**(ALTERATION NO. 1B)**

**WHEREAS**, on September 3, 2002, the City Council (“Council”) for the City of San José (“City”), pursuant to Chapter 14.27 of Title 14 of the City’s Municipal Code, which incorporates and modifies by reference the Mello-Roos Community Facilities Act of 1982, as amended, Chapter 2.5 of Part 1 of Division 2 of Title 5 of the California Government Code (together, the “Act”), completed all actions necessary to form and levy special taxes within Community Facilities District No. 8 (Communications Hill) (“CFD 8”); and

**WHEREAS**, on February 17, 2004, Council completed all actions necessary to annex territory (“Annexation Area No. 1”) to CFD 8; and

**WHEREAS**, on June 14, 2016, Council completed all actions necessary to annex additional territory (“Annexation Area No. 2”) to CFD 8; and

**WHEREAS**, the Director of the Department of Public Works (“Director”) submitted a memorandum dated August 19, 2019 recommending that Council commence proceedings to alter the services and facilities financed by CFD 8 (“Change Proceedings”) and approve an agreement to reimburse the City for costs that it advances to pay for the costs of the change proceedings (“Reimbursement Agreement”); and

**WHEREAS**, on September 10, 2019, Council approved the Reimbursement Agreement and adopted Resolution No. 79228 that commenced the Change Proceedings and set a public hearing on November 5, 2019 to consider the proposed changes; and

**WHEREAS**, the Director submitted a memorandum dated October 28, 2019, recommending that Council repeal Resolution No. 79228 and adopt a new resolution of consideration to defer the hearing date for the Change Proceedings from November 5, 2019 until November 19, 2019; and

**WHEREAS**, the Director's recommendation included planning and design work related to the future purchase, construction, improvement, operation, expansion or rehabilitation of a vineyard and other open space facilities on public lands within CFD No. 8; and

**WHEREAS**, the City has determined the cost to conduct the Change Proceedings ("Change Costs") and desires to advance funds to cover a portion of this amount, subject to the Reimbursement Agreement;

5. The City has determined that the Change Costs will be the actual amount of the City’s costs to conduct the Change Proceedings. Pursuant to Section 53314.9 of the Act, the City will advance a maximum of \$30,000 to apply to the Change Costs, subject to the Reimbursement Agreement. The Reimbursement Agreement is attached hereto as Exhibit C.

#### RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAX

---

A Special Tax applicable to each Assessor's Parcel in Community Facilities District No. 8 (Communications Hill) [herein "CFD No. 8"] shall be levied and collected according to the tax liability determined by the City Council, through the application of the appropriate amount or rate for Taxable Property, as described below. All of the property in CFD No. 8, unless exempted by law or by the provisions of Section E below, shall be taxed for the purposes, to the extent, and in the manner herein provided, including property subsequently annexed to CFD No. 8 unless a separate Rate and Method of Apportionment of Special Tax is adopted for the annexation area.

#### A. DEFINITIONS

The terms hereinafter set forth have the following meanings:

**"Acre or Acreage"** means the land area of an Assessor's Parcel as shown on an Assessor's Parcel Map, or if the land area is not shown on an Assessor's Parcel Map, the land area shown on the applicable final subdivision map or other parcel map recorded at the Santa Clara County Recorder's Office.

**"Act"** means, collectively, the Mello-Roos Community Facilities Act of 1982, as amended, Chapter 2.5 of Part 1 of Division 2 of Title 5 commencing at Section 53311 of the California Government Code, and Chapter 14.27 of Title 14 of the Municipal Code of the City.

**"Administrator"** means the individual(s) designated by the City to administer the CFD in accordance with the authority and powers granted by the City Council.

**"Assessor's Parcel Map"** means an official map of the County Assessor of the County of Santa Clara designating parcels by Assessor's Parcel number.

## EXHIBIT B

**“Church Property”** means any Parcel within the CFD that meets both of the following criteria: (1) a structure has been built that is used as a place of worship, rectory, convent or private school, and (2) the Parcel is exempt from ad valorem property taxes because it is owned by a religious organization.

**“City”** means the City of San Jose.

**“City Council”** means the City Council of the City of San Jose, acting as the legislative body of CFD No. 8.

**“Developed Property”** means, in any Fiscal Year, all Taxable Property for which a building permit for new construction has been issued prior to June 30 of the preceding Fiscal Year.

