Such certificate of authentication upon any Bond shall be conclusive evidence that the Bond so authenticated has been duly issued under this Indenture and that the holder thereof is entitled to the benefits of this Indenture. The Trustee's certificate of authentication on any Bond shall be deemed to have been executed by it if signed by an authorized officer or signatory of the Trustee, but it shall not be necessary that the same officer or signatory sign the certificate of authentication on all of the Bonds issued hereunder. The certificate of authentication on all Bonds delivered by the Trustee hereunder shall be dated the date of its authentication.

**Section 2.05 Form of Bonds.** The form of the Bonds issued pursuant to this Indenture shall be in substantially the forms set forth in Exhibit A-1 and Exhibit A-2 hereto, as applicable with such variations, omissions or insertions as are permitted by this Indenture.

**Section 2.06 Delivery of Bonds.** After the execution and delivery of this Indenture, the Issuer shall execute and deliver to the Trustee, and the Trustee shall authenticate, the Bonds and deliver them to the Underwriter as directed by the Issuer.

Prior to the delivery by the Trustee of any of the Bonds, there shall be filed with the Trustee:

- (a) an executed copy of the Resolution duly certified by an Authorized Officer;
- (b) executed counterparts of this Indenture, the Financing Agreement, the Regulatory Agreement, the Tax Certificate and the original, fully executed Bond Loan Notes;
- (c) an opinion of Bond Counsel or counsel to the Issuer, dated the Closing Date, stating that the Issuer has duly adopted the Resolution and has duly executed and delivered this Indenture and that this Indenture and the Bonds each constitute a valid and binding limited obligation of the Issuer, subject to any applicable bankruptcy, insolvency, reorganization, moratorium and other laws for the relief of debtors;
- (d) an opinion of Bond Counsel, dated the Closing Date, to the effect that, subject to any exceptions or qualifications stated therein, the interest on the Bonds is excluded from gross income for federal income tax purposes under existing laws and is exempt from State income taxation;
- (e) a request and authorization to the Trustee by the Issuer to authenticate and deliver the Bonds to or at the direction of the Underwriter upon payment to the Trustee, but for the account of the Issuer, of a sum specified in such request and authorization, plus accrued interest thereon, if any, to the date of delivery. The proceeds of such payment shall be paid over to the Trustee and deposited in the various Funds and Accounts pursuant to, and as specified in, Article V hereof;
- (f) evidence from the Rating Agency that the Bonds have been rated “A” or higher by the Rating Agency; and
- (g) executed counterparts of the Construction Loan Documents.

Upon receipt of these documents, the Trustee shall authenticate and deliver the Bonds to or upon the order of the Underwriter but only upon payment to the Trustee of the purchase price of the Bonds, together with accrued interest thereon, if any.

**Section 2.07 Bonds Mutilated, Lost, Destroyed or Stolen.** If any Bond shall become mutilated, the Issuer, at the expense of the owner of such Bond shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of like tenor in exchange and substitution for the Bond so mutilated, but only upon surrender to the Trustee of the Bond so mutilated. Every mutilated Bond so surrendered to the Trustee shall be cancelled by it and delivered to, or upon the order of, the Issuer. If any Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Trustee and, if such evidence shall be satisfactory to it and indemnity satisfactory to the Trustee shall be given, the Issuer, at the expense of the owner of such Bond, shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of like tenor. The Trustee may require payment of a sum not exceeding the actual cost of preparing each new Bond authenticated and

delivered under this Section and of the expenses which may be incurred by the Issuer and the Trustee in connection therewith. Any Bond authenticated and delivered under the provisions of this Section in lieu of any Bond alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of the Issuer whether or not the Bond so alleged to be lost, destroyed or stolen shall be at any time enforceable by anyone, and shall be equally and proportionately entitled to the benefits of this Indenture with all other Bonds secured by this Indenture. If any such Bond shall have matured, or is about to mature, instead of issuing a new Bond the Trustee may pay the same without surrender thereof upon receipt of the aforementioned indemnity.

**Section 2.08 Registration, Transfer and Exchange of Bonds; Persons Treated as Owners.** The Issuer shall cause books for the registration, transfer and exchange of the Bonds as provided in this Indenture to be kept by the Trustee, which is hereby constituted and appointed the bond registrar with respect to the Bonds (the “Bond Registrar”). At reasonable times and under reasonable regulations established by the Trustee, said books may be inspected and copied by the Issuer or by owners (or a designated representative thereof) of a majority in aggregate principal amount of the Bonds Outstanding.

The registration of each Bond is transferable by the registered owner thereof in person or by its attorney duly authorized in writing at the designated corporate trust office of the Trustee. Upon surrender for registration of transfer of any Bond at such office, the Trustee shall authenticate and deliver in the name of the transferee or transferees a new Bond of the same maturity or maturities and Authorized Denomination for the same aggregate principal amount. Bonds to be exchanged shall be surrendered at said designated corporate trust office of the Trustee, and the Trustee shall authenticate and deliver in exchange therefor a Bond of equal aggregate principal amount of the same maturity and Authorized Denomination.

All Bonds presented for registration of transfer, exchange or payment (if so required by the Issuer or the Trustee) shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in form and with guaranty of signature satisfactory to the Trustee, duly executed by the registered owner or by its duly authorized attorney.

The Issuer, the Bond Registrar and the Trustee shall not be required (i) to issue, register the transfer of or exchange any Bonds during a period beginning at the Trustee’s opening of business on the applicable Record Date and ending at the Trustee’s close of business on the applicable Payment Date; or (ii) to register the transfer of or exchange any Bond selected, called or being called for redemption as provided herein. No charge shall be made to any Bondholder for the privilege of registration of transfer as herein provided, but any Bondholder requesting any such registration of transfer shall pay any tax or governmental charge required to be paid therefor.

New Bonds delivered upon any registration of transfer or exchange shall be valid obligations of the Issuer, evidencing the same debt as the Bonds surrendered, shall be secured by this Indenture and shall be entitled to all of the security and benefits hereof to the same extent as the Bonds surrendered.

The person in whose name any Bond is registered shall be deemed the owner thereof by the Issuer and the Trustee, and any notice to the contrary shall not be binding upon the Issuer or the Trustee. Notwithstanding anything herein to the contrary, to the extent the Bonds are Book-Entry Bonds, the provisions of Section 2.11 shall govern the exchange and registration of Bonds.

**Section 2.09 Cancellation of Bonds.** Whenever any Outstanding Bond shall be delivered to the Trustee for cancellation pursuant to this Indenture, upon payment of the principal amount and interest represented thereby, for replacement pursuant to Section 2.07 or for transfer or exchange pursuant to Section 2.08 or 2.16, such Bond shall be canceled and destroyed by the Trustee and, upon written request of the Issuer, counterparts of a certificate of destruction evidencing such destruction shall be furnished by the Trustee to the Issuer.

**Section 2.10 Pledge Effected by Indenture.** All amounts held in any Fund or Account under this Indenture are hereby ratably pledged to secure the payment of the principal of and the interest on the Bonds, subject only to the provisions of this Indenture permitting the application thereof for other purposes, provided that (i) the Series F-1 Bond Proceeds Fund Account, the Series F-1 Collateral Fund Account, the Series F-1 Revenue Fund Account, and the Series F-1 Negative Arbitrage Subaccount secure only the Series F-1 Bonds and (ii) the Series F-2 Bond Proceeds Fund Account, the Series F-2 Collateral Fund Account, the Series F-2 Revenue Fund Account and the Series F-2 Negative Arbitrage Subaccount shall secure only the Series F-2 Bonds. Additionally, following the MBS Delivery Date, the MBS held pursuant to this Indenture, all amounts that may be received under a Fannie Mae trust agreement, all rights of the Issuer or the Trustee under a Fannie Mae trust agreement and the MBS Revenues are hereby exclusively and ratably pledged to secure the payment of the principal of and the interest on the Series F-1 Bonds, subject only to the provisions of this Indenture permitting the application thereof for other purposes. Each of the foregoing pledges shall be valid and binding and immediately effective, upon its being made or granted, without any physical delivery, filing, recording or further act, and shall be valid and binding as against, and superior to any claims of all others having claims of any kind against the Issuer or any other person, irrespective of whether such other parties have notice of the pledge.

**Section 2.11 Book-Entry System; Limited Obligation.** The Bonds shall be initially issued in the form of a separate single fully registered Bond (which may be typewritten) for each maturity of the Bonds. Upon initial execution, authentication and delivery, the ownership of each such global Bond shall be registered in the Bond Register in the name of the Nominee as nominee of the Depository. Except as provided in Section 2.13, all of the Outstanding Bonds shall be registered in the Bond Register kept by the Trustee in the name of the Nominee and the Bonds may be transferred, in whole but not in part, only to the Depository, to a Substitute Depository or to another nominee of the Depository or of a Substitute Depository. Each global Bond shall bear a legend substantially to the following effect: “UNLESS THIS BOND IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY (AS DEFINED IN THIS INDENTURE OF TRUST) TO THE TRUSTEE FOR REGISTRATION OF TRANSFER, EXCHANGE OR PAYMENT, AND ANY BOND ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. OR IN SUCH OTHER NAME AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY (AND ANY PAYMENT IS MADE TO CEDE & CO. OR TO SUCH OTHER ENTITY AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY), ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL INASMUCH AS THE REGISTERED OWNER HEREOF, CEDE & CO., HAS AN INTEREST HEREIN.”

With respect to Bonds registered in the Bond Register in the name of the Nominee, the Issuer and the Trustee shall have no responsibility or obligation to any Participant or to any person on behalf of which such a Participant holds a beneficial interest in the Bonds. Without limiting the immediately preceding sentence, the Issuer and the Trustee shall have no responsibility or obligation with respect to (a) the accuracy of the records of the Depository, the Nominee or any Participant with respect to any

beneficial ownership interest in the Bonds, (b) the delivery to any Participant, Beneficial Owner or any other person, other than the Depository, of any notice with respect to the Bonds, including any redemption notice with respect to the Bonds, including any redemption notice following a failure to purchase the MBS, (c) the selection by the Depository and the Participants of the beneficial interests in the Bonds to be redeemed in part in accordance with the operational arrangements of DTC and as set forth in Section 3.02(b), or (d) the payment to any Participant, Beneficial Owner or any other person, other than the Depository, of any amount with respect to principal of, premium, if any, or interest on the Bonds. The Issuer and the Trustee may treat and consider the person in whose name each Bond is registered in the Bond Register as the holder and absolute owner of such Bond for the purpose of payment of principal of, premium, if any, and interest on such Bond, for the purpose of giving redemption notices pursuant to Section 3.02 and other notices with respect to such Bond, and for all other purposes whatsoever, including, without limitation, registering transfers with respect to the Bonds.

The Trustee shall pay all principal of, premium, if any, and interest on the Bonds only to or upon the order of the respective Bondholders, as shown in the Bond Register kept by the Trustee, or their respective attorneys duly authorized in writing, and all such payments shall be valid hereunder with respect to payment of principal of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than a Bondholder, as shown in the Bond Register, shall receive a Bond evidencing the obligation to make payments of principal of, premium, if any, and interest pursuant to this Indenture. Upon delivery by the Depository to the Trustee and the Issuer of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions herein with respect to Record Dates, the word Nominee in this Indenture shall refer to such new nominee of the Depository.

The Issuer and the Trustee will recognize the Depository or its nominee as the Bondholder of Book-Entry Bonds for all purposes, including receipt of payments, notices and voting, provided the Trustee may recognize votes by or on behalf of Beneficial Owners as if such votes were made by the Bondholders of a related portion of the Bonds when such votes are received in compliance with an omnibus proxy of the Depository or otherwise pursuant to the rules of the Depository or the provisions of the Representation Letter or other comparable evidence delivered to the Trustee by the Bondholders.

SO LONG AS A BOOK-ENTRY SYSTEM OF EVIDENCE OF TRANSFER OR OWNERSHIP OF ALL THE BONDS IS MAINTAINED IN ACCORDANCE HEREWITH, THE PROVISIONS OF THIS INDENTURE RELATING TO THE DELIVERY OF PHYSICAL BONDS SHALL BE DEEMED TO GIVE FULL EFFECT TO SUCH BOOK-ENTRY SYSTEM AND ALL DELIVERIES OF ANY SUCH BONDS SHALL BE MADE PURSUANT TO THE DELIVERY ORDER PROCEDURES OF DTC, AS IN EFFECT FROM TIME TO TIME.

**Section 2.12 Representation Letter.** In order to qualify the Bonds for the Depository's book-entry system, if necessary, any Authorized Officer is hereby authorized to execute, countersign and deliver on behalf of the Issuer to such Depository a letter from the Issuer in substantially the Depository's standard form representing such matters as shall be necessary to so qualify the Bonds (the "Representation Letter"). The Representation Letter includes such letter as it may be amended, supplemented or restated from time to time, or any agreement entered into in substitution therefor. The execution by the Issuer and delivery of the Representation Letter shall not in any way limit the provisions of Section 2.11 or in any other way impose upon the Issuer any obligation whatsoever with respect to persons having beneficial interests in the Bonds other than the registered owners, as shown in the Bond Register kept by the Trustee. In the written acceptance by the Trustee of the Representation

Letter, the Trustee shall agree, and hereby agrees, to take all actions necessary for all representations of the Issuer in the Representation Letter with respect to the Trustee to at all times be complied with. In addition to the execution and delivery of the Representation Letter, any Authorized Officer is hereby authorized to take any other actions, not inconsistent with this Indenture, to qualify the Bonds for the Depository's book-entry program.

The terms and provisions of the Representation Letter shall govern in the event of any inconsistency between the provisions of this Indenture and the Representation Letter. The Representation Letter may be amended without Bondholder consent.

**Section 2.13 Transfers Outside Book-Entry System.** If at any time the Issuer determines that continuation of the book-entry system through DTC (or a successor securities Depository) is not in the best interest of the owners of the Bonds, if at any time the Depository notifies the Issuer and the Trustee that it is unwilling or unable to continue as Depository with respect to the Bonds or if at any time the Depository shall no longer be registered or in good standing under the Securities Exchange Act of 1934, as amended, or other applicable statute or regulation and a Substitute Depository is not appointed by the Issuer within 90 days after the Issuer and the Trustee receive notice or become aware of such condition, as the case may be, the provisions of Section 2.11 shall no longer be applicable and the Issuer shall execute and the Trustee shall authorize and deliver bonds representing the Bonds as provided below. In addition, the Issuer may determine at any time that the Bonds shall no longer be represented by global certificates and that the provisions of Section 2.11 shall no longer apply to the Bonds. In any such event, the Issuer shall execute and the Trustee shall authenticate and deliver certificates representing the Bonds as provided below. Bonds issued in exchange for global certificates pursuant to this Section shall be registered in such names and delivered in such authorized denominations as the Depository, pursuant to instructions from the Participants or otherwise, shall instruct the Issuer and the Trustee. The Trustee shall deliver such certificates representing the Bonds to the persons in whose names such Bonds are so registered.

If the Issuer determines to replace the Depository with another qualified securities depository, the Issuer shall prepare or cause to be prepared a new fully registered global certificate for each of the maturities of each type of Bond, registered in the name of such successor or substitute securities depository or its nominee, or make such other arrangements as are acceptable to the Issuer, the Trustee and such securities depository and not inconsistent with the terms of this Indenture.

**Section 2.14 Payments and Notices to the Nominee.** Notwithstanding any other provision of this Indenture to the contrary, so long as any Bond is registered in the name of the Nominee, all payments with respect to principal of, premium, if any, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, as provided in the Representation Letter or as otherwise instructed by the Depository.

**Section 2.15 Initial Depository and Nominee.** The initial Depository under this Indenture shall be DTC. The initial Nominee shall be Cede & Co., as nominee of DTC.

