Clerk San Jose Councilmember,

Dear Rules Committee Members,

If you want to keep yourself, your family, your friends, your community and your constituents safe, please move this memo forward. YOU, MYSELF, and ALL OF US ARE IN DANGER AND AT RISK FOR PROSECUTION AND GREAT HARM BY OUR FEDERAL GOVERNMENT.

I am writing to express my strong support for the memo proposed by Councilmembers Ortiz, Kamei, Cohen, and Campos, which directs the City Attorney to draft an ordinance prohibiting law enforcement officers — including federal agents — from concealing their identities while interacting with the public in San José.

Transparency and accountability are essential to building trust between law enforcement and the communities they serve. Yet recent incidents of ICE officers refusing to identify themselves, and even individuals impersonating federal agents, have put immigrant

communities at risk and eroded public confidence. No one should be able to wield state power in our city while hiding their identity.

By requiring all officers to wear visible identification and prohibiting the use of masks or disguises, this ordinance will strengthen community safety, protect civil rights, and send a clear message that San José stands for openness and accountability.

I urge you to move this memo forward to ensure that our city remains a place where all residents are protected and respected.

Thank you for your leadership and commitment to transparency and justice.

Sincerely

{FirstName}

Clerk San Jose Councilmember,

Dear Rules Committee Members,

I am writing to express my strong support for the memo proposed by Councilmembers Ortiz, Kamei, Cohen, and Campos, which directs the City Attorney to draft an ordinance prohibiting law enforcement officers — including federal agents — from concealing their identities while interacting with the public in San José.

As a child, I always felt welcomed in San José. I always knew my parents and I would never run the risk of danger. East San José has this way of nurturing its residents in ways I've yet to feel elsewhere.

Unfortunately, with the current president, that feeling has fled and been replaced by fear. I have to remind my dad to carry his green card while he goes on his walks, I have to remind my parents about their rights as individuals in a country they've called home for over twenty years.

Transparency and accountability are essential to building trust between law enforcement and the communities they serve. Yet recent incidents of ICE officers refusing to identify themselves, and even individuals impersonating federal agents, have put immigrant

communities at risk and eroded public confidence. No one should be able to wield state power in our city while hiding their identity.

By requiring all officers to wear visible identification and prohibiting the use of masks or disguises, this ordinance will strengthen community safety, protect civil rights, and send a clear message that San José stands for openness and accountability.

Yet recent incidents of ICE officers refusing to identify themselves, and even individuals impersonating federal agents, have put immigrant communities at risk and eroded public confidence. No one should be able to wield state power in our city while hiding their identity.

By requiring all officers to wear visible identification and prohibiting the use of masks or disguises, this ordinance will strengthen community safety, protect civil rights, and send a clear message that San José stands for openness and accountability.

I urge you to move this memo forward to ensure that our city remains a place where all residents are protected and respected.

Thank you for your leadership and commitment to transparency and justice.

Sincerely
Colleen Clary

Subject: Item C-2 Sept. 10th Rules Committee: Support for No Secret Police Memo

[External Email. Do not open links or attachments from untrusted sources. [Learn more](#)]

Clerk San Jose Councilmember,

Dear Rules Committee Members,

I am writing to express my strong support for the memo proposed by Councilmembers Ortiz, Kamei, Cohen, and Campos, which directs the City Attorney to draft an ordinance prohibiting law enforcement officers — including federal agents — from concealing their identities while interacting with the public in San José.

Transparency and accountability are essential to building trust between law enforcement and the communities they serve. Yet recent incidents of ICE officers refusing to identify themselves, and even individuals impersonating federal agents, have put immigrant communities at risk and eroded public confidence. No one should be able to wield state power in our city while hiding their identity.

By requiring all officers to wear visible identification and prohibiting the use of masks or disguises, this ordinance will strengthen community safety, protect civil rights, and send a clear message that San José stands for openness and accountability.

I urge you to move this memo forward to ensure that our city remains a place where all residents are protected and respected.

Thank you for your leadership and commitment to transparency and justice.

Sincerely

[External Email. Do not open links or attachments from untrusted sources. [Learn more](#)]

Clerk San Jose Councilmember,

Dear Rules Committee Members,

I am writing to express my strong support for the memo proposed by Councilmembers Ortiz, Kamei, Cohen, and Campos, which directs the City Attorney to draft an ordinance prohibiting law enforcement officers — including federal agents — from concealing their identities while interacting with the public in San José.

Transparency and accountability are essential to building trust between law enforcement and the communities they serve. Yet recent incidents of ICE officers refusing to identify themselves, and even individuals impersonating federal agents, have put immigrant communities at risk and eroded public confidence. No one should be able to wield state power in our city while hiding their identity.

By requiring all officers to wear visible identification and prohibiting the use of masks or disguises, this ordinance will strengthen community safety, protect civil rights, and send a clear message that San José stands for openness and accountability.

I urge you to move this memo forward to ensure that our city remains a place where all residents are protected and respected.

Thank you for your leadership and commitment to transparency and justice.

Sincerely

{FirstName}
