The City of San José is committed to open and honest government and strives to consistently meet the community's expectations by providing excellent service, in a positive and timely manner, and in the full view of the public.

You may speak to the Commission about any discussion item that is on the agenda, and you may also speak during Public Comments on items that are not on the agenda and are within the subject matter jurisdiction of the Commission. Speakers using a translator will be given twice the time allotted to ensure non-English speakers receive the same opportunity to directly address the Committee, Board or Commission. Please be advised that, by law, the Commission is unable to discuss or take action on issues presented during Public Comments. Pursuant to Government Code Section 54954.2, no matter shall be acted upon by the Commission unless listed on the agenda, which has been posted not less than 72 hours prior to meeting.

Agendas, Staff Reports and some associated documents for the Commission items may be viewed on the <https://www.sanjoseca.gov/your-government/departments-offices/public-works/measure-t-community-oversight-committee>.