**Section 2.16 Optional Exchange of Series F-1 Bonds for MBS.** Following delivery of the MBS to the Trustee, a Beneficial Owner of Series F-1 Bonds may file with the Trustee a written request, in the form attached hereto as "Exhibit B – FORM OF NOTICE OF REQUEST TO EXCHANGE" or such other form as may be approved by the Trustee (the "Request Notice"), to exchange Series F-1 Bonds for a like principal amount of the MBS, provided, that (i) the MBS will be, when delivered, in a face amount equal to \$1,000.00 or a multiple of \$1.00 in excess thereof, and

(ii) the Project is complete and placed in service for purposes of Section 42 of the Code. The Request Notice must be delivered to the Trustee at least five (5) Business Days prior to the Exchange Date (as defined in the Request Notice).

Upon receipt of a Request Notice, the Trustee shall immediately provide a copy to the Issuer and the DUS Lender. The Issuer shall then have up to four (4) Business Days, in its sole discretion, to provide written direction to the Trustee to either (i) deliver to the Beneficial Owner of the Series F-1 Bonds its proportionate interest in the MBS based upon such Beneficial Owner's proportionate interest in the Bond or (ii) redeem the Beneficial Owner's Series F-1 Bonds for an amount equal to the Cash Value (as defined in this section) as of the Exchange Date. Any failure of the Issuer to provide direction within the period set forth in the prior sentence shall be deemed a direction to deliver the MBS in lieu of redeeming the Series F-1 Bonds. Immediately upon receiving the Issuer's direction, the Trustee shall notify such Beneficial Owner of the Issuer's direction. Upon receipt of any Series F-1 Bonds from the requesting Beneficial Owner, the Trustee will promptly cancel the Series F-1 Bonds being exchanged or redeemed, which will not be reissued.

Cash Value = original face amount of the MBS x Monthly Pool Factor x (1 + Redemption Premium + (Initial Offering Premium x Monthly Pool Factor))

Where "Monthly Pool Factor" means a ratio published by Fannie Mae for each issuance of certificates on or about the fourth business day of each month

Where "Redemption Premium" = 5% if the exchange occurs during the first five years from the Closing Date;

= 4% during the sixth year;

= 3% during the seventh year;

= 2% during the eighth year;

= 1% during the ninth year; and

= 0% thereafter

Where "Initial Offering Premium" means the initial offering price of the Series F-1 Bonds minus 100%.

In the event that the Issuer elects to deliver the Beneficial Owner's proportionate interest in the MBS in lieu of redeeming the Series F-1 Bonds, after validating the exchange request, the Trustee shall transfer and deliver to such requesting Beneficial Owner, the Trustee's beneficial ownership interest in the Beneficial Owner's proportionate interest in the MBS on the date specified in the Request Notice promptly following (i) delivery to the Trustee (via DTC withdrawal or Deposit/Withdrawal At Custodian ("DWAC")) of the Series F-1 Bonds being exchanged and (ii) payment by the requesting Beneficial Owner of the Trustee's exchange fee (\$1,000) with respect to such Series F-1 Bonds, payable from the Revenue Fund. Such Beneficial Owner's proportionate interest in the MBS will be (1) in book-entry form and (2) transferred in accordance with current market practices, including the applicable provisions of the SIFMA's *Uniform Practices for the Clearance and Settlement of Mortgage-Backed Securities and Other Related Securities*. The proportionate interest in the MBS delivered in such an exchange will not be exchangeable for Series F-1 Bonds. If the Exchange Date is

subsequent to a Record Date and prior to a corresponding Payment Date for the Series F-1 Bonds, the Trustee shall wire the applicable principal and interest payments on the exchanged Series F-1 Bonds to the Beneficial Owner using the wire transfer instructions set forth on the Request Notice.

In the event that the Issuer elects to redeem Series F-1 Bonds in lieu of an exchange with the MBS, the Beneficial Owner shall arrange with its securities dealer (and/or DTC participant) to deliver such Series F-1 Bonds to the Trustee (via DTC withdrawal or DWAC) on or before such redemption date. Once such delivery has been verified and approved by the Trustee, the Trustee shall transfer a like principal amount of the MBS to or upon the order of the Issuer in exchange for an amount of Eligible Funds equal to the Cash Value plus interest accrued but unpaid on the MBS (less any interest to be received by the Beneficial Owner on the next Payment Date if the redemption occurs between the Record Date and such Payment Date) and apply the proceeds of such transfer to the payment of the Redemption Price of the Series F-1 Bonds on the Payment Date by wiring such amount to the Beneficial Owner at its wire transfer instructions set forth on the Request Notice.

None of Fannie Mae, the Trustee or the Issuer, or its elected officers, officials, employees or agents, shall have any liability to the Beneficial Owner arising from (i) any exchange or redemption of Series F-1 Bonds effected hereby or (ii) any of the costs or expenses hereof. Interest on such MBS is not excludable from gross income for federal income tax purposes. Bondholders should consult their own tax advisors concerning that and other tax consequences of any exchange of a Series F-1 Bond for the MBS.

### ARTICLE III

#### REDEMPTION, MANDATORY TENDER AND REMARKETING OF BONDS

**Section 3.01 Terms of Redemption.** The Bonds shall be subject to redemption prior to the stated maturity thereof only as set forth in this Section.

(a) Series F-1 Bonds - Mandatory Redemption Prior to MBS Delivery Date. On any Series F-1 Bond Payment Date that occurs prior to or during the month in which the MBS is delivered to the Trustee, the Series F-1 Bonds are subject to mandatory redemption in part in an amount equal to the amount due on the first day of the month in which such Payment Date occurs as shown in the Permanent Loan Amortization Schedule, payable with respect to principal first, from money on deposit in the Series F-1 Collateral Fund Account and second, from money on deposit in the Series F-1 Bond Proceeds Fund Account, and with respect to interest, from money on deposit in Series F-1 Revenue Fund Account.

(b) Series F-1 Bonds – Mandatory Redemption Upon Failure to Convert or Failure to Purchase the MBS by the MBS Delivery Date Deadline. The Series F-1 Bonds are subject to mandatory redemption in whole five (5) calendar days after the MBS Delivery Date Deadline at a Redemption Price equal to 100% of the Outstanding principal amount thereof, plus interest accrued but unpaid from the first day of the month in which the last Payment Date occurred to such redemption date, if either the Conversion Date or the MBS Delivery Date has not occurred on or prior to the MBS Delivery Date Deadline, payable with respect to principal first, from money on deposit in the Series F-1 Collateral Fund Account and second, from money on deposit in the Series F-1 Bond Proceeds Fund Account, and with respect to premium, if any, and interest, from money on deposit in the Series F-1 Revenue Fund Account.

(c) Series F-1 Bonds – Mandatory Redemption on the MBS Delivery Date. The Series F-1 Bonds are subject to mandatory redemption in part on the MBS Delivery Date at a Redemption Price equal to 101% of the principal amount of the Series F-1 Bonds to be redeemed, plus interest accrued but unpaid from the first day of the month in which the last Payment Date occurred to the MBS Delivery Date, in an amount equal to the difference between (i) the principal amount of the MBS purchased on the MBS Delivery Date and (ii) the aggregate principal amount of the Series F-1 Bonds Outstanding as of the first day of the month in which the MBS Delivery Date occurred, payable with respect to principal first, from money on deposit in the Series F-1 Collateral Fund Account and second, from money on deposit in the Series F-1 Bond Proceeds Fund Account, and with respect to interest and premium, if any, from money on deposit in the Series F-1 Revenue Fund Account and other Eligible Funds.

(d) Series F-1 Bonds – Mandatory Redemption Following the MBS Delivery Date. Following the MBS Delivery Date, the Series F-1 Bonds are subject to mandatory redemption in whole or in part one Business Day after the date on which each principal payment or prepayment is received pursuant to the MBS, at a Redemption Price equal to 100% of the principal amount, plus interest and premium, if any, received pursuant to the MBS.

(e) Series F-1 Bonds – Mandatory Redemption in Lieu of Exchange. The Series F-1 Bonds are subject to mandatory redemption in whole or in part in the event the Issuer elects pursuant to Section 2.16 to redeem a Beneficial Owner's Series F-1 Bonds for an amount equal to the Cash Value in lieu of delivering to the Beneficial Owner of the Series F-1 Bonds its proportionate interest in the MBS based upon its proportionate interest in the Series F-1 Bonds. Any such redemption shall be made in the amounts, from the sources and in accordance with the provisions of this Indenture.

(f) Series F-2 Bonds – Mandatory Redemption for Failure to Remarket. The Series F-2 Bonds are subject to mandatory redemption in whole at a redemption price of 100% of the Outstanding principal amount thereof, plus accrued interest to the Redemption Date, on any Mandatory Tender Date upon the occurrence of any of the following events: (i) the Borrower has previously elected not to cause the remarketing of the Series F-2 Bonds; (ii) the conditions to remarketing set forth in Section 3.07(b) or Section 3.07(f) hereof have not been met by the dates and times set forth therein; or (iii) the proceeds of a remarketing on deposit in the Remarketing Proceeds Account at 11:00 a.m. Local Time on the Mandatory Tender Date are insufficient to pay the purchase price of the Outstanding Series F-2 Bonds on such Mandatory Tender Date. Series F-2 Bonds subject to redemption in accordance with this paragraph shall be redeemed from (i) amounts on deposit in the Series F-2 Collateral Fund Account, (ii) amounts on deposit in the Series F-2 Negative Arbitrage Subaccount of the Negative Arbitrage Account of the Revenue Fund, (iii) amounts on deposit in the Series F-2 Bond Proceeds Fund Account, and (iv) any other Eligible Funds available or made available for such purpose at the written direction of the Borrower.

(g) Series F-2 Bonds – Optional Redemption of Series F-2 Bonds. The Series F-2 Bonds are subject to optional redemption, in whole but not in part, by the Issuer at the written direction of the Borrower on any date on or after the later to occur of (i) the date the Project is complete and placed in service by the Borrower for purposes of Section 42 of the Code and (ii) the Initial Mandatory Tender Date (the "Optional Redemption Date") at a redemption price equal to 100% of the principal amount of the Series F-2 Bonds plus accrued interest, but without premium, to the Optional Redemption Date. After the Initial Remarketing Date, the Borrower, in consultation with the Remarketing Agent, may establish an optional redemption date with respect to any subsequent Remarketing Period and, thereafter, the Series F-2 Bonds are subject to optional redemption in whole

or in part by the Issuer at the written direction of the Borrower (with delivery of a Cash Flow Projection and written notice to the Trustee at least 30 days prior to the proposed redemption date and, in the case of a redemption in part, specifying the principal amount of the Series F-2 Bonds to be redeemed) on or after the applicable redemption date at a redemption price of 100% of the principal amount of such Series F-2 Bonds to be redeemed plus accrued interest to the applicable redemption date.

Notwithstanding anything to the contrary herein, the Series F-1 Bonds are not subject to optional redemption, but are subject to redemption prior to maturity in connection with a prepayment of the Permanent Loan as set forth herein, including but not limited to mandatory redemption of the Series F-1 Bonds in connection with the Borrower's optional prepayment of the Series F-1 Bond Loan Note in whole or in part in accordance with the terms thereof.

### **Section 3.02 Notice of Redemption.**

(a) Anytime the Bonds are subject to redemption in whole or in part pursuant to Section 3.01 hereof, the Trustee, in accordance with the provisions of this Indenture, shall give at least five (5) calendar days' notice, in the name of the Issuer, of the redemption of the Series F-1 Bonds and at least five (5) but not more than ten (10) calendar days' notice, in the name of the Issuer, of the redemption of the Series F-2 Bonds, which notice shall specify the following: (i) the maturity and principal amounts of the Bonds to be redeemed; (ii) the CUSIP number, if any, of the Bonds to be redeemed; (iii) the date of such notice; (iv) the issuance date for such Bonds; (v) the interest rate on the Bonds to be redeemed; (vi) the redemption date; (vii) any conditions to the occurrence of the redemption; (viii) the place or places where amounts due upon such redemption will be payable; (ix) the Redemption Price; (x) the Trustee's name and address with a contact person and a phone number; and (xi) that on the redemption date, the Redemption Price shall be paid. Notice delivered as required in this Section 3.02(a) with respect to a redemption pursuant to Section 3.01(b) hereof may be rescinded and annulled on or before the redemption date set forth in such notice if (i) the MBS is delivered on or prior to such redemption date or (ii) the MBS Delivery Date Deadline is extended pursuant to Section 3.04 hereof. Neither the giving of such notice by the Trustee nor the receipt of such notice by the Bondholders shall be a condition precedent to the effectiveness of any such redemption. With respect to a mandatory redemption pursuant to Section 3.01(f), the notice of Mandatory Tender provided to Holders pursuant to Section 3.06 shall serve as the notice of redemption required by this Section 3.02 and shall satisfy the requirements of this Section 3.02, and no further notice of redemption will be required to the Bondholders.

(b) The Bonds to be redeemed in part pursuant to Section 3.01 will be selected in accordance with the operational arrangements of DTC or any successor Substitute Depository, and any partial prepayments pursuant thereto shall be made in accordance with the "Pro Rata Pass-Through Distributions of Principal" procedures of DTC or comparable procedures of any successor Substitute Depository.

(c) In the event that the MBS has not been purchased by and delivered to the Trustee, ten (10) Business Days prior to the MBS Delivery Date Deadline (as such date may be extended under this Indenture), the Trustee shall provide, ten (10) Business Days prior to the MBS Delivery Date Deadline, written notice of such non-purchase to the Borrower, the Lender, the Issuer and the Underwriter.

(d) Notices of optional redemption of the Series F-2 Bonds shall be revocable in the event that there is not on deposit with the Trustee prior to the date of redemption money sufficient

to pay the redemption price of the Series F-2 Bonds to be redeemed or, in the case of any redemption premium on the Series F-2 Bonds, there are not on deposit Eligible Funds sufficient to pay such redemption premium.

Notwithstanding this Section 3.02, no prior notice shall be a prerequisite to the effectiveness of any redemption under Section 3.01 hereof which redemption shall occur and be effective irrespective of whether the Trustee fulfills its obligation to provide the notice with respect to Section 3.01 hereof required by this Section 3.02.

**Section 3.03 Payment of Redemption Price.** With respect to any redemption pursuant to Section 3.01 hereof, notice having been given in the manner provided in Section 3.02 hereof (or not required to be given as a result of a redemption pursuant to Sections 3.01(a) or (d) hereof), and all conditions to the redemption contained in such notice, if applicable, having been met, the Bonds so called for redemption shall become due and payable on the redemption date so designated at the Redemption Price specified in Section 3.01(a), (b), (c), (d), (e), (f) or (g) hereof, as applicable, and upon presentation and surrender thereof at the offices specified in such notice, together with, in the case of Bonds presented by other than the registered owner, a written instrument of transfer duly executed by the registered owner or its duly authorized attorney; provided, however, that so long as the Bonds are registered in the name of the Depository, payment for such redeemed Bonds shall be made in accordance with the Representation Letter of the Issuer (or, in the case of a redemption pursuant to Section 2.16 hereof, in accordance with the provisions of such Section). If, on the redemption date, moneys for the redemption of all of the Bonds to be redeemed, together with all accrued interest on such Bonds (which, with respect to the Series F-1 Bonds only, shall equal all interest accrued on the MBS), if delivered, to the redemption date, shall be held by the Trustee so as to be available therefor on said date and if notice of redemption shall have been given as aforesaid, then, from and after the redemption date, interest on the Bonds so called for redemption shall cease to accrue.

(e) Undelivered Bonds. Series F-2 Bonds shall be deemed to have been tendered for purposes of this Section 3.05 whether or not the Bondholders shall have delivered such undelivered Series F-2 Bonds to the Trustee, and subject to the right of the holders of such undelivered Series F-2 Bonds to receive the purchase price of such undelivered Series F-2 Bonds on the Mandatory Tender Date, such undelivered Series F-2 Bonds shall be null and void. (iv) that if, in the event that the conditions to remarketing set forth in Section 3.07(b) or Section 3.07(d) hereof are not met as set forth therein, or, if proceeds from the remarketing are insufficient to pay the purchase price of the Series F-2 Bonds on the Mandatory Tender Date, all of the Series F-2 Bonds will be redeemed, without further notice, on the Mandatory Tender Date; and

(v) that any Series F-2 Bonds not tendered will nevertheless be deemed to have been tendered and will cease to bear interest from and after the Mandatory Tender Date.

