Honorable Mayor Liccardo and Members of the City Council
City of San Jose
200 East Santa Clara Street, 18th Floor
San Jose, CA 95113

Dear Mayor Liccardo, Vice-Mayor Chappie Jones, and Councilmembers Jimenez, Peralez, Cohen, Carrasco, Davis, Esparza, Arenas, Foley, and Mahan:

Re: Item 10.5 GP Amendment for Certain Property Located at 1975 Cambrianna Drive.

On behalf of our members, we write today to **recommend that the City Council adopt staff's recommendation to deny the General Plan Land Use Amendment for 1975 Cambrianna Drive and complete the process of** updating the Public/Quasi Public land use designation to provide more opportunities for housing and increased revenue for local agencies, including public school districts.

The Cambrian School District is proposing to rezone its surplus school land from Public/Quasi-Public (P/QP), which allows for up to 100 units per acre, to single family residential at eight units per acre. City staff are currently reviewing the P/QP land use policy and have three public meetings scheduled over the next two weeks. Staff is recommending that approval of this item be delayed until these meetings take place and the review process is completed.

We agree with the staff position that more review and outreach is appropriate before a decision is made. Given the current housing crisis, and the unique state and local expectations for surplus public land, redefining the P/QP land use designation to prioritize affordable housing development should be a high priority. The changes under consideration would not limit a school districts' ability to generate much needed resources, as sale or lease of any surplus land would be at fair market values.

We have a number of policy concerns related to council action on this item:

First, the provisions of the Surplus Land Act (SLA), as amended by AB 1486 in October, 2019, clearly state that school districts are subject to the law. We are not aware of any State ruling that would relieve the Cambrian School District from following the SLA. The question of SLA compliance should be resolved before the General Plan Amendment is approved.

Second, we are concerned about San Jose's compliance with the no-net-loss provision of SB 330. The proposed residential down-zoning of the Cambrianna site would require adding additional residential capacity elsewhere in the city. Unfortunately, it appears that staff has selected a site to accommodate this additional capacity-- 1953 Via Reggio Court—that has increased residential development on paper, but is not

February 22, 2021

Re: Item 10.5 GP Amendment for Certain Property Located at 1975 Cambrianna Drive

Page 2 of 2

expected to materialize. **We believe strongly that this action is not in compliance with Housing Element law.**

We encourage the City to be proactive in identifying more sites for affordable housing, particularly as the City moves forward in revising its Housing Element. School surplus lands are an ideal location for high density development and more affordable housing, while providing much needed financial resources for struggling school districts. We also encourage the City to consider appropriate densities and are concerned that the proposed development of market-rate single-family homes will not be affordable to teachers and families of students who reside in the City. Given the upcoming Housing Element revisions, it would be in the City's best interests to deny rezoning the land to a lower density.

Both the State and the City have conducted ample research on its inventory of surplus lands and best practices for local agencies to increase the supply of affordable housing. We support carrying out further discussion on how public land and resources are being used so that the City can better meet its housing affordability goals.

We strongly urge the City to uphold the Surplus Land Act's intention of prioritizing public lands, including school surplus lands, for affordable housing and meeting the needs of City residents.

Thank you for your consideration.

Sincerely,

Leslye Corsiglia

Re: Envision San Jose 2040 General Plan Amendment
Cambrian School District – Metzler C Site – 1975 Cambrianna Drive
Our File No. 1765-1103

Dear Mayor, Honorable San Jose City Council Members and Ms. Frimann:

Our client Cambrian School District (“District”) respectfully submits this correspondence in response to questions raised by the San Jose Planning Commissioners at the December 9, 2020 Planning Commission Meeting regarding the District’s General Plan Amendment application for APN 414-21-062 (“GP20-003”). While the District is eager to address all of the Commissioners’ inquiries regarding the District’s application, several of the items covered below were also discussed in detail when District representatives met with planning staff and a representative from the City Attorney’s Office on September 9, 2020. The parties’ meeting was fruitful and the District was under the impression that all outstanding questions related to the legal authority for the transaction had been satisfactorily resolved. However to the extent questions remain, the District wanted to be sure to take this opportunity to provide its responses to City Council and the Planning Commission.

A. Project Approval Provides a Critical Opportunity to Help the District Offset Significantly Reduced Education Funding

By way of background, even before California school districts were upended by the fiscal and operational impacts of COVID 19, many districts were grappling with significant budgetary shortfalls. The District is no different. The District is experiencing declining enrollment which directly reduces its state funding.

