“*Project Facilities*” means the buildings, structures and other improvements on the Project Site to be acquired, rehabilitated, constructed, equipped or improved by the Borrower, and all fixtures and other property owned by the Borrower and located on, or used in connection with, such buildings, structures and other improvements constituting the Project. “*Project Site*” means the parcel or parcels of real property having the street address of 1200 Lick Avenue, San José, California and all rights and appurtenances thereunto appertaining, as more particularly described in Exhibit A hereto.

“*Qualified Project Costs*” means the Project Costs (excluding issuance costs) incurred not earlier than the date 60 days prior to the Inducement Date which either constitute land or property of a character subject to the allowance for depreciation under Section 167 of the Code, or are chargeable to a capital account with respect to the Project for federal income tax and financial accounting purposes, or would be so chargeable either with a proper election by the Borrower or but for the proper election by the Borrower to deduct those amounts; provided, however, that only such portion of the interest accrued on the Funding Loan Note during the rehabilitation of the Project shall constitute Qualified Project Costs as bear the same ratio to all such interest or fees, as applicable, as the Qualified Project Costs bear to all Project Costs; and provided further that interest accruing on or after the Completion Date shall not be Qualified Project Costs; and provided finally that if any portion of the Project is being rehabilitated or constructed by the Borrower or an Affiliated Party (whether as a general contractor or a subcontractor), “Qualified Project Costs” shall include only (a) the actual out-of-pocket costs incurred by the Borrower or such Affiliated Party in rehabilitating or constructing the Project (or any portion thereof), (b) any reasonable fees for supervisory services actually rendered by the

“*Qualified Project Period*” means the period beginning on the Closing Date and ending on the latest of (a) the date which is 15 years after the Closing Date, (b) the first date on which no Tax-exempt private activity bond (as that phrase is used in Section 142(d)(2) of the Code) issued with respect to the Project is outstanding or (c) the date on which any assistance provided with respect to the Project under Section 8 of the Housing Act terminates. The CDLAC Conditions apply for a period which, in some cases, exceeds the Qualified Project Period.

“*Qualified Rehabilitation Expenditures*” means any amount properly chargeable to the Project’s capital account which is incurred no earlier than 60 days prior to the Inducement Date by the person acquiring the building or property (or additions or improvements to property) or by the seller of the property under a sales contract between the Borrower and the seller of the Project to the Borrower in connection with the rehabilitation of a building. In the case of an integrated operation contained in a building before its acquisition, such term includes rehabilitating existing equipment in such building or replacing it with equipment having substantially the same function. “Qualified Rehabilitation Expenditures” do not include any amount which is incurred after the date that is two years after the later of the date on which the building was acquired by the Borrower or the date on which the Funding Loan Note was issued. “Qualified Rehabilitation Expenditures” do not include any expenditure described in Section 47(c)(2)(B) of the Code. 36 months after the Closing Date, in substantially the form of Exhibit F hereto or such other form required or otherwise provided by CDLAC from time to time.

“*Tax Certificate*” means collectively, the Borrower Tax Certificate as to Arbitrage and the Provisions of Sections 103 and 141-150 of the Internal Revenue Code of 1986 dated the Closing Date, executed and delivered by the Borrower and the Certificate as to Arbitrage dated the Closing Date, executed and delivered by the Governmental Lender and Borrower, each as amended, modified, supplemented or restated from time to time.

“*Tax Counsel*” means an attorney at law or firm of attorneys of nationally recognized standing in matters pertaining to the validity of, and the Tax-exempt nature of interest on, obligations issued by states and their political subdivisions, selected by the Governmental Lender and duly admitted to the practice of law before the highest court of any state of the United States of America or the District of Columbia but shall not include counsel for the Borrower or the Fiscal Agent.

“*Tax-exempt*” means, with respect to interest on any obligations of a state or local government, including the Funding Loan Note, that such interest is excluded from gross income for federal income tax purposes (other than interest on the Funding Loan Note for any period during which the Funding Loan Note is held by a “substantial user” of any facility financed with the proceeds of the Funding Loan Note or a “related person,” as such terms are used in Section 147(a) of the Code); provided, however, that such interest may be includable as an item of tax preference or otherwise includable directly or indirectly for purposes of calculating other tax liabilities, including any alternative minimum tax or environmental tax, under the Code.

Unless the context clearly requires otherwise, as used in this Regulatory Agreement, words of the masculine, feminine or neuter gender shall be construed to include each other gender and words of the singular number shall be construed to include the plural number, and vice versa. This Regulatory Agreement and all the terms and provisions hereof shall be construed to effectuate the purposes set forth herein and to sustain the validity hereof.

The defined terms used in the preamble and recitals of this Regulatory Agreement have been included for convenience of reference only, and the meaning, construction and interpretation of all defined terms shall be determined by reference to this Section I, notwithstanding any contrary definition in the preamble or recitals hereof. The titles and headings of the sections of this Regulatory Agreement have been inserted for convenience of reference only, and are not to be considered a part hereof and shall not in any way modify or restrict any of the terms or provisions hereof or be considered or given any effect in construing this Regulatory Agreement or any provisions hereof or in ascertaining intent, if any question of intent shall arise.

In the event of any conflict between this Regulatory Agreement and the CDLAC Conditions, the most restrictive requirement shall govern.

The parties to this Regulatory Agreement acknowledge that each party and their respective counsel have participated in the drafting and revision of this Regulatory Agreement. Accordingly, the parties agree that any rule of construction to the effect that ambiguities are to be

resolved against the drafting party shall not apply in the interpretation of this Regulatory Agreement or any supplement or exhibit hereto.

**Section 2. Acquisition, Rehabilitation and Equipping of the Project.** The Borrower hereby represents as of the date hereof, covenants and agrees with the Governmental Lender and the Fiscal Agent as follows:

(a) The Borrower has incurred, or will incur within six months after the Closing Date, a substantial binding obligation to commence the acquisition and rehabilitation of the Project, pursuant to which the Borrower is or will be obligated to expend at least 5% of the proceeds of the Loan financed from proceeds of the Funding Loan Note.

(b) The Borrower's reasonable expectations respecting the total cost of the acquisition, rehabilitation and equipping of the Project are accurately set forth in the Borrower Cost Certificate (the "Borrower Cost Certificate") submitted to the Governmental Lender on the Closing Date.

(c) The Borrower has acquired the Project Site and will, within six months following the Funding Loan Note Closing Date, commence the rehabilitation of the Project and will proceed with due diligence to complete the same. Notwithstanding anything herein to the contrary, no Project Costs relating to the acquisition of the Project or any assets relating thereto (including, without limitation, rights and interests with respect to development of the Project) shall constitute "Qualified Project Costs" unless, at the time Note proceeds are expended to pay such costs, the Borrower and the seller of such assets are not "related parties" as such term is defined in Section 1.150-1(b) of the Regulations. The Borrower reasonably expects to complete the acquisition and rehabilitation of the Project and to expend the full amount of the proceeds of the Loan for Project Costs prior to the date which is 36 months after the Closing Date.

(d) The Borrower agrees that the full amount of each disbursement of Note proceeds pursuant to the Funding Loan Agreement and the Borrower Loan Agreement will be applied to pay or to reimburse the Borrower for the payment of Project Costs as set forth in the Borrower Cost Certificate and that, after taking into account each such disbursement, (i) the aggregate disbursements of Note proceeds will have been applied to pay or to reimburse the Borrower for the payment of Qualified Project Costs in an aggregate amount equal to 97% or more of the aggregate disbursements of the Loan; provided, however, that if the Borrower provides the Fiscal Agent with an opinion of Tax Counsel to the effect that the Tax-exempt status of interest on the Funding Loan Note will not be adversely affected if less than the aforesaid percentage, but not less than 95%, is disbursed for such purpose, then the certificate may refer to such lesser percentage as may be specified by Tax Counsel; and (ii) less than 25% of the proceeds of the Funding Loan Note expended relative to the Project Site will be disbursed to pay or to reimburse the Borrower for the cost of acquiring land or rights with respect to land relative to the Project Site (exclusive of the cost of acquiring improvements on such land).

(e) Borrower acknowledges, represents and warrants that it understands the nature and structure of the transactions contemplated by this Regulatory Agreement; that it is familiar with the provisions of all of the documents and instruments relating to the Funding Loan Note to which it is a party or of which it is a beneficiary; that it understands the financial and legal risks inherent in such transactions; and that it has not relied on the Governmental Lender for any guidance or expertise in analyzing the financial or other consequences of such financing transactions or otherwise relied on the Governmental Lender in any manner except to issue the Funding Loan Note in order to provide funds to assist the Borrower in acquiring and rehabilitating the Project.

(f) No proceeds of the Funding Loan Note will be used to pay or reimburse any cost (i) incurred more than 60 days prior to the Inducement Date, or (ii) incurred more than three years prior to such payment or reimbursement. Any allocation of Note proceeds to the reimbursement of previously incurred costs shall be made not later than 18 months after the later of (i) the date the original expenditure was paid or (ii) the date the Project is placed in service or abandoned. The acquisition, rehabilitation and equipping of the Project by the Borrower commenced less than 60 days prior to the Inducement Date, and as of 60 days prior to the Inducement Date (A) neither the Borrower nor any “related person” (as such phrase is used in Section 147(a)(2) of the Code) has made any expenditure in connection with the acquisition, rehabilitation or equipping of the Project, (B) no on-site work has been commenced by the Borrower or any related person in connection with the rehabilitation of the Project, and (C) no off-site fabrication of any portion of the Project has been commenced by the Borrower or any related person. The Project consists, and shall at all times consist, of property which is land or is subject to the allowance for depreciation provided in Section 167 of the Code.

(g) The Borrower has or shall, prior to the date which is 24 months (unless extended pursuant to subsection (j) below) after the Funding Loan Note Closing Date, expend proceeds of the Funding Loan Note equal to not less than 15% of the amount of Note proceeds expended to acquire the Project (exclusive of any acquisition costs attributable to land) on Qualified Rehabilitation Expenditures which expenditures shall be confirmed in writing delivered to the Governmental Lender and the Fiscal Agent not later than 25 months (unless extended pursuant to subsection (j) below) after the Closing Date.

