SUBJECT: SUPPORT FOR THE 2024 MOVING TO WORK ANNUAL PLAN

RECOMMENDATION

Board of Commissioners of the City of San José Housing Authority (City Housing Authority) adopt a resolution authorizing the:

- (a) City Housing Authority Board's Executive Director to submit a letter to the Santa Clara County Housing Authority (SCCHA) Board to support the 2024 Moving to Work (MTW Plan) Annual Plan; and
- (b) Executive Director of the SCCHA Board and the Chair of the SCCHA Board of Commissioners to execute documents required in connection with the 2024 MTW Plan submittal in the name of the City Housing Authority.

SUMMARY AND OUTCOME

The MTW Plan (Attachment A) will be submitted for consideration to the U.S. Department of Housing and Urban Development (HUD). The MTW Plan is updated and submitted each year to HUD. It is a federal demonstration program that encourages selected housing authorities to propose and, upon HUD approval, implement innovative changes to the way affordable housing programs are administered. This year, the SCCHA made a shift in the MTW Plan process, with an intentional focus on collaboration and inclusivity in planning and a purpose-driven approach to activity development. As such, the MTW Plan for fiscal year 2024 has eight proposed activities and one re-proposed activity, with the intention to bring more collaborative and impactful activities to improve the health, income, and educational status of the City of San José (City) residents. Board approval of the activities will allow SCCHA to support digital inclusion, home ownership, interim housing for people experiencing homelessness, support for families receiving post-secondary education, flexible financing for affordable housing, and support for Buena Vista mobile home park residents.

The 1996 Agreement establishing the operational terms between the Housing Authority of the City of San José (City Housing Authority) and the SCCHA requires that SCCHA consult with the City Housing Authority and obtain approval of any significant policy decisions regarding administration of the City Housing Authority Programs. The MTW Plan is considered a major policy document under the 1996 Agreement. This request for approval for the MTW Plan and adoption of the resolution also will authorize SCCHA to sign and submit the MTW Annual Plan on behalf of the City Housing Authority.

BACKGROUND

Under the 1996 Agreement between the City Housing Authority and the Housing Authority of the County of Santa Clara (1996 Agreement), the City Housing Authority delegated to the SCCHA the entire management of the Section 8 voucher program, and subsequent HUD allocations, contracts, allocations and programs in the City of San José.

Among other activities, the SCCHA administers and manages public housing and approximately 17,000 housing choice vouchers (Section 8) on behalf of HUD to provide rental assistance programs for lower-income families, seniors, and persons with disabilities. SCCHA also administers and manages the public housing and rental voucher programs for the City Housing Authority pursuant to an assignment agreement (1996 Agreement) with the SCCHA. Sixty percent of the vouchers managed by SCCHA are allocated by HUD to SCCHA under its own name; 40% of the vouchers managed by SCCHA are allocated by HUD to the City Housing Authority's name (City Program).

Moving to Work Designation

Established by Congress in 1996, MTW is a federal demonstration program that links broad federal goals with locally designed initiatives. The MTW program encourages selected housing authorities to propose and, upon HUD approval, implement innovative changes to the way in which affordable housing programs are administered in order to meet at least one of the following three broad federal goals:

- To decrease costs and increase cost effectiveness in housing program operations;
- To promote participants' economic self-sufficiency; and
- To expand participants' housing choices.

The MTW Annual Plan is a major policy document that includes numerous policies and guidelines impacting the use, administration management, and oversight of the SCCHA and City Housing Authority rental voucher programs. Each year, the SCCHA releases a MTW Plan describing new policies that may be implemented as part of its MTW program. Once HUD approves the proposed policies, the SCCHA can implement those policies through programs that meet the housing needs of the local community. In 2008, the SCCHA entered into an agreement

with the Housing Department and HUD to become a MTW agency; that agreement expires in 2028.

ANALYSIS

The SCCHA revamped its MTW program (for the County Housing Authority and the assigned City Housing Authority operations) to better focus on priorities that would more effectively serve the community and the SCCHA's voucher holders, community partners, and affordable housing residents. The SCCHA is proposing eight new activities for fiscal year 2024 and re-proposing one activity from 2023. The proposed activities for 2024 are:

- Activity 2024-01: Digital Inclusion
- Activity 2024-02: Supporting Homeownership Opportunities
- Re-proposed Activity 2022-03: Interim Housing
- Activity 2024-03: Rental Assistance for Student Parents Obtaining Post-Secondary Education
- Proposed Activity 2024-04: Short-term Bridge Loan
- Proposed Activity 2024-05: Streamline Offer of New Lease Process
- Proposed Activity 2024-06: Increase Total Development Cost Cap
- Proposed Activity 2024-07: Buena Vista Mobile Home Park
- Proposed Activity 2024-08: Supplemental Rents

Proposed Activity 2024-01: Digital Inclusion

There is a documented, well researched, significant gap or digital divide between low-income households and access to technology and broadband internet. This digital divide disproportionately affects low-income households by creating barriers to employment and education among other important opportunities. A survey of SCCHA's residents indicates that about 40% need support to meaningfully access the internet. To increase access to technology, SCCHA proposes to use its single fund flexibility to implement a local, non-traditional supportive services program to provide qualifying income resident with affordable internet, devices, digital training, and support for adoption. This activity will help families become more connected to opportunities.

Proposed Activity 2024-02: Supporting Homeownership Opportunities

Government and nonprofit partners in Santa Clara County are collaborating on an initiative to create a limited equity housing cooperative in San José. The limited equity housing cooperative will offer families from a target neighborhood the opportunity to purchase cooperative shares in a multifamily property, enabling them to pursue homeownership without obtaining an individual mortgage. Through this proposed MTW activity, SCCHA will assist the extremely low-income and very-low income cooperative residents to pay their monthly homeownership costs after they

have purchased shares and moved into their units. To receive assistance from SCCHA, the families must be determined eligible for the Housing Choice Voucher program; however, other aspects of the traditional Section 8 homeownership program will not apply. The amount of monthly homeownership assistance will be based on family income. Families can choose to sell their unit at any time (but they would no longer receive housing assistance upon exiting the cooperative). The number of families to be assisted and estimated costs for the program have not yet been determined. Additional program details will be determined as the initiative progresses and the limited equity housing cooperative is created.

Re-Proposed Activity 2022-03: Interim Housing

In the 2022 MTW plan, HUD approved this activity allowing the SCCHA to create a local rent subsidy program assisting special needs populations staying at interim housing. As approved, the activity is limited to a single County owned property with specific partners. Rental assistance is provided for short-term, temporary housing on behalf of individuals and families who are referred to SCCHA for project-based, permanent supportive housing vouchers while they await the permanent unit being ready. This activity has been successful in providing interim housing and making connections to case management services prior to the intended permanent unit being ready for occupancy. The SCCHA would now like to expand this model outside the narrow parameters originally approved and provide assistance to other interim or short-term housing sites where the residents aren't necessarily voucher recipients. The City's emergency interim housing could be eligible under this activity. The Housing Department will work with SCCHA on to implement this activity consistent with City priorities.

Proposed Activity 2024-03: Rental Assistance for Student Parents Obtaining Post-Secondary Education

Heads of households with minor children often face multiple barriers to furthering their education and obtaining employment that will provide their families with adequate income to become self-sufficient. Low-income parents may be discouraged from pursuing a degree or certification due to competing priorities such as stable housing and childcare. This activity aims to secure funds for a service organization to provide housing, academic and career coaching, and childcare to low-income families while they complete their post-secondary education program. Applicants referred from the service provider must meet Housing Choice program eligibility requirements, be a parent to at least one minor child, and can provide verification of school enrollment. The SCCHA and its partners will collaborate to develop program components based on best practices. The participant will receive preference for the HCV program upon completion of their educational program.

Proposed Activity 2024-04: Short-term Bridge Loan

According to the National Low Income Housing Coalition, Santa Clara County needs a total of 54,148 new affordable rental homes, including a 40,550 at or below extremely low income

simply to meet existing need. To support increasing the housing stock, SCCHA will seek and pursue opportunities to support the development of new rental housing units using short term loans. These short-term loans provide flexible financing for predevelopment, acquisition, construction/rehab and bridge financing for the development of affordable multifamily rental and supportive housing throughout Santa Clara County by nonprofit organizations, limited partnerships and single asset entities with nonprofit sponsors, and mission-aligned for-profit entities. This activity will enable SCCHA to jumpstart the creation and preservation of desperately needed low-income rental housing units across the county.

Proposed Activity 2024-05: Streamline Offer of New Lease Process

Pursuant to 24 CFR 982.308, SCCHA is required to execute a new Housing Assistance Payment contract when there are changes in lease requirements governing utility or appliance responsibilities or the term of the lease. SCCHA refers to this process as an Offer of New Lease. The process to update these two changes can be lengthy and burdensome for the owner, tenant, and SCCHA, thus creating delays in rent increase payments and confusion on Housing Assistance Payment contract effective dates. SCCHA proposes to streamline its Offer of New Lease process by waiving the requirement to execute a new Housing Assistance Payment contract due to lease changes. Staff will continue to update files and communicate changes to all parties involved. This activity will alleviate staff time and costs associated with the completion of a Housing Assistance Payment contract, tenancy addendum, and lease.

Proposed Activity 2024-06: Increase Total Development Cost Cap

HUD limits the amount of MTW funds SCCHA can contribute to local non-traditional development and rehabilitation activities. SCCHA is requesting permission to remove the limit and allow 100% of the construction costs to be covered by MTW funds, when necessary. The pro-rata calculation, required by HUD, results in approximately one-quarter to one-half of the total project cost being covered by MTW funds, leaving the remainder of the project to be funded through other sources, primarily loans. Construction costs have been increasing in the last few years, and especially in the recent months. Flexibility to use MTW funds for the entire cost of development and rehabilitation would provide certainty and allow SCCHA to create concrete plans when developing and rehabilitating housing, allowing for an increase in affordable housing.

Proposed Activity 2024-07: Buena Vista Mobile Home Park

In 2017 SCCHA, with local partners, purchased the Buena Vista Mobile Home Park in Palo Alto to preserve affordable housing and prevent the imminent displacement of residents. Since then, SCCHA has made substantial investments to improve the infrastructure and quality of life for the residents of Buena Vista. As the Housing Authority works to bring Buena Vista into legal and regulatory compliance, SCCHA requests MTW flexibilities to: allow residents to temporarily move during construction, with an option to return at completion; to minimize the disruption of

inspections in situations where SCCHA is not subsidizing the housing; and to provide housing assistance to mobile home units.

