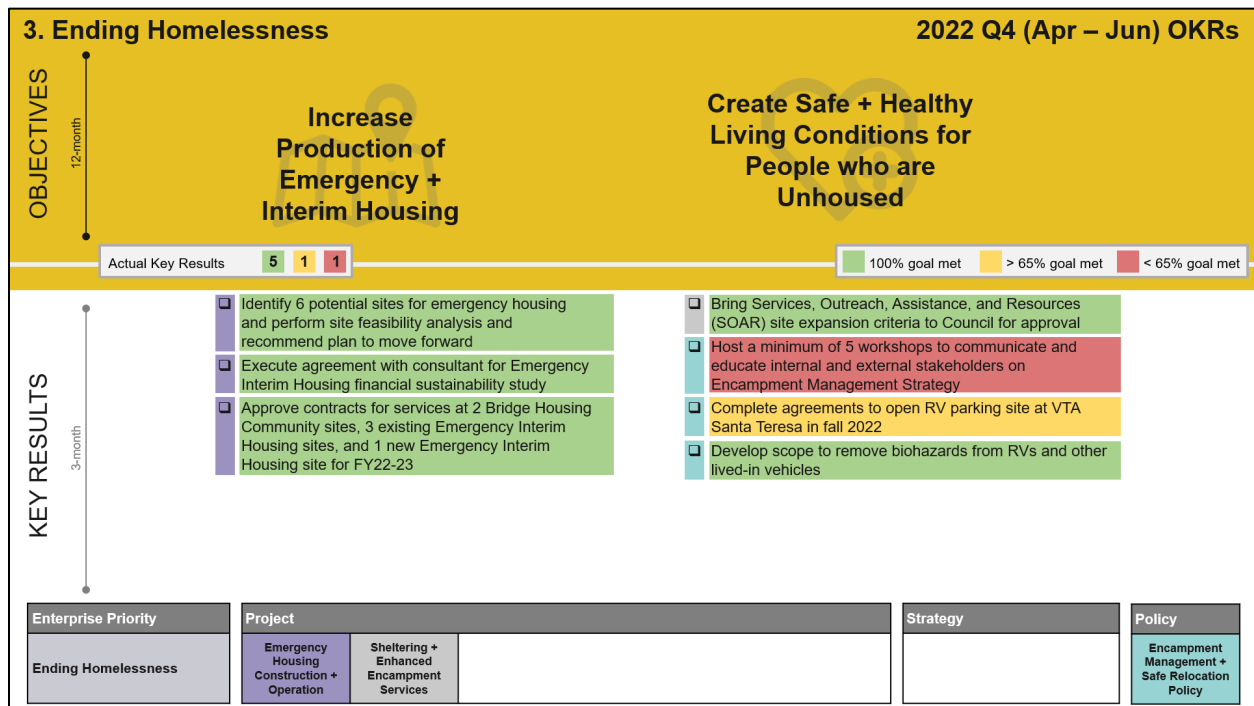

Figure 5. Ending Homelessness Q4 OKRs.

Green (100% goal met): Five Key Results

- Identify six potential sites for emergency housing and perform site feasibility analysis and recommend plan to move forward;
- Execute agreement with consultant for Emergency Interim Housing financial sustainability study;
- Approve contracts for services at two Bridge Housing Community sites, three existing Emergency Interim Housing sites, and one new Emergency Interim Housing site for 2022-2023;
- Bring Services, Outreach, Assistance, and Resources (SOAR) site expansion criteria to City Council for approval; and
- Develop scope to remove biohazards from recreational vehicles (RVs) and other lived-in vehicles.

Yellow (99-65% goal met): One Key Result

- Complete agreements to open RV parking site at Santa Clara Valley Transportation Authority (VTA) Santa Teresa in fall 2022.

Yellow Key Results - Background on Challenges, Actions to Mitigate, and/or Pivots

Staff had briefly paused agreement development for the RV parking site at VTA Santa Teresa in order to complete a community engagement process. As of June 30, 2022, staff completed the community engagement process for the site and moved forward to complete two out of three necessary contracts to lease and operate the location. Two agreements with service operators were successfully completed. The third is a lease agreement between the City and VTA, which

was still being negotiated. This agreement will continue to be progressed in Q1 towards the same goal of opening the VTA Santa Teresa site in fall 2022.

Red (less than 65% goal met): One Key Result

- Host a minimum of five workshops to communicate and educate internal and external stakeholders on Encampment Management Strategy.

Red Key Results - Background on Challenges, Actions to Mitigate, and/or Pivots

As of June 30, 2022, staff had completed two of the five workshops to communicate and educate stakeholders on Encampment Management Strategy. Work will continue in Q1 to do communication and education with internal and external stakeholders.