(c) Failure to Give Notice. Neither failure to give or receive any notice described in this Section 3.06, nor the lack of timeliness of such notice or any defect in any notice (or in its content) shall affect the validity or sufficiency of any action required or provided for in this Section 3.06.

No later than 11:00 a.m. Local Time on the 35th day prior to each Mandatory Tender Date, the Trustee shall give notice to the Borrower and the Remarketing Agent by telephone or electronic mail, confirmed on the same day in writing, which states that all Outstanding Series F-2 Bonds shall be tendered or deemed to be tendered pursuant to Section 3.05 hereof.

Any such purchase shall constitute a remarketing hereunder.

The Remarketing Agent shall not remarket any Series F-2 Bond to the Issuer, the Borrower, any guarantor of the Bonds or any person which is an “insider” of the Issuer, the Borrower, or any such guarantor within the meaning of the Bankruptcy Code.

Notwithstanding anything to the contrary, the Trustee shall not disburse money from the Bond Proceeds Fund (other than (1) as permitted pursuant to Section 5.04 hereof and (2) to pay amounts due on the Bonds pursuant to Section 3.01 hereof), unless and until Eligible Funds in an amount equal to or greater than the requested disbursement amount have been deposited into the applicable Account of the Collateral Fund; provided, however, that the Trustee shall transfer funds from the applicable Account of the Bond Proceeds Fund to the applicable Account of the Collateral Fund upon receipt of an opinion of Bond Counsel to the effect that such transfer shall not cause the interest on any of the Bonds to be or become includible in the gross income of the owners thereof for federal income tax purposes. To the extent money on deposit in the applicable Account of the Bond Proceeds Fund is invested in Eligible Investments that have not yet matured, the Trustee is hereby authorized to make the following sale and exchange, which sale and exchange shall occur prior to the disbursement of amounts on deposit in the applicable Account of the Bond Proceeds Fund to pay Project Costs without the need to sell or terminate such Eligible Investments prior to their stated maturity date: (i) sell all or a portion of the Eligible Investments in the applicable Account of the Bond Proceeds Fund, in the amount specified in the request for disbursement, to the applicable Account of the Collateral Fund for a price of par and (ii) transfer a like amount of available funds from the applicable Account of the Collateral Fund to the applicable Account of the Bond Proceeds Fund representing Bond Proceeds, as the purchase price thereof.

forth in the corresponding requisition and to the extent the Trustee is unable to do so, the Trustee shall return the amount deposited into the applicable Account of the Collateral Fund, within one Business Day of receipt of such deposit, to the party that made such deposit as set forth in the requisition.

The Trustee shall not disburse any amounts on deposit in the Series F-1 Bond Proceeds Fund Account until all amounts on deposit in the Series F-2 Bond Proceeds Fund Account have been applied to pay Project Costs.

On the Closing Date, the Trustee shall transfer amounts permitted under Section 5.04 hereof, if any, and no additional amounts shall be disbursed from the Bond Proceeds Fund except in accordance with this Section 5.08.

To the extent sufficient funds are not otherwise available to the Trustee, including money on deposit in the applicable Account of the Revenue Fund, the applicable Account of the Collateral Fund or the applicable Subaccount of the Negative Arbitrage Account, the Trustee shall transfer from the applicable Account of the Bond Proceeds Fund to the applicable Account of the Revenue Fund sufficient money to pay amounts due on the Series F-1 Bonds or Series F-2 Bonds, as applicable, pursuant to Section 3.01 hereof.

On the MBS Delivery Date, amounts remaining in the Series F-1 Bond Proceeds Fund Account shall be used by the Trustee in the following order: (i) to the extent sufficient funds are not otherwise available in the Series F-1 Collateral Fund Account, to pay the MBS Purchase Price, (ii) to transfer funds to the Series F-1 Revenue Fund Account in an amount equal to the difference, if any, between (x) the aggregate principal amount of and interest due on the Series F-1 Bonds Outstanding as of the first day of the month in which the MBS Delivery Date occurs and (y) the principal amount of the MBS purchased on the MBS Delivery Date, plus interest accrued but unpaid to the redemption date, for redemption pursuant to Section 3.01(c) hereof, and (iii) to pay any remaining Project Costs as approved by the Lender in writing.

**Section 5.09 Collateral Fund.** The Trustee shall deposit into the applicable Account of the Collateral Fund all Eligible Funds received pursuant to Section 4.06 of the Financing Agreement and any other Eligible Funds received by the Trustee for deposit into the applicable Account of the Collateral Fund. Except (i) as permitted under Section 5.04 and 5.08 hereof, Section 4.07 of the Financing Agreement requires the Borrower to cause Eligible Funds to be paid to the Trustee for deposit into the applicable Account of the Collateral Fund in a principal amount equal to, and as a prerequisite to the disbursement of, the corresponding amount of Bond Proceeds on deposit in the applicable Account of the Bond Proceeds Fund to be disbursed by the Trustee to pay Project Costs.

Subject to the provisions hereof, (i) until the purchase of the MBS on the MBS Delivery Date, each deposit into the Series F-1 Collateral Fund Account shall constitute an irrevocable deposit solely for the benefit of the holders of the Series F-1 Bonds, and (ii) each deposit into the Series F-2 Collateral Fund Account shall constitute an irrevocable deposit solely for the benefit of the holders of the Series F-2 Bonds.

Money in the Collateral Fund shall be used by the Trustee as follows: (i) to the extent money is not otherwise available, the Trustee shall transfer from the applicable Account of the Collateral Fund to the applicable Account of the Revenue Fund an amount necessary to pay amounts due on the applicable Bonds pursuant to Section 3.01 hereof, and (ii) on the MBS Delivery Date, the Trustee shall use money in the Series F-1 Collateral Fund Account (and, to the extent there are not sufficient funds

on deposit in the Series F-1 Collateral Fund Account, from the Series F-1 Bond Proceeds Fund Account) to pay for the principal amount of the MBS.

The Bonds shall not be, and shall not be deemed to be, paid or prepaid by reason of any deposit into the Collateral Fund unless and until the amount on deposit in the applicable Subaccount of the Collateral Fund is transferred to the applicable Subaccount of the Revenue Fund and applied to the payment of the principal of any of the Bonds, or the principal component of the redemption price of any of the Bonds, all as provided in this Indenture.

Notwithstanding anything herein to the contrary, the Trustee is authorized to transfer amounts permitted under Section 5.04 hereof, if any, without a corresponding deposit of Eligible Funds into the Collateral Fund.

**Section 5.10 Accounting Records.** The Trustee shall maintain accurate books and records for all Funds and Accounts established hereunder.

**Section 5.11 Amounts Remaining in Funds.** After full payment of the Bonds (or provision for payment thereof having been made in accordance with Section 7.01) and full payment of the fees and expenses of the Trustee and other amounts required to be paid hereunder and under the Financing Agreement including fees payable to the Issuer and Fannie Mae, any amounts remaining in any Fund hereunder other than the Rebate Fund shall be paid to the Lender for the payment of any amounts due and payable to the Lender and/or Fannie Mae and thereafter, to the Borrower; provided, however, that if a default shall have occurred and remain uncured under the Permanent Loan of which the Trustee shall have received written notice from Fannie Mae or the Lender, then any such amounts remaining in any Fund or Account hereunder shall be paid to Fannie Mae.

**Section 5.12 Investment of Funds.** The moneys held by the Trustee shall constitute trust funds for the purposes hereof. Any moneys attributable to each of the Funds and Accounts hereunder shall be invested by the Trustee at the written direction or telephonic direction (promptly confirmed in writing) of the Borrower in Eligible Investments which, except as otherwise provided in this Section 5.12, mature or are redeemable at par without penalty on or before the date on which such funds are expected to be needed for the purposes for which they are held. Notwithstanding anything herein to the contrary except as otherwise set forth in this sentence, all amounts in the Bond Proceeds Fund, the Revenue Fund and the Collateral Fund shall be invested solely in Eligible Investments; provided, however, that following the MBS Delivery Date, payments received with respect to the MBS shall be held uninvested. All investment earnings from amounts on deposit in the Bond Proceeds Fund, the Revenue Fund and the Collateral Fund shall be credited to the applicable Account of the Revenue Fund. If the Trustee does not receive written direction or telephonic directions (promptly confirmed in writing) from the Borrower regarding the investment of funds, the Trustee shall invest solely in Eligible Investments described in clause (b) of the definition of Eligible Investments herein, which shall mature or be redeemable at par without penalty at the times set forth in this Section 5.12. The Trustee may make any and all such investments through its own banking department or the banking department of any affiliate.

Eligible Investments representing an investment of moneys attributable to any Fund or Account shall be deemed at all times to be a part of such Fund. Subject to the following sentence, investments shall be sold at the best price obtainable (at least par) whenever it shall be necessary to do so in order to provide moneys to make any transfer, withdrawal, payment or disbursement from such Fund. With respect to the Series F-1 Bonds, prior to the MBS Delivery Date, at the direction of the Borrower, the

Trustee is permitted to invest in Eligible Investments that mature on or before the MBS Delivery Date Deadline but is not permitted to sell or otherwise dispose of such Eligible Investment prior to maturity at a price below par without first receiving (i) a Cash Flow Projection and (ii) Eligible Funds, if any, as set forth in the Cash Flow Projection. With respect to the Series F-2 Bonds, prior to the Initial Mandatory Tender Date, at the direction of the Borrower, the Trustee is permitted to invest in Eligible Investments that mature on or before the Initial Mandatory Tender Date but is not permitted to sell or otherwise dispose of such Eligible Investment prior to maturity at a price below par without first receiving (i) a Cash Flow Projection and (ii) Eligible Funds, if any, as set forth in the Cash Flow Projection. In the case of any required transfer of moneys to another such Fund, such investments may be transferred to that Fund in lieu of the required moneys if permitted hereby as an investment of moneys in that Fund. Following the Closing Date, at the direction of the Borrower, the Trustee is permitted to purchase, sell or exchange Eligible Investments with a Cash Flow Projection. Notwithstanding anything herein to the contrary, (i) earnings received by the Trustee with respect to Eligible Investments purchased for the purpose of paying debt service on the Bonds shall be held uninvested and (ii) Bond Proceeds and the Negative Arbitrage Deposit shall be held uninvested until the Trustee has purchased, sold or exchanged Eligible Investments.

All Eligible Investments acquired by the Trustee pursuant hereto shall be purchased in the name of the Trustee and shall be held for the benefit of the Bondholders pursuant to the terms of this Indenture. The Trustee shall take such actions as shall be necessary to assure that such Eligible Investments are held pursuant to the terms of this Indenture and are subject to the trust and security interest herein created.

The Trustee shall not be liable or responsible for any loss resulting from any investment made in accordance herewith. The Trustee or its affiliates may act as sponsor, principal or agent in the acquisition or disposition of investments. The Trustee may commingle investments made under the Funds and Accounts established hereunder, but shall account for each separately.

In computing for any purpose hereunder the amount in any Fund or Account on any date, obligations so purchased shall be valued at the lower of cost or par exclusive of accrued interest, and may be so valued as of any time within four (4) days prior to such date.

The Issuer acknowledges that regulations of the Comptroller of the Currency grant the Borrower the right to receive brokerage confirmations of the security transactions as they occur. The Borrower specifically waives such notification to the extent permitted by law and will receive periodic cash transaction statements that will detail all investment transactions.

**Section 5.13 Moneys Held for Particular Bonds.** The amounts held by the Trustee for the payment of the interest, principal or premium, if any, due on any date with respect to particular Bonds shall, pending such payment, be set aside and held in trust by it for the Bondholders entitled thereto, and for the purposes hereof such interest, principal or premium, if any, after the due date thereof, shall no longer be considered to be unpaid.

**Section 5.14 Funds Held in Trust.** All moneys held by the Trustee, as such, at any time pursuant to the terms of this Indenture shall be and hereby are assigned, transferred and set over unto the Trustee in trust for the purposes and under the terms and conditions of this Indenture.

**Section 5.15 Reports From the Trustee.** The Trustee shall furnish to the Borrower (and to Fannie Mae, the DUS Lender, the Construction Lender (but only prior to the Conversion Date), the

Investor Limited Partner and the Issuer) quarterly statements of the activity and assets held in each of the Funds and Accounts maintained by the Trustee hereunder. Upon the written request of the owner of a Bond, the Trustee, at the cost of the Borrower, shall provide a copy of such statement to the owner of the Bond.

**Section 5.16 Covenants Respecting Arbitrage and Rebate.** The Trustee shall keep and make available to the Borrower such records concerning the investment of the Bond Proceeds and the investments of earnings from those investments as may be requested by the Borrower in order to enable the Borrower to fulfill the requirements of Section 148(f) of the Code. The Trustee expressly covenants and agrees to all document retention and reporting requirements contained in the Tax Certificate.

## ARTICLE VI

### COVENANTS OF ISSUER

**Section 6.01 Payment of Bonds.** Subject to the other provisions of this Indenture, the Issuer shall duly and punctually pay or cause to be paid, solely from amounts available in the Trust Estate, the principal of, premium, if any, and interest on the Bonds, at the dates and places and in the manner described in the Bonds, according to the true intent and meaning thereof. The Bonds are not a general obligation of the Issuer and are payable solely from the Trust Estate.

The payment and other obligations of the Issuer with respect to the Bonds are intended to be, and shall be, independent of the payment and other obligations of the issuer or maker of the Bond Loan Notes, the Mortgage Note and the MBS, even though the principal amount of all three instruments is expected to be identical, except in the case of a default with respect to one or more of the instruments.

#### **Section 6.02 Performance of Covenants by Issuer.**

(a) In General. The Issuer covenants that it will faithfully perform on its part at all times any and all covenants, undertakings, stipulations and provisions expressly required of the Issuer contained in this Indenture, in any and every Bond executed, authenticated and delivered hereunder; provided, however, that, except for the matters set forth in Section 6.01 hereof relating to payment of the Bonds, the Issuer will not be obligated to take any action or execute any instrument pursuant to any provision hereof until it has been requested to do so by the Borrower or by the Trustee, or has received the instrument to be executed and, at the option of the Issuer, has received from the party requesting such execution assurance satisfactory to the Issuer that the Issuer will be reimbursed for its reasonable expenses incurred or to be incurred in connection with taking such action or executing such instrument. The Issuer covenants that it is duly authorized under the Constitution and the laws of the State, including particularly the Act and the Resolution, to issue the Bonds authorized hereby and to execute this Indenture, to grant the security interest in the Trust Estate herein provided, to assign and pledge the Trust Estate (except as otherwise provided herein) and to assign and pledge the amounts hereby assigned and pledged in the manner and to the extent herein set forth, that all action on its part for the issuance of the Bonds and the execution and delivery of this Indenture has been duly taken and that the Bonds in the hands of the owners thereof are and will be valid and enforceable special, limited obligations of the Issuer according to the terms thereof and hereof. Anything contained in this Indenture to the contrary notwithstanding, it is hereby understood that none of the covenants of the Issuer contained in this Indenture are intended to create a general or primary obligation of the Issuer.

(b) Prohibited Activities. Subject to the limitations on its liability as stated herein, the Issuer represents, warrants, covenants and agrees that it has not knowingly engaged and will not knowingly engage in any activities and that it has not knowingly taken and will not knowingly take any action which would result in any interest on the Bonds becoming includable in the gross income of the owners thereof for purposes of federal income taxation.

(c) Rights Under Financing Agreement. The Financing Agreement sets forth covenants and obligations of the Issuer and the Borrower, and reference is hereby made to the same for a detailed statement of said covenants and obligations. The Issuer agrees to cooperate in the enforcement of all covenants and obligations of the Borrower under the Financing Agreement and agrees that the Trustee, in its name, may enforce all rights of the Issuer (other than the Reserved Rights) and all obligations of the Borrower under and pursuant to the Financing Agreement and on behalf of the Bondholders, whether or not the Issuer has undertaken to enforce such rights and obligations.