Proposed Activity 2024-08: Supplemental Rents

In fiscal year 2024, SCCHA is requesting permission to use MTW funds to supplement operating costs such that the operating income from all sources is equal to 110% of the HUD Fair Market Rent.

Need for Signature Authorization

The SCCHA Board Chair and Director continue to sign the authorizations for the City Housing Authority's MTW plan using the titles of "Chair Board of Commissioners of the City Housing Authority" and "Executive Director of the City Housing Authority."

The above resolution is intended to authorize the SCCHA Chair and the SCCHA Executive Director to act in the name of the City Housing Authority with respect to the MTW Annual Plan submittals to ensure that these submittals are fully authorized despite the use of these duplicative titles discussed below.

The City Housing Authority retains its Board of Commissioners and may implement other affordable housing programs not assigned to the SCCHA under the 1996 Agreement, and accordingly it has a Chair and an Executive Director separate from the SCCHA Board of Commissioners. The 1996 Agreement does not designate the Chair of the SCCHA Board of Commissioners as the "Chair Board of Commissioners of the City Housing Authority" or confer on the Executive Director of the SCCHA the title of the "Executive Director of the City Housing Authority." In the documentation attached to the draft plan, the Chair of the Board of Commissioners for SCCHA is executing documents under the title of the Chair of the Board of Commissioners for the City Housing Authority (SCCHA Chair). There is no authorization for the use of these duplicative titles in the 1996 Agreement between the City Housing Authority and the SCCHA. Similarly, the Executive Director for the SCCHA (SCCHA Executive Director) is not authorized to sign under the title of the Executive Director of the City Housing Authority.

The above resolution allows SCCHA to sign the MTW Annual Plan on behalf of the City Housing Authority and submit the report in timely manner to HUD. If HUD approves the MTW Annual Plan, the SCCHA will be able to quickly house families and individuals and recognize them for continuing education efforts.

EVALUATION AND FOLLOW-UP

The Housing Department will continue to work with the SCCHA to ensure that City Housing Authority priorities are considered throughout the implementation of the new MTW plan. Additionally, the Housing Department will continue to work with the SCCHA on developing

impactful activities to improve the health, income, and educational status of San José residents in the fiscal year 2025 MTW plan. As appropriate, staff will return to the Board of Commissioners if action is needed to provide formal City Housing Authority comments and direction.

COORDINATION

This item has been coordinated with the City Attorney's Office and the City Manager's Budget Office.

PUBLIC OUTREACH

This memorandum will be posted on the San José Housing Authority Board of Commissioners agenda website for the April 11, 2023 meeting.

Outreach was undertaken for this item in addition to the agenda posting described above. These outreach efforts are described below.

On March 1, 2023, the SCCHA published the draft MTW plan on its website for a 30-day public review period through March 30, 2023. On March 16, 2023, the SCCHA held a public hearing. Further, the proposed 2023 MTW plan was presented to the SCCHA Board of Commissioners at its public meeting on April 6, 2023.

COMMISSION RECOMMENDATION AND INPUT

No commission recommendation or input is associated with this action.

CEQA

Not a Project, File No. PP17-004, Government Funding Mechanism or Fiscal Activity with no commitment to a specific project which may result in a potentially significant physical impact on the environment.

PUBLIC SUBSIDY REPORTING

The item does not include a public subsidy as defined in government code section 53083 or 5308.1 or in the City's Open Government Resolution.

SANTA CLARA COUNTY HOUSING AUTHORITY (SCCHA)

(Housing Authorities of the County of Santa Clara & The City of San José)

SCCHA's mission is to provide and inspire affordable housing solutions to enable low-income people in Santa Clara County to achieve financial stability and self-reliance.

Serving residents throughout Santa Clara County, the heart of Silicon Valley and part of the greater San Francisco Bay Area, our clients include families with children, seniors, veterans, the disabled and the formerly homeless. The vast majority of our client households are extremely low-income (30% of area median income or less) with half of our assisted households occupied by seniors. **SCCHA currently assists over 19,000 households.**

I. Introduction

Letter from the Executive Director

Bracher Gardens Apartments

In 1967, the Santa Clara County Board of Supervisors established the Santa Clara County Housing Authority (SCCHA). SCCHA has an agreement with the City of San José to administer and manage the Housing Authority of the City of San José (HACSJ)'s Housing Choice Voucher program. This MTW Plan presents a consolidated strategy to be implemented for both the County and City programs.

SCCHA is continuing improvement to the Moving to Work Plan process intentionally focusing on collaboration and inclusivity in planning and a purpose-driven approach to activity development. This Plan reflects the work that has gone into the process with eight new activities and one re-proposal.

Vision and Goals

The FY2020-FY2025 Strategic Plan was approved by the Board of Commissioners and adopted August 1, 2019. Every six months, SCCHA reports to its Board the progress on the action items and objectives developed from the Agency's Strategic Plan Goals. These updates encourage the agency to re-prioritize or revise the objectives of the Plan as necessary and provide a status report to both internal and external stakeholders on how SCCHA's initiatives align with the Strategic Plan. SCCHA's future actions will be carefully examined through the lens of diversity, equity, and inclusion. These principles will be at the forefront of the agency's thought processes, and will guide the formulation of procedures, policies, and both internal and external engagement.

The Strategic Plan focuses on housing availability, agency partnerships, and operational excellence. Below are the goals of the Strategic Plan accompanied by SCCHA's actions to achieve the goals.

Housing Availability & Affordability

Goal 1. Increase the number of and equitable access to housing opportunities for low-income Santa Clara County residents

SCCHA's permanently open interest list for Housing Choice Vouchers (HCV), Project Based Vouchers (PBV), and Mod Rehab units launched in December 2020. Thus far SCCHA has drawn 824 people for vacant and new PBV units

As vacancy rates remain very low in Santa Clara County, SCCHA continues to monitor the housing success rates for families shopping with Housing Choice Vouchers and support them through housing search assistance if they are unable to find a new home within the first 120 days of their shopping voucher.

Goal 2. Preserve the existing housing opportunities available to low-income Santa Clara County residents to counter displacement of those who are most impacted by Santa Clara County’s income disparity and housing crisis

SCCHA has taken an active role in the State of California’s Homekey Program. The Homekey Program provides funding to local public agencies to purchase hotels and motels for conversion to affordable housing serving persons experiencing homelessness or at risk of homelessness. SCCHA is currently planning for rehabilitation of the Pavilion Inn (61 units). The SureStay Hotel was originally purchased by the City of San Jose through Homekey and came under SCCHA’s ownership recently. MTW funds will be used for predevelopment and due diligence activities. The Homekey Program covers approximately two-thirds of the acquisition and capital expenses, with local public agencies providing a match. SCCHA is very excited about this opportunity and looks forward to reporting more on its successes in the coming years.

Partnerships

Goal 3. Build strong partnerships that promote better outcomes for those in need of maintaining, affording or securing housing

Santa Clara County has a well-publicized affordable housing crisis. The community’s recognition of the need for more affordable housing was demonstrated by the overwhelming voter approval of \$950 million in Measure A bond funds for affordable housing development, \$700 million of which is directed to extremely low-income households and permanent supportive housing.

Partnering with the development community by attaching PBVs to projects receiving Measure A development funds ensures that units will be affordable for the County’s vulnerable populations, and that new construction properties will have sufficient long-lasting operating revenue. By the end of FY2023, SCCHA will have awarded or conditionally awarded 1,373 Moving-to-Work PBVs and 236 HUD-VASH PBVs (in conjunction with the Veterans Affairs Palo Alto Health Care System) to Measure A projects. Some of the Measure A projects completing construction by the end of FY2023 are Vela Apartments (29 PBVs for chronically homeless families), Page Street Apartments (27 PBVs for chronically homeless families), Villas at Fourth Street (97 PBVs for chronically homeless families), Mesa Terrace (23 PBVs for Transition Aged Youth),

and Immanuel Sobrato (97 PBVs for chronically homeless families). Several more projects are expected to complete construction throughout FY2024.

Operational Excellence

Goal 4. Maximize agency fiscal health, efficiency and effectiveness by streamlining processes, adopting technology and embracing innovation

As the Housing Authority, the County, and the broader community adopt a new normal SCCHA intends to keep moving the needle on the technology that makes our jobs easier. There is a planned software conversion in FY2024 that will streamline staff processes and make it easier for residents to get quick answers to their questions.

SCCHA is pursuing strategies within FY2024 and beyond that will set the foundation for the Agency to fulfill its MTW and non-MTW long-term goals.

Department Updates

Housing Programs

- Collaborated with all staff to redesign the HCV department with an intense focus on customer service
- Issued 924 Emergency Housing Vouchers
- Leased up hundreds of new Project-Based Voucher units.

Human Resources

- Expanded teleworking for all employees
- Communicated all COVID-related policy and process changes to staff
- Designing a training and coaching program for supervisors

Procurement

- Audited existing procurement files
- Working to update policies and procedures
- Moved the department toward paperless filing

Information Technology & Facilities

- Designed and implanted an Agency-wide intranet
- Created a digital floor map with employee photos
- Implemented an emergency notification system

Finance

- Continued the record of on-time reporting
- Helping align the budget process to Agency strategy and goals
- Will work with other departments to support the software conversion

Innovation & Impact

- Draft annual MTW Plans and Reports
- Reviewing and updating PBV policies
- Working with community partners to expand collaborative efforts

Real Estate – Asset Management

- Upgrading the 20 units at Sa Pedro Gardens
- Renegotiated ground lease at DeRose Gardens
- Provided over 900 goodie bags to SCCHA-owned communities for National Night Out

Real Estate - Development

- Approximately \$42 million in MTW funds were used to purchase land for the developments below. Development and financing efforts are ongoing at all these sites.
 - Bellarmino Place Family Housing (115 units)
 - Alvarado Park Senior Housing (89 units)
 - Pavilion – Project Homekey (41 units for transition aged youth)
 - Surestay – Project Homekey project, originally proposed by the City of San Jose, purchased by SCCHA in FY2023. This project includes the eventual purchase of two adjacent sites, an EZ-8 Motel, and a Denny’s restaurant.
 - East Santa Clara site will be the home to the following 4 affordable housing developments.
 - Hawthorn Apartments (107 units)
 - Trillium Apartments (94 units)
 - Sage Apartments (135 units)
 - Elderberry Apartments (135 units)

PBV Pipeline

SCCHA’s PBV pipeline is set forth in detail in Section II.a.iii and II.a.iv below. Several of the projects in the pipeline have come through the County’s \$950 million Measure A bond, which provides funds for the development of affordable housing and permanent supportive housing. Attaching vouchers to the Measure A development funds ensures that units will be affordable for the County’s vulnerable populations, and that new construction properties will have sufficient and long-lasting operating revenue. SCCHA is committed to making available as many additional PBVs in support of Measure A as HUD regulations and funding availability allow.