A-4. Safe, Vibrant, and Inclusive Neighborhoods and Public Life

As stated as part of the “Safe, Vibrant, and Inclusive Neighborhoods and Public Life” Enterprise Priority, the diverse mosaic of people who live, work, learn, and play in San José deserve vibrant, beautiful, accessible, safe, and inclusive public spaces that inspire friendship and connection across generations, cultures, and points of view. Our neighborhoods and public life must reflect the rich cultural history and lived experiences of our residents. Neighborhoods should serve as conduits for people to connect with one another; to build community; and provide pathways to opportunity, lifelong learning, and prosperity.

The Objectives for “Safe, Vibrant, and Inclusive Neighborhoods and Public Life” were:

- Steward Trust to Keep the Community Safe;
- Activate Vibrant Spaces for People to Access Opportunity and Services; and
- Welcome the Community through Inclusion and Belonging.

The Initiatives driving this Enterprise Priority were:

- Police Reforms Work Plan;
- San José 311 and Service Delivery;
- Encampment Waste Pick-Up BeautifySJ;
- Vision Zero Traffic Safety;
- Equity Strategy Development; and
- Neighborhood Services Access Strategy.

The Q4 Key Results for “Safe, Vibrant, and Inclusive Neighborhoods and Public Life” are shown with their completion status as of June 30, 2022, in Figure 6 and Attachment F, and include the following:

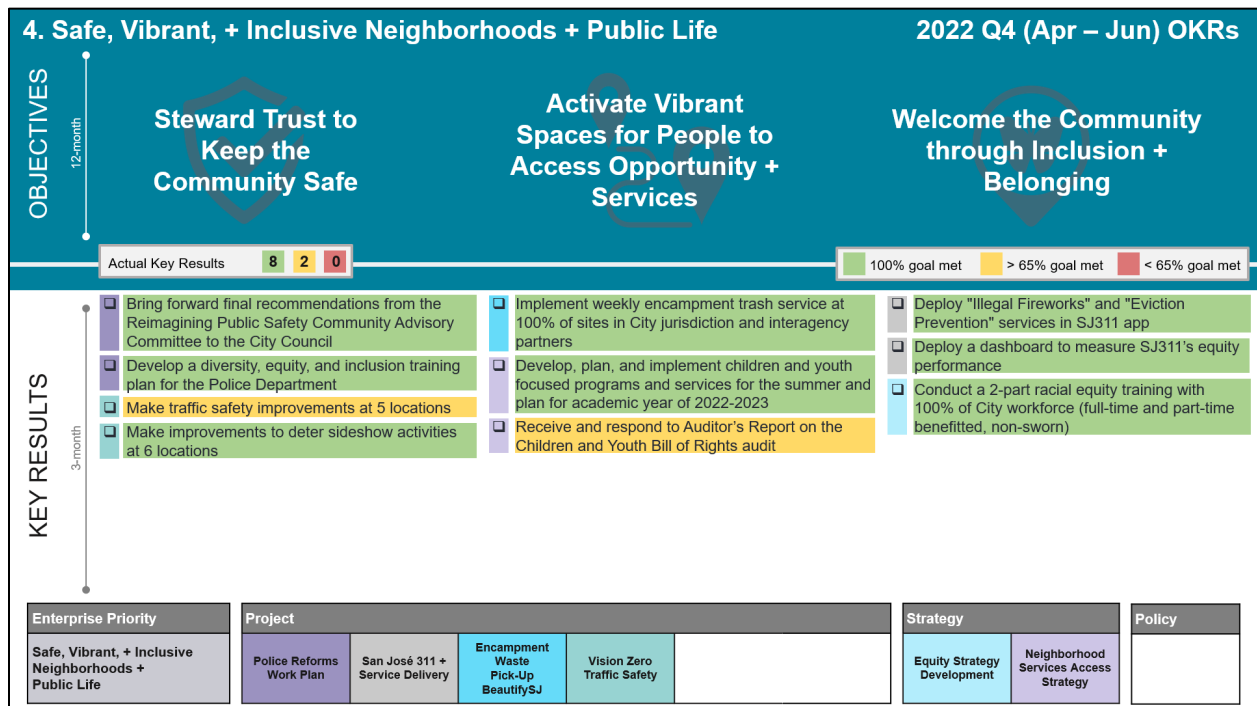

Figure 6. Safe, Vibrant, and Inclusive Neighborhoods and Public Life Q4 OKRs.