To help offset these challenges, the District has been evaluating how to leverage some of its most valuable assets, its property. The District currently has several parcels of land that are no longer suitable for classroom purposes, including portions of the former Metzler School located at 1975 Cambrianna Drive, San Jose, California (the “Metzler Site”), which is comprised of Parcels A, B and C.

On March 12, 2020, the District submitted GP20-003 to change the Land Use/ Transportation Diagram land use designation from Public/Quasi-Public to Residential Neighborhood on an approximately 2.7 gross acre site on the eastern portion of the property located at 1975 Cambrianna Drive (“Project”).

The San Jose Planning Commission considered the District’s Project on December 9, 2020. At that meeting, at the request of several Commissioners, an amendment to the motion approving staff’s recommendation was adopted wherein the District was asked to respond to several legal questions. The balance of this correspondence provides the District’s detailed responses to the questions raised by the Commissioners.

B. The District’s Project is Legally Compliant

The applicability and associated compliance, if required, with the statutory provisions noted in the Commissioners’ comment period for the Project on December 9, 2020 is discussed below.

1. The Naylor Act

- a. Applicability – The provisions of the Naylor Act are not applicable here because the legal authority for the negotiated Property Exchange Agreement (“Property Exchange”) is codified in Education Code section 17536 et seq. Education Code Section 17536 describes a process that is separate and distinct from the Surplus Land provisions in the Education and Government Codes, whereby school districts are authorized to transfer title to district property.

Specifically, section 17536 of the Education Code authorizes the District’s Governing Board (“Board”) to exchange any of its real property for real property of another person or private business firm upon such terms and conditions as the Parties may agree, and in accordance with the procedural requirements of Education Code section 17536 et seq.

A Property Exchange under section 17536 et seq. provides that, without complying with any other provisions contained in the Education Code, a school district may exchange its real property for real property of another on terms and conditions agreed upon by the parties, so long as the school district’s governing board approves the Property Exchange by a two-thirds vote in favor of a resolution declaring the intention to exchange real property. (See Ed. Code, §§ 17536, 17537.)

- b. Compliance – The Naylor Act is inapplicable to this transaction because the Property Exchange provisions cited above clearly state that the District need not comply with any other provisions of the Education Code. Unlike the Naylor Act, the Property Exchange provisions authorizing this transaction do not require a District to undertake a public offering process.

2. AB 1486 Surplus Land

- a. Applicability – AB 1486 is an assembly bill signed into law by Governor Gavin Newsom that amends various portions of the Government Code relating to surplus land. As noted above, the District’s Property Exchange is authorized under Education Code section 17536. As such, the revisions to the Government Code surplus property provisions noted in AB 1486 are not applicable to this transaction.
- b. Compliance – AB 1486 is inapplicable here because the authority for the transaction is set forth in the above cited Education Code provisions. Accordingly, neither AB 1486, nor any other provisions authorizing a District’s sale of surplus land, apply to this transaction.

3. SB 330

- a. Applicability – exception to SB 330 is that a property may be allowed to reduce intensity of residential uses if changes in land use designations or

zoning elsewhere ensure “no net loss” in residential capacity within the jurisdiction.

- b. Compliance – as noted in Staff’s report, in concurrence with SB 330, this Project is being considered concurrently by the Planning Commission and City Council with the following projects during the current cycle of general plan amendments so that there will not be a net loss of residentially designated land:
 - i. File No. GP 20-002, a General Plan Amendment request to change the land designation of a 1.64 gross-acre site from Mixed Use Commercial to Urban Residential, an increase of 74 units.
 - ii. File No. GP20-001, a General Plan Amendment request to change the land designation of a 8.6 gross-acre site from TU Transportation and Utilities to RN Residential Neighborhood, an increase of 69 units.
 - iii. File No. GP 20-012, a General Plan Amendment request to change the land designation of a .44 gross-acre site from Residential Neighborhood to Urban Downtown, an increase of 248 units.

C. Project Approval Provides A Critical On-Going Unrestricted Revenue Source to Help the District Offset Significantly Reduced Education Funding

Lastly, we want to address the question of how the transaction results in an on-going unrestricted revenue source for the District.

Under the Education Code, the proceeds of a sale or lease with option to purchase must be put into a restricted fund and used only for capital outlay purposes (such as purchasing other property, construction, etc.). Education Code § 17462 (a). These restrictions are akin to those governing the recently passed Measure R Bond funds. For example, the Measure R Bond funds are restricted and the District can only use those monies to fund: (1) projects to modernize, repair and/or replace District facilities; and (2) technology, safety, and accessibility upgrades. In contrast, revenues generated from the leasing of District property can be put into the District’s General Fund. General Fund monies can be used to directly and immediately address student needs in an ever evolving climate. By contrast, leasing of District property can be put into the District’s General Fund. And what the District wants to do is to obtain another income generating property that the District can lease for a higher fair market rent.