(h) The Borrower (and any Affiliated Party) will not take or omit to take, as is applicable, any action if such action or omission would in any way cause the proceeds from the Loan to be applied in a manner contrary to the requirements of this Regulatory Agreement, nor will it take or omit to take any such action if the Borrower (or any Affiliated Party) knows that such action or omission may cause the proceeds from the sale of the Funding Loan Note to be applied in a manner contrary to the Funding Loan Agreement, the Borrower Loan Agreement, the Act or the Code.

(i) The Borrower shall, on the Completion Date, evidence the Completion Date by providing a Rehabilitation Completion Certificate to CDLAC, the Fiscal Agent and the Governmental Lender, signed by the Authorized Borrower Representative, stating the total cost of the Project and identifying the total acquisition cost, if any (which shall

specify the costs attributable to land and the costs attributable to buildings) and the total Qualified Project Costs and Qualified Rehabilitation Expenditures and further stating that: (A) rehabilitation of the Project has been completed substantially in accordance with the plans, specifications and work orders therefor, and all labor, services, materials and supplies used in rehabilitation or construction have been paid for; (B) all other facilities necessary in connection with the Project have been acquired, rehabilitated, constructed and installed substantially in accordance with the plans, specifications, work write-up and work orders therefor and all costs and expenses incurred in connection therewith have been paid; and (C) prior to the date which is 24 months (unless extended pursuant to subsection (j) below) after the Funding Loan Note Closing Date, proceeds of the Funding Loan Note equal to not less than 15% of the amount of Note proceeds expended to acquire the Project (exclusive of any acquisition costs attributable to land) were expended on Qualified Rehabilitation Expenditures. Notwithstanding the foregoing, such certificate may state that it is given without prejudice to any rights of the Borrower against third parties for the payment of any amount not then due and payable which exist at the date of such certificate or which may subsequently exist. The Rehabilitation Completion Certificate shall be delivered to the Fiscal Agent no later than the date 36 months from the Closing Date unless the Borrower delivers to the Fiscal Agent a certificate of the Governmental Lender consenting to an extension of such date, accompanied by an opinion of Tax Counsel to the effect that such extension will not result in interest on the Funding Loan Note being included in gross income for federal income tax purposes.

(j) The Borrower agrees to spend additional moneys for payment of any costs of the Project sufficient to reduce the portion of Note proceeds (A) spent on land by the Borrower relative to the Project Site to an amount that is less than 25% of the amount of Note proceeds spent by the Borrower relative to the Project Site for all purposes and (B) spent on costs of the Project paid or incurred by or on account of the Borrower or any “related person” (as such term is used in Section 147(a)(2) of the Code) on or after the date 60 days prior to the Inducement Date and chargeable to the capital account of the Project (or so chargeable either with a proper election by the Borrower to deduct such amounts, within the meaning of Treasury Regulation Section 1.103-8(a)(1)) so that the amount of Note proceeds expended on such Qualified Project Costs are at least 97% of the amount of Note proceeds spent for all purposes related to the Project, except that, upon receipt by the Borrower, the Fiscal Agent and the Governmental Lender of an approving opinion of Tax Counsel, the percentage of such amounts so used may be 95%.

(k) No Note proceeds shall be expended to acquire any structures other than buildings within the meaning of Section 147(d) of the Code.

**Section 3. Residential Rental Property.** The Borrower hereby acknowledges and agrees with the Governmental Lender and the Fiscal Agent that the Project is to be owned, managed and operated as a “qualified residential rental project” (within the meaning of Section 142(d) of the Code) for a term equal to the Qualified Project Period. To that end, and for the Qualified Project Period, the Borrower hereby represents, covenants, warrants and agrees as follows:

(a) The Project Facilities will be developed for the purpose of providing multifamily residential rental property, and the Borrower will own, manage and operate the Project Facilities as a project to provide multifamily residential rental property comprising a building or structure or several interrelated buildings or structures, together with any functionally related and subordinate facilities, and no other facilities in accordance with Section 142(d) of the Code and Section 1.103-8(b) of the Regulations and the Act, and in accordance with such requirements as may be imposed thereby on the Project from time to time. For purposes of this Section 3(a), the term “functionally related and subordinate facilities” includes facilities for use by the tenants (for example, swimming pools, other recreational facilities and parking areas) and other facilities which are reasonably required for the Project, for example, heating and cooling equipment, trash disposal equipment and units for resident managers and maintenance personnel. Substantially all of the Project will contain such units and functionally related and subordinate facilities.

(b) All of the dwelling units in the Project will be similarly constructed units, and each Low Income Unit in the Project will contain complete separate and distinct facilities for living, sleeping, eating, cooking and sanitation for a single person or a family, including a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a cooking range and oven, a sink and a refrigerator. Notwithstanding the foregoing, a unit shall not fail to be treated as a residential unit merely because such unit is a single-room occupancy unit within the meaning of Section 42(i)(3)(B)(iv) of the Code even though such housing may provide eating, cooking and sanitation facilities on a shared basis.

(c) None of the dwelling units in the Project will at any time be utilized on a transient basis or will ever be used as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, nursing home, hospital, sanitarium, rest home or trailer court or park. Notwithstanding the foregoing, single-room occupancy units provided under Section 42(i)(3)(B)(iv) of the Code shall not be considered to be utilized on a transient basis.

(d) No part of the Project will at any time be owned by a cooperative housing corporation, nor shall the Borrower take any steps in connection with a conversion to such ownership or uses. Other than filing a condominium map and a final subdivision map on the Project and obtaining a Final Subdivision Public Report from the California Department of Real Estate, the Borrower shall not take any steps in connection with a conversion of the Project to condominium ownership during the Qualified Project Period.

(e) All of the dwelling units (which shall not include any manager units) in the Project will be available for rental on a continuous basis to members of the general public, and the Borrower will not give preference to any particular class or group in renting the dwelling units in the Project, except to the extent of the following: (1) any dwelling units that are required to be leased or rented to Low Income Tenants and persons [55] years of age and older, (2) the requirements of any regulatory agreement executed between the Borrower and HUD or between the Borrower and a subordinate

lender (including the City), (3) the requirements of any Section 8 Housing Assistance Payments Contract with respect to the Project, (4) any preference Borrower gives to a class of persons permitted to be given preference pursuant to the Code, State law and other applicable federal law.

(f) The Project Site consists of a parcel or parcels that are contiguous except for the interposition of a road, street or stream, and all of the Project Facilities comprise a single geographically and functionally integrated project for residential rental property, as evidenced by the ownership, management, accounting and operation of the Project.

(g) No dwelling unit in the Project shall be occupied by the Borrower; provided, however, that if the Project contains five or more dwelling units, this subsection shall not be construed to prohibit occupancy of not more than one dwelling unit by one or more resident managers or maintenance personnel any of whom may be the Borrower.

(h) The Borrower shall not sell dwelling units within the Project.

(i) The Project shall be managed in a manner consistent with prudent property management standards and in compliance with all state and local laws, ordinances and regulations relating thereto.

(j) Should involuntary noncompliance with the provisions of Regulations Section 1.103-8(b) be caused by fire, seizure, requisition, foreclosure, transfer of title by deed in lieu of foreclosure, change in a federal law or an action of a federal agency after the Closing Date which prevents the Governmental Lender from enforcing the requirements of the Code, or condemnation or similar event, the Borrower covenants that, within a “reasonable period” determined in accordance with the Regulations, and subject to the provisions of the Funding Loan Agreement and the Borrower Loan Agreement, it will either prepay the Loan or apply any proceeds received as a result of any of the preceding events to reconstruct the Project to meet the requirements of Section 142(d) of the Code and the Regulations.

The Governmental Lender hereby elects to have the Project meet the requirements of Section 142(d)(1)(B) of the Code.

**Section 4. Low Income Tenants; Records and Reports.** Pursuant to the requirements of the Code and the Governmental Lender, the Borrower hereby represents, warrants and covenants as follows:

(a) The Project will be developed for the purpose of providing multifamily residential rental property, and the Borrower will own, manage and operate the Project as a project to provide multifamily residential rental property comprising a building or structure or several interrelated buildings or structures, together with any functionally related and subordinate facilities, and no other facilities in accordance with the Act, and in accordance with such requirements as may be imposed thereby on the Project from time to time. The Borrower hereby certifies that on the Closing Date not less than 50%

of the dwelling units in the Project are occupied by tenants providing an Income Certification. Based on the foregoing, the beginning date of the Qualified Project Period is the Closing Date and the earliest ending date of the Qualified Project Period is 15 years after the Closing Date.

(b) Commencing on the first day of the Qualified Project Period, Low Income Tenants shall occupy at least 40% of all completed and occupied units in the Project (excluding units occupied by property managers) before any additional units are occupied by persons who are not Low Income Tenants; and for the Qualified Project Period no less than 40% of the total number of completed units of the Project (excluding units occupied by property managers) shall at all times be rented to and occupied by Low Income Tenants. For the purposes of this subsection (b), a vacant unit which was most recently occupied by a Low Income Tenant is treated as rented and occupied by a Low Income Tenant until reoccupied, other than for a temporary period of not more than 31 days, at which time the character of such unit shall be redetermined. In determining whether the requirements of this subsection (b) have been met, fractions of units shall be treated as entire units.

(c) No tenant qualifying as a Low Income Tenant shall be denied continued occupancy of a unit in the Project because, after admission, such tenant's Adjusted Income increases to exceed the qualifying limit for Low Income Tenants; provided, however, that should a Low Income Tenant's Adjusted Income, as of the most recent determination thereof, exceed 140% of the then applicable income limit for a Low Income Tenant of the same family size, the next available unit of comparable or smaller size must be rented to (or held vacant and available for immediate occupancy by) a Low Income Tenant; and provided further that, until such next available unit is rented to a tenant who is not a Low Income Tenant, the former Low Income Tenant who has ceased to qualify as such shall be deemed to continue to be a Low Income Tenant for purposes of the 40% requirement of paragraph (b) of this Section 4 (if applicable). If the Project consists of more than one building, this requirement shall apply on a building-by-building basis.

