## RECOMMENDATION

Approve grant for Cambrian School District to support the student health and wellness programs at all six schools in the Cambrian district. To be paid by Council District 9 funds.

Cambrian School District: \$5,000.00

## BACKGROUND

Pursuant to City Council Expenditure and Reimbursement Policy, Policy Number 0-38, Section K "Grants", Item 6, "Any contribution to an organization proposed by a Council member who is a member of that organization must be approved in advance by the City Council."

Approval is requested to expend \$5,000.00 from my Council District office appropriation to support student health and wellness educational programs and activities.

My office supports various schools in the City of San Jose. Currently, my child attends school in the Cambrian District. Because of my relationship with this organization, it is appropriate for the full Council to approve this grant.

Councilmember Donald Rocha