The lease proceeds from the new exchange property can be deposited into the District’s General Fund to help offset General Fund shortfalls due to COVID-19 and declining enrollment. These monies will be directed to District classrooms with the goal of enhancing the educational experience of all students.

The District trusts that this correspondence thoroughly addresses the Commissioners’ comments and questions regarding this Project, and anticipates that City Council’s support for the District will be demonstrated by the approval of the District’s application, GP20-003.

Mayor, Honorable San Jose City Council Members, Acting City Attorney

Completed: 8/26/2020 2:11pm CT

The Honorable Sam Liccardo
Mayor of the City of San Jose
200 East Santa Clara Street, 18th Floor
San Jose, CA 95113

re: GP20-003

Dear Mayor Liccardo:

On behalf of the Cambrian community, I am urging you to support the Cambrian School District's proposal to convert a land asset into an ongoing revenue stream that will benefit students for years to come.

As a result of California's local funding formula and COVID-19, our school district has been financially devastated, as the State of California has dramatically reduced school budgets. By approving this proposal, you are providing our school district with a critical path to revenue opportunities that will allow us to retain teachers, continue programs, and maintain the necessary resources we need to have a properly functioning school district.

Lastly, in addition to the financial benefits Cambrian schools will enjoy, your support of this proposal will demonstrate to the community at large that you are fully committed to improving our schools and neighborhoods.

Additional Message to Mayor Liccardo:

Sincerely,

Re: GP20-003

Dear Mayor Liccardo:

On behalf of the California School Employees Association, Chapter 641, we are urging you to support The Cambrian School District's proposal to convert a land asset into an ongoing revenue stream that will benefit students and secure jobs for years to come.

As a result of California's local funding formula and Covid-19, our district has been financially devastated. School budgets have been dramatically reduced.

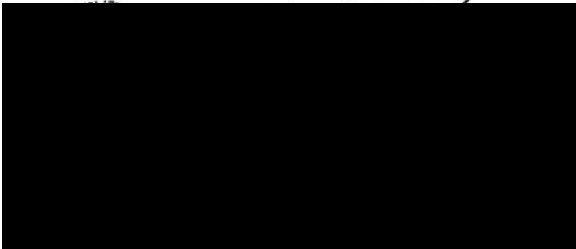

By approving this proposal, you are providing our school district with a path to revenue opportunities that will allow us to retain jobs for classified and teachers, continue programs and resources we need to keep our school district functioning properly.

We are all in this together. Your support lets our community know you are committed to improving our schools. Stand with us to provide an excellent education for our students.

Sincerely,

Beverly Merrel
CSEA President, Chapter 641

Serena Rodriguez

Re: GP20-003

Dear Mayor Liccardo:

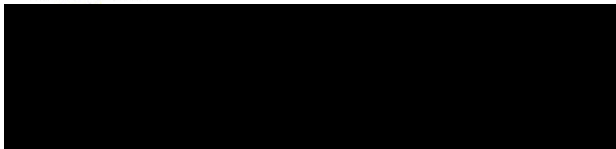

On behalf of the Cambrian Community, I am urging you to support the Cambrian School District's proposal to convert a land asset into an ongoing revenue that will benefit students for many years.

I have been an employee with Cambrian SD for 33 years and have been so lucky to work at the schools in the beginning and now have been in the District Office for 20 years. I love this District and I know everyone here puts their heart in soul into our students every day. It is so wonderful that our Superintendent along with our Board of Directors have the vision to problem solve and use our assets the best way we can to support education for our students, our programs that are much needed, retain our great teachers and keep our dedicated classified employees.

With the hard hits to our budget stemming from Covid-19 and other financial devastation's in the our Great State of California it would be wonderful if we could count on your support for this proposal.

Thank you for your time and your leadership to our Community.

Sincerely,

A large black rectangular redaction box covering the signature area of the letter.

Resident of the Cambrian Community,

Re: In Support of Cambrian School District, Project File: GP20-003

Dear San Jose Planning Commission:

On behalf of the Cambrian community, I am asking that you please support the Cambrian School District's proposal to change the designation for the indicated property site at 1975 Cambrianna Drive from PQP to RN under Project File: GP20-003.

As a result of COVID-19, our school district has been financially devastated, as the State of California has dramatically reduced school budgets.

By approving this proposal, you are providing our school district with a critical path to revenue opportunities that will allow us to retain teachers and programs and maintain the necessary resources we need to have a properly functioning school district. Additionally, this approval would assist your efforts to add much needed residential housing in our community - housing that will be in line with the current neighborhood and will reduce traffic in the area.