This group of projects also includes those awarded PBVs through SCCHA’s 2020 RFP, which was directed at 2-and 3-bedroom units to increase much needed affordable housing for low-income

families in our County. SCCHA's PBV pipeline will increase the local affordable housing stock by 2,352 units, 649 of those supported by PBVs, once all units are constructed.

In FY2024 SCCHA plans to work with local developers in strategizing future PBV awards.

New Proposed Activities for FY2024

In FY2024 and beyond SCCHA intends to more closely align the MTW Plan with the strategic goals of the agency. Serving residents and prioritizing the needs of the local community will be the guiding focus of the proposed initiatives.

SCCHA is proposing eight new activities and one re-proposal, details of which are found in Section III of this plan. Staff identified focus areas to address the most pressing needs of the community. The focus areas, and descriptions, are listed below with the names of the proposed activities. Some of the initiatives fall into more than one category but for the sake of simplicity they're limited to one of the focus areas.

Social Justice

Initiatives will focus on promoting equity and inclusion amongst all populations served by SCCHA.

- 2024-01: Digital Inclusion
- 2024-04: Short Term Bridge Loan

Education

Initiatives will focus on academic achievement of Santa Clara County children and families.

- 2024-03: Rental Assistance for Student Parents Obtaining Post-Secondary Education

Health & Wellness

Initiatives will focus is on establishing partnerships with agencies and non-profits in the health space to improve health related outcomes.

- 2020-2: Interim Housing (re-proposal)

Economic Mobility

Initiatives will focus on developing programs that improve outcomes for working families.

- 2024-02: Supporting Homeownership Opportunities

Increasing Capacity

Initiatives will focus on agency efficiencies, in support of the resident focused focus areas.

- 2024-05: Streamline Offer of New Lease Process
- 2024-06: Increase Total Development Cost Cap
- 2024-07: Buena Vista Mobile Home Park
- 2024-08: Supplemental Rents

Full details of the proposed activities can be found in Section III of this MTW Plan.

Planned Total Existing Project-Based Vouchers

v. Planned Other Changes to MTW Housing Stock Anticipated During the Plan Year

Examples of the types of other changes can include (but are not limited to): units held off-line due to relocation or substantial rehabilitation, local, non-traditional units to be acquired/developed, etc.

PLANNED OTHER CHANGES TO MTW HOUSING STOCK ANTICIPATED IN THE PLAN YEAR

SCCHA does not anticipate holding any units off-line or acquiring or developing any additional local, non-traditional units during the Plan year.

vi. General Description of All Planned Capital Expenditures During the Plan Year

Narrative general description of all planned capital expenditures of MTW funds during the Plan Year.

GENERAL DESCRIPTION OF ALL PLANNED CAPITAL EXPENDITURES DURING THE PLAN YEAR

Development and financing efforts continue at Alvarado Park Senior Housing (89 units) and Bellarmino Place Family Housing (115 units) and on the four affordable housing developments at the East Santa Clara site, which will be four developments totaling 471 units. One of those sites, Hawthorn will be using MTW funds for planning and pre-development work in FY2024.

Pavilion Inn, a project Homekey site located at 1280 N. 4th St., San Jose, will use \$8.7M in MTW funds for rehabilitation work. The site will eventually add 42 units of affordable housing for transition aged youth.

The site at Autumn/Montgomery will use MTW funds in FY2024 for predevelopment and due diligence activities.

As part of the SureStay Hotel project, located at 1488 N. 1st St, San Jose, SCCHA plans to spend MTW funds, up to \$19 Million to acquire adjacent parcels – a Denny’s restaurant located at 1490 N. 1st St and a former EZ-8 Motel located at 1550 N. 1st St. SCCHA is exploring a possible purchase of an additional site, identified as Airport Inn at 1440 N. Frist St., San Jose. There are not currently MTW funds committed to Airport Inn, but it is included here in case that changes in FY2024

Approximately \$5 million of MTW funds will be used for the rehabilitation of 20 units at San Pedro Gardens Apartments.

MTW funds will be used for the capital repairs and rehabilitation of three newly acquired properties, Jardines Paloma Blanca, Girasol Housing, and Las Golondrinas Apartments, totaling 152 units.

B. LEASING INFORMATION

i. Planned Number of Households Served

Snapshot and unit month information on the number of households the MTW PHA plans to serve at the end of the Plan Year.

PLANNED NUMBER OF HOUSEHOLDS SERVED THROUGH:	PLANNED NUMBER OF UNIT MONTHS OCCUPIED/LEASED*	PLANNED NUMBER OF HOUSEHOLDS TO BE SERVED**
MTW Public Housing Units Leased	48	4

Local, Non-Traditional: Property-Based^	10,920	910
Local, Non-Traditional: Homeownership^	0	0
Planned Total Households Served	234,876	19,573

LOCAL, NON-TRADITIONAL CATEGORY	MTW ACTIVITY NAME/NUMBER	PLANNED NUMBER OF UNIT MONTHS OCCUPIED/LEASED*	PLANNED NUMBER OF HOUSEHOLDS TO BE SERVED**
Tenant-Based	Interim Housing/ Activity 2020-2	4,320	360
Property-Based	Create Affordable Housing Preservation Fund for SCCHA and Affiliate-Owned Properties/Activity 2012-4	10,920	910

Homeownership	N/A	0	0
---------------	-----	---	---

* “Planned Number of Unit Months Occupied/Leased” is the total number of months the MTW PHA plans to have leased/occupied in each category throughout the full Plan Year.

** “Planned Number of Households to be Served” is calculated by dividing the “Planned Number of Unit Months Occupied/Leased” by the number of months in the Plan Year.

^ In instances when a local, non-traditional program provides a certain subsidy level but does not specify a number of units/households to be served, the MTW PHA should estimate the number of households to be served.

ii. Discussion of Any Anticipated Issues/Possible Solutions Related to Leasing

Discussions of any anticipated issues and solutions in the MTW housing programs listed.

HOUSING PROGRAM	DESCRIPTION OF ANTICIPATED LEASING ISSUES AND POSSIBLE SOLUTIONS
MTW Public Housing	None
MTW Housing Choice Voucher	The Santa Clara County rental market continues to have a low vacancy rate, which leads to difficulties in leasing Housing Choice Vouchers. HCV holders who are looking for housing continue to face extremely high rents and a competitive rental environment. SCCHA increased its voucher payment standards in FY2022 and again in FY2023 for SRO through three-bedroom units and continued landlord recruitment and retention efforts. SCCHA works with a community partner to assist voucher holders in their housing search. SCCHA is also continuing to encourage the expansion of affordable housing supply through the use of Project-Based Vouchers in partnership with the City of San José and the County of Santa Clara. SCCHA anticipates that approximately 387 MTW PBV units will finish construction in FY2024.
Local, Non-Traditional	None

C. WAITING LIST INFORMATION

i. Waiting List Information Anticipated

Snapshot information of waiting list data as anticipated at the beginning of the Plan Year. The “Description” column should detail the structure of the waiting list and the population(s) served.

WAITING LIST NAME	DESCRIPTION	NUMBER OF HOUSEHOLDS ON WAITING LIST	WAITING LIST OPEN, PARTIALLY OPEN OR CLOSED	PLANS TO OPEN THE WAITING LIST DURING THE PLAN YEAR
Federal MTW Public Housing Units	Site Based	685	Closed	No
Federal MTW Housing Choice Voucher Program	Program Specific*	32,977*	Open	Yes
Project-Based, Local, Non-Traditional MTW Housing Assistance Program	Site Based	2,400	Partially Open	Yes

* SCCHA’s Interest List opened in December 2020. Smaller waiting lists are created by randomly drawing active applicants from its interest lists, as vouchers are available or PBV projects come online.

Please describe any duplication of applicants across waiting lists:

SCCHA has 11 properties where households are assisted through Project-Based, Local, Non-Traditional MTW Housing Assistance Programs. Buena Vista Mobile Home Park does not have a waitlist. There may be duplication of applicants among the remaining lists as applicants can put their name on as many lists as are open. The number of people on the waitlists for the rest of the projects are as follows: 107 for Morrone Gardens, 110 for DeRose Gardens, 91 for El Parador Apartments, 39 for San Pedro Gardens Apartments, 486 for Pinmore Gardens Apartments, 150 for Blossom River Apartments, 600 for Helzer Court Apartments, 260 for Clarendon Apartments, 240 for Bendorf Drive Apartments, 317 for Ford Road Plaza.

ii. Planned Changes to Waiting List in the Plan Year

Please describe any anticipated changes to the organizational structure or policies of the waiting list(s), including any opening or closing of a waiting list, during the Plan Year.

WAITING LIST NAME	DESCRIPTION OF PLANNED CHANGES TO WAITING LIST
Federal MTW Housing Choice Voucher Program	There are no planned changes to the waiting/interest list.

III. Proposed MTW Activities (HUD Approval Requested)

This section describes one re-proposal and eight new MTW activities that SCCHA proposes to implement in FY2024.

2020-2: INTERIM HOUSING

(Re-Proposed FY2024)

Activity Description

In the FY2020 Moving to Work Plan, HUD approved this local, non-traditional activity allowing SCCHA to create a local rent subsidy program assisting special needs populations. As approved, the activity is limited to a single property with specific partners. Rental assistance is provided for short-term, temporary housing on behalf of individuals and families who are referred to SCCHA for project-based, permanent supportive housing vouchers while they await the permanent unit being ready. This activity has been successful in providing shelter and making connections to case management services prior to the intended permanent unit being ready for occupancy.

SCCHA would now like to expand this model outside the narrow parameters originally approved and provide assistance to other interim or short-term housing sites where the residents aren't necessarily voucher recipients. Despite the thousands of permanent supportive units that have been built in Santa Clara County since 2017, there are still roughly 10,000 homeless individuals sleeping outside, as of the most recent point-in-time count data available. Community based organizations have joined with local municipalities to fill the gap of permanent housing with short-term housing, shelters, and supportive services. These short-term sites have been invaluable, especially as the County has faced increasingly colder and rainier winters and hotter summers. The emergency sites have restrooms, showers, hot meals, and access to services that can help connect individuals to permanent housing. SCCHA would like to be a part of this solution and use Moving to Work funds to help cover some of the operating costs that go along with short term-temporary housing.