(d) The Borrower will obtain, complete and maintain on file Income Certifications from each Low Income Tenant, including (i) an Income Certification dated no later than the day prior to the initial occupancy of such Low Income Tenant in the Project and, in the case of tenants residing in the Project as of the date of issuance of the Funding Loan Note (if applicable), dated no later than the day prior to the disbursement of Note proceeds to fund acquisition and rehabilitation of the Project and (ii) thereafter, annual Income Certifications dated as of the anniversary date of each initial Income Certification. The Borrower will obtain such additional information as may be required in the future by the State of California, by the Governmental Lender and by Section 142(d) of the Code, as the same may be amended from time to time, or in such other form and manner as may be required by applicable rules, rulings, policies, procedures, Regulations or other official statements now or hereafter promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service with respect to obligations which are Tax-exempt under Section 142(d) of the Code. A

copy of the most recent Income Certification for Low Income Tenants commencing or continuing occupation of a Low Income Unit (and not previously filed with the Governmental Lender) shall be attached to the Certificate of Continuing Program Compliance which is to be filed with the Governmental Lender no later than January 31 of each year until the end of the Qualified Project Period. The Borrower shall make a good-faith effort to verify that the income information provided by an applicant in an Income Certification is accurate by obtaining the acceptable forms of verification enumerated in Chapter 3 of the most current, amended edition of HUD Handbook 4350.3, or such instruction by HUD that may supersede this handbook, and any additional documentation that the Governmental Lender shall deem relevant, such as the two most recent years' tax returns or other forms of independent verification reasonably acceptable to the Governmental Lender.

(e) The Borrower will maintain complete and accurate records pertaining to the Low Income Units, and will permit any duly authorized representative of the Governmental Lender, the Fiscal Agent, the Department of the Treasury or the Internal Revenue Service to inspect the books and records of the Borrower pertaining to the Project during regular business hours and upon reasonable notice, including those records pertaining to the occupancy of the Low Income Units.

(f) The Borrower will prepare and submit to the Governmental Lender, any administrator and the Fiscal Agent, no later than the fifteenth day of each month following the receipt by the Fiscal Agent of the Rehabilitation Completion Certificate to and including the month in which such report indicates that 40% of the occupied units (excluding units occupied by property managers) are occupied by Low Income Tenants, and thereafter no later than March 31 of each year for the prior calendar year (or at the Governmental Lender's request, at the end of each calendar quarter) until the end of the Qualified Project Period, a Certificate of Continuing Program Compliance executed by the Borrower.

(g) On or before each February 1 during the Qualified Project Period, the Borrower will submit to the Governmental Lender a draft of the completed Internal Revenue Service Form 8703 or such other annual certification required by the Code to be submitted to the Secretary of the Treasury as to whether the Project continues to meet the requirements of Section 142(d) of the Code. On or before each March 31 (or such other date as may be required by the Code); during the Qualified Project Period, the Borrower will submit such completed form to the Secretary of the Treasury, regardless of whether or not the Governmental Lender has responded to such draft provided that at any point when no tax-exempt private activity bonds are Outstanding with regards to the Project, but before the end of the Compliance Period, the Borrower may submit to the Governmental Lender (in the same manner specified above) such other annual certification as the Governmental Lender may reasonably require.

(h) Subject to the requirements of any Section 8 Housing Assistance Payments Contract with respect to the Project, each lease or rental agreement pertaining to a Low Income Unit shall contain a provision to the effect that the Borrower has relied

on the Income Certification and supporting information supplied by the Low Income Tenant in determining qualification for occupancy of the Low Income Unit and that any material misstatement in such certification (whether or not intentional) will be cause for immediate termination of such lease or rental agreement. Each such lease or rental agreement shall also provide that the tenant's income is subject to annual certification in accordance with Section 4(c) hereof and to recertification if the number of occupants in the units changes for any reason (other than the birth of a child to an occupant of such unit) and that if upon any such certification such tenant's Adjusted Income exceeds 140% of the then applicable income limit for a Low Income Tenant of the same family size, such tenant may cease to qualify as a Low Income Tenant, and such tenant's rent is subject to increase.

**Section 5. Tax-exempt Status of the Funding Loan Note.** The Borrower and the Governmental Lender make the following representations, warranties and agreements for the benefit of the holder of the Funding Loan Note from time to time:

(a) The Borrower and the Governmental Lender will not knowingly take or permit actions within their control, or omit to take or cause to be taken, as is appropriate, any action that would adversely affect the Tax-exempt nature of the interest on the Funding Loan Note and, if either should take or permit, or omit to take or cause to be taken, any such action, it will take all lawful actions necessary to rescind or correct such actions or omissions promptly upon obtaining knowledge thereof, provided that the Borrower shall not have violated these covenants if the interest on the Funding Loan Note becomes taxable to a person solely because such person is a "substantial user" of the Project or a "related person" within the meaning of Section 147(a) of the Code.

(b) The Borrower and the Governmental Lender will take such action or actions as may be necessary, in the written opinion of Tax Counsel filed with the Governmental Lender and the Fiscal Agent, with a copy to the Borrower and the Funding Lender, to comply fully with all applicable rules, rulings, policies, procedures, Regulations or other official statements promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service pertaining to obligations the interest on which is Tax-exempt under Section 142(d) of the Code.

(c) The Borrower and the Governmental Lender will file or record such documents and take such other steps as are necessary, in the written opinion of Tax Counsel filed with the Governmental Lender and the Fiscal Agent, with a copy to the Borrower and the Funding Lender, in order to insure that the requirements and restrictions of this Regulatory Agreement will be binding upon all owners of the Project, including, but not limited to, the execution and recordation of this Regulatory Agreement in the real property records of the County of Santa Clara, California.

(d) The Borrower will not take any action or permit or suffer any action to be taken if the result of the same would result in the payment of principal or interest on the Funding Loan Note being "federally guaranteed" within the meaning of Section 149(b) of the Code.

(e) Subject to Section 13 hereof, the Borrower hereby covenants to include the requirements and restrictions contained in this Regulatory Agreement in any documents transferring any interest in the Project prior to the expiration of the Qualified Project Period to another person to the end that such transferee has notice of, and is bound by, such restrictions, and to obtain the agreement from any transferee to abide by all requirements and restrictions of this Regulatory Agreement; provided, however, that so long as any former Borrower has no remaining interest in the Project, such former Borrower shall have no obligation to monitor such transferee's compliance with such restrictions, and such former Borrower shall incur liability if such transferee fails to comply with such restrictions only in proportion to its then remaining interest.

(f) The Borrower and any related party (as defined in Section 1.150-1(b) of the Regulations) thereto shall not acquire the Funding Loan Note in an amount related to the amount of the Loan.

(g) The Borrower shall take any and all actions necessary to assure compliance with section 148(f) of the Code, relating to the rebate of excess investment earnings, if any, to the federal government, to the extent that such section is applicable to the Funding Loan Note.

(h) The Borrower shall not take, or permit or suffer to be taken by the Fiscal Agent or otherwise, any action with respect to the proceeds of the Funding Loan Note that, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the date of issuance of the Funding Loan Note would have caused the Funding Loan Note to be an "arbitrage bond" within the meaning of section 148 of the Code.

(i) The Borrower shall take all actions necessary to assure the exclusion of interest on the Funding Loan Note from the gross income of the owner of the Funding Loan Note to the same extent as such interest is permitted to be excluded from gross income under the Code as in effect on the date of issuance of the Funding Loan Note.

(j) The Funding Loan Note upon issuance and delivery shall be considered a "private activity bond" within the meaning of the Code with respect to which CDLAC has transferred a portion of the State of California's private activity bond allocation (within the meaning of section 146 of the Code) equal to the principal amount of the Funding Loan Note.

(k) The Borrower covenants that, from the proceeds of the Funding Loan Note and investment earnings thereon, an amount not in excess of 2% of the proceeds of the Funding Loan Note, will be used for costs of issuance of the Funding Loan Note, all within the meaning of section 147(g)(1) of the Code. For this purpose, if the fees of the original purchaser of the Funding Loan Note are retained as a discount on the purchase of the Funding Loan Note, such retention shall be deemed to be an expenditure of proceeds of the Funding Loan Note for said fees.

(l) The Borrower covenants that not less than 95% of the net proceeds of the Funding Loan Note (within the meaning of section 150(a)(3) of the Code) will pay for Qualified Project Costs.

(m) The Borrower covenants that less than 25% of the proceeds of the Funding Loan Note shall be used, directly or indirectly, for the acquisition of land.

(n) The Borrower covenants that no proceeds of the Funding Loan Note shall be used for the acquisition of any tangible property or an interest therein, other than land or an interest in land, unless the first use of such property is pursuant to such acquisition; provided, however, that this limitation shall not apply with respect to any building (and the equipment therefor) if rehabilitation expenditures (as defined in section 147(d)(3) of the Code) with respect to such building equal or exceed 15% of the portion of the cost of acquiring such building (and equipment) financed with proceeds of the Funding Loan Note; and provided, further, that this limitation shall not apply with respect to any structure other than a building if rehabilitation expenditures with respect to such structure equal or exceed 100% of the portion of the cost of acquiring such structure financed with the proceeds of the Funding Loan Note.

(o) The Borrower covenants that no proceeds of the Funding Loan Note shall be used directly or indirectly to provide any airplane, skybox or other private luxury box, health club facility, facility used for gambling or store the principal business of which is the sale of alcoholic beverages for consumption off premises, and no portion of the proceeds of the Funding Loan Note shall be used for an office unless (i) the office is located on the premises of the facilities constituting the Project and (ii) not more than a de minimis amount of the functions to be performed at such office is not related to the day-to-day operations of the Project.

(p) The proceeds of the Funding Loan Note will be allocated to expenses actually paid with proceeds of the Funding Loan Note unless, prior to the date that is the later of 18 months (i) after the expenditure is paid, or (ii) after the Project is placed in service, the Borrower makes a different allocation of such expenditures to Qualified Project Costs. In any event, such alternative allocation must occur no later than 60 days after the fifth anniversary of the Delivery Date (or 60 days after the retirement of the Funding Loan Note, if earlier).

(q) The Borrower shall use the proceeds of the Funding Loan Note in a manner such that the Funding Loan Note will satisfy the requirements of section 142(d) of the Code relating to qualified residential rental projects.

(r) The Borrower agrees not to acquire any of the Funding Loan Note so long as it is the owner or a “substantial user” of the Project or a “related person” thereto (each within the meaning of the Code).

(s) The Borrower shall not take, permit or suffer to be taken any action that would result in the Borrower having a 50% or greater interest in the Funding Lender or

which would cause the Funding Loan Note to no longer qualify as a program investment pursuant to the Regulations.