I urge you to please support Cambrian's proposal and prioritize the funding of our community's public schools and our children's education.

Respectfully,

5	8/26/2020 5:07:01 PM	Schools need to be creative in finding new sources of revenue. This project will blend into the neighborhood.	Signature=Andrea Ciplickas ClientTimestamp=Wed Aug 26 2020 15:06:53 GMT-0700 (Pacific Daylight Time) ServerTimestamp=8/26/2020 5:06:54 PM UtcTimestamp=2020-08-26 22:06:54Z ClientIP=24.5.10.47	
6	8/26/2020 5:57:47 PM	I also believe that with the Bay Area's obvious lack of housing that an empty, wasteland of a field should not sit empty. My family and I moved to San Jose three years ago from Washington DC as my husband got a job with Apple. We currently rent our house in San Jose and the housing crisis has made us seriously question if we want to remain in the area. Cambrian is not asking for high density housing; they are simply asking that an ugly field in the middle of a neighborhood be converted to allow more single family homes be built. I cannot imagine why such a request would not be allowed. 90	11/6/2020 12:31:19 PM		Signature=Dayna Martorell ClientTimestamp=Fri Nov 06 2020 10:31:14 GMT-0800 (Pacific Standard Time) ServerTimestamp=11/6/2020 12:31:14 PM UtcTimestamp=2020-11-06 18:31:14Z ClientIP=107.203.107.153	
91	11/6/2020 12:32:21 PM	We need to do everything we can to support our schools. Our kids deserve it. I understand why so many people are leaving this area. We pay the most in the country and our schools are falling apart. It's pathetic and ridiculous.	Signature=Shelby Welsch ClientTimestamp=Fri Nov 06 2020 10:32:13 GMT-0800 (Pacific Standard Time) ServerTimestamp=11/6/2020 12:32:13 PM UtcTimestamp=2020-11-06 18:32:13Z ClientIP=98.234.73.124

135	11/6/2020 5:29:50 PM	We have 2 7th graders (yes they are twins) in the Cambrian School District. They love their school and we love our community. We would much appreciate your support on this matter. With the reduced funding, this seems to be the only way for our school district to maintain the education quality.	Signature=Ali Afsin Bulbul ClientTimestamp=Fri Nov 06 2020 15:29:45 GMT-0800 (PST) ServerTimestamp=11/6/2020 5:29:46 PM UtcTimestamp=2020-11-06 23:29:46Z ClientIP=24.5.10.148

173	11/10/2020 10:13:43 PM	Our school district is such a great community district, but is forever battling financially. There are 3000 plus students that will benefit from this funding. The financial burden on families and Home and School clubs in this district is immense, this will all relieve some of that burden by the district being able to support all of its wn programs.	Signature=Melissa Ojczyk ClientTimestamp=Tue Nov 10 2020 20:13:24 GMT-0800 (PST) ServerTimestamp=11/10/2020 10:13:24 PM UtcTimestamp=2020-11-11 04:13:24Z ClientIP=69.149.42.102

197	11/12/2020 5:05:30 PM	<p>Please, Mayor Liccardo, Also advocate for a better and healthier Lunches Options, create a task group in schools to work on new ideas and options. Also to make sure to create venues for Kids not to have to eat lunch IN THE GRAOUNDS FLOOR! so unacceptable! I believe, It's about wiliness and no Big money, to choose for more healthy- Fresh foods just requires more dedication from the Food department in every Cambrian school (that's where my daughter attends school)</p> <p>Thanks,</p> <p>Some ideas:</p> <p>"BRIGADE" Non Profit organization</p>	<p>Signature=Silvia Rodriguez ClientTimestamp=Thu Nov 12 2020 15:05:21 GMT-0800 (Pacific Standard Time) ServerTimestamp=11/12/2020 5:05:21 PM UtcTimestamp=2020-11-12 23:05:21Z ClientIP=99.73.34.25</p>	<p>Fammatre School, mom Architect and small Business Owner</p>

337	11/13/2020 3:22:17 PM	Why don't we tie mask wearing to stimulus payments? Sliding scale, announced in advance, with COVID infection rate targets and scaled payouts vs where we fall on the scale monthly. Simple pay people for the behavior we want to see.....the behavior will be reflected in infection rates. Each state gets it's own scales. Hard to push a conspiracy when there is money on the line. 429	11/19/2020 3:53:36 PM	School districts are spending time and energy determining how to fill funding gaps rather than focusing on how to best educate the children they are serving. Please support this proposal to provide stability for our district so that our school board can focus on education - not fundraising.	Signature=Rebecca A Toy ClientTimestamp=Thu Nov 19 2020 13:53:25 GMT-0800 (Pacific Standard Time) ServerTimestamp=11/19/2020 3:53:26 PM UtcTimestamp=2020-11-19 21:53:26Z ClientIP=24.4.179.50	Cambrian Educational Foundation Treasurer Sartorette Home and School Club Treasurer