(d) Issuer's Further Assurance. The Issuer covenants that it will do, execute, acknowledge, and deliver or cause to be done, executed, acknowledged, and delivered by the parties within its control, such instruments supplemental hereto and such further acts, instruments, and transfers as the Trustee may reasonably require for the better assuring, transferring, mortgaging, conveying, pledging, assigning, and confirming unto the Trustee, the Issuer's interest in and to all interests, revenues, proceeds, and receipts pledged hereby to the payment of the principal of, premium, if any, and interest on the Bonds in the manner and to the extent contemplated herein. The Issuer shall be under no obligation to prepare, record, or file any such instruments or transfers.

(e) Unrelated Bond Issues. The Issuer, prior to the issuance of the Bonds, has issued, and subsequent to the issuance of the Bonds, the Issuer expects to issue various series of bonds in connection with the financing of other projects (said bonds together with any bonds issued by the Issuer between the date hereof and issuance of the Bonds shall be referred to herein as the "Other Bonds"). Any pledge, mortgage, or assignment made in connection with any Other Bonds shall be protected, and any funds pledged or assigned for the payment of principal, premium, if any, or interest on the Other Bonds shall not be used for the payment of principal, premium, if any, or interest on the Bonds. Correspondingly, any pledge, mortgage, or assignment made in connection with the Bonds shall be protected, and any funds pledged or assigned for the payment of the Bonds shall not be used for the payment of principal, premium, if any, or interest on the Other Bonds.

(f) No Limitations on Actions of Issuer in Exercise of its Governmental Powers. Nothing in this Indenture or the Financing Agreement is intended, nor shall it be construed, to in any way limit the actions of the Issuer in the exercise of its governmental powers, as contrasted with any contractual rights or powers. It is the express intention of the parties hereto that the Issuer shall retain the full right and ability to exercise its governmental powers with respect to the Borrower, the Project, the Construction Lender, the DUS Lender, Fannie Mae, the Investor Limited Partner and the transactions contemplated by this Indenture, the Financing Agreement, the Regulatory Agreement, the Construction Loan Documents, the Permanent Loan Documents and the Financing Documents to the same extent as if it were not a party to this Indenture, the Financing Agreement, the Regulatory Agreement or the transactions contemplated thereby, and in no event shall the Issuer have any liability in contract arising under this Indenture, the Financing Agreement or the Regulatory Agreement by virtue of any exercise of its governmental powers.

**Section 6.03 Tax Covenants.** The Issuer shall not knowingly take any action that will cause the interest paid on the Bonds to be includable in gross income for federal income tax purposes or to

be subject to personal income taxation by the State. In furtherance of the foregoing covenant, the Issuer hereby particularly covenants and agrees with the holders of the Bonds as follows:

(a) No part of the Bond Proceeds or any other funds of the Issuer shall be knowingly used by the Issuer at any time directly or indirectly to acquire securities or obligations, the acquisition of which, or which in any other manner, would cause any Bond to be an arbitrage bond as defined in Section 148 of the Code and any applicable Regulations promulgated thereunder.

(b) The Issuer will not take any action or knowingly permit or suffer any action to be taken if the result of the same would be to cause the Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Code and any applicable Regulations promulgated thereunder.

In the event of a conflict between the provisions of this Section 6.03 and the Tax Certificate, the provisions of the Tax Certificate shall control.

**Section 6.04 Compliance with Conditions Precedent.** Upon the Closing Date, all conditions, acts and things required by law regarding the Issuer to exist, to have happened or to have been performed precedent to or in the issuance of such Bonds shall exist, shall have happened and shall have been performed, and such Bonds.

**Section 6.05 Extension of Payment of Bonds.** The Issuer shall not directly or indirectly extend or assent to the extension of the maturity of the principal due on any of the Bonds or the time of payment of interest due on the Bonds, and if the time for payment of any such claims for interest shall be extended through any other means, such Bonds or claims for interest shall not be entitled in case of any default hereunder to any payment out of the Trust Estate or the funds (except funds held in trust for the payment of particular Bonds pursuant hereto) held by the Trustee, except subject to the provisions of Section 7.02 and subject to the prior payment of the principal of all Bonds issued and Outstanding the maturity of which has occurred and has not been extended and of such portion of the accrued interest on the Bonds which is not represented by such extended claims for interest.

If an Extension Deposit has not been made pursuant to Sections 3.04 and 5.05(b) hereof, such that the aggregate balance in the Series F-1 Bond Proceeds Fund Account, the Series F-1 Collateral Fund Account and the Series F-1 Revenue Fund Account is equal to 100% of the principal amount of the Series F-1 Bonds plus interest accrued on the Series F-1 Bonds to the date which is five (5) calendar days following the MBS Delivery Date Deadline (as such date may be extended hereunder), then the Series F-1 Bonds shall be subject to mandatory redemption as set forth in Section 3.01(b) hereof.

**Section 6.06 Further Assurances.** At any time and at all times the Issuer shall when requested by the Trustee, so far as it may be authorized by law, make, do, execute, acknowledge and deliver (solely at the cost and expense of the Borrower) all and every such further resolutions, acts, deeds, conveyances, assignments, transfers and assurances and enter into such further agreements as may be necessary or reasonably required for the better assuring, conveying, granting, assigning or confirming all and singular the rights in, pledge and grant of a security interest in the Trust Estate hereby pledged or assigned in trust, or intended so to be by this Indenture, or which the Issuer may hereafter become bound to pledge or assign in trust pursuant to the Granting Clauses.

**Section 6.07 Powers as to Bonds and Pledge.** The Issuer is duly authorized pursuant to law to authorize and issue the Bonds, to enter into this Indenture and to pledge, assign, transfer and set over unto the Trustee in trust the Trust Estate herein purported to be so pledged, assigned, transferred

and set over unto the Trustee in trust hereby in the manner and to the extent provided herein. The Trust Estate so pledged, assigned, transferred and set over in trust is and will be free and clear of any Issuer created pledge, lien, charge or encumbrance thereon with respect thereto prior to, or of equal rank with, the pledge and assignment in trust created hereby, and all action on the part of the Issuer to that end has been duly and validly taken. The Bonds and the provisions hereof are and will be the valid and binding limited obligations of the Issuer in accordance with their terms and the terms hereof. The Trustee shall at all times, to the extent permitted by law, defend, preserve and protect the pledge and assignment in trust of the Trust Estate created hereby and all the rights of the Bondholders hereunder against all claims and demands of all persons whomsoever. The Bonds shall not be deemed to constitute a debt or liability of the State or any political subdivision thereof, or the Issuer, other than to the limited extent expressly herein provided, or a pledge of the faith and credit or the taxing power of the State or of any such political subdivision thereof or the Issuer, but shall be payable solely from funds provided therefor pursuant hereto.

**Section 6.08 Preservation of MBS Revenues; Amendment of Agreements.** The Issuer shall not knowingly take any action to interfere with or impair the pledge and assignment hereunder of the Trust Estate, or the Trustee's enforcement of any rights hereunder or under the Financing Agreement or the Regulatory Agreement without the prior written consent of the Trustee. The Trustee may give such written consent, and may itself take any such action or consent to an amendment or modification to the Financing Agreement, the Regulatory Agreement or the MBS, only with the written consent of Fannie Mae and the Construction Lender (but only prior to the Conversion Date), and following receipt by the Trustee of written confirmation from the Rating Agency that the taking of such action or the execution and delivery of such amendment or modification will not adversely affect the rating then assigned to the Bonds by the Rating Agency, and if the Trustee shall have received an opinion of Bond Counsel to the effect that such action or such amendment or modification will not affect adversely the validity of the Bonds or the exclusion from gross income for federal income tax purposes of interest on the Bonds. Notwithstanding the foregoing, Fannie Mae and the Borrower may amend the Mortgage Note and the Mortgage without the consent of the Issuer, the Trustee or the holders of the Bonds so long as any such amendment does not change the amount of principal due under, or the rate of interest payable on the unpaid principal amount of, the MBS or otherwise reduce or modify the payments due under the MBS or adversely impact the tax-exempt status of the Bonds.

**Section 6.09 Assignment.** Any assignment of the Issuer's rights in favor of the Trustee shall not include Reserved Rights.

**Section 6.10 Request and Indemnification.** Where the consent of or other action on the part of the Issuer is required in this or any other document, the Issuer shall have no obligation to act unless first requested to do so, and the Issuer shall have no obligation to expend time or money or to otherwise incur any liability unless indemnity satisfactory to the Issuer has been furnished to it, and the Borrower has agreed to pay costs and expenses. Issuer may also require a No Adverse Effect Opinion from Bond Counsel, in the event there is a reasonable doubt as to the effect of the requested action.

**Section 6.11 Limitations on Liability.** Notwithstanding anything in this Indenture or in the Bonds, the Issuer shall not be required to advance any money derived from any source other than the Trust Estate, consisting of MBS Revenues and other assets pledged under this Indenture for any of the purposes of this Indenture.

No agreements or provisions contained in this Indenture, nor any agreement, covenant or undertaking by the Issuer contained in any document executed by the Issuer in connection with the Project, or the issuance, sale and delivery of the Bonds shall give rise to any pecuniary liability of the Issuer or a charge against its general funds or general credit, or shall obligate the Issuer financially in any way except from the application of the Trust Estate, consisting of MBS Revenues and other proceeds pledged to the payment of the Bonds and the Bond Proceeds. No failure of the Issuer to comply with any term, condition, covenant or agreement herein or in any document executed by the Issuer in connection with the Project, or the issuance, sale and delivery of the Bonds shall subject the Issuer to liability for any claim for damages, costs or other financial and pecuniary charge except to the extent that the same is paid from the Financing Agreement or the Trust Estate, consisting of MBS Revenues and other assets pledged to the payment of the Bonds or the Bond Proceeds.

## ARTICLE VII

(ii) by depositing with the Trustee, in trust, cash which, together with the amounts then on deposit in the Revenue Fund and dedicated to this purpose, is fully sufficient to pay when due all principal of, and premium, if any, and interest on such Bond to the maturity or earlier redemption date thereof; or

(iii) by depositing with the Trustee, in trust, any investments listed under the definition of Eligible Investments in Section 1.01, or a combination of cash and such investments, in such amount as in the written opinion of a certified public accountant or nationally recognized verification agent will, together with the interest to accrue on such Eligible Investments without the need for reinvestment, be fully sufficient to pay when due all principal of, and premium, if any, and interest on such Bond to the maturity or earlier redemption date thereof, notwithstanding that such Bond shall not have been surrendered for payment.

**Section 7.02 Unclaimed Moneys.** Anything herein to the contrary notwithstanding, and subject to applicable escheatment laws of the State, any moneys held by the Trustee in trust for the payment and discharge of any of the Bonds which remain unclaimed for two years after the date when such Bonds have become due and payable, either at maturity or by call for redemption, if such moneys are held by the Trustee at said date, or for two years after the date of deposit of such moneys if deposited with the Trustee after the date when such Bonds became due and payable, shall be paid by the Trustee to the Issuer as its absolute property and free from trust, and the Trustee shall thereupon be released and discharged with respect thereto and the holders of such Bonds shall look only to the Issuer for the payment thereof; provided, however, that before being required to make any such payment to the Issuer, the Trustee shall cause to be mailed to the holders of such Bonds, at their addresses shown on the Bond Register, notice that said moneys remain unclaimed and that, after a date named in said notice, which date shall be not less than 30 nor more than 60 days after the date of mailing such notice, the balance of such moneys then unclaimed will be paid to the Issuer; and provided further, that the provisions of this Section shall not apply to the extent disposition of any moneys so held by the Trustee shall be governed by any laws applicable to the Trustee or the Issuer dealing with the disposition of such unclaimed property.

**Section 7.03 No Release of MBS.** Except as provided in this Section and in Section 7.04, the Trustee shall not release and discharge the MBS from the lien of this Indenture until the principal of, premium, if any, and interest on the Bonds shall have been paid or duly provided for under this Indenture. The Trustee shall not release or assign the MBS to any person other than a successor Trustee so long as Fannie Mae shall not be in default thereunder (except to the limited extent expressly provided for in Section 2.16).

**Section 7.04 Transfer of MBS.** While the Bonds are Outstanding, the Trustee shall maintain the MBS in book-entry form in the name of the Trustee and may not sell, assign, transfer or otherwise dispose of the MBS (except to the limited extent expressly provided for in Section 2.16).

**Section 7.05 Issuance of Additional Obligations.** The Issuer shall not hereafter create or permit the creation of or issue any obligations or create any additional indebtedness secured by a charge and lien on the Trust Estate, consisting of MBS Revenues and other moneys, securities, funds and property pledged by this Indenture, other than the Bonds authorized under Section 2.01.

## ARTICLE VIII

### DEFAULT PROVISIONS AND REMEDIES OF TRUSTEE AND BONDHOLDERS

**Section 8.01 Events of Default.** Each of the following shall constitute an Event of Default under this Indenture:

(a) On and after the MBS Delivery Date, failure by Fannie Mae to pay principal, interest or premium, if any, due under the MBS (upon such failure, the Trustee shall notify Fannie Mae not later than the next Business Day (all such notices to be promptly confirmed in writing) and require the failure to be remedied);

The Trustee will immediately notify in writing the Issuer, the Bondholders, the Investor Limited Partner, the DUS Lender, the Construction Lender (but only prior to the Conversion Date) and Fannie Mae after an Authorized Officer obtains knowledge or receives notice of the occurrence of an Event of Default or an event which would become an Event of Default with the passage of time or the giving of notice, or both.

### **Section 8.02 Acceleration; Rescission of Acceleration.**

(a) Upon (i) the occurrence of an Event of Default under Section 8.01(a) or (ii) prior to the MBS Delivery Date, the occurrence of an Event of Default under Section 8.01(b) with respect to the Series F-1 Bonds, the Trustee may, and upon the written request of the holders of not less than seventy-five percent (75%) in aggregate principal amount of the Series F-1 Bonds Outstanding, shall declare (and shall deliver written notice of such declaration to the Issuer, the Lender, the Borrower and Fannie Mae) the principal of all Series F-1 Bonds Outstanding, premium, if any, and the interest accrued thereon immediately due and payable.

(b) An Event of Default with respect to the Series F-1 Bonds (i) following the MBS Delivery Date, under Section 8.01(b) hereof, or (ii) under Section 8.01(c) hereof shall not give rise to an acceleration pursuant to this Section 8.02(a), provided, however, that following such an Event of Default, the holder of one hundred percent (100%) of the Series F-1 Bonds Outstanding may direct the Trustee in writing to transfer the MBS to it or its designee, in which case, the Trustee shall transfer and

deliver to such requesting Beneficial Owner the Trustee's beneficial ownership interest in the MBS. The transfer described in this Section 8.02(b) shall take effect as set forth in, and shall be governed by, the following terms:

(vi) The MBS delivered in such an exchange will also be subject to any applicable disclosure requirements concerning MBSs that have been issued in connection with the multifamily mortgage lending program of a governmental housing finance agency and financed by tax-exempt obligations; and

(vii) Interest on such MBS is not excludable from gross income for federal income tax purposes. Owners of Series F-1 Bonds should consult their own tax advisors concerning that and other tax consequences of any exchange of a Series F-1 Bond for the MBS.

(c) The acceleration of the Series F-1 Bonds will not constitute a default under, or by itself cause the acceleration of, the MBS. If at any time after the Series F-1 Bonds shall have been so declared due and payable, and before any judgment or decree for the payment of the money due shall have been obtained or entered, the Issuer, the Borrower, the Investor Limited Partner or Fannie Mae, as applicable, shall pay to or deposit with the Trustee a sum sufficient to pay all principal of the Series F-1 Bonds then due (other than solely by reason of such declaration) and all unpaid installments of interest (if any) on all the Series F-1 Bonds then due with interest at the rate borne by the Series F-1 Bonds on such overdue principal and (to the extent legally enforceable) on such overdue installments of interest, and the reasonable expenses of the Trustee shall have been made good or cured or adequate provisions shall have been made therefor, and all other defaults hereunder have been made good or cured or waived in writing by the holders of a majority in principal amount of the Series F-1 Bonds Outstanding, then and in every case, the Trustee on behalf of the holders of all the Series F-1 Bonds shall rescind and annul such declaration and its consequences; but no such rescission and annulment shall extend to or shall affect any subsequent Event of Default, nor shall it impair or exhaust any right or power consequent thereon.