**Section 6. Additional Requirements of the Act.** The Borrower hereby further agrees that it shall comply with each of the requirements of Section 52080 of the Act, including (but not limited to) the following:

(a) Not less than 40% of the total number of units in the Project shall be available for occupancy on a priority basis to Low Income Tenants. The units made available to meet this requirement shall be of comparable quality (including comparable amenities, furnishings and appliances) and offer a range of sizes and numbers of bedrooms comparable to the units that are available to other tenants in the Project.

(b) The rental payments for the Low Income Units paid by the tenants thereof (excluding any supplemental rental assistance from the State, the federal government or any other public agency to those tenants or on behalf of those units) shall not exceed 30% of an amount equal to 60% of the median gross income for the Area adjusted for family size appropriate for the unit.

(c) The Borrower shall accept as tenants, on the same basis as all other prospective tenants, low-income persons who are recipients of federal certificates or vouchers for rent subsidies pursuant to the existing program under Section 8 of the Housing Act. The Borrower shall not permit any selection criteria to be applied to Section 8 certificate or voucher holders that are more burdensome than the criteria applied to all other prospective tenants.

(d) The units reserved for occupancy as required by subsection (a) of this Section shall remain available on a priority basis for occupancy at all times during the Compliance Period.

(e) During the three (3) years prior to the expiration of the Compliance Period, the Borrower shall continue to make available to eligible households Low Income Units that have been vacated to the same extent that non-reserved units are made available to noneligible households.

(f) Following the expiration or termination of the Compliance Period, except in the event of foreclosure and redemption of the Funding Loan Note, deed in lieu of foreclosure, eminent domain, or action of a federal agency preventing enforcement, units reserved for occupancy as required by subsection (a) of this Section shall remain available to any eligible tenant occupying a reserved unit at the date of such expiration or termination, at the rent determined by subsection (b) of this Section, until the earliest of (1) the household's income exceeds 140% of the maximum eligible income specified above, (2) the household voluntarily moves or is evicted for good cause (as defined in the Act), (3) 30 years after the date of the commencement of the Compliance Period, or (4) the Borrower pays the relocation assistance and benefits to households as provided in Section 7264(b) of the California Government Code.

Notwithstanding Section 1461 of the California Civil Code, the provisions hereof shall run with the land and may be enforced either in law or in equity by any resident, local agency, entity or any other person adversely affected by the Borrower's failure to comply with this Regulatory Agreement.

**Section 7. Additional Requirements of the Governmental Lender.** In addition to the requirements set forth above and to the extent not prohibited thereby, the Borrower hereby agrees to comply with each of the requirements of the Governmental Lender set forth in this Section 7, as follows:

(a) The Borrower shall pay or cause to be paid to the Governmental Lender on the Delivery Date the "Initial City Fee" in an amount equal to \$[**50,000 + 0.25% of initial principal amount over \$10 million**]. Thereafter, without demand or notice, the Borrower shall pay or cause to be paid to the Governmental Lender (or other Administrator designated in writing by the Governmental Lender) an annual monitoring fee (the "Annual City Fee"). The Annual City Fee shall be payable, in advance, on the Delivery Date and, thereafter, annually on [September] 1 (commencing with [September] 1, 2020) through the end of the Compliance Period. The Annual City Fee shall be \$[\_\_\_\_\_] on the Delivery Date [0.125% of the maximum principal amount of the Funding Loan Note]. After the Conversion Date, the Annual City Fee shall be one-eighth of a point (0.125%) of the principal amount of the Funding Loan Note on the Conversion Date, with a minimum annual fee of \$7,500. The Annual City Fee shall be paid on parity with debt service on the Funding Loan Note and Fiscal Agent fees.

(b) Under no circumstances shall the Annual City Fee exceed any limitation under Section 148 of the Code. In the event that the Funding Loan Note is redeemed in full and the Funding Loan Agreement discharged prior to the termination of this Regulatory Agreement (other than by reason of the issuance of refunding bonds), the Governmental Lender may, at its option, require the prepayment of the Annual City Fee (a "Fee Prepayment") at such time as the Funding Loan Note is redeemed in full and the Funding Loan Agreement is discharged; provided, however, that the Governmental Lender shall not require a Fee Prepayment in the event any such redemption of the Funding Loan Note is financed with the proceeds of Tax-Exempt private activity refunding bonds or notes (i.e., no new CDLAC allocation is required and no re-syndication is simultaneously occurring) issued by the Governmental Lender pursuant to which the Governmental Lender receives a new city fee for the duration of the Compliance Period. The amount due upon a Fee Prepayment will be a lump sum amount calculated by the Governmental Lender as the present value of the Annual City Fees due from the date of the Fee Prepayment through the end of the Compliance Period (the "Forgone Fees"), using a discount rate equal to the most recent Local Agency Investment Fund (LAIF) Quarterly Apportionment Rate published by the Office of the California State Treasurer. For clarity and consistency, the Forgone Fees will be calculated assuming that there are no changes to the definition of Compliance Period.

(c) Notwithstanding the foregoing paragraph, the Governmental Lender will, in the event the Governmental Lender issues new Tax-Exempt private activity bonds in

connection with a re-syndication of the Project, consider the financial impacts of a Fee Prepayment on the Borrower and the Project (taking into consideration the fee discounts previously given by the Governmental Lender at the time of issuance of the Funding Loan Note), and may, in its discretion, waive any or all of the Fee Prepayment. For the avoidance of doubt, this paragraph is not applicable when the City is not the issuer of bonds in connection with a re-syndication of the Project.

(d) All tenant lists, applications and waiting lists relating to the Project shall at all times be kept separate and identifiable from any other business of the Borrower and shall be maintained as required by the Governmental Lender, in a reasonable condition for proper audit and subject to examination during business hours by representatives of the Governmental Lender (including the Administrator).

(e) The Borrower shall submit to the Governmental Lender, within 15 days after receipt of a request therefor, any information, records or completed forms requested by the Governmental Lender in order to comply with reporting requirements of the Internal Revenue Service or the State with respect to the Project.

(f) The Borrower shall not discriminate on the basis of race, creed, color, religion, sex, sexual orientation, gender identity, age, marital status, national origin, ancestry or handicap in the lease, use or occupancy of the Project or in connection with the employment or application for employment of persons for the rehabilitation, operation or management of the Project, and will not discriminate on the basis of household size as long as the tenants meet the household size standards of Section 8 of the Housing Act. Further, the Borrower shall not permit occupancy in any unit in the Project by more persons than is permissible under the Section 8 household size standards.

(g) The Borrower acknowledges that the Governmental Lender may appoint an Administrator other than the Governmental Lender to administer this Regulatory Agreement and to monitor performance by the Borrower of the terms, provisions and requirements hereof. In such event, the Borrower shall comply with any reasonable request by the Governmental Lender to deliver to any such Administrator, in addition to or instead of the Governmental Lender, any reports, notices or other documents required to be delivered pursuant hereto, and to make the Project and the books and records with respect thereto available for inspection by the Administrator as an agent of the Governmental Lender.

(h) To the extent permitted by law (including any laws applicable to federal tax credits for the Project and state and federal fair housing laws), and subject to the limitations and restrictions set forth in any housing assistance payment contract for the Project under Section 8 of the Housing Act, the Borrower will make the units reserved pursuant to Section 4(a) and Section 6(a) available on a priority basis to households comprised of Low Income Tenants whom (i) the Governmental Lender has informed the Borrower have been displaced by the Governmental Lender or its political subdivisions from other developments located within the City of San José or (ii) are currently living or working in the City of San José or who can demonstrate they previously resided in the City of San José. The Borrower shall not discriminate against tenant applicants on the

basis of source of income (i.e., TANF or SSI), and the Borrower shall consider a prospective tenant's previous rent history of at least one year as evidence of such tenant's ability to pay the applicable rent for the unit to be occupied (ability to pay shall be demonstrated if the tenant can show that the tenant has paid on time the same percentage or more of the tenant's income for rent as the tenant would be required to pay for the rent applicable to the unit to be occupied); provided that such tenant paid the same percentage or more of such tenant's income for rent as such tenant will be paying under the proposed lease. The Borrower may consider such factors as it deems important when reviewing and approving a tenant's application for occupancy and an existing tenant's continued occupancy.

(i) If a Low Income Tenant's Adjusted Income, as of the most recent determination thereof, exceeds 140% of the applicable income limit for a Low Income Tenant of the same family size, the unit's rent may be subject to increase and the tenancy of such Low Income Tenant shall, to the extent permitted by law, be terminated as soon as legally possible and the available unit shall within a reasonable time be rented to (or held vacant and available for immediate occupancy by) a Low Income Tenant.

(j) Each of the requirements of Sections 3, 4 and 6 hereof is hereby incorporated as a specific requirement of the Governmental Lender, whether or not required by California or federal law, and shall be in force for the term of this Regulatory Agreement.

(k) The Borrower agrees to maintain the Project, or cause the Project to be maintained, during the term of this Regulatory Agreement (i) in a safe condition and (ii) in good repair and good operating condition, ordinary wear and tear excepted, making from time to time all necessary repairs thereto and renewals and replacements thereof such that the Project is in good repair and operating condition.

(l) The Borrower will pay the Governmental Lender all of the amounts required by Section 7(a) hereof and the Borrower Loan Agreement (and that have not otherwise been assigned to the Funding Lender under the Funding Loan Agreement) and will indemnify the Governmental Lender and the Fiscal Agent as provided in Section 7.24 of the Borrower Loan Agreement.

(m) The requirements of this Section 7 of this Regulatory Agreement shall be in effect for the term of this Regulatory Agreement; provided that any requirements of Section 7 of this Regulatory Agreement may be expressly waived by the Governmental Lender, at its sole discretion, in writing, but (i) no waiver by the Governmental Lender of any requirement of this Section 7 shall, or shall be deemed to, extend to or affect any other provision of this Regulatory Agreement except to the extent the Governmental Lender has received an opinion of Tax Counsel to the effect that any such other provision is not required by the Act and may be waived without adversely affecting the exclusion from gross income of interest on the Funding Loan Note for federal income tax purposes; and (ii) any requirement of this Section 7 shall be void and of no force and effect if the Governmental Lender and the Borrower receive a written opinion of Tax Counsel to the effect that compliance with any such requirement would cause interest on the Funding

Loan Note to cease to be Tax-Exempt or to the effect that compliance with such requirement would be in conflict with the Act or any other applicable State or federal law.