SCCHA will continue to ensure compliance with HQS requirements and will abide by other requirements set forth in PIH Notice 2011-45 regarding parameters for local, non-traditional activities, including those specifically identified under the subheading Rental Subsidy Programs.

Relation to Statutory Objectives

This activity addresses the statutory objective of increasing housing choices for low-income families by providing stability to clients approved for Permanent Supportive Housing when construction or other extenuating circumstances delay availability of the new unit.

Anticipated Impact of the Activity

SCCHA anticipates this activity will stabilize clients prior to moving into their permanent housing and provide case managers regular and consistent access to clients.

Anticipated Schedule for Achieving the Stated Objectives

SCCHA anticipates implementing the changes to this activity immediately upon approval.

Proposed Baseline, Benchmarks, Metrics and Data Collection

Benchmarks were updated to reflect the increase of families this activity will impact. Data related to this activity will be collected and retrieved at least annually from the Agency’s electronic database. As this activity is implemented, SCCHA may revise the activity’s metrics and further quantify and refine its performance baselines and benchmarks.

Activity 2020-2: Interim Housing (Re-proposed)				
Unit of Measurement	Baseline	Benchmark	Projected Outcome	Benchmark Achieved?
HC #1: Additional Units of Housing Made Available				
Number of new housing units made available for chronically homeless or homeless with disability households at or below 80% AMI as a result of the activity (increase).	0	30	30	TBD
HC #5: Increase in Resident Mobility				
Number of households able to move to a better unit and/or neighborhood of opportunity as a result of the activity (increase).	0	100	100	TBD
HC #7: Households Assisted by Services that Increase Housing Choice				
Number of households receiving services aimed to increase housing choice (increase).	0	100	100	N/A

Cost Implications

This activity will involve a cost to SCCHA in the form of operating costs provided to the interim housing sites

Authorization for the Activity

The proposed activity is authorized as a local, non-traditional activity in the First Amendment to SCCHA’s MTW Agreement with HUD, which amends Attachment D, “Use of MTW Funds,” executed on April 30, 2010. This authorization is needed to allow SCCHA to use HCV funding for temporary, interim housing.

Rent Reform Impact Analysis, Hardship Case Criteria, Annual Reevaluation and Transition Period

This activity does not qualify as a Rent Reform Initiative.

This activity was made available for public review and included as a proposed activity in the public hearing held for the FY2020 MTW Annual Plan. SCCHA will obtain approval from its Board of Commissioners prior to the activity’s implementation. The impact of this activity will be evaluated annually in SCCHA’s MTW Report.

ACTIVITY 2024-01: DIGITAL INCLUSION *(Proposed Activity)*

Activity Description

There is a documented, well researched, significant gap or digital divide between low-income households and access to technology and broadband internet. This digital divide disproportionately affects low-income households by creating barriers to employment and education among other important opportunities. Responses to a resident survey indicate about 40% of SCCHA’s residents need support to meaningfully access the internet. To increase access to technology, SCCHA proposes to implement a local, non-traditional supportive services program to provide income qualifying residents with devices and digital training. SCCHA continues to explore innovative ways to increase digital access for low income* residents.

In implementing this digital inclusion activity, SCCHA will waive HUD inspection requirements outlined in PHI2011-45. HUD inspection requirements are too onerous on residents and SCCHA to comply and track when the support provided does not relate to the rental unit. Removing barriers such as inspections will encourage residents to seek the much-needed support provided by this activity.

Relation to Statutory Objectives

This activity supports the statutory objective of promoting participants’ economic self-sufficiency.

Anticipated Schedule for Achieving the Stated Objectives

SCCHA anticipates implementing this activity in fiscal year 2024.

Proposed Baseline, Benchmarks, Metrics and Data Collection

Data related to this activity will be collected and retrieved at least annually from the Agency’s electronic database. As this activity is implemented, SCCHA may revise the activity’s metrics and further quantify and refine its performance baselines and benchmarks.

Activity 2024-01 Digital Inclusion				
Unit of Measurement	Baseline	Benchmark	Projected Outcome	Benchmark Achieved?
<i>SS #5: Households Assisted by Services that Increase Self Sufficiency</i>				

Number of households receiving services aimed to increase self-sufficiency (increase).	0	3,529	3,529	TBD
--	---	-------	-------	-----

*Defined by 3(b)(2) of the 1937 Act

Cost Implications

SCCHA anticipates that the proposed activity will increase cost.

Authorization for the Activity

This proposed activity is authorized in SCCHA’s First Amendment to Moving to Work Agreement, Attachment D – Use of Funds, and consistent with Notice PIH 2011-45.

Rent Reform Impact Analysis, Hardship Case Criteria, Annual Reevaluation and Transition Period

This activity does not qualify as a Rent Reform Initiative.

This activity was made available for public review and included as a proposed activity in the public hearing held for the FY2024 MTW Annual Plan. SCCHA will obtain approval from its Board of Commissioners prior to the activity’s implementation. The impact of this activity will be evaluated annually in SCCHA’s MTW Report.

2024-02: SUPPORTING HOMEOWNERSHIP OPPORTUNITIES *(Proposed Activity)*

Activity Description

The San Jose metropolitan area is one of the most affluent regions in the country, with rising wages, growing job opportunities, and an increasing standard of living. But high rental costs and limited pathways to homeownership make it challenging for low-income families to afford to live and work here. To combat this imbalance and foster prosperity for families of all income levels, SCCHA proposes to create an MTW homeownership activity. The activity will enable SCCHA to participate in a local initiative to develop a multifamily property into a limited equity housing cooperative (LEHC).

Government and nonprofit partners in Santa Clara County are collaborating on the LEHC initiative, which will offer families from a target neighborhood the opportunity to purchase cooperative shares in a property. Once the families have purchased shares and moved into their owned units, SCCHA will assist the families to pay their monthly homeownership costs. The families to be served must be HCV-eligible, and they must remain cooperative owners, utilizing the unit as their primary residence, to be eligible for SCCHA assistance. Additional Section 8 homeownership program requirements, such as minimum income, employment, and portability will not apply. Because the multifamily property has not been developed, the size of the program and targeted families for this homeownership program have not yet been identified.

Relation to Statutory Objectives

This activity supports the statutory objectives of expanding participants’ housing choices and promoting participants’ economic self-sufficiency.

Anticipated Schedule for Achieving the Stated Objectives

SCCHA will begin the preparatory work to implement the activity upon approval. The project will be developed in collaboration with local community and governmental partners, and the timeline may be adjusted based on the needs of the participating organizations.

Proposed Baseline, Benchmarks, Metrics and Data Collection

Data related to this activity will be collected and retrieved at least annually from the Agency’s electronic database. As this activity is implemented, SCCHA may revise the activity’s metrics and further quantify and refine its performance baselines and benchmarks.

Activity 2024-02 Supporting Homeownership Opportunities				
Unit of Measurement	Baseline	Benchmark*	Projected Outcome*	Benchmark Achieved?
HC #1: Additional Units of Housing Made Available				
Number of new housing units made available for households at or below 80% AMI as a result of the activity (increase).	0	TBD	TBD	TBD
HC #6: Increase in Homeownership Opportunities				
Number of households that purchased a home as a result of the activity (increase)	0	TBD	TBD	TBD
*Benchmarks and Projected Outcomes will be updated after program launch				

Cost Implications

SCCHA anticipates that the proposed activity will increase the agency’s expenses.

Authorization for the Activity

The proposed activity includes components that are authorized in SCCHA’s Moving to Work Agreement, Attachment C, Paragraph D, Section 4 and Section 8, Subsection a. It waives certain provisions of Sections 8 (o)(6), 8(o)(13)(J), 8(o)(15), 8(o)(16) and 8(y) of the 1937 Act and 24 CFR 982 Subpart E, 24 CFR § 982.204, 24 CFR 982.625 through 982.643, and 24 CFR § 983 Subpart F, and inclusive as necessary to implement SCCHA’s MTW Plan. These authorizations are needed for a direct referral program that assists participants to pay the required costs associated with homeownership.

Rent Reform Impact Analysis, Hardship Case Criteria, Annual

Reevaluation and Transition Period

This activity does not qualify as a Rent Reform Initiative.

This activity was made available for public review and included as a proposed activity in the public hearing held for the FY2024 MTW Annual Plan. SCCHA will obtain approval from its Board of Commissioners prior to the activity's implementation. The impact of this activity will be evaluated annually in SCCHA's MTW Report.

2024-03: RENTAL ASSISTANCE FOR STUDENT PARENTS OBTAINING POST-SECONDARY EDUCATION (Proposed Activity)

Activity Description

Heads of households with children often face multiple barriers to furthering their education and obtaining employment that will provide their families with adequate income to become self-sufficient. Low-income parents may be discouraged from pursuing a degree or certification due to competing priorities such as stable housing and childcare. SCCHA is proposing a local, non-traditional activity that will secure funds for a service organization to provide housing, academic and career coaching, and childcare to low-income families while they complete their post-secondary education program.

Applicants referred from the service provider must meet HCV eligibility requirements, be a parent to at least one minor child, and can provide verification of school enrollment. SCCHA and its partners will collaborate to develop program components based on best practices. The participant will receive preference for the HCV program upon completion of their educational program.

The activity's dual-generation education support model will empower low-income families to complete their educational goals while their children receive care that supports their cognitive, social, and emotional development, thus leading families to financial stability and self-reliance.

Relation to Statutory Objectives

This activity supports the statutory objective to increase housing choices for low-income families and to promote participants' economic self-sufficiency through supporting heads of households who are participating in post-secondary educational programs.

Anticipated Schedule for Achieving the Stated Objectives

Upon approval, SCCHA will begin program development and select a service provider. SCCHA anticipates that the pilot will be implemented in 2024.

Proposed Baseline, Benchmarks, Metrics and Data Collection

Data related to this activity will be collected and retrieved at least annually from the Agency's electronic database. As this activity is implemented, SCCHA may revise the activity's metrics and further quantify and refine its performance baselines and benchmarks.