(d) Upon the occurrence of an Event of Default under Section 8.01(b) with respect to the Series F-2 Bonds, the Trustee may, and upon the written request of the Holders of not less than

a majority in aggregate principal amount of the Series F-2 Bonds Outstanding, by a notice in writing delivered to the Issuer and the Borrower, shall, declare the principal of all of the Series F-2 Bonds Outstanding (if not then due and payable), and the interest accrued thereon, to be due and payable immediately. Upon the occurrence of any Event of Default with respect to the Series F-2 Bonds described in Section 8.01(c), the Trustee may, with the written consent of all Holders of the Series F-2 Bonds Outstanding, declare by a notice in writing delivered to the Issuer and the Borrower, the principal of all Series F-2 Bonds Outstanding (if not then due and payable), and the interest accrued thereon, to be due and payable immediately. Following such declaration, interest on any unpaid principal or Redemption Price of Series F-2 Bonds Outstanding shall continue to accrue from such date through but not including the tender of payment to the Holders of those Series F-2 Bonds.

**Section 8.03 Other Remedies; Rights of Bondholders.** Subject to Section 8.13, upon the happening and continuance of an Event of Default the Trustee in its own name and as trustee of an express trust, on behalf and for the benefit and protection of the holders of the Series F-1 Bonds or the Series F-2 Bonds, as applicable, may also proceed to protect and enforce any rights of the Trustee and, to the full extent that the holders of such Bonds themselves might do, the rights of such Bondholders under the laws of the State or under this Indenture by such of the following remedies as the Trustee shall deem most effectual to protect and enforce such rights:

(a) By pursuing any available remedies under the Financing Agreement, the Regulatory Agreement or the MBS; provided, that available remedies under the MBS may only be pursued following an Event of Default under paragraph (a) under the heading “Events of Default,” above, or paragraph (b) under the heading “Events of Default,” above, with respect to the Series F-1 Bonds;

(b) Upon an Event of Default under Section 8.01(a) only, by realizing or causing to be realized through sale or otherwise upon the security pledged hereunder (including the sale or disposition of the MBS); and

(c) By action or suit in equity, to enjoin any acts or things which may be unlawful or in violation of the rights of the Bondholders and to execute any other papers and documents and do and perform any and all such acts and things as may be necessary or advisable in the opinion of the Trustee in order to have the respective claims of the Bondholders against the Issuer allowed in any bankruptcy or other proceeding.

If an Event of Default shall have occurred, and if requested by the holders of not less than 75% (or 100% as set forth in Section 8.02(b) hereof) in aggregate principal amount of the Series F-1 Bonds or the Series F-2 Bonds Outstanding, as applicable, and upon being indemnified to its satisfaction, the Trustee shall be obligated to exercise one or more of the rights and powers conferred by this Article as the Trustee, being advised by counsel, shall deem to be in the best interests of the Bondholders subject to the limitations set forth above and in this Indenture.

No right or remedy by the terms of this Indenture conferred upon or reserved to the Trustee (or to the Bondholders) is intended to be exclusive of any other right or remedy, but each and every such right and remedy shall be cumulative and shall be in addition to any other right or remedy given to the Trustee or to the Bondholders hereunder or under the Financing Agreement, the Regulatory Agreement or the MBS or now or hereafter existing at law or in equity.

No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein and every such right and power may be exercised from time to time as often as may be deemed expedient.

No waiver of any default or Event of Default hereunder, whether by the Trustee or by the Bondholders, shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereon.

For avoidance of doubt, no Event of Default with respect to the Series F-1 Bonds shall, by itself, constitute an Event of Default with respect to the Series F-2 Bonds, and vice versa.

**Section 8.04 Representation of Bondholders by Trustee.** The Trustee is hereby irrevocably appointed (and the Bondholders, by accepting and holding their Bonds, shall be conclusively deemed to have so appointed the Trustee and to have mutually covenanted and agreed, each with the other, not to revoke such appointment) the true and lawful attorney in fact of the Bondholders with power and authority, in addition to any other powers and rights heretofore granted the Trustee, at any time in the Trustee's discretion to make and file, in any proceeding in bankruptcy or judicial proceedings for reorganization or liquidation of the affairs of the Issuer, either in the respective names of the Bondholders or on behalf of all the Bondholders as a class, any proof of debt, amendment of proof of debt, petition or other document, to receive payment of any sums becoming distributable to the Bondholders, and to execute any other papers and documents and do and perform any and all such acts and things as may be necessary or advisable in the opinion of the Trustee in order to have the respective claims of the Bondholders against the Issuer allowed in any bankruptcy or other proceeding.

In the enforcement of any rights and remedies hereunder, the Trustee in its own name and as trustee of an express trust on behalf of and for the benefit of the holders of all Bonds, shall be entitled to sue for, enforce payment on and receive any and all amounts then or during any Event of Default becoming, and at any time remaining, due from the Issuer for principal, premium, if any, interest or other moneys, under any provision hereof or of the Bonds, and unpaid, with interest on overdue payments at the rate or rates of interest specified in such Bonds, together with any and all costs and expenses of collection and of all proceedings hereunder and under such Bonds, without prejudice to any other right or remedy of the Trustee or of the Bondholders.

**Section 8.05 Action by Trustee.** All rights of action hereunder or upon any of the Bonds enforceable by the Trustee may be enforced by the Trustee without the possession of any of the Bonds, or the production thereof at the trial or other proceedings relative thereto, and any such suit, action or proceeding instituted by the Trustee may be brought in its name for the ratable benefit of the holders of such Bonds subject to the provisions hereof.

In any action, suit or other proceeding by the Trustee, the Trustee shall be paid fees, counsel fees and expenses in accordance with Section 9.02.

**Section 8.06 Accounting and Examination of Records After Default.** The Issuer covenants with the Trustee and the Bondholders that, if an Event of Default shall have happened and shall not have been remedied, the books of record and account of the Issuer relating to the Bonds and the Project shall at all times during normal business hours be subject to the inspection and use of the Trustee and of its agents and attorneys.

**Section 8.07 Restriction on Bondholder Action.** No holder of any Bond shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of any provision hereof or for the execution of any trust hereunder or for any other remedy hereunder, unless (a)(i) such holder previously shall have given to the Issuer and the Trustee written notice of the Event of Default on account of which such suit, action or proceeding is to be instituted, and (ii) after the occurrence of such Event of Default, a written request shall have been made of the Trustee to institute such suit, action or proceeding by the holders of not less than 25% in aggregate principal amount of the Series F-1 Bonds or the Series F-2 Bonds Outstanding, as applicable, and there shall have been offered to the Trustee security and indemnity satisfactory to it against the costs and liabilities to be incurred therein or thereby, and (iii) the Trustee shall have been enjoined or restrained from complying or shall have refused or neglected or otherwise failed to comply with such request within a reasonable time; or (b)(i) such holder previously shall have obtained the written consent of the Trustee to the institution of such suit, action or proceeding, and (ii) such suit, action or proceeding is brought for the ratable benefit of the Bondholders subject to the provisions hereof.

Nothing in this Article contained shall affect or impair the right of any Bondholder to enforce the payment of the principal of, premium, if any, and interest on his or her Bonds or the obligation of the Issuer to pay the principal of, premium, if any, and interest on each Bond to the holder thereof, at the time and place and from the source expressed in such Bonds and pursuant to the terms of the Bonds and this Indenture.

No holder of any Bond shall have any right in any manner whatever by his or her action to affect, disturb or prejudice the pledge of the Trust Estate, consisting of MBS Revenues and any other moneys, funds or securities hereunder, or, except in the manner and on the conditions in this Section provided, to enforce any right or duty hereunder.

**Section 8.08 Application of Moneys After Default.** All moneys collected by the Trustee at any time pursuant to this Article shall, except to the extent, if any, otherwise directed by a court of competent jurisdiction, be credited by the Trustee to the Revenue Fund. Such moneys so credited to the Revenue Fund and all other moneys from time to time credited to the Revenue Fund shall at all times be held, transferred, withdrawn and applied as prescribed by the provisions of Article V and this Section.

Subject in all instances to the provisions of Section 8.11, in the event that at any time the moneys credited to the Revenue Fund, or any other funds held by the Issuer or the Trustee available for the payment of interest or principal then due with respect to the Series F-1 Bonds or the Series F-2 Bonds, as applicable, shall be insufficient for such payment, such moneys and funds (other than funds held for the payment or redemption of particular Bonds as provided in Section 5.13) shall be applied as follows:

(a) Only in the event that there has been an Event of Default hereunder pursuant to Section 8.01(a) as a result of a failure by Fannie Mae to make payments under the MBS, for payment of all amounts due to the Trustee incurred in performance of its duties under this Indenture and the other documents executed in connection therewith, including, without limitation, the payment of all reasonable fees and expenses of the Trustee incurred in exercising any remedies under this Indenture and the other documents executed in connection herewith;

(b) Unless the principal of all of the Series F-1 Bonds or the Series F-2 Bonds, as applicable, shall have become or have been declared due and payable:

First: To the payment to the persons entitled thereto of all installments of interest then due in the order of the maturity of such installments, and, if the amount available is not sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference; and

Second: To the payment to the persons entitled thereto of the unpaid principal of and premium, if any, on any Bonds which shall have become due, whether at maturity or by call for redemption, in the order in which they became due and payable, and, if the amount available is not sufficient to pay in full all the principal of and premium, if any, on the Bonds so due on any date, then to the payment of principal ratably, according to the amounts due on such date, to the persons entitled thereto, without any discrimination or preference and then to the payment of any premium due on the Bonds, ratably, according to the amounts due on such date, to the persons entitled thereto, without any discrimination or preference; and

(c) If the principal of all of the Series F-1 Bonds or the Series F-2 Bonds, as applicable, shall have become or have been declared due and payable, to the payment of the principal of, premium, if any, and interest then due and unpaid upon the Series F-1 Bonds or the Series F-2 Bonds, as applicable, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the Series F-1 Bonds or the Series F-2 Bonds, as applicable.

**Section 8.09 Control of Proceedings.** In the case of an Event of Default pursuant to Section 8.01(a) or Section 8.01(b), the holders of at least 75% in aggregate principal amount of the Series F-1 Bonds Outstanding or the Series F-2 Bonds Outstanding, as applicable, shall have the right, subject to the provisions of Section 8.07, by an instrument in writing executed and delivered to the Trustee, to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee; provided, however, that the Trustee shall have the right to decline to follow any such direction if the Trustee shall be advised by counsel that the action or proceeding so directed may not be taken lawfully, or if the Trustee in good faith shall determine that the action or proceeding so directed would involve the Trustee in personal liability or otherwise adversely affect the Trustee or be unjustly prejudicial to Bondholders not parties to such direction.

**Section 8.10 Waivers of Events of Default.** The Trustee shall waive any Event of Default hereunder and its consequences and rescind any declaration of maturity of principal of, premium, if any, and interest on the Series F-1 Bonds or the Series F-2 Bonds, as applicable, upon the written request of the holders of a majority in aggregate principal amount of all of the Series F-1 Bonds or the Series F-2 Bonds Outstanding, as applicable, with respect to which there is an Event of Default; provided, however, that there shall not be waived (a) any default in the payment of the principal amount of any Bonds at the date of maturity specified therein or upon proceedings for mandatory redemption, or (b) any default in the payment when due of the interest or premium, if any, on any such Bonds, unless prior to such waiver or rescission all arrears of interest, with interest (to the extent permitted by law) at the rate borne by the Bonds in respect of which such Event of Default shall have occurred on overdue installments of interest or all arrears of payments of principal or premium, if any, when due (whether at the stated maturity thereof or upon proceedings for mandatory redemption) as the case may

be, and all expenses of the Trustee in connection with such monetary default, shall have been paid or provided for, and in case of any such waiver or rescission, the Issuer, the Borrower, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder respectively.

No such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereto; and no delay or omission of the Trustee or of any Bondholders to exercise any right or power accruing upon any Event of Default shall impair any right or power or shall be construed to be a waiver of any such Event of Default, or acquiescence therein.

**Section 8.11 Subordination.** No claim for interest on any of the Series F-1 Bonds or the Series F-2 Bonds, as applicable, which claim in any way at or after maturity shall have been transferred or pledged by the holder thereof separate and apart from the Bond to which it relates, unless accompanied by such Bond, shall be entitled in case of an Event of Default hereunder to any benefit by or from this Indenture except after the prior payment in full of the principal of and premium, if any, on all of the Series F-1 Bonds or the Series F-2 Bonds, as applicable, then due and of all claims for interest then due not so transferred or pledged.

**Section 8.12 Termination of Proceedings.** In case any proceeding taken by the Trustee on account of any Event of Default shall have been discontinued or abandoned for any reason or determined adversely to the Trustee, then in every such case the Issuer, the Borrower, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Trustee shall continue as though no such proceeding had been taken.

**Section 8.13 No Interference or Impairment of MBS.** Notwithstanding any other provision of this Indenture to the contrary, following the MBS Delivery Date, so long as the MBS remains outstanding and Fannie Mae is not in default in its payment obligations thereunder, neither the Issuer, the Trustee nor any person under their control shall, without the prior written consent of Fannie Mae, exercise any remedies or direct any proceedings under this Indenture with respect to the Series F-1 Bonds other than to (a) enforce rights under the MBS, (b) enforce the tax covenants in this Indenture and the Financing Agreement, (c) enforce rights of specific performance under the Regulatory Agreement, or (d) enforce the Issuer's Reserved Rights; provided, however, that any enforcement under subsections (b) or (c) above shall not include seeking monetary damages other than actions for the Issuer Fees and Expenses or the Trustee Fees and Expenses.

Nothing contained in this Indenture shall affect or impair the right of any Bondholder to enforce the payment of the principal of, the premium, if any, and interest on any Bond at the maturity thereof or the obligation of the Trustee to pay the principal of, premium, if any, and interest on the Bonds issued hereunder to the respective holders thereof, at the time, in the place, from the sources and in the manner expressed herein and in said Bonds.

## ARTICLE IX

### THE TRUSTEE AND THE REMARKETING AGENT

**Section 9.01 Acceptance of the Trusts.** The Trustee hereby accepts the trusts imposed upon it by this Indenture, and agrees to perform said trusts, but only upon and subject to the following express terms and conditions and no implied covenants or conditions shall be read into this Indenture against the Trustee:

(a) The Trustee, prior to the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. In case an Event of Default has occurred (which has not been cured or waived) the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a reasonable person would exercise or use under the circumstances in the conduct of his or her own affairs.

(b) The Trustee may execute any of the trusts or powers hereof and perform any of its duties by or through attorneys, agents, receivers or employees but shall not be answerable for the conduct of the same if appointed with reasonable care, and shall be entitled to advice of counsel concerning all matters of the trusts hereof and the duties hereunder, and may in all cases pay such reasonable compensation to all such attorneys, agents, receivers and employees as may reasonably be employed in connection with the trusts hereof. The Trustee may act upon the opinion or advice of any attorneys (who may be the attorney or attorneys for the Issuer, the Borrower or Fannie Mae) approved by the Trustee in the exercise of reasonable care. The Trustee shall not be responsible for any loss or damage resulting from any action or non-action taken in good faith in reliance upon such opinion or advice.

(c) The Trustee shall not be responsible for any recital herein, or in the Bonds (except in respect to the certificate of the Trustee endorsed on the Bonds), or for insuring the Project or collecting any insurance moneys, or for the registration, filing or recording or re registration, re-filing or re-recording of this Indenture or the Mortgage or any financing statements relating hereto or thereto or for the validity of the execution by the Issuer of this Indenture or of any supplements hereto or instruments of further assurance, or for the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby, or for the value or title of the Project or otherwise as to the maintenance of the security hereof. The Trustee shall not be bound to ascertain or inquire as to the performance or observance of any covenants, conditions or agreements on the part of the Issuer or on the part of the Borrower under the Financing Agreement, except as hereinafter set forth; but the Trustee may require of the Issuer or the Borrower full information and advice as to their performance of the covenants, conditions and agreements aforesaid. The Trustee acknowledges it has assumed certain duties of the Issuer under the Financing Agreement and the Regulatory Agreement.