**Section 8. Modification of Covenants.** The Borrower, the Fiscal Agent and the Governmental Lender hereby agree as follows:

(a) To the extent any amendments to the Act, the Regulations or the Code shall, in the written opinion of Tax Counsel filed with the Governmental Lender, the Fiscal Agent and the Borrower (with a copy to the Funding Lender), retroactively impose requirements upon the ownership or operation of the Project more restrictive than those imposed by this Regulatory Agreement and if such requirements are applicable to the Project, this Regulatory Agreement shall be deemed to be automatically amended, without the consent or approval of any other person, to impose such additional or more restrictive requirements. The parties hereto hereby agree to execute such amendment hereto as shall be necessary to document such automatic amendment hereof.

(b) To the extent that the Act, the Regulations or the Code, or any amendments thereto, shall, in the written opinion of Tax Counsel filed with the Governmental Lender, the Fiscal Agent and the Borrower (with a copy to the Funding Lender), impose requirements upon the ownership or operation of the Project less restrictive than imposed by this Regulatory Agreement, this Regulatory Agreement may be amended or modified to provide such less restrictive requirements but only by written amendment signed by the Governmental Lender, at its sole and absolute discretion, the Fiscal Agent and the Borrower and only upon receipt of the written opinion of Tax Counsel filed with the Governmental Lender, the Fiscal Agent and the Borrower (with a copy to the Funding Lender) to the effect that such amendment is permitted by the Act, is otherwise in accordance with Section 22 hereof and will not adversely affect the Tax-exempt status of interest on the Funding Loan Note. The Governmental Lender shall be under no obligation to agree to any such amendment, it being understood that each of the requirements of this Regulatory Agreement is a specific requirement of the Governmental Lender, whether or not required by California or federal law.

(c) The Borrower, the Governmental Lender and, if applicable, the Fiscal Agent shall execute, deliver and, if applicable, file or record any and all documents and instruments necessary to effectuate the intent of this Section 8, and each of the Borrower and the Governmental Lender hereby appoints the Fiscal Agent as its true and lawful attorney-in-fact (jointly or individually) to execute, deliver and, if applicable, file or record on behalf of the Governmental Lender or Borrower, as applicable, any such document or instrument (in such form as may be approved in writing by Tax Counsel) if either the Borrower or the Governmental Lender defaults in the performance of its obligations under this subsection (c); provided, however, that unless directed in writing by the Governmental Lender or the Borrower, the Fiscal Agent shall take no action under this subsection (c) without first notifying the Governmental Lender and the Borrower or both of them as applicable and the Funding Lender, and without first providing the Governmental Lender or the Borrower, or both of them, as is applicable an opportunity to

comply with the requirements of this Section 8. Nothing in this Section 8(c) shall be construed to allow the Fiscal Agent to execute an amendment to this Regulatory Agreement on behalf of the Governmental Lender.

**Section 9. Indemnification; Other Payments.** The Borrower hereby covenants and agrees that it shall indemnify and hold harmless the Governmental Lender and the Fiscal Agent and their respective officers, members, directors, officials, employees and agents as set forth in the Borrower Loan Agreement.

In addition thereto, the Borrower will pay upon demand all of the fees and expenses paid or incurred by the Fiscal Agent and/or the Governmental Lender in enforcing the provisions of this Regulatory Agreement.

The provisions of this Section 9 shall survive the term of the Funding Loan Note and this Regulatory Agreement; provided, however, the provisions of this Section shall, in the case of the Fiscal Agent, survive the term of this Regulatory Agreement or the resignation or removal of the Fiscal Agent, but only as to claims arising from events occurring during the term of this Regulatory Agreement or the Fiscal Agent's tenure as Fiscal Agent under the Funding Loan Agreement, and shall, in the case of the Governmental Lender, survive the term of this Regulatory Agreement, but only as to claims arising from events occurring during the term of this Regulatory Agreement.

The Governmental Lender agrees that no owner of the Project subsequent to the Borrower will be liable for, assume or take title to the Project subject to:

- (a) any failure of any prior owner of the Project to perform or observe any representation or warranty, affirmative or negative covenant or other agreement or undertaking under this Regulatory Agreement; and
- (b) the payment of any compensation or any accrued unpaid fees, costs, expenses or penalties otherwise owed by any prior owner of the Project under this Regulatory Agreement.

The Borrower and each subsequent owner of the Project shall be responsible under this Regulatory Agreement for its own acts and omissions occurring during the period of its ownership of the Project. All such liability and obligations shall be and remain personal to such person even after such person ceases to be the owner of the Project.

Inasmuch as the covenants, reservations and restrictions of this Regulatory Agreement run with the land, the indemnification obligations of the Borrower contained in this Regulatory Agreement will be deemed applicable to any successor in interest to the Borrower.

**Section 10. Consideration.** The Governmental Lender has agreed to issue the Funding Loan Note to provide funds to finance the acquisition, rehabilitation and equipping of the Project, all for the purpose, among others, of inducing the Borrower to acquire, rehabilitate, construct, equip and operate the Project. In consideration of the issuance of the Funding Loan Note by the Governmental Lender, the Borrower has entered into this Regulatory Agreement and

has agreed to restrict the uses to which this Project can be put on the terms and conditions set forth herein.

**Section 11. Reliance.** The Governmental Lender and the Borrower hereby recognize and agree that the representations and covenants set forth herein may be relied upon by all persons interested in the legality and validity of the Funding Loan Note and in the exemption from federal income taxation and California personal income taxation of the interest on the Funding Loan Note. In performing their duties and obligations hereunder, the Governmental Lender, any Administrator and the Fiscal Agent may rely upon statements and certificates of the Low Income Tenants and upon audits of the books and records of the Borrower pertaining to the Project. In addition, the Governmental Lender and the Fiscal Agent may consult with counsel, and the written opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the Governmental Lender or the Fiscal Agent hereunder in good faith and in conformity with such opinion. In determining whether any default or lack of compliance by the Borrower exists under this Regulatory Agreement, the Fiscal Agent may, but shall not be required to, conduct any investigation into or review of the operations or records of the Borrower and may rely solely on any written notice or certificate delivered to the Fiscal Agent by the Borrower or the Governmental Lender with respect to the occurrence or absence of a default unless it knows that the notice or certificate is erroneous or misleading.

**Section 12. Project in the City.** The Borrower hereby represents and warrants that the Project is located entirely within the City.

**Section 13. Sale or Transfer of the Project.** For the Compliance Period, the Borrower shall not, except as provided below, sell, transfer or otherwise voluntarily dispose of the Project, in whole or in part, without the prior written consent of the Governmental Lender and the Fiscal Agent, which consent shall not be unreasonably withheld or delayed if the following conditions are satisfied:

(a) the Governmental Lender and the Fiscal Agent have received evidence, reasonably acceptable to the Governmental Lender and the Fiscal Agent, that:

(i) the Borrower is not in default hereunder or under the Borrower Loan Agreement (which may be evidenced by a Certificate of Continuing Program Compliance) or the purchaser or assignee undertakes to cure any defaults of the Borrower to the reasonable satisfaction of the Governmental Lender;

(ii) the continued operation of the Project complies with the provisions of this Regulatory Agreement;

(iii) either (A) the purchaser or assignee or its property manager has at least three years' experience in the ownership, operation and management of similar size rental housing projects, and at least one year's experience in the ownership, operation and management of rental housing projects containing below-market-rate units, without any record of material violations of

discrimination restrictions or other State or federal laws or regulations or local governmental requirements applicable to such projects, or (B) the purchaser or assignee agrees to retain a property management firm with the experience and record described in subclause (A) above, or (C) the transferring Borrower or its management company will continue to manage the Project for at least one year following such transfer and during such period will provide training to the transferee and its manager in the responsibilities relating to the Low Income Units;

(iv) the person or entity that is to acquire the Project does not have pending against it, and does not have a history of significant and material building code violations or complaints concerning the maintenance, upkeep, operation, and regulatory agreement compliance of any of its projects as identified by any local, State or federal regulatory agencies; and

(v) the transfer will not cause the Funding Loan Note to fail to be a “program investment” as defined in Section 1.148-1 of the Regulations.

(b) the execution by the purchaser or assignee of any document reasonably requested by the Governmental Lender or the Fiscal Agent with respect to the assumption of the Borrower’s obligations under this Regulatory Agreement and, if the Funding Loan Note is outstanding at the time of transfer, the Borrower Loan Agreement, including without limitation an instrument of assumption hereof and thereof, and delivery to the Governmental Lender of an opinion of such purchaser or assignee’s counsel to the effect that each such document and this Regulatory Agreement are valid, binding and enforceable obligations of such purchaser or assignee, subject to bankruptcy and other standard limitations affecting creditor’s rights;

(c) receipt by the Governmental Lender of an opinion of Tax Counsel to the effect that any such sale, transfer or other disposition will not adversely affect the Tax-Exempt status of interest on the Funding Loan Note;

(d) receipt by the Governmental Lender and Fiscal Agent of all fees and/or expenses then currently due and payable to the Governmental Lender and Fiscal Agent; and

(e) receipt by the Governmental Lender of evidence of satisfaction of compliance with the provisions of Section 29(d)(i) related to notice to CDLAC of transfer of the Project.

It is hereby expressly stipulated and agreed that any sale, transfer or other disposition of the Project in violation of this Section 13, other than pursuant to a foreclosure or deed in lieu of foreclosure following a default under the Borrower Loan Agreement shall be null, void and without effect, cause a reversion of title to the Borrower, and be ineffective to relieve the Borrower of its obligations under this Regulatory Agreement. Nothing in this Section shall affect any provision of any other document or instrument between the Borrower and any other

party that requires the Borrower to obtain the prior written consent of such other party in order to sell, transfer or otherwise dispose of the Project.

The written consent of the Governmental Lender to any transfer of the Project shall constitute conclusive evidence that the transfer is not in violation of this Section 13. Upon any sale or other transfer that complies with this Regulatory Agreement, the Borrower shall be fully released from its obligations hereunder to the extent such obligations have been fully assumed in writing by the transferee of the Project. Except as otherwise provided herein, any transfer of the Project to any entity, whether or not affiliated with the Borrower, shall be subject to the provisions of this Section 13, except as provided immediately below.

