COMMUNITY OUTREACH
FUNDS FOR DISTRICT 6
SCHOOL

RECOMMENDATION

Forward a recommendation to the City Council to approve a grant for the following school to support Willow Glen Performing Arts Boosters.

BACKGROUND

Pursuant to City Council Expenditure and Reimbursement Policy, Policy Number 0-38, Section K "Grants", Item 6, "Any contribution to an organization proposed by a Council member who is a member of that organization must be approved in advance by the City Council.

Approval is requested to expend \$5,000 from the budgeted District 6 Community Outreach allocation to support the Willow Glen Performing Arts Boosters. Due to COVID-19 restrictions, they were unable to host their biggest fundraising this year – The Roaring 20's GALA. The Performing Arts Boosters are a group of parents, teachers, and community members who believe that the performing arts are an essential part of public education. Their goal is to ensure that performing arts programs thrive at Willow Glen Middle School and Willow Glen High School.

I have a child who attends Willow Glen High School. Because of my relationship with this school, it is appropriate for the full Council to approve this grant.
