

**RESOLUTION NO. XXXX**

**A RESOLUTION OF THE COUNCIL OF THE CITY OF SAN JOSE PROCLAIMING BLACK LIVES MATTER**

**Whereas**, recent national events involving police brutality and misconduct have shed light on a deeper issue in America: systemic racism. It has plagued America for centuries.

**Whereas**, we as a nation have come together to mourn the loss of George Floyd and honor his memory. The unlawful, tragic, and unacceptable killing of George Floyd at the hands of Minneapolis Police have sparked mass protests and demonstrations calling for change and elimination of systemic racism not only in Minneapolis, but in *all* communities in our nation.

**Whereas**, the recent national events have raised awareness about injustices that exist at the intersections of race, class, and gender; including mass incarceration, police brutality, poverty, unaffordable housing, income disparity, homophobia, unjust immigration policies, gender inequality, and poor access to healthcare.

**Whereas**, we denounce violence of any kind against people and property, but we also recognize the urgency of this situation. Cities must take the lead in structural reform to ensure that black, brown, indigenous, and other communities of color are safe and equal members of society. Cities must take the lead in reaffirming public trust in law enforcement.

**Whereas**, it is the responsibility of government to protect citizens and uphold civil rights. City officials must work to ensure that the rights of *all* people are upheld and respected. Reform is necessary to ensure that not one more person falls victim to racial profiling and racial violence by law enforcement.

**Whereas**, statements are important, but actions are critical. How we move forward will indicate our true intent and the sincerity of our respect and love for others. Recent events have provided this opportunity for growth, appreciating and embracing those in the Black community and other People of Color.

**BE IT RESOLVED BY THE COUNCIL OF THE CITY OF SAN JOSE THAT:**
