SUBJECT: SETTING A PUBLIC HEARING FOR THE COST OF SIDEWALK REPAIRS FOR JUNE 11, 2019.

RECOMMENDATION

Adopt a resolution setting a public hearing on Tuesday, June 11, 2019 at 1:30 p.m. for the approval of the report from the Director of Finance for the cost of sidewalk repairs.

OUTCOME

Approval of the recommended action will set the public hearing to hear the report of the Director of Finance for the cost of sidewalk repairs. This is the first step in the lien process for the City to recover funds spent on sidewalk repairs from property owners.

BACKGROUND

State law and the San José Municipal Code make it the duty of each property owner to maintain the sidewalk adjacent to their property in a safe condition. When sidewalks need repair, the Department of Transportation ("DOT") inspects the property and uses the City's current contractual rates to estimate the cost of repairs. DOT then sends a repair notice, along with the cost estimate to the property owner. The notice includes financial hardship information for those who need assistance paying for the sidewalk repairs. Within six weeks after the repair notice is sent, DOT mails a second notice to the property owner stating that repairs will be made by the contractor, hired by DOT, if the owner does not repair the sidewalk. If the repairs are not made by the owner, a final notice is mailed one week later. Before making repairs, DOT places a door hanger at the property address stating a contractor, hired by the City, will be assigned to make the necessary sidewalk repairs and an invoice will be sent. If repairs are performed by the contractor, DOT invoices the property owner for the cost of sidewalk repairs, including a permit fee.

Page 2

If the invoice is not paid, the Finance Department sends a 30-day, 60-day, and final notice. To recover the costs of unpaid invoices, the City Council, upon confirming the amounts owed after a public hearing, can approve the filing of liens against the defaulting properties with the Santa Clara County ("SCC") Office of the Clerk-Recorder.

Property owners may setup a payment plan or pay the full amount due at any time, prior to the public hearing on June 11, 2019. However, if a balance remains outstanding after June 11, 2019, an additional \$117.50 administrative fee, which includes an \$8.00 lien-release fee charged by the SCC Office of the Clerk-Recorder, will be added. The Director of Finance shall record a lien with the Office of the Clerk-Recorder to secure the special assessment until such time that the special assessment may be placed on the Santa Clara County Secured Property Tax Roll. Recording liens against delinquent property owners for outstanding sidewalk repair costs helps ensure collection of past due amounts when the property is sold, transferred, or refinanced.

Financial Hardship Assistance Program

On April 18, 2018, the Rules and Open Government Committee directed staff to evaluate the Tree Maintenance and Sidewalk Repair Financial Hardship Assistance Program and consider adjusting the income level requirement to allow a reasonable number of additional Low Income and Very Low Income households to be eligible. DOT reviewed the Financial Hardship program and recommended that an administrative modification to increase the qualifying income limit from twice the National Poverty Rate to three times the National Poverty Rate beginning July 1, 2018. The recommended modification was approved by City Council on June 12, 2018 as part of the Mayor's Budget Message for Fiscal Year 2018-2019 (MBA #26).

From July 1, 2018 to February 27, 2019, DOT approved 55 properties for hardship at an average cost of \$28,000 a month; \$224,000 has been spent thus far and DOT anticipates spending all the hardship funds by the end FY2018-19. DOT's adopted budget for sidewalk hardship in the current Fiscal Year is \$328,000. DOT will continue to monitor hardship approvals and associated costs.

ANALYSIS

A report from the Director of Finance for the cost of sidewalk repairs ("Director's Report") is attached. The Director's Report includes properties in which the City incurred costs for the sidewalk repairs on behalf of the property owners, of which, payment to the City remains outstanding. At the present time, there are 291 properties that are subject to a potential lien, for a total lien amount, including administrative fees, of \$457,018.86. Individual lien amounts vary from \$194.96 to \$15,462.66. The total lien amount represents the total amount paid by the City to contractors for sidewalk repairs at the affected properties plus the associated administrative and permit fees and interest on any unpaid balance.

In an effort to resolve potential protests prior to the public hearing, DOT invites property owners to attend administrative conferences. Property owners will be given an opportunity to develop a payment plan and avoid the lien process. These conferences do not affect the property owners' right to protest the proposed lien at the City Council public hearing.

Results of the administrative conferences and staff recommendations will be included in an updated Director's Report submitted to City Council for consideration and approval on June 11, 2019. After hearing any protest, the City Council may confirm the Director's Report and the full amounts contained therein or reduce any of the amounts due. After the Director's Report is confirmed, the amounts owed are recorded as a lien on the property, until they are paid. Any lien amount unpaid will be added to the property owner's annual property tax bill by the SCC Controller-Treasurer Department.

The schedule to file sidewalk repair liens on defaulting properties is as follows:

Event	Date
1. City Council – Sets the public hearing	April 9, 2019
2. Department of Transportation – Mails first notices giving notice of the administrative conferences and the public hearing date	April 12, 2019
3. Department of Transportation – Mails second notices giving notice of the administrative conferences and the public hearing date	April 19, 2019
4. Department of Transportation – Conducts the administrative conference	May 1 and May 2, 2019
5. City Council – Conducts the public hearing and adopts the Resolution Confirming the Director's Report containing the proposed liens	June 11, 2019

EVALUATION AND FOLLOW-UP

A memo seeking authorization from the City Council to direct Finance staff to place special assessments secured by a lien against those listed in the Director's Report will be presented at the June 11, 2019 Council meeting. In addition, staff in the Revenue Management Division of the Finance Department will continue its collection efforts in order to reduce the number of delinquent accounts that require a lien hearing. Staff will also continue to monitor accounts placed with the County for special assessment for full compliance with the program.

PUBLIC OUTREACH

A notice of public hearing will be mailed to the property owners on or about April 12 and April 19, 2019, providing information on the debt and the hearing process. On May 1 and May 2, 2019, DOT will hold informal administrative conferences to allow the debtor the opportunity to discuss the matter with City staff and discuss payment options. Results of the aforementioned administrative conferences will be reported at the hearing before June 11, 2019.

The City Council may make appropriate revisions or corrections and will determine final confirmation or rejection of the liens. The ultimate decision of the City Council shall be final and conclusive.

COORDINATION

This memorandum has been coordinated with the Department of Transportation and the Office of the City Attorney.

COMMISSION RECOMMENDATION/INPUT

This item does not require any input from a board or commission.

COST SUMMARY/IMPLICATIONS

The funds totaling \$364,227.09, advanced from the General Fund, were used to repair the sidewalks for those properties currently being considered for the filing of a special assessment secured by a lien.