(d) The Trustee shall not be accountable for the use of any Bonds authenticated or delivered hereunder. The Trustee may become the owner of Bonds secured hereby with the same rights which it would have if it were not Trustee hereunder. To the extent permitted by law, the Trustee may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondholders or to effect or aid in any reorganization growing out of the enforcement of the Bonds or this Indenture, whether or not any such committee shall represent the holders of a majority in aggregate principal amount of the Bonds Outstanding.

(e) The Trustee shall be protected in acting under any notice, request, consent, certificate, order, affidavit, letter, facsimile transmission, telegram or other paper or document reasonably believed to be genuine and correct and to have been signed or sent by the proper person or persons. Any action taken by the Trustee pursuant to this Indenture upon the request, authority or consent of any person who at the time of making such request or giving such authority or consent is the owner of any Bond, shall be conclusive and binding upon all future owners of the same Bond and upon Bonds issued in exchange therefor or in place thereof.

(f) As to the existence or nonexistence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, the Trustee shall be entitled to rely (unless other evidence in respect thereof is herein specifically prescribed) upon an Officer's Certificate as sufficient evidence of the facts therein contained and prior to the occurrence of an Event of Default of which the Trustee has been notified as provided in subsection (h) of this Section, or of which by said subsection it is deemed to have notice, shall also be at liberty to accept an Officer's Certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same. The Trustee may accept a certificate signed by an Attesting Officer of the Issuer as conclusive evidence that a resolution of the governing body of the Issuer has been duly adopted and is in full force and effect.

(g) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty and it shall not be answerable for other than its own negligence or willful misconduct.

(h) The Trustee shall not be required to take notice or be deemed to have notice of any default or Event of Default hereunder except a default in payment when due of the principal of, premium, if any, or interest on any Bond or the failure of the Issuer or the Borrower to file with the Trustee any documents required by this Indenture, the Financing Agreement or the Regulatory Agreement to be so filed subsequent to the issuance of the Bonds unless the Trustee shall be specifically notified in writing of such default or Event of Default by the Issuer or by the holders of at least 75% in aggregate principal amount of Series F-1 Bonds or Series F-2 Bonds Outstanding, as applicable, and all notices or other instruments required by this Indenture to be delivered to the Trustee must, in order to be effective, be delivered at the designated office of the Trustee, and in the absence of such notice so delivered the Trustee may conclusively assume there is no default or Event of Default except as aforesaid.

(i) At any and all reasonable times the Trustee and its duly authorized agents, attorneys, experts, engineers, accountants and representatives shall have the right fully to inspect any and all of the property herein conveyed, including the Project and all books, papers and records of the Issuer pertaining to the Project and the Bonds, and to take such memoranda from and in regard thereto as may be desired, provided that such inspection be made and any such memoranda be taken and used on a basis that will insure the confidentiality thereof and of any results thereof.

(j) The Trustee shall not be required to give any bond or surety in respect of the execution of the trusts and powers or otherwise in respect of the premises granted in this Indenture.

(k) Notwithstanding anything elsewhere in this Indenture contained, the Trustee shall have the right, but shall not be required, to demand, in respect of the authentication of any Bonds, the withdrawal of any cash, the release of any property or any action whatsoever within the purview of this Indenture (other than enforcement of the Regulatory Agreement), any showings, certificates, opinions, appraisals or other information, or corporate action or evidence thereof, in addition to that by the terms hereof required as a condition of such action by the Trustee, as is deemed desirable by the Trustee for the purpose of establishing the right of the Issuer to the authentication of any Bonds, the withdrawal of any cash, the release of any property or the taking of any other action by the Trustee, but the resolutions, opinions, certificates and other instruments provided for in this Indenture may be accepted by the Trustee as conclusive evidence of the facts and conclusions stated therein and shall be

full warranty, protection and authority to the Trustee for the release of property and the withdrawal of cash hereunder.

(l) Before taking any action under Article VIII of this Indenture, the Trustee may require that a satisfactory indemnity bond or other indemnity satisfactory to the Trustee be furnished at the Borrower's expense for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from its negligence or willful misconduct in conjunction with any action so taken.

(m) All moneys received by the Trustee, until used, applied or invested as herein provided, shall be held in trust for the purposes for which they were received but need not be segregated from other funds except to the extent required by law.

(n) The immunities extended to the Trustee also extend to its directors, officers, employees and agents.

(o) The Trustee's rights to immunities and protection from liability hereunder and its rights to payment of its fees and expenses shall survive its resignation or removal and the final payment or the defeasance of the Bonds (or the discharge of the Bonds or the defeasance of the lien of this Indenture).

(p) None of the provisions contained in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur individual financial liability in the performance of any of its duties or in the exercise of any of its rights or powers.

(q) The Trustee shall have no responsibility, opinion or liability with respect to any information, statement or recital in any offering memorandum or other disclosure material prepared or distributed with respect to the issuance of the Bonds.

(r) The Trustee shall at all times, to the extent permitted by law, defend, preserve and protect the pledge and assignment in trust of the Trust Estate created hereby and all the rights of the Bondholders hereunder against all claims and demands of all persons whomsoever.

**Section 9.02 Fees, Charges and Expenses of Trustee.** Notwithstanding any provision to the contrary herein, but subject to the limitations set forth in the Extraordinary Trustee Fees and Expenses as defined in Section 1.01 hereof, the Trustee shall be entitled to payment for reasonable fees for its services rendered hereunder and under the Financing Agreement and reimbursement for all advances, counsel fees and other expenses reasonably made or incurred by the Trustee (including any co-Trustee) in connection with such services which shall be paid from time to time as provided in the Financing Agreement; provided that no such amounts shall be paid to the Trustee from the proceeds of the MBS. Upon an Event of Default under Section 8.01(a) as a result of a failure by Fannie Mae to make payment under the MBS, but only upon such an Event of Default, the Trustee shall have a lien upon the Trust Estate for extraordinary fees, charges and expenses incurred by it. The Issuer shall require the Borrower to indemnify and save harmless the Trustee against any liabilities which the Trustee may incur in the exercise and performance of its powers and duties hereunder, under the Financing Agreement and under the Regulatory Agreement which are not due to its own negligence or willful misconduct, and to reimburse the Trustee for any fees and expenses of the Trustee to the extent they exceed funds available under this Indenture for the payment thereof, subject only to the right of the Borrower to contest the reasonableness of any such fees or the necessity for any such expenses.

The Trustee shall continue to perform its duties and obligations hereunder until such time as its resignation or removal is effective pursuant to Section 9.05 or Section 9.06, respectively.

**Section 9.03 Intervention by Trustee.** In any judicial proceeding to which the Issuer is a party and which in the opinion of the Trustee and its counsel has a substantial bearing on the interests of owners of the Bonds, the Trustee may intervene on behalf of the Bondholders and shall do so if requested in writing by the owners of at least 75% in aggregate principal amount of Series F-1 Bonds or Series F-2 Bonds Outstanding, as applicable, subject to receipt of indemnity as provided in Section 9.01(l). The rights and obligations of the Trustee under this Section are subject to receipt of any approval of a court of competent jurisdiction which may be required by law as a condition to such intervention.

**Section 9.04 Merger or Consolidation of Trustee.** Any corporation or association into which the Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, ipso facto shall be and become successor Trustee hereunder and vested with all of the title to the Trust Estate and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

**Section 9.05 Resignation by Trustee.** The Trustee and any successor Trustee may at any time resign from the trusts hereby created by giving 30 days' written notice to the Issuer, the Construction Lender (but only prior to the Conversion Date) and Fannie Mae, and such resignation shall only take effect upon the appointment, pursuant to Section 9.07, of, and acceptance by, a successor Trustee. The successor Trustee shall give notice of such succession by first class mail, postage prepaid, to each Bondholder at the address of such Bondholder shown on the Bond Register.

**Section 9.06 Removal of Trustee.** The Trustee may be removed at any time by an instrument or concurrent instruments in writing delivered to the Trustee, Fannie Mae and the Construction Lender (but only prior to the Conversion Date), and signed by the Issuer (or if an Event of Default shall have occurred and be continuing, by the owners of a majority in aggregate principal amount of the Bonds Outstanding, in which event such instrument or instruments in writing shall also be delivered to the Issuer) provided that such removal shall not take effect until the appointment of a successor Trustee by the Issuer (or by the Bondholders) as provided hereinafter.

**Section 9.07 Appointment of Successor Trustee.** In case at any time the Trustee or any successor thereto shall resign or shall be removed or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of such Trustee or of its property shall be appointed, or if any public officer shall take charge or control of such Trustee or of its property or affairs, a successor may be appointed by the Issuer with the approval of Fannie Mae (if it is not in default in its obligations under the MBS), or if Fannie Mae does not approve a successor the Issuer proposes to appoint, or if the Issuer is in default hereunder, by the holders of a majority in aggregate principal amount of the Bonds Outstanding, excluding any Bonds held by or for the account of the Issuer, by an instrument or concurrent instruments in writing signed by such Bondholders, or their attorneys duly authorized in writing, and delivered to such successor Trustee, notification thereof being given to the Issuer, Fannie Mae, the Borrower, the Investor Limited Partner and the predecessor Trustee. If in a proper case no appointment of a successor Trustee shall have been made pursuant to

the foregoing provisions of this Section within 45 days after the Trustee shall have given to the Issuer written notice as provided in Section 9.05 or after the occurrence of any other event requiring or authorizing such appointment, the Trustee or any Bondholder may apply to any court of competent jurisdiction to appoint a successor. The court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor Trustee.

Any Trustee appointed under the provisions of this Section shall be a bank, trust company or national banking association, having a designated office within the State, having trust powers, with prior experience as trustee under indentures under which multifamily housing revenue bonds of public agencies or authorities are issued, and having a capital and surplus acceptable to the Issuer, the DUS Lender, the Construction Lender (but only prior to the Conversion Date) and Fannie Mae, willing and able to accept the office on reasonable and customary terms in light of the circumstances under which the appointment is tendered and authorized by law to perform all the duties imposed upon it hereby, if there be such an institution meeting such qualifications willing to accept such appointment.

**Section 9.08 Transfer of Rights and Property to Successor Trustee.** Any successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor Trustee, and also to the Issuer and Fannie Mae, and any Bondholder which shall request the same, an instrument accepting such appointment, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of such predecessor Trustee, with like effect as if named herein as such Trustee, but the Trustee ceasing to act shall nevertheless, on the written request of the Issuer, Fannie Mae or the successor Trustee, execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as reasonably may be required for more fully and certainly vesting and confirming in such successor Trustee all the right, title and interest of the predecessor Trustee in and to any properties held by it under this Indenture, and shall pay over, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Should any deed, conveyance or instrument in writing from the Issuer be required by such successor Trustee for more fully and certainly vesting in and confirming to such successor Trustee any such moneys, estates, properties, rights, powers and duties, any and all such deeds, conveyances and instruments in writing, on request, and so far as may be authorized by law, shall be executed, acknowledged and delivered by the Issuer.

**Section 9.09 Successor Trustee as Bond Registrar, Custodian of Funds and Paying Agent.** In the event of a change in the Trustee, the Trustee which has resigned or been removed shall cease to be Bond Registrar, custodian of the Funds and Accounts created under this Indenture and paying agent for the Bonds, and the successor Trustee shall become such Bond Registrar, custodian and paying agent.

**Section 9.10 Collection of MBS Payments.** Following the MBS Delivery Date, the Trustee shall cause the MBS to be registered in the name of the Trustee or in the name of the nominee of the Trustee with such additional recitals as appropriate to indicate that the MBS is to be held by the Trustee in its capacity as Trustee hereunder subject to the provisions of Sections 7.03 and 7.04. In the event that any amount payable to the Trustee under the MBS is not received by the Trustee within one Business Day of the date such payment is due, the Trustee shall notify Fannie Mae or (if directed by Fannie Mae) the paying agent for the MBS by telephone (such notification to be immediately confirmed by Electronic Means) that such payment has not been received in a timely manner and request that such payment be made by wire transfer of immediately available funds to the account of the Trustee or such custodian, as the case may be.

**Section 9.11 Requests from Rating Agency.** The Trustee shall promptly respond in writing, or in such other manner as may be reasonably requested, to requests from the Rating Agency for information deemed necessary by the Rating Agency in order to maintain the rating assigned thereby to the Bonds. The Trustee shall promptly furnish any such requested information in its possession to the Rating Agency and shall, as may be reasonably requested by the Rating Agency, assist in efforts to obtain any necessary information from the Issuer or the Borrower or Fannie Mae as applicable.

**Section 9.12 Arbitrage.**

(a) Moneys and securities held by the Trustee in the Rebate Fund are not pledged or otherwise subject to any security interest in favor of the Trustee to secure the Bonds or any other payments required to be made hereunder or any other document executed and delivered in connection with the issuance of the Bonds.

(b) The Trustee shall hold moneys in the Rebate Fund separate and apart from all other Funds and Accounts established under this Indenture and such moneys shall be separately invested and reinvested by the Trustee in Eligible Investments. The interest accruing thereon and any profit realized therefrom shall be credited to the Rebate Fund, and any loss resulting therefrom shall be charged to the Rebate Fund. The Trustee shall sell and reduce to cash a sufficient amount of such Eligible Investments whenever the cash balance in the Rebate Fund is insufficient for its purposes.

(c) The Trustee covenants that it will invest funds held under this Indenture in accordance with the covenants and terms of this Indenture and the Tax Certificate (this covenant shall extend through the Bond Maturity Date to all Funds and Accounts created under this Indenture and all money on deposit to the credit of any such Fund or Account). The Trustee covenants that, notwithstanding any other provisions of this Indenture or of any other Financing Document, it will not knowingly make or cause to be made any investment or other use of the money in the funds or accounts created hereunder which would cause the Bonds to be classified as “arbitrage bonds” within the meaning of Sections 103(b) and 148 of the Code or would cause the interest on the Bonds to be includable in gross income for federal income tax purposes (this covenant shall extend through the Bond Maturity Date to all Funds and Accounts created under this Indenture and all money on deposit to the credit of any such Fund or Account). Pursuant to this covenant, with respect to the investments of the Funds and Accounts under this Indenture, the Trustee obligates itself to comply, so long as any Bonds remain Outstanding, with the requirements of Sections 103(b) and 148 of the Code; provided that the Trustee shall be deemed to have complied with such requirements and shall have no liability to the extent it reasonably follows the written directions of the Borrower, the Issuer, Bond Counsel or the Rebate Analyst. The Trustee further covenants that should the Issuer or the Borrower file with the Trustee (it being understood that neither the Issuer nor the Borrower has an obligation to so file), or should the Trustee receive, an opinion of Bond Counsel to the effect that any proposed investment or other use of Bond Proceeds would cause the Bonds to become “arbitrage bonds,” then the Trustee will comply with any written instructions of the Issuer, the Borrower or Bond Counsel regarding such investment (which shall, in any event, be an Eligible Investment) or use so as to prevent the Bonds from becoming “arbitrage bonds,” and the Trustee will bear no liability to the Issuer or the Borrower for investments made in accordance with such instructions.

(d) At the Borrower’s expense, the Issuer hereby covenants to provide, or to cause the Borrower to provide, a Rebate Analyst for the calculation of rebate due to the federal government of excess investment earnings hereunder, to the extent required by Section 148(f) of the Code.

(e) The determination of the Rebate Amount shall be made by the Rebate Analyst in accordance with the Tax Certificate and the Rebate Amount shall be paid at such times and in such installments as provided therein. As further provided in the Tax Certificate, the Borrower shall be responsible for calculating or causing to be calculated and paying the Rebate Amount.

(f) In order to provide for the administration of this Section, the Trustee may provide for the employment of independent attorneys, accountants and consultants compensated on a reasonable basis and in addition and without limitation of the provisions of Section 9.01, the Trustee may rely conclusively upon and be fully protected from all liability in relying upon the opinions, determinations, calculations and advice of such attorneys, accountants and consultants employed hereunder.

(g) The Borrower shall be responsible for any fees and expenses incurred by the Issuer or the Trustee under or pursuant to this Section.

(h) Withdrawals from the Rebate Fund may be made to the extent the Rebate Analyst determines that amounts on deposit therein exceed amounts required to be on deposit therein pursuant to this Section. All amounts so withdrawn shall be transferred to the Revenue Fund.

