Subject: Public Comment on on Agenda Items 4.5-4.7 (Approval of City Loan Financing for Balbach Street, Page Street and Roosevelt Park Housing Developments) on February 5, 2019

Honorable Mayor Sam Liccardo
and Members of the San Jose City Council
200 East Santa Clara Street
San Jose, CA 95113

Subject: Vote Yes on Agenda Items 4.5-4.7: Approval of City Loan Financing for Balbach Street, Page Street and Roosevelt Park Housing Developments on February 5, 2019

Dear Mayor Liccardo, Vice Mayor Jones, and Councilmembers Arenas, Carrasco, Davis, Diep, Esparza, Foley, Jimenez, Khamis and Peralez:

As a life long resident of Santa Clara County and member of the Housing Ready Communities Action Network, I write to support your immediate approval of the proposed City loan financing for Balbach Street, Page Street and Roosevelt Park affordable housing developments.

Thanks to the collaboration of the City of San Jose, the County of Santa Clara, the Santa Clara County Housing Authority, Charities Housing, First Community Housing and Satellite Affordable Housing Associates, these three new housing developments will bring 247 much-needed affordable homes to San Jose.

With approval of City of San Jose financing loans, these new homes will include supportive housing for 27 people formerly experiencing homelessness, plus 170 homes affordable for individuals and families with extremely- and very low incomes (ELI and VLI households earning below 30% and 50% of area median income respectively).

As is also the case with supportive housing, ELI and VLI housing have not been produced at levels needed in our community. New housing for these lowest income brackets are precisely the kind of housing we need to prevent additional people from losing their homes. The new housing in these three developments is key to collective county-wide work to both end and prevent homelessness.

I am thankful for your commitment to this important work. Supportive housing has been proven to end homelessness in communities around the world. Beautiful buildings and on-site supportive services help our new neighbors keep their housing, build relationships in the community, and get the treatment each person needs.

I urge you to approve City loans for these three developments without delay. I also look

forward to continuing to work with you and the City of San Jose, the County, the Housing Authority, affordable housing developers, nearby cities and my neighbors to get many more supportive housing developments approved and built. Thank you for your work and support!

Sincerely,
Nicolette Lee

Subject: Vote Yes on Agenda Items 4.5-4.7: Approval of City Loan Financing for Balbach Street, Page Street and Roosevelt Park Housing Developments on February 5, 2019

Dear Mayor Liccardo, Vice Mayor Jones, and Councilmembers Arenas, Carrasco, Davis, Diep, Esparza, Foley, Jimenez, Khamis and Peralez:

As a Santa Clara County resident and member of the Housing Ready Communities Action Network, I write to support your immediate approval of the proposed City loan financing for Balbach Street, Page Street and Roosevelt Park affordable housing developments.

Thanks to the collaboration of the City of San Jose, the County of Santa Clara, the Santa Clara County Housing Authority, Charities Housing, First Community Housing and Satellite Affordable Housing Associates, these three new housing developments will bring 247 much-needed affordable homes to San Jose.

With approval of City of San Jose financing loans, these new homes will include supportive housing for 27 people formerly experiencing homelessness, plus 170 homes affordable for individuals and families with extremely- and very low incomes (ELI and VLI households earning below 30% and 50% of area median income respectively).

As is also the case with supportive housing, ELI and VLI housing have not been produced at levels needed in our community. New housing for these lowest income brackets are precisely the kind of housing we need to prevent additional people from losing their homes. The new housing in these three developments is key to collective county-wide work to both end and prevent homelessness.

I am thankful for your commitment to this important work. Supportive housing has been proven to end homelessness in communities around the world. Beautiful buildings and on-site supportive services help our new neighbors keep their housing, build relationships in the community, and get the treatment each person needs.

I urge you to approve City loans for these three developments without delay. I also look

forward to continuing to work with you and the City of San Jose, the County, the Housing Authority, affordable housing developers, nearby cities and my neighbors to get many more supportive housing developments approved and built. Thank you for your work and support!

Sincerely,
Karen Schlessner

Subject: Protect Coyote Valley

Dear Mayor and City Councilmembers,,

I urge you to allocate the full \$50 million from Measure T for land conservation in Coyote Valley. This incredible landscape can reduce the risk of flooding for San José residents as well as provide irreplaceable wildlife habitat, farmland and regional Ridge Trail connection, as well as increase our region's climate resilience. It's time to protect Coyote Valley! Thank you for your support.

Thank you

Dear Mayor Liccardo, Vice Mayor Jones, and Councilmembers Arenas, Carrasco, Davis, Diep, Esparza, Foley, Jimenez, Khamis and Peralez:

As a Pastor, downtown resident, homeless and recovery service provider, and member of the Housing Ready Communities Action Network, I write to support your immediate approval of the proposed City loan financing for Balbach Street, Page Street and Roosevelt Park affordable housing developments.

Every day I encounter the faces of suffering of those who live without any housing or live with the anxiety of housing instability. I urge you to continue efforts to build affordable housing, especially ELI housing, with urgency and care.

Thanks to the collaboration of the City of San Jose, the County of Santa Clara, the Santa Clara County Housing Authority, Charities Housing, First Community Housing and Satellite Affordable Housing Associates, these three new housing developments will bring 247 much-needed affordable homes to San Jose.

With approval of City of San Jose financing loans, these new homes will include supportive housing for 27 people formerly experiencing homelessness, plus 170 homes affordable for individuals and families with extremely- and very low incomes (ELI and VLI households earning below 30% and 50% of area median income respectively).