Interests in the Borrower may not be transferred without the prior written consent of the Governmental Lender (which consent will not be unreasonably withheld), except as follows:

- (i) transfers of the respective interests of the Borrower's limited partner(s) to any entity that is either (A) an affiliate of any limited partner, (B) controlled by, or under common control with, the Equity Investor or any affiliate thereof, or (C) the general partner of the Borrower or an affiliate of the general partner of the Borrower, provided that in the event of a transfer to the general partner of the Borrower or an affiliate of the general partner of the Borrower, the Borrower provides evidence satisfactory to the Governmental Lender that the transfer of such interest or interests will not have a material adverse effect on the operation or finances of the Project;
- (ii) transfers of interests among the Borrower's limited partners;
- (iii) the pledge and encumbrance of the interest of Borrower's limited partners to or for the benefit of any financial institution that enables the limited partner(s) to make capital contributions to the Borrower;
- (iv) the removal, or withdrawal in lieu of removal, of a general partner of Borrower by a limited partner for cause, provided that the Governmental Lender shall have the right to approve or disapprove any new general partner within 90 days after replacement of the existing general partner (with such approval not being unreasonably withheld); or
- (v) the pledge and encumbrance of interests in Borrower to the Funding Lender.

The Borrower acknowledges that a sale or exchange of 50% or more of the capital and profits interests in the Borrower in any twelve-month period will be treated for federal tax purposes as a change in ownership of the Project at the time the 50% transfer occurs. The Borrower further acknowledges that there is a possibility of some or all of the Governmental Lender Notes being reissued at various points in the financing, including in connection with any remarketing, and that a change in ownership of the Project within six months of a reissuance or refunding of the Governmental Lender Notes will cause the interest paid on the reissued or refunding bonds not to be excluded from gross income for federal tax purposes.

Restrictions on sale or transfer of the Project or of any interest in the Borrower, consents of the Governmental Lender or the Fiscal Agent, transfer agreements, transferee criteria and requirements, opinion requirements, assumption fees, transfer fees, penalties and the like shall not apply to any transfer of title to the Project to the Funding Lender or a third party by foreclosure, deed in lieu of foreclosure or comparable conversion of the Borrower Loan or to any subsequent transfer by a Funding Lender following foreclosure, deed-in-lieu of foreclosure or comparable conversion of the Borrower Loans. Except as provided in Section 13, no such transfer of the Project shall operate to release the Borrower from its obligations under this Regulatory Agreement.

For the Compliance Period, the Borrower shall not: (1) encumber any of the Project or grant commercial leases of any part thereof, or permit the conveyance, transfer or encumbrance of any part of the Project, except pursuant or subordinate to the provisions of this Regulatory Agreement, and upon receipt by the Borrower of an opinion of Tax Counsel to the effect that such action will not adversely affect the Tax-Exempt status of interest on the Funding Loan Note, or except upon a sale, transfer or other disposition of the Project in accordance with the terms of this Regulatory Agreement; (2) demolish any part of the Project or substantially subtract from any real or personal property of the Project, except to the extent that what is removed is replaced with comparable property; or (3) permit the use of the dwelling accommodations of the Project for any purpose except rental residences.

**Section 14. Term.** This Regulatory Agreement and all and several of the terms hereof shall become effective upon its execution and delivery, and shall remain in full force and effect for the period provided herein (including the date provided in Section 29 hereof pursuant to the CDLAC Resolution, which imposes restrictions for a term of at least 55 years), and shall terminate as to any provision not otherwise provided with a specific termination date and shall terminate in its entirety at the end of the Compliance Period, it being expressly agreed and understood that the provisions hereof are intended to survive the retirement of the Funding Loan Note and discharge of the Funding Loan Agreement and the Borrower Loan Agreement.

The terms of this Regulatory Agreement to the contrary notwithstanding, the requirements of this Regulatory Agreement shall terminate and be of no further force and effect (i) in the event of involuntary noncompliance with the provisions of this Regulatory Agreement caused by fire, seizure, requisition, change in a federal law or an action of a federal agency after the Delivery Date that prevents the Governmental Lender and the Fiscal Agent from enforcing such provisions, or condemnation or (ii) foreclosure, transfer of title by deed in lieu of foreclosure (whereby a third party shall take possession of the Project), or a similar event, but only if, in the case of either (i) or (ii), within a reasonable period, either the Funding Loan Note is retired or amounts received as a consequence of such event are used to provide a project that meets the requirements hereof; provided, however, that the preceding provisions of this sentence shall cease to apply and the restrictions contained herein shall be reinstated if, at any time subsequent to the termination of such provisions as the result of the foreclosure or the delivery of a deed in lieu of foreclosure or a similar event, the Borrower or any related person (within the meaning of Section 1.103-10(e) of the Regulations) obtains an ownership interest in the Project for federal income tax purposes. The Borrower hereby agrees that, following any foreclosure, transfer of title by deed in lieu of foreclosure or similar event, neither the Borrower nor any such

related person as described above will obtain an ownership interest in the Project for federal tax purposes. Notwithstanding any other provision of this Regulatory Agreement, this Regulatory Agreement may be terminated upon agreement by the Governmental Lender, the Fiscal Agent and the Borrower, upon receipt by the Governmental Lender and the Fiscal Agent of an opinion of Tax Counsel (with a copy to the Funding Lender) to the effect that such termination will not adversely affect the exclusion from gross income of interest on the Funding Loan Note for federal income tax purposes. Upon the termination of the terms of this Regulatory Agreement, the parties hereto agree to execute, deliver and record appropriate instruments of release and discharge of the terms hereof; provided, however, that the execution and delivery of such instruments shall not be necessary or a prerequisite to the termination of this Regulatory Agreement in accordance with its terms.

**Section 15. Covenants To Run With the Land.** Notwithstanding Section 1461 of the California Civil Code, the Borrower hereby subjects the Project (including the Project Site) to the covenants, reservations and restrictions set forth in this Regulatory Agreement. The Governmental Lender and the Borrower hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Borrower's successors in title to the Project; provided, however, that on the termination of this Regulatory Agreement said covenants, reservations and restrictions shall expire. Each and every contract, deed or other instrument hereafter executed covering or conveying the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments.

No breach of any of the provisions of this Regulatory Agreement shall impair, defeat or render invalid the lien of any security instrument, deed of trust or like encumbrance made in good faith and for value encumbering the Project or any portion thereof.

**Section 16. Burden and Benefit.** The Governmental Lender and the Borrower hereby declare their understanding and intent that the burden of the covenants set forth herein touch and concern the land in that the Borrower's legal interest in the Project is rendered less valuable thereby. The Governmental Lender and the Borrower hereby further declare their understanding and intent that the benefit of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the Project by Low Income Tenants, the intended beneficiaries of such covenants, reservations and restrictions, and by furthering the public purposes for which the Funding Loan Note was issued.

**Section 17. Uniformity; Common Plan.** The covenants, reservations and restrictions hereof shall apply uniformly to the entire Project in order to establish and carry out a common plan for the use, development and improvement of the Project Site.

**Section 18. Default; Enforcement.**

(a) If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower set forth in this Regulatory Agreement, and if such default remains uncured for a period of 60 days after written

notice thereof shall have been given by the Governmental Lender to the Borrower, or for a period of 60 days from the date the Borrower should, with reasonable diligence, have discovered such default, then the Governmental Lender or the Fiscal Agent (as directed by the Governmental Lender, subject to the provisions of the Funding Loan Agreement) acting on its own behalf or on behalf of the Governmental Lender shall declare an “Event of Default” to have occurred hereunder; provided, however, that if the default is of such a nature that it cannot be corrected within 60 days, such default shall not constitute an Event of Default hereunder so long as (i) the Borrower institutes corrective action within said 60 days and diligently pursues such action until the default is corrected and (ii) in the opinion of Tax Counsel, the failure to cure said default within 60 days will not adversely affect the Tax-exempt status of interest on the Funding Loan Note. The Fiscal Agent hereby consents to any correction of the default by the Governmental Lender on behalf of the Borrower. The Governmental Lender hereby consents to any correction of a default on the part of the Borrower hereunder made by the Borrower’s limited partners on behalf of the Borrower within the time periods provided in this Section. Copies of any notices sent to the Borrower hereunder shall simultaneously be sent to the Borrower’s limited partners at the addresses set forth in Section 23. The Governmental Lender and the Fiscal Agent shall have the right to enforce the obligations of the Borrower under this Regulatory Agreement within shorter periods of time than are otherwise provided herein if necessary to ensure compliance with the Act or the Code.

(b) Following the declaration of an Event of Default hereunder, Governmental Lender or the Fiscal Agent, as directed by the Governmental Lender and subject to the provisions of the Funding Loan Agreement relative to the Fiscal Agent’s duty to exercise remedies generally, and paragraphs (f) and (h) of this Section 18 may, at its option, take any one or more of the following steps in addition to all other remedies provided by law or equity:

(i) by mandamus or other suit, action or proceeding at law or in equity, including injunctive relief, require the Borrower to perform its obligations and covenants hereunder or enjoin any acts or things which may be unlawful or in violation of the rights of the Governmental Lender or the Fiscal Agent hereunder;

(ii) have access to and inspect, examine and make copies of all or any portion of the books and records of the Borrower pertaining to the Project;

(iii) require the Borrower to pay to the Governmental Lender an amount equal to the excess rent or other amounts received by the Borrower for any units in the Project that were in violation of this Regulatory Agreement during the period such violation continued (which payment shall not reduce the amount due under the Borrower Loan); and

(iv) take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Borrower hereunder.

(c) The Borrower hereby agrees that specific enforcement of the Borrower's agreements contained herein is the only means by which the Governmental Lender may fully obtain the benefits of such agreements made by the Borrower herein, and the Borrower therefore agrees to the imposition of the remedy of specific performance against it in the case of any Event of Default by the Borrower hereunder.

(d) The Fiscal Agent shall have the right, in accordance with this Section and the provisions of the Funding Loan Agreement, without the consent or approval of the Governmental Lender, to exercise any or all of the rights or remedies of the Governmental Lender hereunder; provided that prior to taking any such action, that Fiscal Agent shall give the Governmental Lender and the Funding Lender written notice of its intended action. After the Funding Loan Agreement has been discharged, the Governmental Lender may act on its own behalf to declare an Event of Default to have occurred and to take any one or more of the steps specified hereinabove to the same extent and with the same effect as if taken by the Fiscal Agent. The Fiscal Agent shall not be deemed to have knowledge of any default hereunder unless the Fiscal Agent shall have been specifically notified in writing of such default by the Governmental Lender, the Administrator or the Funding Lender.

