State of California	Aa2	AA-	AA
Santa Clara County ⁽¹⁾	N/A	AAA	AA+

GENERAL FUND BALANCE

- The General Fund balances decreased by \$472 million during the quarter and ended with a balance of \$416 million as of September 30, 2024. This decrease is attributed to prefunding of employer contributions towards the Police and Fire Retirement Plan in July 2024, and debt service payments in August 2024. General Fund cash balances usually peak during the months of January and June, when the bulk of property taxes are received, and decline in the summer months due to retirement prefunding, debt service payments and operational expenditures.
- Projected investment maturities, cash and revenues are sufficient to cover anticipated expenditures for the next six months.