Activity 2024-03 Rental Assistance for Post-Secondary Education Students with Children				
Unit of Measurement	Baseline	Benchmark*	Projected Outcome*	Benchmark Achieved?
HC #1: Additional Units of Housing Made Available				
Number of new housing units made available for households at or below 80% AMI because of the activity	0	TBD	TBD	TBD
HC #5: Increase in Resident Mobility				
Number of households able to move to a better unit and/or neighborhood of opportunity because of the activity (increase).	0	TBD	TBD	TBD
SS #5: Households Assisted by Services that Increase Self-Sufficiency				
Number of households receiving services aimed to increase self-sufficiency (increase).	0	TBD	TBD	TBD
SS #8: Households Transitioned to Self Sufficiency**				
Number of households transitioned to self-sufficiency (increase).	0	TBD	TBD	TBD
*Benchmarks and Projected Outcomes will be updated after program launch **Self-sufficiency is defined as a participant exiting the program for any other reason than terminating of subsidy/participation.				

Cost Implications

SCCHA anticipates that there will be no cost implications related to the implementation of the proposed activity. Support services will be provided by a third-party agency.

Authorization for the Activity

The proposed activity includes components that are authorized in SCCHA’s Moving to Work Agreement, Attachment C, Paragraphs B.1, B.2, D.2.d, and D.4 and waives certain provisions of Sections 8 and 9 of the 1937 Act and 24 CFR 982 and 990, Sections 13 and 35 of the 1937 Act and 24 CFR 941 Subpart F, Sections 8(o)(7) and 8(o)(13)(F)-(G) of the 1937 Act and 24 CFR 982 Subpart L and 983 Subpart E, and Sections 8(o)(6), 8(o)(13)(J) and 8(o)(16) of the 1937 Act and 24 CFR 982 Subpart E, 982.305, and 983 Subpart F as well as the First Amendment to SCCHA’s MTW Agreement with HUD, which amends Attachment D, “Use of MTW Funds.” These authorizations are needed for a local non-traditional activity to prioritize vouchers for post-secondary education students and to provide temporary housing for the duration of their education.

Rent Reform Impact Analysis, Hardship Case Criteria, Annual Reevaluation and Transition Period

This activity does not qualify as a Rent Reform Initiative.

This activity was made available for public review and included as a proposed activity in the public hearing held for the FY2024 MTW Annual Plan. SCCHA will obtain approval from its Board of Commissioners prior to the activity’s implementation. The impact of this activity will be evaluated annually in SCCHA’s MTW Report.

2024-04: SHORT TERM BRIDGE LOAN *(Proposed Activity)*

Activity Description

According to the National Low Income Housing Coalition, Santa Clara County needs a total of 54,148 new affordable rental homes, including a 40,550 at or below extremely low income, simply to meet existing need.

To support the effort of increasing the housing stock, SCCHA is requesting to use MTW funds, and its vast development experience, to support affordable housing development in Santa Clara County. In this activity, SCCHA will seek and pursue opportunities to support the development of new rental housing units, by funding short term loans to affordable housing development partners to fund financing gaps.

These short-term loans provide flexible financing for the development of affordable multifamily rental and supportive housing throughout Santa Clara County. These loans can be used for predevelopment, acquisition, construction/rehab and bridge financing by nonprofit organizations, or limited partnerships and single asset entities with nonprofit sponsors. The loan can be up to \$1 million if unsecured and up to \$10 million per project if secured.

As per PIH2011-45, these short-term loans will not necessitate meeting HUD inspection standards as these units would not be occupied during the rehabilitation period and these loans will be repaid prior to the completion of the rehabilitation. If repayment of the short-term loan is completed after the commencement of occupation of the project, SCCHA will accept any existing ongoing inspection standards required of the project and will track the inspection documentation for as long as the loan is outstanding.

For effectiveness and ease of implementation, SCCHA will accept existing use agreements or covenant on the property relating to the local, non-traditional affordable units, if the agreement restricts rent on the unit for at least 30 years.

SCCHA will ensure reasonable parameters based on underlying project and sponsor profile and conduct due diligence to ensure sustainability of this activity. This activity will enable SCCHA to jumpstart the creation and preservation of desperately needed low-income rental housing units across the county.

Relation to Statutory Objectives

This activity supports the statutory objective of increasing housing choices for low-income families.

Anticipated Schedule for Achieving the Stated Objectives

SCCHA plans to implement this activity in fiscal year 2024.

Proposed Baseline, Benchmarks, Metrics and Data Collection

Data related to this activity will be collected and retrieved at least annually from the Agency’s electronic database. As this activity is implemented, SCCHA may revise the activity’s metrics and further quantify and refine its performance baselines and benchmarks.

Activity 2024-04 Short Term Bridge Loan				
Unit of Measurement	Baseline	Benchmark	Projected Outcome	Benchmark Achieved?
HC#1: Additional Units of Housing Made Available				
Number of new housing units made available for households at or below 80% AMI as a result of the activity (increase). If units reach a specific type of household, give that type in this box.	0	60	60	TBD
HC#2: Units of Housing Preserved				
Number of new housing units made available for households at or below 80% AMI as a result of the activity (increase). If units reach a specific type of household, give that type in this box.	0	30	30	TBD

Cost Implications

SCCHA anticipates that there will be costs associated with this activity.

Authorization for the Short-Term Bridge Loan

This proposed activity is authorized in SCCHA’s Moving to Work Agreement, Attachment D – Use of Funds; and consistent with PIH 2011-45.

Rent Reform Impact Analysis, Hardship Case Criteria, Annual Reevaluation and Transition Period

This activity does not qualify as a Rent Reform Initiative.

This activity was made available for public review and included as a proposed activity in the public hearing held for the FY2024 MTW Annual Plan. SCCHA will obtain approval from its Board of

Commissioners prior to the activity’s implementation. The impact of this activity will be evaluated annually in SCCHA’s MTW Report.

2024-05: STREAMLINE OFFER OF NEW LEASE PROCESS *(Proposed Activity)*

Activity Description

Pursuant to 24 CFR 982.308, SCCHA is required to execute a new HAP contract when there are changes in lease requirements governing utility or appliance responsibilities or the term of the lease. SCCHA refers to this process as an Offer of New Lease. The process to update these two changes can be lengthy and burdensome for the owner, tenant, and SCCHA, thus creating delays in rent increase payments and confusion on HAP contract effective dates.

SCCHA proposes to streamline its Offer of New Lease process by waiving the requirement to execute a new HAP contract due to lease changes. Staff will continue to update files and communicate changes to all parties involved. This activity will alleviate staff time and costs associated with the completion of a HAP contract, tenancy addendum, and lease.

SCCHA recruited a consultant in 2020 to evaluate best practices for owner recruitment and retention. Based on the feedback from owners, it was recommended to streamline HCV processes to ensure timely payments and communication of rent and lease changes for the owner and tenant. The effect of streamlining the process not only improves response and completion times for Offer of New Leases, but they also reduce staff time and agency costs.

Relation to Statutory Objectives

The proposed activity supports the statutory objective of achieving greater cost effectiveness in federal expenditures by eliminating the administrative burden placed on SCCHA staff to execute new HAP contracts due to changes in utility or appliance responsibilities or the term of the lease.

Anticipated Schedule for Achieving the Stated Objectives

SCCHA anticipates implementing this activity upon approval.

Proposed Baseline, Benchmarks, Metrics and Data Collection

Data related to this activity will be collected and retrieved at least annually from the Agency’s electronic database. As this activity is implemented, SCCHA may revise the activity’s metrics and further quantify and refine its performance baselines and benchmarks.

Activity 2024-05 STREAMLINE OFFER OF NEW LEASE PROCESS				
Unit of Measurement	Baseline	Benchmark	Projected Outcome	Benchmark Achieved?
CE #1: Agency Cost Savings				

Total cost of task in dollars (decrease).	\$23,494	\$11,747	\$17,620	TBD
CE #2: Staff Time Savings				
Total time to complete the task in staff hours (decrease).	720	360	540	TBD

Cost Implications

SCCHA anticipates that the proposed activity will not have any cost implications for the agency.

Authorization for the Activity

The proposed activity is authorized in Attachment C, Paragraph D (2)(b) of SCCHA’s MTW Agreement with HUD and waives certain provisions of Sections 8(o)(7) and 8(o)(13) of the 1937 Act and 24.CFR 982.308, 982.451 and 983 Subpart E as necessary to implement the Agency’s Annual MTW Plan. This authorization is needed to modify the content of contract rental agreements to streamline the Offer of New Lease process.

Rent Reform Impact Analysis, Hardship Case Criteria, Annual Reevaluation and Transition Period

This activity does not qualify as a Rent Reform Initiative.

This activity was made available for public review and included as a proposed activity in the public hearing held for the FY2024 MTW Annual Plan. SCCHA will obtain approval from its Board of Commissioners prior to the activity’s implementation. The impact of this activity will be evaluated annually in SCCHA’s MTW Report.

2024-06: INCREASE TOTAL DEVELOPMENT COST CAP *(Proposed Activity)*

Activity Description

As a local leader in development of affordable housing, SCCHA is requesting permission to adopt an alternative reasonable cost formula for redevelopment and rehabilitation activities under the local non-traditional activities. SCCHA is requesting permission to use MTW funds for up to 100% of the project costs, when necessary.

Construction costs are increasing rapidly in the form of increased material and labor costs and higher loan rates. SCCHA’s development projects exceed the Total Development Cost (TDC) limits. Under the TDC limits SCCHA can typically fund one-quarter to one-half of the construction costs. Increasing the amount of MTW funds in a project will simplify the project financing and increase the speed at which projects can be completed. There is the additional benefit of MTW funds not being tied to the volatility of the market, which can increase costs in the middle of a project, subjecting an entire project to uncertainty.

In Santa Clara County one of the major sources of funding for affordable housing development is the County’s Measure A bond, which will exhaust its funding in FY2024. Allowing SCCHA to increase the TDC limit provides the Housing Authority the ability to be more nimble and innovative as a local leader in the development and construction of affordable housing.

Increasing the cap on the total development costs allows SCCHA to build more units and therefore provide more housing options for low-income families in Santa Clara County.

Relation to Statutory Objectives

This activity supports the statutory objective of expanding participants’ housing choices.

Anticipated Schedule for Achieving the Stated Objectives

SCCHA anticipates implementing this activity upon approval and using the flexibility as necessary.

Proposed Baseline, Benchmarks, Metrics and Data Collection

Data related to this activity will be collected and retrieved at least annually from the Agency’s electronic database. As this activity is implemented, SCCHA may revise the activity’s metrics and further quantify and refine its performance baselines and benchmarks.