**“Fiscal Year”** means the period starting July 1 and ending on the following June 30.

**“Index”** means the Consumer Price Index of the San Francisco-Oakland-San Jose area for all urban consumers.

**“Maximum Special Tax”** means the maximum Special Tax, determined in accordance with Section C below, that can be levied on Taxable Property in any Fiscal Year.

**“Public Agency”** means the federal government, State of California or other local governments or public agencies.

**“Residential Property”** means Parcels of Developed Property for which a building permit was issued for construction of a residential structure, including single family detached, duplex, triplex, fourplex, townhome, condominium or apartment units.

**“Special Tax”** means a special tax levied in any Fiscal Year to pay the Special Tax Requirement.

**“Special Tax Requirement”** means the amount necessary in any Fiscal Year to (i) pay authorized expenses, (ii) create a sinking fund for replacement of facilities, (iii) pay administrative expenses of CFD No. 8, (iv) cure delinquencies in the payment of Special Taxes levied in prior Fiscal Years or (based on delinquencies in the payment of Special Taxes which have already taken place) are expected to occur in the Fiscal Year in which the tax will be collected.

## EXHIBIT B

Notwithstanding the foregoing, if the City determines that, in conjunction with a particular Parcel being changed from a residential to a non-residential designation, there was a corresponding transfer of the residential land uses to another Parcel in CFD No. 8, the City may but is not required to categorize that Parcel as Subsequent Non-Residential Property.

**“Taxable Property”** means all Assessor’s Parcels within the boundaries of CFD No. 8 which are not exempt from the Special Tax pursuant to law or Section E below.

**“Unit”** means a residential dwelling unit, including individual single-family detached, duplex (2 units), triplex (3 units), fourplex (4 units), townhome, condominium, or apartment units.

### **B. DATA FOR ANNUAL ADMINISTRATION OF SPECIAL TAX**

After July 1 of each Fiscal Year, the Administrator shall categorize all Parcels of Taxable Property in CFD No. 8 as either Residential Property, Non-Residential Property or Subsequent Non-Residential Property, as defined in Section A above. For each Parcel of Residential Property, the Administrator shall determine the number of Units on the Parcel by referencing the building permit, site plan, condominium plan, apartment plan or other development plan for the Parcel. If an individual Assessor’s Parcel contains both Residential Property and Non-Residential Property, the Administrator shall determine both the number of Units on the Parcel and the Acreage of the Parcel for purposes of applying the Maximum Special Tax as set forth in Section C.3 below.

### **C. MAXIMUM SPECIAL TAX**

#### ***1. Residential Property***

The Maximum Special Tax for Residential Property in CFD No. 8 is \$667 per Unit for Fiscal Year 2002-03. Beginning January 2, 2003 and each January 2 thereafter, this Maximum Special Tax shall be adjusted by applying the increase, if any, in the Index that has occurred since January of the prior year. Each annual adjustment of the Maximum Special Tax shall become effective on the subsequent July 1.

#### ***2. Non-Residential Property***

The Maximum Special Tax for Non-Residential Property in CFD No. 8 is \$300 per Acre for Fiscal Year 2002-03. Beginning January 2, 2003 and each January 2 thereafter, this Maximum Special Tax shall be adjusted by applying the increase, if any, in the Index that has occurred since January of the prior year. Each annual adjustment of the Maximum Special Tax shall become effective on the subsequent July 1.

## EXHIBIT B

### 3. *Subsequent Non-Residential Property*

The Maximum Special Tax for Subsequent Non-Residential Property shall be determined in the first Fiscal Year in which the property is categorized as Subsequent Non-Residential Property. If the Parcel had been taxed as Residential Property in the prior Fiscal Year, the Maximum Special Tax for the Parcel shall be equal to the Maximum Special Tax levied on the Parcel in the prior Fiscal Year adjusted by the increase, if any, in the Index that has occurred since January of the prior year. Beginning the next January 2, and each January 2 thereafter, the Maximum Special Tax on the Parcel shall again be adjusted by the increase, if any, in the Index that has occurred since January of the prior year. Each annual adjustment of the Maximum Special Tax shall become effective on the subsequent July 1.

If the Parcel of Subsequent Non-Residential Property had never been taxed as Residential Property, but had been expected to be developed as Residential Property, the Administrator shall apply the following steps to determine the Maximum Special Tax for the Parcel:

***Step 1:*** Estimate the number of Units that were expected to be developed on the Parcel before the land use changed to a non-residential use;

***Step 2:*** Multiply the Maximum Special Tax per Unit for Residential Property for the then current Fiscal Year by the number of anticipated Units from Step 1 to determine the Maximum Special Tax for the Parcel.

