Potential Strategies

- More funding
- Modify land use regulations and policies
- Make it easier to acquire land
- Make it easier for developers

Funding

- Advocate for more State funds
- Leverage
- Consider local funding opportunities

Modify Land Use Regulations

- Modify the General Plan
 - Allow mixed-income to go forward in key growth areas, next GP review in 2019
 - 1.5-acre rule, consider streamlining
 - Modify zoning code to allow affordable to develop by-right consistent with 1.5-acre rule
- Ensure affordable is built in North San Jose
- Consider changes to the commercial requirement
- Complete ADU changes

Make it Easier To Acquire Land

- Establish or invest in a land acquisition fund
- Identify land opportunities
- Explore the creation of a land trust

Make it Easier for Developers

- Dedicated planner
- Local streamlined process

Report Out of AHIP and 25,000 Unit Housing Goal at City Council	May 22 or June 5

Feedback

- Does the Committee support project readiness over affordability or target population to meet the 10,000 unit goal?
- Does the Committee support investing all funds in new development or should some money be reserved for preserving affordable apartments?
- What potential strategies should staff pursue?