(e) All reasonable fees, costs and expenses of the Fiscal Agent and the Governmental Lender incurred in taking any action pursuant to this Section shall be the sole responsibility of the Borrower.

(f) Promptly upon determining that a violation of this Regulatory Agreement has occurred, the Fiscal Agent shall, by written notice, inform the Governmental Lender and Funding Lender that such violation has occurred, the nature of the violation and that the violation has been cured or has not been cured, but is curable within a reasonable period of time, or is incurable.

(g) Notwithstanding anything contained in this Regulatory Agreement to the contrary:

(i) The occurrence of an event of default under this Regulatory Agreement shall not under any circumstances whatsoever, be or be deemed to be a default under the Borrower Loan Documents, except as may be otherwise specified in the Borrower Loan Documents.

(ii) Neither the Governmental Lender nor the Fiscal Agent may, upon the occurrence of an event of default under this Regulatory Agreement, seek, in any manner, to (i) cause or direct acceleration of the Borrower Loans, (ii) cause the Fiscal Agent to redeem the Funding Loan Note or to declare the principal of the Funding Loan Note and the interest accrued on the Funding Loan Note to be immediately due and payable or (iii) cause the Fiscal Agent to take any other action under any of the Borrower Loan Documents, any of the Funding Loan Documents or any other documents which action would or could have the effect of achieving any one or more of the actions, events or results described in the preceding clauses (i) and (ii); and

(iii) Subject to the provisions of the Borrower Loan Agreement, under no circumstances shall the Governmental Lender or the Fiscal Agent: (i) initiate or take any action which may have the effect, directly or indirectly, of impairing the ability of the Borrower to timely pay the principal of, interest on, or other amounts due and payable under, the Borrower Loans; or (ii) upon the occurrence of an event of default under the Borrower Loan Documents, take any action to accelerate or otherwise enforce payment or seek other remedies with respect to the Borrower Loan Documents.

The foregoing prohibitions and limitations are not intended to limit the rights of the Governmental Lender or the Fiscal Agent to specifically enforce this Regulatory Agreement or to seek injunctive relief in order to provide for the operation of the Project in accordance with the requirements of the Act, the Code and other applicable State law. Accordingly, upon any default by the Borrower, the Governmental Lender or the Fiscal Agent may seek specific performance of this Regulatory Agreement or to enjoin acts that may be in violation of this Regulatory Agreement or that otherwise are unlawful, so long as the Borrower Loans have not been repaid in full, no obligation of the Borrower under this Regulatory Agreement, including, without limitation, any indemnification obligation, any other obligation for the payment of money, any claim and any judgment for monetary damages against the Borrower, occasioned by breach or alleged breach by the Borrower of its obligations under this Regulatory Agreement or otherwise, shall be secured by or in any manner constitute a lien on, or security interest in, the Project, whether in favor of the Governmental Lender, the Fiscal Agent or any other person, and all such obligations (except as specified in Section 7 of this Regulatory Agreement) shall be, and by this Regulatory Agreement are, subordinate in priority, in right to payment and in all other respects to the obligations, liens, rights (including without limitation the right to payment) and interests arising or created under the Borrower Loan Documents. Accordingly, so long as the Borrower Loans have not been repaid in full, neither the Governmental Lender nor the Fiscal Agent shall have the right to enforce any monetary obligation other than directly against the Borrower, without recourse to the Project. In addition, so long as the Borrower Loans have not been repaid in full, any such enforcement must not cause the Borrower to file a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Borrower under any applicable liquidation, insolvency, bankruptcy, rehabilitation, composition, reorganization, conservation or other similar law in effect now or in the future.

After the Funding Loan Agreement has been discharged, the Governmental Lender may act on its own behalf to declare an “Event of Default” to have occurred and to take any one or more of the steps specified hereinabove to the same extent and with the same effect as if taken by the Fiscal Agent.

The occurrence of a Determination of Taxability shall not, in and of itself, constitute a default hereunder.

**Section 19. The Fiscal Agent.** The Fiscal Agent shall act as specifically provided herein and in the Funding Loan Agreement and may exercise such additional powers as are reasonably incidental hereto and thereto. The Fiscal Agent shall have no duty to act with respect to enforcement of the Borrower’s performance hereunder as described in Section 18 unless it

shall have actual knowledge of any such default as provided in Section 18. The Fiscal Agent may act as the agent of and on behalf of the Governmental Lender, and any act required to be performed by the Governmental Lender as herein provided shall be deemed taken if such act is performed by the Fiscal Agent. In connection with any such performance, the Fiscal Agent is acting solely as Fiscal Agent under the Funding Loan Agreement and not in its individual capacity, and except as expressly provided herein, all provisions of the Funding Loan Agreement relating to the rights, privileges, powers and protections of the Fiscal Agent, including without limitation those set forth in Article X thereof, shall apply with equal force and effect to all actions taken (or omitted to be taken) by the Fiscal Agent in connection with this Regulatory Agreement. Neither the Fiscal Agent nor any of its officers, directors or employees shall be liable for any action taken or omitted to be taken by it hereunder or in connection herewith except for its or their own negligence or willful misconduct.

The Fiscal Agent shall not be responsible for the monitoring of the Borrower's compliance with the terms of this Regulatory Agreement. The Fiscal Agent may at all times assume compliance with this Regulatory Agreement unless otherwise notified in writing by the Governmental Lender or unless it has actual knowledge of noncompliance.

After the date on which Note is paid in full, as provided in the Funding Loan Agreement, the Fiscal Agent shall no longer have any rights, duties or responsibilities under this Regulatory Agreement, and all references to the Fiscal Agent in this Regulatory Agreement shall be deemed references to the Governmental Lender.

#### **Section 20. Recording and Filing.**

(a) The Borrower shall cause this Regulatory Agreement, and all amendments and supplements hereto and thereto, to be recorded and filed in the real property records of the County of Santa Clara and in such other places as the Governmental Lender or the Fiscal Agent may reasonably request. The Borrower shall pay all fees and charges incurred in connection with any such recording. This Regulatory Agreement shall be recorded in the grantor-grantee index to the name of the Borrower as grantor and the Governmental Lender as grantee.

(b) The Borrower and the Governmental Lender will file of record such other documents and take such other steps as are reasonably necessary, in the opinion of Tax Counsel, in order to insure that the requirements and restrictions of this Regulatory Agreement will be binding upon all owners of the Project.

(c) The Borrower hereby covenants to include or reference the requirements and restrictions contained in this Regulatory Agreement in any documents executed and delivered in connection with a voluntary transfer of any interest in the Project to another person to the end that such transferee has notice of, and is bound by, such restrictions and to obtain the agreement from any transferee to abide by all requirements and restrictions of this Regulatory Agreement.

**Section 21. Governing Law.** This Regulatory Agreement shall be governed by the laws of the State of California and any legal action brought hereunder must be instituted in a court located within the County of Santa Clara, California.

**Section 22. Amendments.** Except as provided in Section 29(e), this Regulatory Agreement shall be amended only by a written instrument executed by the parties hereto or their successors in title, and duly recorded in the real property records of the County of Santa Clara, California, and only upon receipt by the Governmental Lender of an opinion from Tax Counsel that such amendment will not adversely affect the Tax-exempt status of interest on the Funding Loan Note and is not contrary to the provisions of the Act and with the written consent of the Fiscal Agent.

The Governmental Lender, the Fiscal Agent and the Borrower hereby agree to amend this Regulatory Agreement to the extent required, in the opinion of Tax Counsel (subject to the approval of the City Attorney of the Governmental Lender) (with a copy to the Funding Lender), in order that interest on the Funding Loan Note remains Tax-exempt. The party or parties requesting such amendment shall notify the other parties to this Regulatory Agreement of the proposed amendment, with a copy of such requested amendment to Tax Counsel and the City Attorney of the Governmental Lender and a request that such Tax Counsel render to the Governmental Lender an opinion as to the effect of such proposed amendment upon the Tax-exempt status of interest on the Funding Loan Note.

This provision shall not be subject to any provision of any other agreement requiring any party hereto to obtain the consent of any other person in order to amend this Regulatory Agreement.

Any waiver of, or consent to, any condition under this Regulatory Agreement must be expressly made in writing.

**Section 23. Notices.** Any notice required to be given hereunder shall be made in writing and shall be given by personal delivery, overnight delivery, certified or registered mail, postage prepaid, return receipt requested, or by telecopy, in each case at the respective addresses specified below, or at such other addresses as may be specified in writing by the parties hereto:

**Section 25. Multiple Counterparts.** This Regulatory Agreement may be simultaneously executed in multiple counterparts, all of which shall constitute one and the same instrument, and each of which shall be deemed to be an original.

**Section 26. The obligations of the Borrower and any subsequent owner of the Project hereunder shall not be secured by or constitute a lien on, or security interest in, the Project.

**Section 28. No Limitation on Actions of Governmental Lender.** Nothing in this Regulatory Agreement is intended, nor shall it be construed, to in any way limit the actions of the Governmental Lender in the exercise of its governmental powers, as contrasted with any contractual rights or powers. It is the express intention of the parties hereto that the Governmental Lender shall retain the full right and ability to exercise its governmental powers with respect to the Borrower, the Project, the Fiscal Agent, the Funding Lender and the

transactions contemplated by this Regulatory Agreement to the same extent as if it were not a party to this Regulatory Agreement or the transactions contemplated thereby, and in no event shall the Governmental Lender have any liability in contract arising under this Regulatory Agreement by virtue of any exercise of its governmental powers.

**Section 29. Requirements of CDLAC.** In addition to other requirements set forth herein and to the extent not prohibited by the requirements set forth in Sections 2 through 6 hereof, the Borrower hereby agrees to comply with each of the requirements of CDLAC set forth in this Section 29, as follows:

(a) The Borrower shall comply with the conditions set forth in Exhibit A to the CDLAC Resolution (the “CDLAC Conditions”), as they may be modified or amended from time to time, which conditions are incorporated herein by reference and made a part hereof and are attached hereto as Exhibit G. Notwithstanding anything to the contrary herein, the provisions of this Section 29 shall remain effective for the period specified in the CDLAC Conditions, unless this Regulatory Agreement shall terminate as otherwise provided in Section 14 hereof.