Activity 2024-06 Increase Total Development Cost Cap				
Unit of Measurement	Baseline	Benchmark	Projected Outcome	Benchmark Achieved?
HC #1: Additional Units of Housing Made Available				
Number of new housing units made available for households at or below 80% AMI as a result of the activity (increase). If units reach a specific type of household, give that type in this box.	0	100	100	TBD
Unit of Measurement	Baseline	Benchmark	Projected Outcome	Benchmark Achieved?
HC #2: Units of Housing Preserved				
Number of housing units preserved for households at or below 80% AMI that would otherwise not be available (increase). If units reach a specific type of household, give that type in this box.	0	100	100	TBD

Cost Implications

SCCHA anticipates that the proposed activity will have the cost implications of increasing the amount of MTW funds used for development and rehabilitation activities.

Authorization for the Activity

The proposed activity is authorized in Attachment C, Paragraph C, Section 16 of SCCHA’s MTW Agreement with HUD and waives certain provisions of Section 6(b) of the 1937 Act and 24 CFR 941.306 as necessary to implement SCCHA’s MTW Plan. This authorization is needed to establish reasonable cost formulas for development and redevelopment activities.

Rent Reform Impact Analysis, Hardship Case Criteria, Annual Reevaluation and Transition Period

This activity does not qualify as a Rent Reform Initiative.

This activity was made available for public review and included as a proposed activity in the public hearing held for the FY2024 MTW Annual Plan. SCCHA will obtain approval from its Board of Commissioners prior to the activity’s implementation. The impact of this activity will be evaluated annually in SCCHA’s MTW Report.

2024-07: BUENA VISTA MOBILE HOME PARK

(Proposed Activity)

Activity Description

In 2017 SCCHA, with local partners, purchased the Buena Vista Mobile Home Park in Palo Alto, one of the highest cost cities in Santa Clara County, to preserve affordable housing and prevent the imminent displacement of residents. Since then, SCCHA has made substantial investments to improve the infrastructure and quality of life for the residents of Buena Vista. As the Housing Authority now works to redevelop the Buena Vista Mobile Home Park, SCCHA requests the following MTW flexibilities: to allow residents to temporarily move during construction, with an option to return at completion; to minimize the disruption of inspections in situations where SCCHA is not subsidizing the housing; and to provide project-based housing assistance to mobile home units.

The first step in the extensive development work is the safe relocation of tenants so the site-work can begin. Since SCCHA acquired the property staff has been working with residents to provide relocation packages to Buena Vista residents who chose to take it. While several families have moved there are still families at the park who need assistance to move. To this end, SCCHA would like to institute a direct referral program to offer a Housing Choice Voucher to eligible Buena Vista residents. This option provides more stability than other options, such as a temporary relocation.

Additionally, when construction is complete, SCCHA plans to directly refer to the newly constructed PBV units, any families who were current residents at the time redevelopment began. This is an important piece of the plan as the development plans may require the temporary relocation of the long-term residents and allowing those who are eligible to return will prevent permanent displacement.

As part of this activity, SCCHA is also requesting permission to replace the HQS requirement with an alternate inspection process focused on health and safety, as determined by SCCHA. As the owner of the property and the spaces where the coaches sit, SCCHA has a significant interest in maintaining a safe, enjoyable community. The manufactured homes that will be part of the final design will be owned by individual families. As such, SCCHA proposes an inspection zone limited to the common, outdoor space and exterior areas.

The final piece of this activity uses SCCHA’s MTW authority to project-base manufactured housing, an otherwise prohibited unit type under the PBV program. SCCHA would apply the rules and statutory requirements of the manufactured home program in the HCV program, found at 24 CFR 982.620 -.624, to eligible families. The waiver from activity 2019-3, waiving the requirement to re-determine reasonableness for manufactured home spaces annually would also apply.

Relation to Statutory Objectives

This activity supports the statutory objective of expanding participants’ housing choices.

Anticipated Schedule for Achieving the Stated Objectives

SCCHA anticipates implementing this activity upon approval and using the flexibility as necessary.

Proposed Baseline, Benchmarks, Metrics and Data Collection

Data related to this activity will be collected and retrieved at least annually from the Agency’s electronic database. As this activity is implemented, SCCHA may revise the activity’s metrics and further quantify and refine its performance baselines and benchmarks.

Activity 2024-07 Buena Vista Mobile Home Park				
Unit of Measurement	Baseline	Benchmark	Projected Outcome	Benchmark Achieved?
HC #1: Additional Units of Housing Made Available				
Number of new housing units made available for households at or below 80% AMI as a result of the activity (increase). If units reach a specific type of household, give that type in this box.	75	25	100	TBD
Unit of Measurement	Baseline	Benchmark	Projected Outcome	Benchmark Achieved?
HC #2: Units of Housing Preserved				
Number of housing units preserved for households at or below 80% AMI that would otherwise not be available (increase). If units reach a specific type of household, give that type in this box.	75	25	100	TBD

Cost Implications

SCCHA anticipates that the proposed activity will increase costs related to the direct referral vouchers and the costs of construction.

Authorization for the Activity

The proposed activity is authorized in Attachment C, Section (D)(1)(f) of SCCHA’s MTW Agreement with HUD and waives certain provisions of Sections 8(o)(7) and 8(o)(13) of the 1937 Act and 24 CFR 983.53(a)(5), 982.451 and 983 Subpart, and Attachment C Section (F)(7)(d) which waives certain provisions of Section 8(o)(8) of the 1937 Act and 24 C.F.R. 982 Subpart I, and Attachment C, Section (D)(4), which waives certain provisions of Sections 8(o)(6), 8(o)(13)(J) and 8(o)(16) of the 1937 Act and 24 C.F.R. 982 Subpart E, 982.305 and 983 Subpart F as necessary to implement the Agency’s Annual MTW Plan. These authorizations are needed to allow PBV assistance for manufactured housing space rent, waive HQS, and provide a direct referral program.

Rent Reform Impact Analysis, Hardship Case Criteria, Annual Reevaluation and Transition Period

This activity does not qualify as a Rent Reform Initiative.

This activity was made available for public review and included as a proposed activity in the public hearing held for the FY2024 MTW Annual Plan. SCCHA will obtain approval from its Board of Commissioners prior to the activity’s implementation. The impact of this activity will be evaluated annually in SCCHA’s MTW Report.

2024-08: SUPPLEMENTAL RENTS *(Proposed Activity)*

Activity Description

SCCHA is requesting authority to use MTW dollars to supplement the amount of rent for units converted under the RAD process. The HUD-limited rents make difficult operation of a building in the high-cost area of Santa Clara County. SCCHA has 551 units available under the Faircloth Limit and plans, in FY2024, to work with the HUD Office of Repositioning to convert newly acquired properties to public housing units and then use the streamlined process to convert the units to RAD PBV units.

During the brief period a unit may be operated as Public Housing, SCCHA is requesting authority to use MTW flexibility to provide a local subsidy so the operating income from all sources is equal to 110% of the HUD Fair Market Rent

SCCHA will submit a Mixed Finance Application to HUD within the next several months and then use the recently established streamlined process to convert the units to RAD PBVs immediately after acceptance as federal public housing. Once the units are PBVs they will operate the same as units currently under a PBV HAP Contract with Contract Rents set in accordance with 24 C.F.R. 983.301 – 983.305

Relation to Statutory Objectives

This activity supports the statutory objective of expanding participants’ housing choices.

Anticipated Schedule for Achieving the Stated Objectives

SCCHA anticipates implementing this activity upon approval and using the flexibility immediately.

Proposed Baseline, Benchmarks, Metrics and Data Collection

Data related to this activity will be collected and retrieved at least annually from the Agency’s electronic database. As this activity is implemented, SCCHA may revise the activity’s metrics and further quantify and refine its performance baselines and benchmarks.

Cost Implications

SCCHA anticipates that the proposed activity will increase costs.

Authorization for the Activity

This proposed activity is authorized in SCCHA’s First Amendment to Moving to Work Agreement, Attachment D – Use of Funds

Rent Reform Impact Analysis, Hardship Case Criteria, Annual Reevaluation and Transition Period

This activity does not qualify as a Rent Reform Initiative.

This activity was made available for public review and included as a proposed activity in the public hearing held for the FY2024 MTW Annual Plan. SCCHA will obtain approval from its Board of Commissioners prior to the activity’s implementation. The impact of this activity will be evaluated annually in SCCHA’s MTW Report.

IV. Approved MTW Activities (HUD Approval Previously Granted)

To date, SCCHA has had 60 activities approved by HUD. Of these, fifteen were closed out in previous years. SCCHA anticipates closing out activities 2020-5 and 2010-2 in the FY2023 MTW Annual Report.

The first four numbers of each activity signify the fiscal year in which each activity was approved. Except where indicated in the activity status explanation, SCCHA does not anticipate any changes or modifications to the activities during the Plan year.

Implemented Activities

ACTIVITY 2009-1: REDUCED FREQUENCY OF TENANT REEXAMINATIONS

PLAN YEAR APPROVED: FY2009 IMPLEMENTED: FY2009 AMENDED: FY2016 and FY2021

DESCRIPTION OF MTW ACTIVITY

This activity, originally implemented in 2009, reduces the frequency of participant reexaminations in the voucher program. Participants with fixed incomes are reexamined every three years and participants with non-fixed incomes are reexamined every two years. In FY2015, SCCHA amended this activity to include its four public housing units under the new reexamination schedule. By including its public housing units under the modified reexamination schedule, SCCHA will be furthering administrative streamlining and labor savings for both its Section 8 and 9 programs.

In FY2020, SCCHA re-proposed this activity as a technical amendment in response to the widespread economic disruption caused by the COVID-19 pandemic. The re-proposed activity assigned MTW participants with non-fixed incomes to a three-year regular re-examination cycle, and MTW participants with fixed incomes to a four-year cycle. This re-proposed activity took effect immediately as a technical amendment, bypassing the public notice and comment period and was intended to last until June 30, 2021 or six months after the shelter-in-place orders have been lifted, whichever is longer.

UPDATE ON MTW ACTIVITY

SCCHA re-proposed Activity 2009-1 as a technical amendment again in FY2021, extending the amendment

from FY2020 due to the ongoing impact of the COVID-19 pandemic. The FY2021 amendment extends this modified activity through FY2023 (ending June 30, 2023).

PLANNED NON-SIGNIFICANT CHANGES

SCCHA does not anticipate any non-significant changes to this activity.