Green (100% goal met): Eight Key Results

- Bring forward final recommendations from the Reimagining Public Safety Community Advisory Committee to City Council;
- Develop a diversity, equity, and inclusion training plan for the Police Department;
- Make improvements to deter sideshow activities at six locations;
- Implement weekly encampment trash service at 100% of sites in City jurisdiction and interagency partners;
- Develop, plan, and implement children and youth focused programs and services for the summer and plan for academic year of 2022-2023;
- Deploy "Illegal Fireworks" and "Eviction Prevention" services in the SJ311 app;
- Deploy a dashboard to measure SJ311's equity performance; and
- Conduct a two-part racial equity training with 100% of City workforce (full-time and part-time benefitted, non-sworn).

Yellow (99-65% goal met): Two Key Results

- Make traffic safety improvements at five locations; and
- Receive and respond to Auditor's Report on the Children and Youth Bill of Rights audit.

Yellow Key Results - Background on Challenges, Actions to Mitigate, and/or Pivots

As of June 30, 2022, traffic safety improvements were completed at four out of five locations. One of the projects was canceled due to community opposition. The completed locations include Sierra/Cabrillo enhanced crosswalks, Monroe Radar Speed Sign, 13th Street Radar Speed Signs, and Branham Lane Radar Speed Signs. Staff in Parks, Recreation, and Neighborhood Services

and the Library had received the Auditor's draft report on the Children and Youth Bill of Rights audit, though the final report with recommendations and department responses was presented to the Neighborhood Services and Education Committee on September 8, 2022³.

Red (less than 65% goal met): Zero Key Results

- None.

A-5. Building the San José of Tomorrow with a Downtown for Everyone

As stated as part of the “Building the San José of Tomorrow with a Downtown for Everyone” Enterprise Priority, San José has a bold plan that envisions a more urban, connected, and livable city by 2040. Making this a reality will require driving private development and ensuring those investments create great places. The approval processes must be clear, consistent, and easy to use for everyone, and move at the speed of business, not bureaucracy. The center piece of these efforts, our Downtown plan, is a complex mosaic of new train lines, large offices mixed with vibrant street front retail, urban housing, and creative public spaces that we must get right.

The Objectives for “Building the San José of Tomorrow with a Downtown for Everyone” were:

- Plan and create diverse, inclusive, and livable urban places;
- Connect the community through multi-mode solutions; and
- Create clear, consistent, and effective development processes.

The Initiatives driving this Enterprise Priority were:

- Align Zoning with General Plan;
- Development Services Transformation;
- Google Development;
- Major Real Estate Development Projects;
- Bay Area Rapid Transit (BART) and High-Speed Rail Strategy; and
- North San José Strategy.

The Q4 Key Results for “Building the San José of Tomorrow with a Downtown for Everyone” are shown with their completion status as of June 30, 2022, in Figure 7 and Attachment G, and include the following:

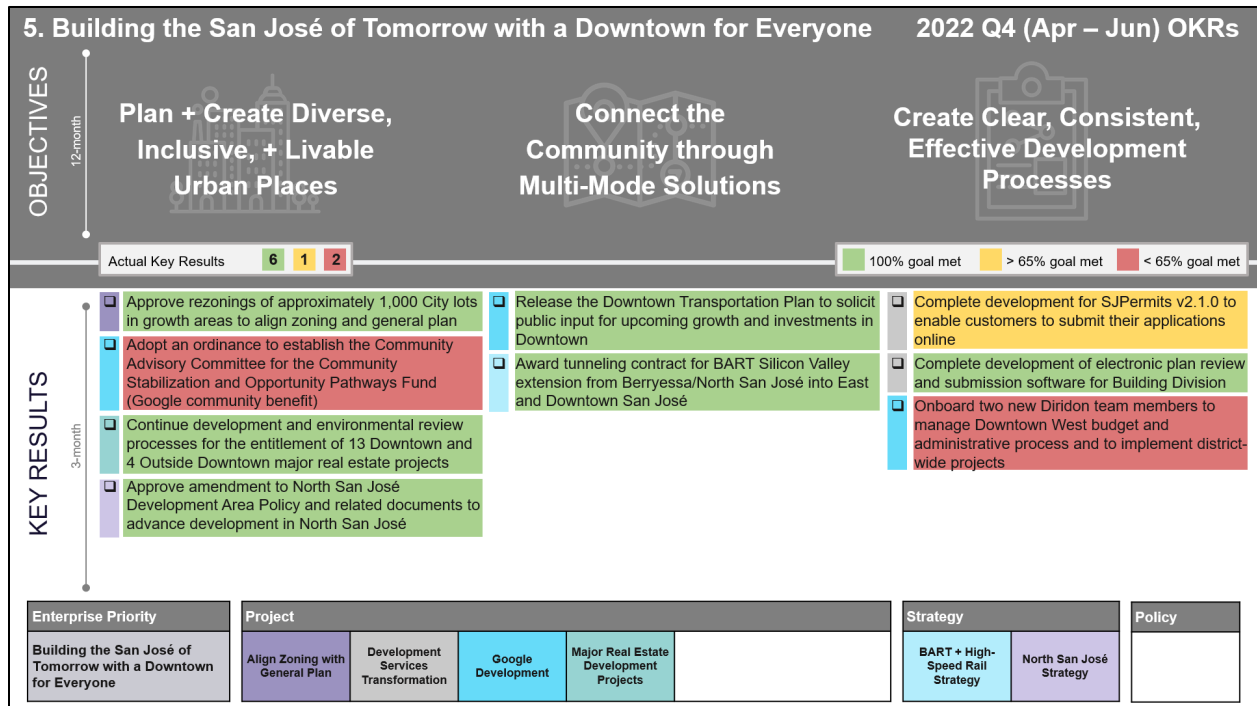

Figure 7. Building the San José of Tomorrow with a Downtown for Everyone Q4 Key Results.

Green (100% goal met): Six Key Results

- Approve rezonings of approximately 1,000 City lots in growth areas to align zoning and General Plan;
- Continue development and environmental review processes for the entitlement of 13 Downtown and four Outside Downtown major real estate projects;
- Approve amendment to North San José Development Area Policy and related documents to advance development in North San José;
- Release the Downtown Transportation Plan to solicit public input for upcoming growth and investments in Downtown;
- Award tunneling contract for the BART Silicon Valley extension from Berryessa/North San José into East and Downtown San José; and
- Complete development of electronic plan review and submission software for Building Division.

Yellow (99-65% goal met): One Key Result

- Complete development for SJPermits v2.1.0 to enable customers to submit their applications online.

Yellow Key Results - Background on Challenges, Actions to Mitigate, and/or Pivots

As of June 30, 2022, the final development tickets were 95% complete for SJPermits v2.1.0. The final development has since been completed and is not expected to impact the deployment of the updated portal in Q1.

Red (less than 65% goal met): Two Key Results

- Adopt an ordinance to establish the Community Advisory Committee for the Community Stabilization and Opportunity Pathways Fund (Google community benefit); and
- Onboard two new Diridon team members to manage Downtown West budget and administrative process and to implement district-wide projects.

Red Key Results - Background on Challenges, Actions to Mitigate, and/or Pivots

As of June 30, 2022, two community meetings had been held related to the ordinance to establish the Community Advisory Committee for the Community Stabilization and Opportunity Pathways Fund. The team elected to take more time to build in more stakeholder engagement which impacted the timeline for this Key Result to be completed. The team plans to complete this Key Result in Q1 along with the hiring and onboarding of two new Diridon team members to manage Downtown West budget and administrative processes.

A-6. Smart, Sustainable, and Reliable City: 21st Century Infrastructure

This Enterprise Priority is merging with the “Emergency Management and Preparedness” Enterprise Priority to create the “Sustainable and Resilient City Infrastructure and Emergency Preparedness” Enterprise Priority. This Enterprise Priority will begin reporting through OKRs in Q1 through the “Sustainable and Resilient City Infrastructure and Emergency Preparedness” Enterprise Priority.

A-7. Strategic Fiscal Positioning and Resource Deployment

As stated as part of the “Strategic Fiscal Positioning and Resource Deployment” Enterprise Priority, we will continue to be both strategic and responsible in how we manage and balance the City’s \$5.1 billion budget as well as smart and efficient in how we serve our community. We will always look for opportunities to be cost-effective in all aspects of our service delivery system while working to ensure equity and inclusion in how our services are delivered. If new or expanded revenues are considered, we will minimize impacts to our tax, rate, and fee payers to the extent possible.

The Objectives for “Strategic Fiscal Positioning and Resource Deployment” were:

- Support and respond to community needs;
- Build, improve, and sustain inclusive fiscal practices; and
- Steward and safeguard public resources.

The Initiatives driving this Enterprise Priority were:

- Federal and State Recovery Advocacy;
- Secure City Cybersecurity;
- Procurement Improvement;
- Pension Obligation Bond Analysis;
- Budgeting for Equity; and
- City Initiatives Roadmap budgeting, Accountability, and Performance.

The Q4 Key Results for “Strategic Fiscal Positioning and Resource Deployment” are shown with their completion status as of June 30, 2022, in Figure 8 and Attachment H, and include the following:

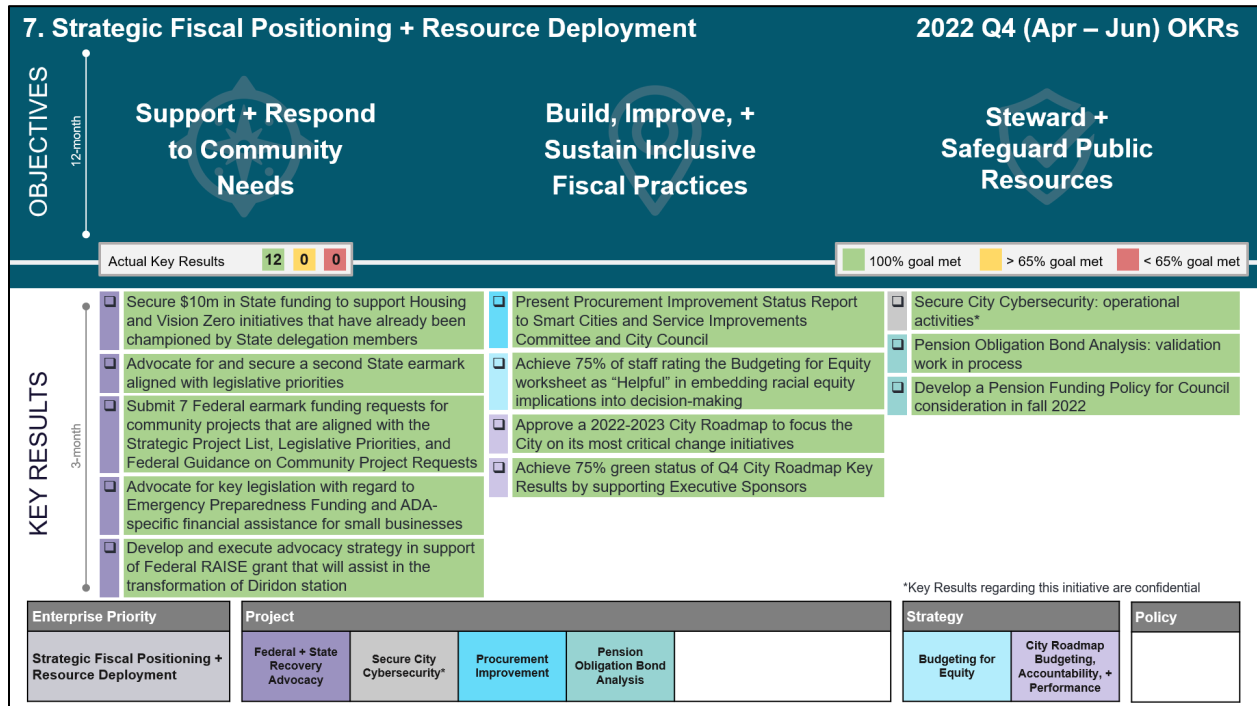

Figure 8. Strategic Fiscal Positioning and Resource Deployment Q4 Key Results.

*Note that one Key Result in this Enterprise Priority is confidential, and therefore reports to the City Council through Closed Session.

Green (100% goal met): 12 Key Results

- Secure \$10 million in State funding to support Housing and Vision Zero initiatives that have already been championed by State delegation members;
- Advocate for and secure a second State earmark aligned with legislative priorities;
- Submit seven Federal earmark funding requests for community projects that are aligned with the Strategic Project List, Legislative Priorities, and Federal Guidance on Community Project Requests;
- Advocate for key legislation with regard to Emergency Preparedness Funding and Americans with Disabilities Act-specific financial assistance for small businesses;
- Develop and execute advocacy strategy in support of Federal Rebuilding American Infrastructure with Sustainability and Equity grant that will assist in the transformation of Diridon station;
- Present Procurement Improvement Status Report to Smart Cities and Service Improvements Committee and City Council;
- Achieve 75% of staff rating the Budgeting for Equity worksheet as “Helpful” in embedding racial equity implications into decision-making;

- Approve a 2022-2023 City Initiatives Roadmap to focus the City on its most critical change initiatives;
- Achieve 75% green status of Q4 City Initiatives Roadmap Key Results by supporting Executive Sponsors;
- Secure City Cybersecurity: operational activities;
- Pension Obligation Bond Analysis: validation work in process; and
- Develop a Pension Funding Policy for City Council consideration in fall 2022.

Yellow (99-65% goal met): Zero Key Results

- None.

Red (less than 65% goal met): Zero Key Results

- None.

A-8. Powered by People

As stated as part of the “Powered by People” Enterprise Priority, we recognize that our over 6,600 employees power the City of San José and our success as a City is dependent on our ability to create a dynamic and engaged workforce. Our employees’ ability to provide excellent service is strengthened when we invest in attracting talent, providing opportunities for career growth, enabling an environment focused on health, safety, and wellness, and retaining a diverse workforce in a workplace that is equitable and inclusive.

The Objectives for “Powered by People” were:

- Build processes that work for people;
- Nurture employee growth, safety, and wellness; and
- Bust down silos to build trust and transparency.

The Initiatives driving this Enterprise Priority were:

- Continuity of City Services;
- Safe Workplace;
- Employee Health and Wellness;
- Drive to Digital;
- Effective Teams; and
- City Workforce Diversity and Skill Building.