(i) The provisions of this Section may be amended or deleted from this Indenture upon receipt by the Issuer and the Trustee of an Opinion of Bond Counsel that such amendment or deletion will not adversely affect the exclusion of the interest on the Bonds from gross income for federal income tax purposes. Any moneys on deposit in the Rebate Fund may be applied by the Trustee as permitted in such Opinion. Fees and expenses incurred in connection with the determination of rebatable arbitrage shall be paid by the Borrower pursuant to the provisions of the Financing Agreement.

(j) In the event of a conflict between the provisions of this Section 9.12 and the Tax Certificate, the provisions of the Tax Certificate shall control.

**Section 9.13 Compliance of Borrower Under Regulatory Agreement.** The Trustee shall give written notice to the Issuer, the DUS Lender, the Construction Lender (but only prior to the Conversion Date), the Investor Limited Partner and Fannie Mae of any failure by the Borrower to comply with the terms of the Regulatory Agreement.

**Section 9.14 Concerning the Remarketing Agent.** The Remarketing Agent identified in Section 1.01 hereof shall serve as the Remarketing Agent for the Bonds. The Remarketing Agent shall designate to the Trustee its designated corporate trust office and signify its acceptance of the duties and obligations imposed upon it hereunder by a written instrument of acceptance delivered to the Issuer, the Borrower and the Trustee. In addition, the Remarketing Agent will agree particularly to:

(a) keep such records relating to its computations of interest rates for the Series F-2 Bonds as shall be consistent with prudent industry practice and to make such records available for inspection by the Issuer, the Trustee, the Borrower and the Investor Limited Partner at all reasonable times; and

(b) perform all of its functions and duties under this Indenture.

The Remarketing Agent shall be entitled to advice of legal counsel on any matter relating to the Remarketing Agent's obligations hereunder and shall be entitled to act upon the opinion of such counsel in the exercise of reasonable care in fulfilling such obligations.

The Remarketing Agent shall be entitled to appoint additional co-Remarketing Agents to assist in the performance of the Remarketing Agent's obligations under this Indenture, and any such appointment shall be effective without any action by the Issuer or the Borrower being necessary; provided that any such co-Remarketing Agent, shall have a capitalization of at least \$15,000,000, or shall have a line of credit with a commercial bank in the amount of at least \$15,000,000, shall be in conformity with all standards and requirements of the Municipal Securities Rulemaking Board and the Securities and Exchange Commission, and shall be authorized by law to perform all the duties imposed upon it by this Indenture. The Remarketing Agent shall take responsibility for any co-Remarketing Agent it appoints.

**Section 9.15 Qualification of Remarketing Agent.** The Remarketing Agent shall be a member in good standing of the Financial Industry Regulatory Authority having a capitalization of at least \$15,000,000, or shall have a line of credit with a commercial bank in the amount of at least \$15,000,000, and shall be authorized by law to perform all the duties imposed upon it by this Indenture. Subject to the terms of the Remarketing Agreement, the Remarketing Agent may at any time resign and be discharged of the duties and obligations created by this Indenture by giving at least 30 days' notice of such resignation to the Issuer, the Borrower, the Investor Limited Partner and the Trustee. The Remarketing Agent may be removed, with prior notice to the Issuer, at any time by the Borrower, with at least 30 days' notice of such removal to the Remarketing Agent.

Upon any resignation or removal of the Remarketing Agent, the departing Remarketing Agent shall pay over, assign and deliver any money and Bonds held by it in such capacity to its successor.

The Trustee, within 30 days of the resignation or removal of the Remarketing Agent or the appointment of a successor Remarketing Agent, shall give notice thereof by registered or certified mail to the Rating Agency (if the Series F-2 Bonds are then rated) and to the holders of the Series F-2 Bonds.

### SUPPLEMENTAL INDENTURES

**Section 10.01 Supplemental Indentures Effective Upon Acceptance.** For any one or more of the following purposes and at any time or from time to time, the Issuer and the Trustee may enter into a Supplemental Indenture which, upon the execution and delivery thereof by the Issuer and by the Trustee, and with the prior written consent of Fannie Mae (but only in connection with the Series F-1 Bonds), the DUS Lender and the Construction Lender (but only prior to the Conversion Date), but without the necessity of consent of the Bondholders, shall be fully effective in accordance with its terms:

(a) To add to the covenants or agreements of the Issuer herein contained other covenants or agreements to be observed by the Issuer or to otherwise revise or amend this Indenture in a manner which are/is not materially adverse to the interests of the Bondholders;

(b) To add to the limitations or restrictions herein contained other limitations or restrictions to be observed by the Issuer which are not contrary to or inconsistent with the provisions hereof as theretofore in effect;

(c) To surrender any right, power or privilege reserved to or conferred upon the Issuer herein, provided that the surrender of such right, power or privilege is not contrary to or inconsistent with the covenants and agreements of the Issuer contained herein and is not materially adverse to the interests of the Bondholders;

(d) To confirm, as further assurance, any pledge of the Trust Estate hereunder and the subjection to any lien on or pledge of the Trust Estate created or to be created hereby;

(e) To appoint a co-trustee or successor Trustee or successor co-trustee;

(f) To cure any ambiguity, supply any omission or cure or correct any defect or inconsistent provision herein;

(g) To insert such provisions clarifying matters or questions arising hereunder as are necessary or desirable and are not materially adverse to the interests of the Bondholders; and

(h) To make such changes and modifications that are necessary or desirable to provide for all interest, principal and premium, if any, paid with respect to the Bonds are in the exact respective amounts of the payments of interest, principal and premium, if any, paid under and pursuant to the MBS.

**Section 10.02 Supplemental Indentures Requiring Consent of Bondholders.** In addition to those amendments to this Indenture which are authorized by Section 10.01, any modification or amendment of this Indenture may be made by a Supplemental Indenture with the written consent, given as hereinafter provided in Section 10.03, of Fannie Mae (but only in connection with the Series F-1 Bonds) and the holders of at least two thirds in aggregate principal amount of the Bonds Outstanding at the time such consent is given; provided, however, that no such modification or amendment shall (a) permit a change in the terms of redemption or maturity of the principal amount of any Outstanding Bond or an extension of the date for payment of any installment of interest thereon or a reduction in the principal amount of, premium, if any, or the rate of interest on any Outstanding Bond without the consent of the holder of such Bond, (b) reduce the proportion of Bonds the consent of the holders of which is required to effect any such modification or amendment or to effectuate an acceleration of the Bonds prior to maturity, (c) permit the creation of a lien on the Trust Estate pledged under this Indenture prior to or on a parity with the lien of this Indenture, (d) deprive the holders of the Bonds of the lien created by this Indenture upon the Trust Estate (except as expressly provided in this Indenture), without (with respect to (b) through (d)) the consent of the holders of all Bonds Outstanding, or (e) change or modify any of the rights or obligations of the Trustee without the written consent thereto of the Trustee.

**Section 10.03 Consent of Bondholders.** The Issuer and the Trustee may, at any time, execute and deliver a Supplemental Indenture making a modification or amendment permitted by the provisions of Section 10.02, to take effect when and as provided in this Section. A copy of such Supplemental Indenture (or brief summary thereof or reference thereto in a form approved by the Trustee), together with a request to Bondholders for their consent thereto in form satisfactory to the Trustee, shall be mailed by the Trustee to the Bondholders. Such Supplemental Indenture shall not be

effective unless there shall have been filed with the Trustee (a) the written consents of Fannie Mae (but only in connection with the Series F-1 Bonds) and the holders of the proportion of Outstanding Bonds specified in Section 10.02, and (b) an Opinion of Bond Counsel stating that such Supplemental Indenture has been duly and lawfully entered into by the Issuer in accordance with the provisions of this Indenture, is authorized or permitted by the provisions of this Indenture, and, when effective, will be valid and binding upon the Issuer. Each such consent of the Bondholders shall be effective only if accompanied by proof of the holding, at the date of such consent, of the Bonds with respect to which such consent is given, which proof shall be such as is permitted by Section 11.01. A certificate or certificates by the Trustee that it has examined such proof and that such proof is sufficient under the provisions of Section 11.01 shall be conclusive that the consents have been given by the Bondholders described in such certificate or certificates. Any such consent shall be binding upon the Bondholder giving such consent and upon any subsequent holder of such Bonds and of any Bonds issued in exchange therefor (whether or not such subsequent holder thereof has notice thereof). At any time after the holders of the required proportion of Bonds shall have filed their consents to such Supplemental Indenture, the Trustee shall make and file with the Issuer a written statement that the holders of such required proportion of Bonds have filed and given such consents. Such written statement shall be conclusive that such consents have been so filed and have been given. Within 90 days after filing such statement, the Trustee shall mail to the Bondholders a notice stating in substance that such Supplemental Indenture (which may be referred to as a Supplemental Indenture executed by the Issuer on a stated date, a copy of which is on file with the Trustee) has been consented to by the holders of the required proportion of Bonds and will be effective as provided in this Section, but failure to mail such notice shall not prevent such Supplemental Indenture from becoming effective and binding as provided in this Section 10.03. The Trustee shall file with the Issuer proof of the mailing of such notice to the Bondholders. A record, consisting of the papers required or permitted by this Section to be filed with the Trustee, shall be proof of the matters therein stated. Such Supplemental Indenture making such modification or amendment shall be deemed conclusively binding upon the Issuer, the Trustee and the holders of all Bonds upon the execution thereof and the filing by the Trustee with the Issuer of the statement that the required proportion of Bondholders have consented thereto.

The Issuer may conclusively rely upon the Trustee's determination that the requirements of this Section have been satisfied.

**Section 10.04 Modification by Unanimous Consent.** Notwithstanding anything contained in the foregoing provisions of this Article, the terms and provisions hereof and the rights and obligations of the Issuer and the Bondholders hereunder, in any particular, may be modified or amended in any respect upon execution and delivery of a Supplemental Indenture by the Issuer and the Trustee making such modification or amendment and the consent to such Supplemental Indenture of Fannie Mae (but only in connection with the Series F-1 Bonds), the DUS Lender, the Construction Lender (but only prior to the Conversion Date) and the holders of all of the Bonds Outstanding, such consent to be given and proved as provided in Section 10.03 except that no notice to Bondholders shall be required; provided, however, that no such modification or amendment shall change or modify any of the rights or obligations of the Trustee without the written assent thereto of the Trustee, in addition to the consent of the Bondholders.

**Section 10.05 Exclusion of Bonds.** Bonds owned or held by or for the account of the Issuer or the Borrower shall be excluded and shall not be deemed Outstanding for the purpose of consent or other action or any calculation of Outstanding Bonds provided for in this Article, unless all of the Bonds are owned or held by or for the account of the Issuer or the Borrower. In the event that not all of the Bonds are owned or held by or for the account of the Issuer or the Borrower, then neither the

Issuer nor the Borrower, as the case may be, shall be entitled with respect to such Bonds to give any consent or take any other action provided for in this Article. At the time of any consent or other action under this Article, in the event that any Bonds (but not all of the Bonds) are then owned by or for the account of the Issuer, the Issuer shall furnish to the Trustee an Officer's Certificate, upon which the Trustee may rely, describing all Bonds so to be excluded. The Trustee shall be obligated to exclude as aforesaid only such Bonds as are shown by the Bond Register or are otherwise known by the Trustee to be so owned or held.

**Section 10.06 Notation on Bonds.** Bonds delivered after the effective date of any action taken as provided in this Article may, and if the Trustee so determines shall, bear a notation by endorsement or otherwise in form approved by the Issuer and the Trustee as to such action, and in that case upon demand of the holder of any Bond Outstanding at such effective date and presentation of such Bond for such purpose at the principal office of the Trustee, suitable notation shall be made on such Bond by the Trustee as to any such action. If the Issuer or the Trustee shall so determine, new Bonds notated as in the opinion of the Trustee and the Issuer may be required to conform to such action shall be prepared and delivered, and upon demand of the holder of any Bond Outstanding, shall be exchanged, without cost to such Bondholder, for Bonds of the same series, designation, maturity and interest rate Outstanding upon surrender of such Bonds.

**Section 10.07 Additional Contracts or Indentures.** The Issuer, so far as it may be authorized by law and the Resolution, may enter, and if requested by the Trustee, shall enter into additional contracts or indentures with the Trustee giving effect to any modification or amendment of this Indenture as provided in this Article, subject to the requirements associated with request to the Issuer hereunder.

**Section 10.08 Opinion of Bond Counsel Concerning Supplemental Indentures.** The Trustee shall not execute or consent to any Supplemental Indenture unless prior to the execution and delivery thereof the Trustee and the Issuer shall have received the written Opinion of Bond Counsel to the effect that the modifications or amendments effected by such Supplemental Indenture will not adversely affect the exclusion of interest on the Bonds from gross income for federal income tax purposes or adversely affect the exemption of interest of the Bonds from personal income taxation by the State and are authorized and permitted under the provisions of this Indenture.

## ARTICLE XI

### MISCELLANEOUS

**Section 11.01 Evidence of Signatures of Bondholders and Ownership of Bonds.** Any request, consent, revocation of consent or other instrument which this Indenture may require or permit to be signed and executed by Bondholders may be in one or more instruments of similar tenor, and shall be signed or executed by such Bondholders in person or by their attorneys duly authorized in writing. Proof of the execution of any such instrument, or of an instrument appointing or authorizing any such attorney, or the holding by any person of any Bonds, shall be sufficient for any purpose hereof if made in the following manner or in any other manner satisfactory to the Trustee which may nevertheless in its discretion require further or other proof in cases where it deems the same desirable:

(a) The fact and date of the execution by any Bondholder or his or her attorney of any such instrument (other than the Bond) may be proved (i) by the certificate of a notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state in which he or

she purports to act that the person signing such instrument acknowledged to him or her the execution thereof, or by the affidavit of a witness of such execution, duly sworn to before such a notary public or other officer, or (ii) by the certificate, which need not be acknowledged or verified, of an officer of a bank, trust company or duly licensed securities broker or dealer satisfactory to the Trustee that the person signing such instrument acknowledged to such bank, trust company, broker or dealer the execution thereof;

(b) The authority of a person or persons to execute any such instrument on behalf of a corporate Bondholder may be established without further proof if such instrument is authorized by a corporate resolution (a copy of which shall be delivered to the Trustee) and signed by a person purporting to be the president or a vice president of such corporation; and

(c) The holding of Bonds, the amount, numbers and other identification thereof, and the date of holding the same, shall be proved by the Bond Register.

Any request, consent or other instrument executed by the registered owner of any Bond shall bind all future owners of such Bond in respect of anything done or suffered to be done hereunder by the Issuer or the Trustee in accordance herewith in reliance on such request, consent or other instrument.

**Section 11.02 Details of Documents Delivered to Trustee.** Matters required to be stated in any document signed by any Authorized Officer or in any accountant's certificate, Counsel's Opinion or Officer's Certificate may be stated in separate documents of the required description or may be included in one or more thereof.

**Section 11.03 Preservation and Inspection of Documents.** All reports, certificates, statements and other documents received by the Trustee under the provisions hereof shall be retained in its possession and shall be available at all reasonable times for the inspection of the Issuer, Fannie Mae or any Bondholder and their agents and representatives, any of whom may make copies thereof, but any such reports, certificates, statements or other documents may, at the election of the Trustee, be destroyed or otherwise disposed of at any time six years after such date as the pledge of the Trust Estate created hereby shall be discharged as provided in Section 7.01.

**Section 11.04 No Recourse on Bonds.** All covenants, stipulations, promises, agreements and obligations of the Issuer contained in this Indenture shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Issuer and not of any of its officials, officers, agents, employees or members of its governing body, past, present or future, in his or her individual capacity, and no recourse shall be had for the payment of the principal of, premium, if any, or Redemption Price or purchase price of or interest on the Bonds or for any claim based thereon or on this Indenture or any other Issuer Document or the Financing Documents against any such member, officer, employee or agent of the Issuer, past present or future, or any natural person executing the Bonds.