PLANNED CHANGES TO METRICS/DATA COLLECTION

There are no changes to the activity’s metrics, baselines, or benchmarks.

PLANNED SIGNIFICANT CHANGES

SCCHA does not anticipate any significant changes to this activity.

ACTIVITY 2009-2: EXPEDITING INITIAL ELIGIBILITY INCOME VERIFICATION PROCESS

PLAN YEAR APPROVED: FY2009 IMPLEMENTED: FY2009 AMENDED: N/A

DESCRIPTION OF MTW ACTIVITY

This activity allows SCCHA to extend the time period in which application documents are valid, from 60 days to 120 days.

UPDATE ON MTW ACTIVITY

Extending the documentation timeframe continues to provide administrative relief, both to applicants and to SCCHA. SCCHA will continue to use this activity in FY2024.

PLANNED NON-SIGNIFICANT CHANGES

SCCHA does not anticipate any non-significant changes to this activity and its authorizations.

PLANNED CHANGES TO METRICS/DATA COLLECTION

There are no changes to the activity’s metrics, baselines, or benchmarks.

PLANNED SIGNIFICANT CHANGES

SCCHA does not anticipate any significant changes to this activity and its authorizations.

ACTIVITY 2009-5: EXPLORING NEW HOUSING OPPORTUNITIES FOR THE CHRONICALLY HOMELESS

PLAN YEAR APPROVED: FY2009 IMPLEMENTED: FY2011 AMENDED: N/A

DESCRIPTION OF MTW ACTIVITY

The Chronically Homeless Direct Referral (CHDR) program was implemented in FY2011. The CHDR program increases housing choices and mobility by assisting the homeless population through a more targeted and efficient process than the standard voucher waiting list system. Following a housing-first model, identified chronically homeless families not on the voucher waiting list are referred for project-based housing assistance and connected to case management services with

local service providers. In FY2016 SCCHA amended and extended its agreement with Santa Clara County’s Office of Supportive Housing, which administers the referral of applicant and oversees the agencies providing intensive case management services

UPDATE ON MTW ACTIVITY

SCCHA continues to work closely with the County’s Office of Supportive Housing to Successfully house chronically homeless families through the County.

PLANNED NON-SIGNIFICANT CHANGES

SCCHA does not anticipate any non-significant changes or modifications to this activity and its authorizations.

PLANNED CHANGES TO METRICS/DATA COLLECTION

There are no planned changes to the activity’s metrics, baselines, or benchmarks.

PLANNED SIGNIFICANT CHANGES

SCCHA does not anticipate any significant changes or modifications to this activity and its authorizations.

ACTIVITY 2009-8: 30-DAY REFERRAL PROCESS FOR PROJECT BASED VACANCIES

PLAN YEAR APPROVED: FY2009 IMPLEMENTED: FY2010 AMENDED: N/A

DESCRIPTION OF MTW ACTIVITY

This activity allows owners to directly refer applicants after 30 days of unsuccessful attempts to fill the Project-Based Voucher (PBV) unit using referrals from the SCCHA waiting list. This activity reduces the vacancy time for owners and the resultant loss in money thus ensuring the continuation of the PBV contract and the affordability of the units for low income households.

UPDATE ON MTW ACTIVITY

This activity was placed on hold in the FY2022 Plan, as SCCHA intended to close this activity after transitioning to our online site-based waiting lists. However, we have found this flexibility continues to assist PBV property owners in filling vacancies; therefore, SCCHA will continue to use this activity.

PLANNED NON-SIGNIFICANT CHANGES

There are no planned non-significant changes or modifications to this activity and its authorizations.

PLANNED CHANGES TO METRICS/DATA COLLECTION

There are no planned changes to the activity’s metrics, baselines, or benchmarks.

PLANNED SIGNIFICANT CHANGES

There are no planned significant changes or modifications to this activity and its authorizations.

ACTIVITY 2009-9: UTILIZATION OF LOW-INCOME HOUSING TAX CREDIT (LIHTC) TENANT INCOME CERTIFICATION (TIC) FOR INCOME AND ASSET VERIFICATION

PLAN YEAR APPROVED: FY2009 IMPLEMENTED: FY2010 AMENDED: N/A

DESCRIPTION OF MTW ACTIVITY

This activity, first implemented in 2010, allows SCCHA to utilize the owner-provided Tenant Income Certification (TIC) form required under the Low-Income Housing Tax Credit (LIHTC) Program as its sole method for verification of the family’s income and assets when filling PBV vacancies for tax credit units. Prior to implementation, households selected to fill a PBV unit that utilized tax credits had to complete initial eligibility calculations under both the Federal LIHTC regulations (Section 42 of the IRS Code) and the Section 8 PBV regulations (24 CFR 5.657, 5.659).

UPDATE ON MTW ACTIVITY

SCCHA currently uses property-owner TIC documentation for initial eligibility and at each regularly scheduled reexamination to verify income and family composition.

PLANNED NON-SIGNIFICANT CHANGES

SCCHA does not anticipate any non-significant changes to this activity and its authorizations.

PLANNED CHANGES TO METRICS/DATA COLLECTION

There are no changes to the activity’s metrics, baselines, or benchmarks.

PLANNED SIGNIFICANT CHANGES

SCCHA does not anticipate any significant changes to this activity and its authorizations.

ACTIVITY 2009-11: PROJECT-BASE 100% OF UNITS IN FAMILY PROJECTS

PLAN YEAR APPROVED: FY2009 IMPLEMENTED: FY2010 AMENDED: N/A

DESCRIPTION OF MTW ACTIVITY

This MTW activity allows SCCHA to project-base more than 25% of the units in housing projects that make supportive services available. Although services must be made available and families must be made aware of and encouraged to participate in these services, families do not need to participate in the supportive services. This MTW activity increases housing choices for low-income families by making the units more attractive to families who do not want or need supportive services.

UPDATE ON MTW ACTIVITY

The activity continues to reduce SCCHA’s administrative burden by removing the required compliance monitoring for families living in the “excepted” units (i.e. units above the 25% cap).

PLANNED NON-SIGNIFICANT CHANGES

SCCHA does not anticipate any non-significant changes to this activity and its authorizations.

PLANNED CHANGES TO METRICS/DATA COLLECTION

There are no changes to the activity's metrics, baselines, or benchmarks.

PLANNED SIGNIFICANT CHANGES

SCCHA does not anticipate any significant changes to this activity and its authorizations.

ACTIVITY 2009-13: COMBINED WAITING LIST FOR THE COUNTY OF SANTA CLARA AND THE CITY OF SAN JOSÉ

PLAN YEAR APPROVED: FY2009 IMPLEMENTED: FY2009 AMENDED: N/A

DESCRIPTION OF MTW ACTIVITY

In 1976, SCCHA signed an agreement to administer the Housing Choice Voucher program on behalf of the City of San José. This agreement allows SCCHA to operate under one Annual Plan, one Administrative Plan, and one combined MTW plan for both housing authorities. In accordance with this agreement, in FY2009, this activity was implemented to permit SCCHA to waive regulation 24 CFR 982.404(f), and to continue to operate one combined waiting list for both the City of San José and the County of Santa Clara. This activity allows SCCHA to operate a joint waiting list for the Housing Choice Voucher (HCV) and the Project Based Voucher (PBV) Programs.

UPDATE ON MTW ACTIVITY

SCCHA changed the structure of its waiting list system to a permanently open interest list, which was launched in FY2021. As with the waiting list, SCCHA operates one combined interest list for both the City of San José and County of Santa Clara. SCCHA will continue to operate this joint interest list for the Housing Choice Voucher (HCV) and the Project-Based Voucher (PBV) Programs.

PLANNED NON-SIGNIFICANT CHANGES

SCCHA does not anticipate any non-significant changes or modifications to this activity and its authorizations.

PLANNED CHANGES TO METRICS/DATA COLLECTION

There are no planned changes to the activity's metrics, baselines, or benchmarks.

PLANNED SIGNIFICANT CHANGES

SCCHA does not anticipate any significant changes or modifications to this activity and its authorizations.

2009-14: PAYMENT STANDARD CHANGES BETWEEN REGULAR REEXAMINATIONS

PLAN YEAR APPROVED: FY2009 IMPLEMENTED: FY2010 AMENDED: FY2014

DESCRIPTION OF MTW ACTIVITY

This activity allows SCCHA to effectuate an immediate change in voucher size and its corresponding payment standard when changes in family composition or SCCHA's subsidy size policy occur between regular reexaminations. If the application of the new payment standard results in a decrease in the

tenant’s rent portion, the interim reexamination effective date will be the first of the month following the change. If the application of the new payment results in an increase in the tenant’s rent portion, the interim reexamination effective date will be the first of the month following a 30-day notice to the tenant and owner.

UPDATE ON MTW ACTIVITY

This activity continues to result in Housing Assistance Payment (HAP) cost savings by enabling the new payment standards to take effect at the time of an interim reexamination rather than at the next regular reexamination.

PLANNED NON-SIGNIFICANT CHANGES

SCCHA does not anticipate any non-significant changes to this activity and its authorizations.

PLANNED CHANGES TO METRICS/DATA COLLECTION

There are no changes to the activity’s metrics, baselines, or benchmarks.

PLANNED SIGNIFICANT CHANGES

SCCHA does not anticipate any significant changes to this activity and its authorizations.

ACTIVITY 2010-2: EXCLUDING ASSET INCOME FROM INCOME CALCULATIONS FOR FAMILIES WITH ASSETS UNDER \$50,000

PLAN YEAR APPROVED: FY2010 IMPLEMENTED: FY2010 AMENDED: N/A

DESCRIPTION OF MTW ACTIVITY

SCCHA no longer calculates income received from family assets under \$50,000. Since implementation in FY2010, SCCHA has reduced administrative costs through this activity. SCCHA continues to save costs of staff time previously spent on this task.

UPDATE ON MTW ACTIVITY

SCCHA continues to save costs of staff time previously spent on this task.

PLANNED NON-SIGNIFICANT CHANGES

SCCHA plans to close out this activity in the FY2023 MTW Report as the Housing Opportunity Through Modernization Act of 2016 (HOTMA) makes this activity unnecessary.

PLANNED CHANGES TO METRICS/DATA COLLECTION

There are no changes to the activity’s metrics, baselines, or benchmarks.

PLANNED SIGNIFICANT CHANGES

SCCHA plans to close out this activity in the FY2023 MTW Report as the Housing Opportunity Through Modernization Act of 2016 (HOTMA) makes this activity unnecessary.