The Q4 Key Results for “Powered by People” are shown with their completion status as of June 30, 2022, in Figure 9 and Attachment I, and include the following:

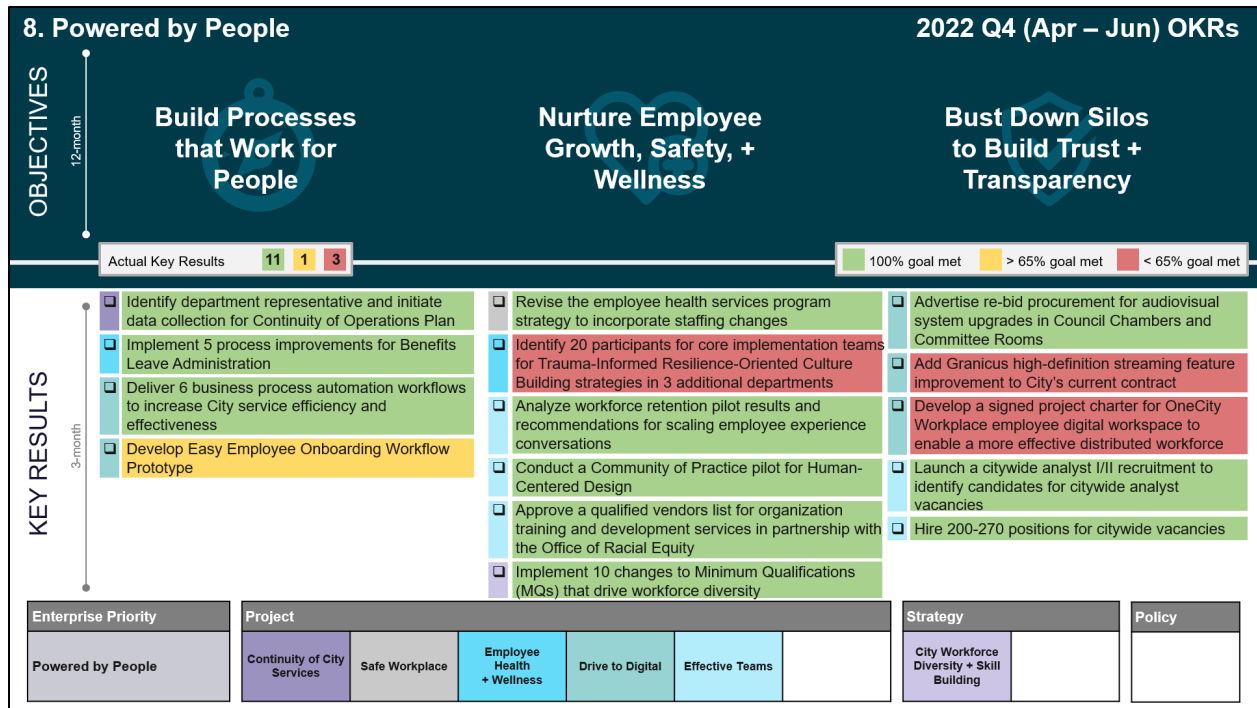

Figure 9. Powered by People Q4 Key Results.

Green (100% goal met): 11 Key Results

- Identify department representative and initiate data collection for Continuity of Operations Plan;
- Implement five process improvements for Benefits Leave Administration;
- Deliver six business process automation workflows to increase City service efficiency and effectiveness;
- Revise the employee health services program strategy to incorporate staffing changes;
- Analyze workforce retention pilot results and recommendations for scaling employee experience conversations;
- Conduct a Community of Practice pilot for Human-Centered Design;
- Approve a qualified vendors list for organization training and development services in partnership with the Office of Racial Equity;
- Implement 10 changes to Minimum Qualifications that drive workforce diversity;
- Advertise re-bid procurement for audiovisual system upgrades in City Council Chambers and committee rooms;
- Launch a citywide analyst I/II recruitment to identify candidates for citywide analyst vacancies; and
- Hire 200-270 positions for citywide vacancies.

The “Drive to Digital” completed the seven (more than the goal of six) business process automation workflows goal, including:

1. City Council Budget Cost Estimate;
2. Muni Water Leak Notification Form;
3. Parks, Recreation, and Neighborhood Services Field Use Request;

4. Human Resources Confidentiality Statement;
5. General Employee Reimbursements;
6. Human Resources New Hire Forms for Full-Time Hires; and
7. California Employee's Withholding Allowance Certificate (DE-4 State Tax Form).

Yellow (99-65% goal met): One Key Result

- Develop Easy Employee Onboarding Workflow Prototype.