**Section 11.05 Severability.** If any one or more of the provisions, covenants or agreements in this Indenture on the part of the Issuer or the Trustee to be performed should be illegal, inoperative, unenforceable or contrary to law, then such provision or provisions, covenant or covenants, agreement or agreements, shall be deemed severable from the remaining provisions, covenants and agreements, and shall in no way affect the validity of the other provisions hereof or of the Bonds.

**Section 11.06 Notices.** Unless otherwise specified in this Indenture, it shall be sufficient service or giving of any notice, request certificate, demand or other communication if the same is sent by (and all notices required to be given by mail will be given by) first-class registered or certified mail, postage prepaid, return receipt requested, or by private courier service which provides evidence of delivery, or sent by Electronic Means which produces evidence of transmission, and in each case will be deemed to have been given on the date evidenced by the postal or courier receipt or other written evidence of delivery or electronic transmission. All approvals required under this Indenture will be given in writing. In addition, any notification received by the Trustee from the Lender shall be sent by the Trustee to the Bondholders as soon as practical after receipt thereof.

**Section 11.08 Action Required to be Taken on a Non-Business Day.** In any case where any Payment Date, any other date fixed for the payment of interest on or principal of the Bonds, any maturity date or any date fixed for redemption of any Bonds, shall be a day other than a Business Day, then any payment of interest or principal (and premium, if any) required to be made on such date need not be taken or made on such date but may be taken or made on the next succeeding Business Day with

the same force and effect as if made or taken on the date herein otherwise provided and, in the case of any Payment Date, no interest shall accrue for the period from and after such date.

**Section 11.09 Parties Interested Herein.** Nothing in this Indenture expressed or implied is intended or shall be construed to confer upon, or to give to, any person, other than the Issuer, the Trustee, Fannie Mae and the holders of the Bonds, any right, remedy or claim under or by reason hereof, and any covenants, stipulations, obligations, promises and agreements in this Indenture contained by and on behalf of the Issuer shall be for the sole and exclusive benefit of the Issuer, the Trustee, Fannie Mae and the Bondholders.

The date of authentication of each Series F-1 Bond shall be the date such Series F-1 Bond is registered.

The Series F-1 Bonds shall be subject to redemption prior to maturity as follows:

(a) Mandatory Redemption prior to MBS Delivery Date. On any Series F-1 Bond Payment Date that occurs prior to or during the month in which the MBS is delivered to the Trustee, the Series F-1 Bonds are subject to mandatory redemption in part in an amount equal to the amount due on the first day of the month in which such Payment Date occurs as shown in the Permanent Loan Amortization Schedule, payable with respect to principal first, from money on deposit in the Series F-1 Collateral Fund Account and second, from money on

deposit in the Series F-1 Bond Proceeds Fund Account, and with respect to interest, from money on deposit in the Series F-1 Revenue Fund Account.

(b) Mandatory Redemption Upon Failure to Convert or Failure to Purchase the MBS by the MBS Delivery Date Deadline. The Series F-1 Bonds are subject to mandatory redemption in whole five (5) calendar days after the MBS Delivery Date Deadline at a Redemption Price equal to 100% of the Outstanding principal amount thereof, plus interest accrued but unpaid from the first day of the month in which the last Payment Date occurred to such redemption date, if either the Conversion Date or the MBS Delivery Date has not occurred on or prior to the MBS Delivery Date Deadline, payable with respect to principal first, from money on deposit in the Series F-1 Collateral Fund Account and second, from money on deposit in the Series F-1 Bond Proceeds Fund Account, and with respect to premium, if any, and interest from money on deposit in the Series F-1 Revenue Fund Account.

(c) Mandatory Redemption on the MBS Delivery Date. The Series F-1 Bonds are subject to mandatory redemption in part on the MBS Delivery Date at a Redemption Price equal to 101% of the principal amount of the Series F-1 Bonds to be redeemed, plus interest accrued but unpaid from the first day of the month in which the last Payment Date occurred to the MBS Delivery Date, in an amount equal to the difference between (i) the principal amount of the MBS purchased on the MBS Delivery Date and (ii) the aggregate principal amount of the Series F-1 Bonds Outstanding as of the first day of the month in which the MBS Delivery Date occurred, payable with respect to principal first, from money on deposit in the Series F-1 Collateral Fund Account and second, from money on deposit in the Series F-1 Bond Proceeds Fund Account, and with respect to interest and premium, if any, from money on deposit in the Series F-1 Revenue Fund Account and other Eligible Funds.

(d) Mandatory Redemption Following the MBS Delivery Date. Following the MBS Delivery Date, the Series F-1 Bonds are subject to mandatory redemption in whole or in part one Business Day after the date on which each principal payment or prepayment is received pursuant to the MBS, at a Redemption Price equal to 100% of the principal amount, plus interest and premium, if any, received pursuant to the MBS.

(e) Mandatory Redemption in Lieu of Exchange. The Series F-1 Bonds are subject to mandatory redemption in whole or in part in the event the Issuer elects pursuant to the Indenture to redeem a Beneficial Owner's Series F-1 Bonds for an amount equal to the Cash Value in lieu of delivering to the Beneficial Owner of the Series F-1 Bonds its proportionate interest in the MBS based upon its proportionate interest in the Series F-1 Bonds. Any such redemption shall be made in the amounts, from the sources and in accordance with the provisions of the Indenture.

Notwithstanding anything to the contrary in the Indenture, the Series F-1 Bonds are not subject to optional redemption, but are subject to redemption prior to maturity in connection with a prepayment of the Permanent Loan as set forth in the Indenture.

Anytime the Series F-1 Bonds are to be redeemed pursuant to the Indenture, the Trustee shall give at least five (5) calendar days' notice, in the name of the Issuer, of the redemption of the Series F-1 Bonds, which notice shall specify the following: (i) the maturity and principal amounts of the Series F-1 Bonds to be redeemed; (ii) the CUSIP number, if any, of the Series F-1 Bonds to be redeemed; (iii) the date of such notice; (iv) the issuance date for such Series F-1 Bonds; (v) the interest

rate on the Series F-1 Bonds to be redeemed; (vi) the redemption date; (vii) any conditions to the occurrence of the redemption; (viii) the place or places where amounts due upon such redemption will be payable; (ix) the Redemption Price; (x) the Trustee's name and address with a contact person and a phone number; and (xi) that on the redemption date, the Redemption Price shall be paid. Notice delivered as required in this paragraph with respect to a redemption pursuant to Section (b), above, may be rescinded and annulled on or before the redemption date set forth in such notice if (i) the MBS is delivered on or prior to such redemption date or (ii) the MBS Delivery Date Deadline is extended pursuant to the Indenture. Neither the giving of such notice by the Trustee nor the receipt of such notice by the Bondholders shall be a condition precedent to the effectiveness of any such redemption. Notwithstanding anything herein to the contrary, no notice of redemption shall be required with respect to redemptions pursuant to Sections (a) or (d), above, and notice of redemption required in connection with a redemption pursuant to Section (e) above shall be given as described in the Indenture.

A Beneficial Owner of the Series F-1 Bonds may file with the Trustee a written request to exchange Series F-1 Bonds for a like principal amount of the MBS subject to and in accordance with the Indenture.

This Bond is one of the duly authorized bonds of the Issuer designated as Multifamily Housing Mortgage-Backed Bonds (Parkmoor) Series 2023F-1 (M-TEMS) (FN) (the "Series F-1 Bonds"), limited in aggregate principal amount to \$[Par Amount] issued pursuant to the Act and pursuant to an Indenture of Trust, dated as of October 1, 2023, by and between the Issuer and the Trustee (the "Indenture") and a resolution duly adopted by the governing body of the Issuer. The Series F-1 Bonds are limited obligations of the Issuer payable from and all equally secured by the lien of the Indenture, and the other security pledged thereby, including certain funds and accounts created pursuant thereto. The Series F-1 Bonds are issued for the benefit of Allied 1510 Parkmoor, L.P., a California limited partnership (the "Borrower"), to finance a multifamily rental housing development within the City of San José, California, known as Parkmoor (the "Project"). Capitalized terms used herein and not otherwise defined shall have the meanings assigned in the Indenture.

The payment and other obligations of the Issuer with respect to the Series F-1 Bonds are intended to be, and shall be, independent of the payment and other obligations of the Issuer or maker of the Series F-1 Bond Loan Note, the Mortgage Note and the MBS (as hereafter defined), even though the principal amount of all three instruments is expected to be identical, except in the case of a default with respect to one or more of the instruments.

The Series F-1 Bonds are secured by certain funds held under the Indenture as described therein, and after the MBS Delivery Date, if any, by (i) the pledge of a MBS (the "MBS") issued by the Federal National Mortgage Association ("Fannie Mae") and delivered to the Trustee, under the terms of which timely payment of principal of and interest on the MBS is guaranteed by Fannie Mae regardless of whether corresponding payments on the Permanent Loan are paid when due, and (ii) amounts payable under and pursuant to the MBS. After the MBS Delivery Date, the MBS is held in trust and pledged under the Indenture to secure the payment of the Series F-1 Bonds.

Reference is hereby made to the Act and to the Indenture, a copy of which is on file at the principal office of the Trustee, and all indentures supplemental thereto for a description of the rights thereunder of the registered owners of the Series F-1 Bonds, of the payments and funds pledged and assigned as security for payment of the Series F-1 Bonds and the nature and extent thereof, of the terms on which the Series F-1 Bonds are issued and the terms and conditions on which the Series F-1 Bonds will be deemed to be paid at or prior to maturity or redemption upon provision for payment thereof in

the manner set forth in the Indenture, of the rights, duties and immunities of the Trustee and of the rights and obligations of the Issuer thereunder, to all of the provisions of which Indenture the registered owner of this Series F-1 Bond, by acceptance hereof, assents and agrees.

THE SERIES F-1 BONDS AND THE INTEREST THEREON ARE LIMITED OBLIGATIONS OF THE ISSUER, PAYABLE SOLELY FROM THE TRUST ESTATE PLEDGED THEREFOR UNDER THE INDENTURE. NEITHER THE ISSUER, THE STATE OF CALIFORNIA, NOR ANY POLITICAL SUBDIVISION THEREOF (EXCEPT THE ISSUER, TO THE LIMITED EXTENT SET FORTH IN THE INDENTURE) NOR ANY PUBLIC AGENCY SHALL IN ANY EVENT BE LIABLE FOR THE PAYMENT OF THE PRINCIPAL OF, PREMIUM (IF ANY) OR INTEREST ON THE SERIES F-1 BONDS OR FOR THE PERFORMANCE OF ANY PLEDGE, OBLIGATION OR AGREEMENT OF ANY KIND WHATSOEVER EXCEPT AS SET FORTH IN THE INDENTURE, AND NONE OF THE SERIES F-1 BONDS OR ANY OF THE ISSUER'S AGREEMENTS OR OBLIGATIONS SHALL BE CONSTRUED TO CONSTITUTE AN INDEBTEDNESS OF OR A PLEDGE OF THE FAITH AND CREDIT OF OR A LOAN OF THE CREDIT OF OR A MORAL OBLIGATION OF ANY OF THE FOREGOING WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION WHATSOEVER. The Series F-1 Bonds are subject to redemption in the amounts and on the dates, in whole or in part, in the event of optional prepayment of amounts payable under the Permanent Loan and a corresponding prepayment of the MBS.

The registered owner of this Series F-1 Bond shall have no right to enforce the provisions of the Indenture or to institute actions to enforce the pledge, assignments in trust or covenants made therein or to take any action with respect to an Event of Default under the Indenture or to institute, appear in or defend any suit or other proceedings with respect thereto, except as provided in the Indenture.

If an Event of Default shall occur, the principal of all Series F-1 Bonds may be declared due and payable upon the conditions, in the manner and with the effect provided in the Indenture. The Indenture provides that in certain events such declaration and its consequences may be rescinded by the holders of at least a majority in aggregate principal amount of the Series F-1 Bonds Outstanding.

The Series F-1 Bonds are issuable only as fully registered Series F-1 Bonds without coupons in denominations of \$1,000.00 or any integral multiple of \$1.00 in excess thereof (an "Authorized Denomination"). Subject to the limitations and conditions and upon payment of the charges, if any, as provided in the Indenture, Series F-1 Bonds may be exchanged at the designated corporate trust office of the Trustee for Series F-1 Bonds in the same aggregate principal amount.

The registration of this Series F-1 Bond is transferable by the registered owner hereof in person or by its attorney duly authorized in writing at the designated corporate trust office of the Trustee. Upon surrender for registration of transfer of this Series F-1 Bond at such office, the Trustee shall authenticate and deliver in the name of the transferee or transferees a new Series F-1 Bond of the same maturity or maturities and Authorized Denomination for the same aggregate principal amount. Series F-1 Bonds to be exchanged shall be surrendered at said designated corporate trust office of the Trustee, and the Trustee shall authenticate and deliver in exchange therefore a Series F-1 Bond of equal aggregate principal amount of the same maturity and Authorized Denomination.

In any case where any Payment Date, any other date fixed for the payment of interest on or principal of the Series F-1 Bonds, any maturity date or any date fixed for redemption of any Series F-

1 Bonds, shall be a day other than a Business Day, then any payment of interest or principal (and premium, if any) required to be made on such date need not be taken or made on such date but may be taken or made on the next succeeding Business Day with the same force and effect as if made or taken on the date herein otherwise provided and, in the case of any Payment Date, no interest shall accrue for the period from and after such date.

The Issuer and the Trustee shall treat the registered owner of this Series F-1 Bond as the owner hereof for all purposes, and any notice to the contrary shall not be binding on the Issuer and the Trustee.

The Indenture contains provisions permitting the Issuer and the Trustee, with the written consent of Fannie Mae and the registered owners of not less than two thirds in aggregate principal amount of the Series F-1 Bonds Outstanding, as specified in the Indenture, and in certain instances without such consent, to execute supplemental indentures adding any provisions to, or changing in any manner, or eliminating any of the provisions of, the Indenture; provided, however, that no such supplemental indenture shall (a) permit a change in the terms of redemption or maturity of the principal amount of any Outstanding Series F-1 Bond or an extension of the date for payment of any installment of interest thereon or a reduction in the principal amount of, premium, if any, or the rate of interest on any Outstanding Series F-1 Bond without the consent of the holder of such Series F-1 Bond, (b) reduce the proportion of Series F-1 Bonds the consent of the holders of which is required to effect any such modification or amendment or to effectuate an acceleration of the Bonds prior to maturity, (c) permit the creation of a lien on the Trust Estate pledged under the Indenture prior to or on a parity with the lien of the Indenture, (d) deprive the holders of the Series F-1 Bonds of the lien created by the Indenture upon such Trust Estate (except as expressly provided in the Indenture), without (with respect to clauses (b) through (d)) the consent of the holders of all Series F-1 Bonds Outstanding, or (e) change or modify any of the rights or obligations of the Trustee without the written consent thereto of the Trustee.

Neither the members of the governing body of the Issuer nor any officer, agent, representative or employee of the Issuer nor any person executing this Series F-1 Bond shall be subject to any personal liability or accountability by reason of the issuance hereof, whether by virtue of any Constitution, statute or rule of law, or by the enforcement of any assessment or penalty, or otherwise, all such liability being expressly waived as a condition of and in consideration for the execution of the Indenture and the issuance of the Series F-1 Bonds.

This Series F-1 Bond shall not be entitled to any benefit under the Indenture, or become valid or obligatory for any purpose, until the certificate of authentication hereon endorsed shall have been manually signed by the Trustee.

It is hereby certified and recited by the Issuer that all conditions, acts and things required by the Indenture or by the laws of the State of California, including the Act, to exist, to have happened or to have been performed precedent to or in the issuance of this Series F-1 Bond do exist, have happened and have been performed in due time, form and manner as required by law, and that the issuance of this Series F-1 Bond and the issue of which it forms a part is within every debt and other limit prescribed by said Constitution or statutes.

In the event of any inconsistencies between the provisions of this Series F-1 Bond and the provisions of the Indenture, the provisions of the Indenture shall control.

IN WITNESS OF THE ABOVE, the Issuer has caused this Series F-1 Bond to be to be executed and delivered by the manual or facsimile signature of its duly Authorized Officer as of the day and year first written above.
