

Resolution Establishing Speed Limits

August 26, 2025

John Ristow – Director, Department of Transportation

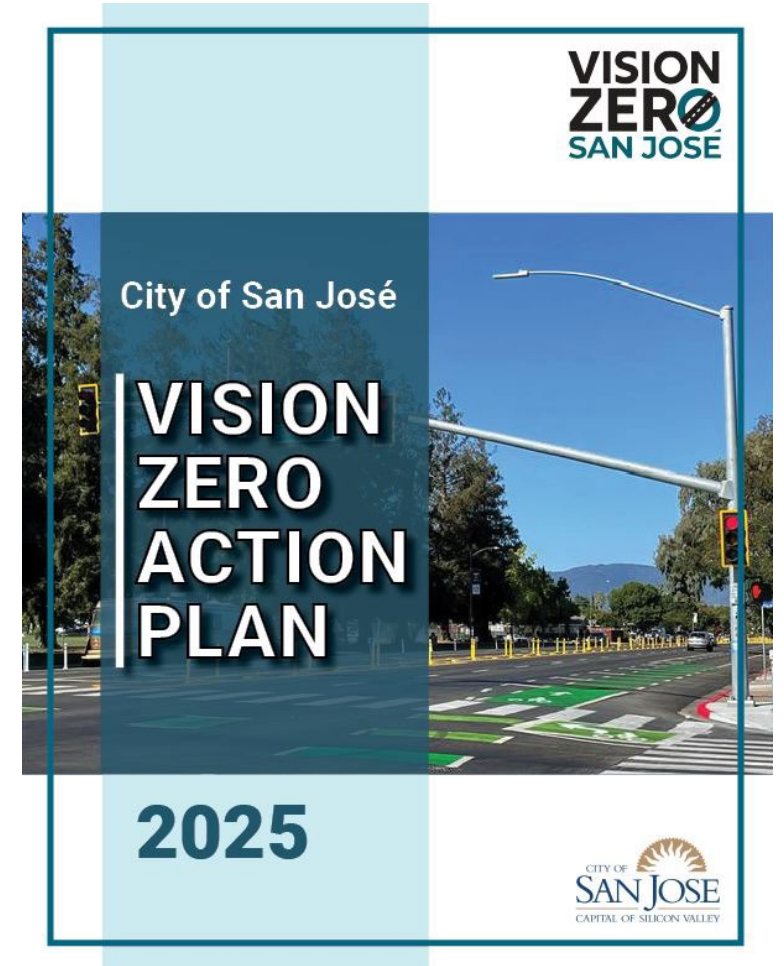

Heather Hoshii – Deputy Director, Transportation Safety Operations & Parking

Lam Cruz – Division Manager, DOT Safety Division

Why this Matters?

- **Speeding** is a **primary factor** in **crash severity**
 - 49 traffic fatalities in 2024
 - 39 (80%) occurred on streets posted at 35 mph or higher
 - 9 fatalities directly due to speeding
- **Lower posted speed limits** are a **Vision Zero** Action Plan **strategy** to **reduce deaths** and **serious injuries**
- Updated **Engineering & Traffic Surveys** ensure **SJPD can enforce** using radar

- 3

What's next?

- **Outreach:**
Council newsletters, social media, changeable message signs
- **Signage & Markings:**
Installed September 2025 (before speed cameras)
- **Additional Segments:**
Fall 2025