625	1/15/2021 1:12:22 PM	<p>Mayor,</p> <p>Cambrian schools and their teachers are incredibly committed to their students. As a 20 year resident of Cambrian, both of my children have been through Cambrian elementary and middle schools (Bagby and Price). It's clear that the school system is a huge asset to the community, for people from a variety of socio-economic backgrounds.</p> <p>It is heartbreaking to see how hard both the teachers -- and the students are trying to keep things together, amid remote schooling, and limited funding, and morale of all parties is rock bottom.</p> <p>I know the entire community would appreciate your consideration on this one.</p> <p>Best,</p> <p>Paul</p>	Signature=Paul Turner ClientTimestamp=Fri Jan 15 2021 11:12:18 GMT-0800 (Pacific Standard Time) ServerTimestamp=1/15/2021 1:12:17 PM UtcTimestamp=2021-01-15 19:12:17Z ClientIP=24.5.0.118

649	1/16/2021 2:18:42 AM	As a Cambrian Park resident of 22+ years, and a Cambrian School District parent and volunteer for thirteen years, I am dedicated to seeing our district's students succeed. Strong schools help build strong communities. As a former Title 1 public school teacher in San Jose, I am all too familiar with the lack of funding our state's schools receive for even the basics - school supplies, art programs, music programs. It's imperative this funding gap be closed, but very unfortunate that we have to push for property development as the means to this end. This is a start, but as Mayor I hope you will put pressure on our state government to allocate adequate and equitable funding to our public schools (to prevent this from happening year after year). Thank you!	Signature=Lisa Stobie Feller ClientTimestamp=Sat Jan 16 2021 00:18:35 GMT-0800 (Pacific Standard Time) ServerTimestamp=1/16/2021 2:18:36 AM UtcTimestamp=2021-01-16 08:18:36Z ClientIP=69.149.42.64

Subject: RE: Cambrian SD land initiative

Dear City Council Members, Please pass the land initiative for Cambrian SD at the Metzler site. This will help our school district keep the high standards we hold dear to help educate & care for everyone of our students & their families. We are trying to take care of ourselves & not always hold our breathe waiting to see what the state decides every year. This is so so important! Please do the right the thing & pass this important initiative for Cambrian. Thank you for all you do in the community. Sincerely, Beverly Merrel, CSEA President

Comments for Item 10.5 File 21-330 – GP Amendment for 1975 Cambrianna Drive

Dear Mayor Liccardo, Vice Mayor Jones and Councilmembers:

We understand this item presents real policy challenges for you, our elected officials. Ideally, the federal and state governments would provide sufficient pandemic relief and funding for our schools such that districts would not have to sell off valuable land assets, speculate in real estate or become property owners and landlords for commercial activities totally unrelated to their educational mission just in order to generate revenues for basic operations.

We strongly support the February 19 supplemental memo by Director Hughey *in toto* and the policy alternative/action that she outlines in it. We find this to be a thoughtful approach and a compromise that is fair to all parties and our larger community.

This option will allow time for the Cambrian School District to submit a proposal consistent with the Public/Quasi Public land conversion policy being developed by staff and to be taken to the Council by June.

General Policy Considerations for Disposition of School District Surplus Land

Declining student enrollment and corresponding state aid across school districts in Silicon Valley are directly related to the inability of young families with children to afford to live here. Our teachers and classified staff face similar housing affordability challenges.

Disposition of land that was purchased by local public agencies with public funds should be subject to a higher level of scrutiny and uses should align with the City’s planning, housing and community development policies, priorities, goals and standards. While revenue generation for local agencies and districts is certainly an important consideration, public land is a finite and precious resource and we must maximize the public and community benefits that accrue from the various uses.

In general, for the disposition and use of surplus school properties for non-education related activities we recommend school employee housing proposals or a right of first refusal for affordable housing and nonprofit, community-serving agencies and activities.

In addition, long-term deed-restrictions and ground leases rather than fee simple sales are a best practice now used by the Housing Department to ensure housing affordability over time.

Maximizing the value of public land and community benefits, particularly for residential uses, requires adequate density and intensity of development and affordability which the current proposal lacks.

Thank you for your consideration of these comments.

Sincerely,

A solid black rectangular box used to redact the signature of Michael Lane.