(b) The Borrower acknowledges that the Governmental Lender shall monitor the Borrower’s compliance with the terms of the CDLAC Conditions. The Borrower will cooperate fully with the Governmental Lender in connection with such monitoring and reporting requirements as provided herein. Compliance with the terms of the CDLAC Conditions not contained within this Regulatory Agreement, but referred to in the CDLAC Conditions, is the responsibility of the Borrower to report to the Governmental Lender.

(i) The Borrower shall prepare and deliver a Certificate of CDLAC Program Compliance pursuant to the terms of the CDLAC Conditions. The Borrower acknowledges that the Borrower will prepare and submit to the Governmental Lender, not later than January 15 of each year, and the Governmental Lender will submit to CDLAC, not later than March 1 of each year, until the Borrower has submitted to the Governmental Lender and CDLAC a Rehabilitation Completion Certificate, and on March 1 every three years thereafter (such that the next succeeding year shall be the beginning of each such three-year period) until the end of the term of the CDLAC Conditions, a Certificate of CDLAC Program Compliance, executed by an Authorized Borrower Representative.

(ii) The Borrower shall prepare and deliver a Self-Certification Certificate pursuant to the terms of the CDLAC Conditions. The Borrower acknowledges that the Borrower will prepare and submit to the Governmental Lender, not later than January 15 of each year, and the Governmental Lender will submit to CDLAC, not later than March 1 of each year, until the Borrower has submitted to the Governmental Lender and CDLAC a Rehabilitation Completion Certificate, and on March 1 every three years thereafter (such that the next succeeding year shall be the beginning of each such three-year period)

until the end of the term of the CDLAC Conditions, a Self-Certification Certificate in the form provided by CDLAC.

(iii) Within 30 days following the completion of the Project, the Borrower will prepare and submit to the Governmental Lender, the Fiscal Agent and CDLAC a Rehabilitation Completion Certificate. Following the submission of the Rehabilitation Completion Certificate, the Borrower will prepare and submit to the Governmental Lender, not later than January 15 every three years thereafter until the end of the Compliance Period, a California Tax Credit Allocation Committee Project Status Report or equivalent documentation in substantially the form required or otherwise provided by CDLAC from time to time.

(c) Except as otherwise provided in Section 14 of this Regulatory Agreement, this Regulatory Agreement shall terminate on the date 55 years after the date on which at least 50% of the units in the Project are first occupied or such later date as the Qualified Project Period shall begin, as required by the CDLAC Conditions.

(d) The Borrower shall notify CDLAC in writing of: (i) any change in ownership of the Project, (ii) any change in the issuer of the Funding Loan Note, (iii) any change in the name of the Project or the Project manager; (iv) any default under the Funding Loan Agreement, the Borrower Loan Agreement or this Regulatory Agreement; or (v) termination of this Regulatory Agreement.

(e) Any of the foregoing requirements of CDLAC contained in this Section 29 may be expressly waived by CDLAC, in its sole discretion, in writing, but (i) no waiver by CDLAC of any requirement of this Section 29 shall, or shall be deemed to, extend to or affect any other provision of this Regulatory Agreement except to the extent the Governmental Lender has received an opinion of Tax Counsel that any such provision is not required by the Code and the Act and may be waived without adversely affecting the exclusion from gross income of interest on the Funding Loan Note for federal income tax purposes; and (ii) any requirement of this Section 29 shall be void and of no force and effect if the Governmental Lender and the Borrower receive a written opinion of Tax Counsel to the effect that compliance with any such requirement would cause interest on the Funding Loan Note to cease to be Tax-exempt or to the effect that compliance with such requirement would be in conflict with the Code and the Act or any other state or federal law.

(f) CDLAC is intended to be and is a third-party beneficiary of this Regulatory Agreement, and CDLAC shall have the right (but not the obligation) to enforce, separately or jointly with the Governmental Lender and/or the Fiscal Agent or to cause the Governmental Lender or the Fiscal Agent to enforce, the provisions of Section 29 of this Regulatory Agreement and to pursue an action for specific performance of such provisions or other available remedy at law or in equity in accordance with Section 18 hereof, provided that any such action or remedy shall not materially adversely affect the interests and rights of the Noteholders and shall otherwise be subject to the terms,

conditions and limitations applicable to the enforcement of remedies under this Regulatory Agreement.

(g) CDLAC shall have the right, but not the obligation, to deliver revised CDLAC Conditions to the Borrower after the Closing Date at any time, that are not more restrictive than the original CDLAC Conditions; provided, however, that, with the prior written consent of the Noteholders, which will not be unreasonably withheld: (i) any changes in the terms and conditions of the CDLAC Conditions prior to the recordation against the Project in the real property records of Santa Clara County, California, of a regulatory agreement between the Borrower and the California Tax Credit Allocation Committee (“TCAC Regulatory Agreement”) shall be limited to such changes as are necessary to correct any factual errors or to otherwise conform the CDLAC Conditions to any change in facts or circumstances applicable to the Borrower or the Project; and (ii) after recordation of the TCAC Regulatory Agreement, any changes in the terms and conditions of the CDLAC Conditions shall be limited to such changes as are necessary to conform Items 1, 6, 7, 10, 11, 12, 14, 15, 16, 18, 19, 20, 21, 22, 23, 24, 25, 26 or 37 of Exhibit A to the CDLAC Conditions to any change in terms and conditions requested by the Borrower and approved by CDLAC. The Governmental Lender may, in its sole and absolute discretion, require the Borrower to enter into an amendment to this Regulatory Agreement reflecting the revised CDLAC Conditions, which amendment shall be executed by the parties hereto or their successor in title and duly recorded in the real property records of the County of Santa Clara. The Borrower shall pay any costs and expenses in connection therewith and provide CDLAC with a copy of that recorded amendment reflecting the revised CDLAC Conditions.

**Section 30. Limited Liability of Governmental Lender.** All obligations of the Governmental Lender hereunder shall be limited obligations, payable solely from proceeds of the Funding Loan Note and other amounts derived by the Governmental Lender from the Borrower Loan or otherwise under the Borrower Loan Agreement.

**Section 31. Conflict With Other Affordability Agreements.** In the event of any conflict between the provisions of this Regulatory Agreement and any agreement in connection with Section 3(e) (2) hereof, the provisions providing for the most affordable units, with the most affordability, in the Project shall prevail, so long as at all times the requirements of Sections 2, 3, 4, 5, 6 and 7 of this Regulatory Agreement are in any event satisfied. Notwithstanding the foregoing, a breach or default under any agreement in connection with Section 3(e)(2) hereof shall not, in itself, constitute a breach or a default under this Regulatory Agreement.

**Section 32. Annual Reporting Covenant.** No later than January 31 of each calendar year (commencing January 31, 2021), the Borrower, on behalf of the Governmental Lender, agrees to provide to the California Debt and Investment Advisory Commission, by any method approved by the California Debt and Investment Advisory Commission, with a copy to the Governmental Lender, the annual report information required by Section 8855(k)(1) of the California Government Code. This covenant shall remain in effect until the later of the date (i) the Funding Loan Note is no longer Outstanding or (ii) the proceeds of the Funding Loan Note have been fully spent.

#### HOUSEHOLD CERTIFICATION AND SIGNATURES

After all verifications of income and/or assets have been received and calculated, each household member age 18 or older must sign and date the Tenant Income Certification. For move-in, it is recommended that the Tenant Income Certification be signed no earlier than 5 days prior to the effective date of the certification.

#### Part V – Determination Of Income Eligibility

- Total Annual Household Income from all Sources Enter the number from item (L).
- Current Income Limit per Family Size Enter the Current Move-in Income Limit for the household size.
- Household income at move-in Household size at move-in For recertifications, only. Enter the household income from the move-in certification. On the adjacent line, enter the number of household members from the move-in certification.
- Household Meets Income Restriction Check the appropriate box for the income restriction that the household meets according to what is required by the set-aside(s) for the project.
- Current Income Limit x 140% For recertifications only. Multiply the Current Maximum Move-in Income Limit by 140% and enter the total. Below, indicate whether the household income exceeds that total. If the Gross Annual Income at recertification is greater than 140% of the current income limit, then the available unit rule must be followed.

### Part VI - Rent

Tenant Paid Rent	Enter the amount the tenant pays toward rent (not including rent assistance payments such as Section 8).
Rent Assistance	Enter the amount of rent assistance, if any.
Utility Allowance	Enter the utility allowance. If the owner pays all utilities, enter zero.
Other non-optional charges	Enter the amount of non-optional charges, such as mandatory garage rent, storage lockers, charges for services provided by the development, etc.

### Part VII - Student Status

If "yes" is checked, the appropriate exemption must be listed in the box to the right. If none of the exemptions apply, the household is ineligible to rent the unit.

*\*Full time is determined by the school the student attends.*

### Part VIII – Program Type

Mark the program(s) for which this household's unit will be counted toward the property's occupancy requirements. Under each program marked, indicate the household's income status as established by this certification/recertification. If the property does not participate in the HOME, Tax-Exempt Bond, Affordable Housing Disposition, or other housing program, leave those sections blank.

Tax Credit	See Part V above.
HOME	If the property participates in the HOME program and the unit this household will occupy will count towards the HOME program set-asides, mark the appropriate box indicating the household's designation.
Tax Exempt	If the property participates in the Tax Exempt Bond program, mark the appropriate box indicating the household's designation.
AHDP	If the property participates in the Affordable Housing Disposition Program (AHDP), and this household's unit will count towards the set-aside requirements, mark the appropriate box indicating the household's designation.

### SIGNATURE OF OWNER/REPRESENTATIVE

It is the responsibility of the owner or the owner's representative to sign and date this document immediately following execution by the resident(s).

The responsibility of documenting and determining eligibility (including completing and signing the Tenant Income Certification form) and ensuring such documentation is kept in the tenant file is extremely important and should be conducted by someone well trained in tax credit compliance.

These instructions should not be considered a complete guide on tax credit compliance. The responsibility for compliance with federal program regulations lies with the owner of the building(s) for which the credit is allowable.
