

Public Works Muni Code Changes

City Council Meeting
September 10, 2019 – Item 3.4

Presenters:

Matt Cano

John Cannon

September 10, 2019

Background

- Numerous Council Resolutions that are not codified in Muni Code
- Significant staff work on modernization of City contracting rules and practices
- November 2018 approval of Measure S

Key Changes

- Reduces Design-Build threshold from \$5M to \$1M
- Modernizes public noticing
- Best value contracting option
 - Allows considerations other than price
 - Defines labor compliance as key measurement

Key Changes (cont.)

- Minor Public Works/Small & local business
 - Increases threshold to \$600K
 - Establishes prequalification program
 - Establishes local/small preference
 - Linked up with PW Academy and other non muni code changes