Yellow Key Results - Background on Challenges, Actions to Mitigate, and/or Pivots

As of June 30, 2022, the development of the Easy Employee Onboarding Workflow prototype was not completed in the quarter due to a more complex than anticipated integration between SimpliGov and SolarWinds. The team was also impacted by lower staffing levels, which stretched the team to cover ongoing maintenance and support, which was prioritized over new development. The work will be paused until the new vacancies are filled and allow the work to resume.

Red (less than 65% goal met): Three Key Results

- Identify 20 participants for core implementation teams for Trauma-Informed Resilience-Oriented Culture Building strategies in three additional departments;
- Add Granicus high-definition streaming feature improvement to City's current contract; and
- Develop a signed project charter for OneCity Workplace employee digital workspace to enable a more effective distributed workforce.

Red Key Results - Background on Challenges, Actions to Mitigate, and/or Pivots

As of June 30, 2022, efforts to identify 20 participants for core implementation team for Trauma-Informed Resilience-Oriented Culture Building was paused in order to get feedback during the City Council Study Session planned for the fall 2022. The Granicus high-definition streaming feature was paused due to needing to reconsider the procurement and contracting approach for the feature; this work will be adjusted and move forward in Q1. The project charter for OneCity Workplace was significantly progressed, and then paused in order to iterate on the procurement strategy to ensure sufficient vendor responses; this work will also be adjusted and move forward in Q1.

B. 2022-2023 PLANNED ANNUAL KEY RESULTS BY ENTERPRISE PRIORITY

The Administration defined Planned Annual Key Results for each initiative (annual definition of done) to better communicate, manage, and measure success and impact over a given fiscal year and to allow staff to begin each year with goals or "the end in mind." This is a next step in the multi-year change program to improve the accountability and transparency of the City's performance reporting for change initiatives and service transformations.

The following outlines each Enterprise Priority's Objectives and the Planned Annual Key Results for the 2022-2023 fiscal year at the Initiative level. City Council will receive an information memorandum in the fall 2022 with initiative descriptions as well as additional detail

on the Administration’s plans to roll-out initiative charters alongside the City Initiatives Roadmap priority-setting process for the 2023-2024 fiscal year.

C. Q1 2022-2023 Planned Key Results by Enterprise Priority

On May 16, 2022, City Council adopted the 2022-2023 City Initiatives Roadmap to guide implementation and prioritize change initiatives and service transformations over the next fiscal year. The following describes the draft Q1 OKRs for these Enterprise Priorities:

- C-1. COVID-19 Pandemic: Community and Economic Recovery;
- C-2. Sustainable and Resilient City Infrastructure and Emergency Preparedness;
- C-3. Ending Homelessness;
- C-4. Safer San José;
- C-5. Clean, Vibrant, and Inclusive Neighborhoods and Public Life;
- C-6. Building the San José of Tomorrow with a Downtown for Everyone;
- C-7. Strategic Fiscal Positioning and Resource Deployment; and
- C-8. Powered by People.

C-1. COVID-19 Pandemic: Community and Economic Recovery

The 2022-2023 Objectives for this Enterprise Priority are:

- Invest in our most vulnerable residents, families, small businesses, and non-profits;
- Empower our community with resources that build resiliency; and
- Stabilize and improve equitable outcomes for all.

The 2022-2023 Initiatives driving this Enterprise Priority are:

- Housing Stabilization;
- Re-Employment and Workforce Development;
- Small Business Recovery and Resilience; and
- COVID-19 Recovery Task Force.

The Q1 Planned Key Results are shown for a July 1, 2022, to September 30, 2022, timeframe in Figure 10 and Attachment J, and include the following:

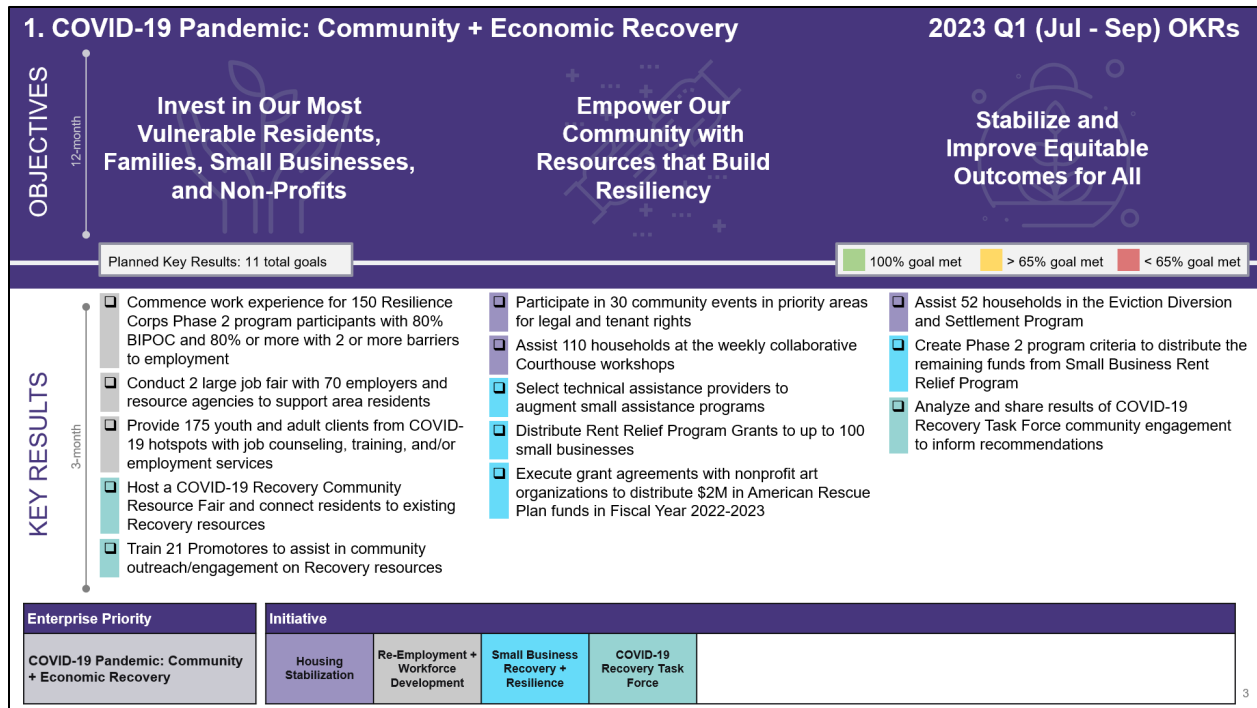

Figure 10. COVID-19 Pandemic: Community and Economic Recovery Q1 OKRs.

- Using the City Initiatives Roadmap to bring prioritization and focus to the City's most strategic and complex change initiatives and service transformations;
- Fully rolling out the OKR and City Initiatives Roadmap Status Reporting process to five core Enterprise Priorities and two foundational Enterprise Priorities, with the remaining one Enterprise Priority expected to be reported on in the Q1 City Initiatives Roadmap memorandum;

- Delivering on the Q4 OKRs for seven Enterprise Priorities;
- Iterating to improve on Q1 OKRs; and
- Launching an “Outcomes, Equity Indicators, and Performance Management” initiative.

This memorandum also acknowledges and appreciates the incredible number of community partners and City staff who have contributed to the implementation of the initiatives on the City Initiatives Roadmap, including those related to COVID-19 Response and Recovery.

EVALUATION AND FOLLOW-UP

Completing the 2021-2022 City Initiatives Roadmap and Beginning the 2022-2023 City Initiatives Roadmap

This memorandum marks the final quarterly update on the 2021-2022 City Initiatives Roadmap. The Administration will continue quarterly updates to the City Council using the 2022-2023 City Initiatives Roadmap and will return to the City Council with a Q1 status update in November 2022.

Outcomes, Equity Indicators, and Performance Management

In an effort to deliver more meaningful measures, the Administration framed an “Outcomes, Equity Indicators, and Performance Management” initiative for the 2022-2023 City Initiatives Roadmap. This marks the beginning of a multi-year change program to improve the accountability and transparency of the City’s performance reporting not only for change initiatives and service transformations, but also to modernize and update performance reporting for the City Service Areas/Core Services as well. The initiative is jointly led by the City Manager’s Budget Office, the City Manager’s Office of Racial Equity, and the City Manager’s Office of Administration, Policy, and Intergovernmental Relations and will be reporting to the City Council through the Public Safety, Finance, and Strategic Support Committee.

The high-level approach is to create a consistent framework for both the CSAs and Enterprise Priorities that:

- Defines and refreshes qualitative outcomes and a limited set of equity indicators, disaggregated by race, which are most meaningful to the outcomes and can deliver the most impact in closing racial disparities;
- Assesses and streamlines performance measures to manage what matters the most to the community and City leadership; and
- Reassesses CSA dashboard contents and requirements to increase access and availability.

The Administration intends to pilot the initial implementation through one CSA and one Enterprise Priority. The Administration is currently evaluating two CSA options for the pilot. Upon successful pilot completion, the Administration plans to scale the re-examination and revision of the performance measures and activity/workload highlights included throughout the budget document to revise, strengthen, and implement regular reporting of performance metrics to drive decision-making informed by key equity indicators. As part of this work, the Administration engaged Harvard Business School Community Partners in a pro bono consulting

project to identify opportunities to integrate outcome and performance measures into the existing City Initiatives Roadmap framework. This project was successfully completed in September 2022 with the results informing the scope and direction of the initiative.