Beginning the next January 2, and each January 2 thereafter, the Maximum Special Tax on the Parcel shall again be adjusted by the increase, if any, in the Index that has occurred since January of the prior year. Each annual adjustment of the Maximum Special Tax shall become effective on the subsequent July 1.

### D. **METHOD OF LEVY AND COLLECTION OF THE SPECIAL TAX**

Each Fiscal Year, the Special Tax shall be levied on all Parcels of Developed Property as follows:

***Step 1:*** Determine the Special Tax Requirement (see definition in Section A above) for the Fiscal Year in which the Special Tax will be collected;

***Step 2:*** Calculate the total Special Tax revenues that could be collected from Developed Property within the CFD based on application of the Maximum Special Tax rates determined pursuant to Section C above;

## EXHIBIT B

**Step 3:** If the amount determined in Step 1 is **greater than** the amount calculated in Step 2, levy the Maximum Special Tax on all Parcels of Developed Property in the CFD. Even though the Special Tax Requirement is greater than the total Special Tax revenues that can be collected in CFD No. 8, only the Maximum Special Tax may be collected unless a higher Maximum Special Tax is approved by two-thirds of the registered voters voting in an election to increase the Maximum Special Tax.

If the amount determined in Step 1 **is equal to** the amount calculated in Step 2, levy the Maximum Special Tax on all Parcels of Developed Property in the CFD.

If the amount determined in Step 1 is **less than** the amount calculated in Step 2, levy the Special Tax against all Parcels of Developed Property in equal percentages up to 100% of the Maximum Special Tax for each Parcel until the amount of the Special Tax levy equals the Special Tax Requirement for that Fiscal Year.

The Special Tax for CFD No. 8 shall be collected in the same manner and at the same time as ordinary ad valorem property taxes, provided, however, that CFD No. 8 may (under the authority provided in the Act), in any particular case, bill the taxes directly to the property owner off the County tax roll, and the Special Taxes will be equally subject to penalties and foreclosure if delinquent.

### **E. LIMITATIONS**

Notwithstanding any other provision of this Rate and Method of Apportionment of Special Tax, no Special Tax shall be levied on land that has been conveyed to a Public Agency, except as otherwise provided in Sections 53317.3 and 53317.5 of the Mello-Roos Community Facilities Act of 1982. In addition, no Special Tax shall be levied on Church Property except that, if a Parcel that had been taxed in any prior Fiscal Year as Residential Property, Non-Residential Property or Subsequent Non-Residential Property becomes Church Property, the City has the discretion to levy a Special Tax against such Parcel if the Special Tax revenues generated from the Parcel are needed to meet the Special Tax Requirement.

### **F. INTERPRETATION OF SPECIAL TAX FORMULA**

The City reserves the right to make minor administrative and technical changes to this document that do not materially affect the rate and method of apportioning Special Taxes. In addition, the interpretation and application of any section of this document shall be left to the City's discretion. Interpretations may be made by the City by ordinance or resolution for purposes of clarifying any vagueness or ambiguity in this Rate and Method of Apportionment.

## EXHIBIT C

**WHEREAS**, the City and District desire to enter into this Agreement to specify the terms of the City's advance of funds and the District's reimbursement;

**NOW, THEREFORE**, in consideration of their mutual promises and subject to the terms and conditions hereinafter set forth, the parties hereto agree as follows:

**Section 1. City's Advance.** The City agrees to provide \$30,000.00 in direct payments and/or the value of in-kind services ("Advance") to be used to cover the Change Costs. The Change Costs include:

**Section 3. Reimbursement of Advance.** The Advances are subject to reimbursement as follows:

Any unexpended, unencumbered portion of the Advance shall be returned to the City.
- B. **Section 4. Agreement Not Debt or Liability of City.** This Agreement is not a debt or liability of the City, as provided in Section 53314.9(b) of the Act. No councilmember, director, officer, employee or agent of the City shall to any extent be personally liable hereunder.

**Section 5. Relationship to Other Fees and Charges.** Neither the Change Costs nor the Advance shall apply to any fees or charges set by the City other than those in connection with conducting the Change Proceedings.

**Section 6. No Commitment by City.** This Agreement in no way obligates the City to approve any project proposed by Alteration 1A or Alteration 1B or to submit the proposed changes to the qualified electors of the District.
