

Memorandum

TO: HONORABLE MAYOR
AND CITY COUNCIL

FROM: Rosalynn Hughey

SUBJECT: SEE BELOW

DATE: January 8, 2018

Approved

D. D. S. Y. L.

Date

1/17/18

SUBJECT: ADOPTION OF A RESOLUTION OVERRULING OBJECTIONS TO THE 2018-2019 HAZARDOUS VEGETATION COMMENCEMENT REPORT AND DIRECTING THE REMOVAL OF WEEDS OR REFUSE.

RECOMMENDATION

Conduct a Public Hearing and adopt a resolution:

1. Overruling any and all objections to the 2018-2019 Hazardous Vegetation Commencement Report (Report); and
2. Directing the Santa Clara County Consumer and Environmental Protection Agency to abate the seasonal and/or recurrent public nuisances on those properties identified in the Report pursuant to Chapter 9.12 of Title 9 of the San José Municipal Code and the Weed Abatement Agreement between the City of San José and the County of Santa Clara.

OUTCOME

Adoption of this resolution will overrule any objection to the Report and enable the Santa Clara County's contractor to commence the Weed Abatement Program in compliance with an existing agreement between the City of San José and County of Santa Clara. The program will result in the abatement of weeds and dangerous dry vegetation on vacant parcels.

BACKGROUND

On December 19, 2017, the City Council adopted a resolution accepting the 2018-2019 Hazardous Vegetation Commencement Report (Report), compiled by the Santa Clara County Consumer and Environmental Protection Agency. The adopted resolution declared that certain noxious or dangerous seasonal and recurrent weeds and refuse identified in the Report are a public nuisance, and directed the County Consumer and Environmental Protection Agency to notify owners of real properties identified in the Report of this public hearing. This hearing is

the opportunity for property owners to object to the inclusion of their property in the Hazardous Vegetation Management Program, as well as the proposed removal of weeds and refuse from their property, as provided in Section 9.12.190 of the San José Municipal Code.

ANALYSIS

The Department of Planning, Building and Code Enforcement has reviewed the Report and recommends that any objections from property owners to the inclusion of their property identified in the Report in the Hazardous Vegetation Management Program or the proposed removal of the seasonable and recurrent weeds and refuse from the property be overruled. Historically, few property owners appear to raise objection to their parcels being included in the program. Property owners that appear generally have recently purchased the property and seek clarification regarding the weed abatement program or wish to advise Council that they will comply in removing the hazardous vegetation within the guidelines as set forth in the program. Even though a parcel is included in the Report, property owners have been notified of minimum fire safety standards and will still have the option of abating weeds and dry hazardous vegetation themselves.

Further, staff recommends that Council direct the Director of Planning, Building and Code Enforcement to notify the Santa Clara County Consumer and Environmental Protection Agency to abate the public nuisances on properties identified in the Report pursuant to Chapter 9.12 of Title 9 of the San José Municipal Code and the Weed Abatement Agreement between the City of San José and the County of Santa Clara.

EVALUATION AND FOLLOW UP

The Weed Abatement Program addresses the yearly overgrowth of vegetation on private vacant properties and the reduction of such growth before the fire season starts. The Santa Clara Consumer and Environmental Protection Agency (County Department) sent a letter with a Return Reply Form to vacant property owners in the City of San José after the December 19, 2017 Council meeting. The Return Reply Form allows the owner to request that the County Contractor perform weed abatement work on their parcel or that the property owner intends to maintain their parcel in a manner consistent with the Minimum Fire Safety Standards from March 1, 2018 through the end of the fire season (typically runs through October).

PUBLIC OUTREACH

As directed by Council, on or about December 19, 2017, the County Consumer and Environmental Protection Agency mailed a notice to owners of all parcels in the Hazardous Vegetation Management Program. The notice advised property owners of the requirement to remove seasonal and recurrent weeds and refuse, of the minimum fire safety standards by which parcels must be maintained, and the costs that would be incurred should the County Consumer

HONORABLE MAYOR AND CITY COUNCIL

Page 3

and Environmental Protection Agency have to abate the public nuisance created by the weeds and refuse. The notice also advised owners of the date, time and place of this public hearing during which they may object to the placement of their property in the program.

COORDINATION

This memorandum has been coordinated with the City Attorney's Office and the Santa Clara County Consumer and Environmental Protection Agency.

COMMISSION RECOMMENDATION/INPUT

No commission recommendation or input is associated with this action
