Citywide Residential Anti-Displacement Strategy Verbal Status Report

Staff requested to retroactively drop the Citywide Residential Anti-Displacement Strategy Verbal Status Report from the June 28, 2021 Community and Economic Development Committee Agenda. The item was mistakenly not included on that month's agenda. Once the mistake was realized, the agenda had already been posted to the City's website according to Brown Act rules. The status report will be provided at the next Community and Economic Development Committee meeting on August 23, 2021.