2010-3: APPLYING CURRENT INCREASED PAYMENT STANDARDS AT INTERIM REEXAMINATIONS

PLAN YEAR APPROVED: FY2010 IMPLEMENTED: FY2010 AMENDED: N/A

DESCRIPTION OF MTW ACTIVITY

This MTW activity allows the application of the current payment standard (if the payment standard has increased since the family's last regular reexamination) to the rental assistance calculation at interim reexaminations.

UPDATE ON MTW ACTIVITY

Since implementation in FY2010, SCCHA has met the statutory objective of reducing administrative costs and increasing housing choice for low-income families. SCCHA has realized savings in staff hours and cost of tasks.

PLANNED NON-SIGNIFICANT CHANGES

SCCHA does not anticipate any non-significant changes to this activity and its authorizations.

PLANNED CHANGES TO METRICS/DATA COLLECTION

There are no changes to the activity's metrics, baselines, or benchmarks.

PLANNED SIGNIFICANT CHANGES

SCCHA does not anticipate any significant changes to this activity and its authorizations.

ACTIVITY 2010-4: ALLOCATING PROJECT-BASED VOUCHERS TO SCCHA-OWNED PROJECTS WITHOUT COMPETITION

PLAN YEAR APPROVED: 2010 IMPLEMENTED: 2010 AMENDED: N/A

DESCRIPTION OF MTW ACTIVITY

This MTW activity allows the Agency to select SCCHA-owned housing for project-based assistance without a competitive process, saving both staff time and other costs that would be related to a competitive process. As a result of this activity, SCCHA is able to cost-effectively and efficiently ensure that these project-based units are available.

UPDATE ON MTW ACTIVITY

SCCHA last utilized this activity in early 2022 to allocate PBVs to the Bellarmino and Alvarado projects, both in San Jose. SCCHA tentatively plans to utilize this activity in FY2024 to allocate PBVs to the Hawthorn, Trillium, Sage, and Elderberry projects, also in San Jose.

PLANNED NON-SIGNIFICANT CHANGES

There are no planned non-significant changes or modifications to this activity and its authorizations.

PLANNED CHANGES TO METRICS/DATA COLLECTION

There are no planned changes to the activity's metrics, baselines, or benchmarks.

PLANNED SIGNIFICANT CHANGES

There are no planned significant changes or modifications to this activity and its authorizations.

ACTIVITY 2011-1: STREAMLINED APPROVAL PROCESS FOR EXCEPTION PAYMENT STANDARD FOR REASONABLE ACCOMMODATION – HCV

PLAN YEAR APPROVED: FY2011 IMPLEMENTED: FY2011 AMENDED: N/A

DESCRIPTION OF MTW ACTIVITY

This activity allows SCCHA to approve any requests for an exception payment standard above 110 percent (but not to exceed 120 percent) of the published Fair Market Rent (FMR) as a reasonable accommodation for persons with disabilities.

UPDATE ON MTW ACTIVITY

This activity continues to improve SCCHA’s responsiveness to the needs of families with members who have disabilities, which provides increased housing choices by enabling them to secure an accessible unit more expeditiously.

PLANNED NON-SIGNIFICANT CHANGES

SCCHA does not anticipate any non-significant changes or modifications to this activity and its authorizations.

PLANNED CHANGES TO METRICS/DATA COLLECTION

There are no planned changes to the activity’s metrics, baselines, or benchmarks.

PLANNED SIGNIFICANT CHANGES

SCCHA does not anticipate any significant changes or modifications to this activity and its authorizations.

ACTIVITY 2011-2: SIMPLIFY REQUIREMENTS REGARDING THIRD-PARTY INSPECTIONS AND RENT SERVICES

PLAN YEAR APPROVED: FY2011 IMPLEMENTED: FY2011 AMENDED: N/A

DESCRIPTION OF MTW ACTIVITY

SCCHA implemented this activity to waive the regulatory requirement in which HUD must approve a designated, qualified independent agency to conduct Housing Quality Standards (HQS) inspection and rent reasonableness services for SCCHA-owned units. This qualified independent agency conducts both initial and regularly scheduled HQS inspections, as well as rent reasonable services for initial contracts and requested rent adjustments for SCCHA-owned or -controlled properties. In addition, this activity has allowed SCCHA to waive the second part of the HUD regulation that requires the independent agency to supply copies of each inspection report and rent reasonableness determination to the HUD field office.

In FY2021, SCCHA amended this activity to further eliminate remaining required tasks associated with this HUD requirement. Specifically:

- Establishing contract rents (initial rent to owner and redetermined rent to owner);

- Establishing term of initial and any renewal HAP contract;
- Determining rent reasonableness; and
- Assisting the family in negotiating the rent with the owner.

These requirements still occur but are completed by SCCHA staff. The complete elimination of this requirement by a third-party will continue to decrease costs and increase administrative streamlining at SCCHA.

UPDATE ON MTW ACTIVITY

SCCHA continues to realize the ongoing benefits associated with reduced costs and administrative streamlining related to this activity.

PLANNED NON-SIGNIFICANT CHANGES

SCCHA does not anticipate any non-significant changes or modifications to this activity and its authorizations.

PLANNED CHANGES TO METRICS/DATA COLLECTION

There are no planned changes to the activity’s metrics, baselines, or benchmarks.

PLANNED SIGNIFICANT CHANGES

SCCHA does not anticipate any significant changes or modifications to this activity and its authorizations.

ACTIVITY 2012-2: MINIMUM TWO-YEAR OCCUPANCY IN PROJECT-BASED UNIT

PLAN YEAR APPROVED: 2012 IMPLEMENTED: 2015 AMENDED: N/A

DESCRIPTION OF MTW ACTIVITY

The purpose of the activity is to enhance the occupancy stability in the PBV program, which will result in reduced staff time spent processing PBV move-outs and vacancy outreach. Project-based participants are required to remain in their PBV units for a minimum of two years prior to becoming eligible to request a tenant-based voucher to move with continued assistance.

The activity does not apply to families:

- 1) with an approved reasonable accommodation that requires them to move;
- 2) who experience a change in family composition that affects unit size;
- 3) who present other compelling reasons to move out; or
- 4) who request a move under the Violence Against Women Act (VAWA).

To implement the activity, SCCHA created its own PBV Statement of Family Responsibility and PBV Tenancy Addendum forms to replace the HUD forms. The only change in the SCCHA versions of the forms is the two-year, rather than one-year, PBV residency requirement before tenants may move with continued housing assistance.

UPDATE ON MTW ACTIVITY

SCCHA utilizes this activity on an ongoing basis and will continue to utilize the activity.

PLANNED NON-SIGNIFICANT CHANGES

There are no planned non-significant changes or modifications to this activity and its authorizations.

PLANNED CHANGES TO METRICS/DATA COLLECTION

There are no planned changes to the activity's metrics, baselines, or benchmarks.

PLANNED SIGNIFICANT CHANGES

There are no planned significant changes or modifications to this activity and its authorizations.

ACTIVITY 2012-3: CREATE AFFORDABLE HOUSING ACQUISITION AND DEVELOPMENT FUND

PLAN YEAR APPROVED: FY2012 IMPLEMENTED: FY2012 AMENDED: N/A

DESCRIPTION OF MTW ACTIVITY

This activity allows SCCHA to use MTW funds to pursue opportunities to build new affordable rental housing units through the acquisition of existing land and/or funding the development of units for new construction or rehabilitation.

UPDATE ON MTW ACTIVITY

SCCHA's development activities will expand in FY2024. Development and financing efforts continue at Alvarado Park Senior Housing (89 units) and Bellarmino Place Family Housing (115 units). The two developments were purchased with \$12 million in MTW funds. Development and financing will also continue on the four affordable housing developments at the East Santa Clara site. Approximately \$30 million in MTW funds were used purchase the land for what will be four developments totaling 471 units. One of those sites, Hawthorn will be using MTW funds for planning and pre-development work in FY2024.

Pavilion Inn, a project Homekey site located at 1280 N. 4th St., San Jose, will use \$8.7M in MTW funds for rehabilitation work. The site will eventually add 42 units of affordable housing for transition aged youth.

SCCHA was awarded the right to develop a site at Autumn/Montgomery, by the City of San Jose, which will eventually be part of transit-oriented development site. This site is located at 255 Autumn St, 240/260 Montgomery St and will include hundreds of units of affordable housing. MTW funds will be used in FY2024 for predevelopment and due diligence activities.

In FY2023 SCCHA spent \$500,000 on predevelopment and due diligence for the SureStay Hotel located at 1488 N. 1st St, San Jose. As part of this project SCCHA plans to spend additional MTW funds, up to \$19 Million to acquire adjacent parcels – a Denny's restaurant located at 1490 N. 1st St and a former EZ-8 Motel located at 1550 N. 1st St. SCCHA is exploring a possible purchase of an additional site, Airport Inn at 1440 N. Frist St., San Jose. There are not currently MTW funds committed to this site, but it is included here in case that changes in FY2024

PLANNED NON-SIGNIFICANT CHANGES

PLANNED CHANGES TO METRICS/DATA COLLECTION

There are no planned changes to the activity’s metrics, baselines, or benchmarks.

PLANNED SIGNIFICANT CHANGES

SCCHA does not anticipate any significant changes or modifications to this activity and its authorizations.

ACTIVITY 2012-4: CREATE AFFORDABLE HOUSING PRESERVATION FUND FOR SCCHA AND AFFILIATE OWNED PROPERTIES

PLAN YEAR APPROVED: FY2012 IMPLEMENTED: FY2012 AMENDED: N/A

DESCRIPTION OF MTW ACTIVITY

This activity allows SCCHA to use MTW funds to assist in its preservation activities and to support the asset management staff that has oversight of the affordable units. The preservation activities include using MTW funds for expenses incurred in rehabilitating the units to extend their useful life and affordability, or to acquire the property or limited partner’s interest at the end of the tax credit period to maintain the asset’s affordability into the future, or pay off existing loans in order to leverage additional financing.

UPDATE ON MTW ACTIVITY

SCCHA continues to use this activity to preserve the long-term stability and viability of existing SCCHA owned and affiliate owned housing. SCCHA plans to use approximately \$5 million in MTW funds for the rehabilitation of 20 units at San Pedro Gardens Apartments during FY2024. SCCHA is also planning to use approximately \$12M in MTW funds to complete upgrades at the Jardines, Paloma Blanca, Girasol Housing, and Las Golondrinas Apartments, associated with the acquisition from HUD. The Buena Vista Mobile Home Park will also be using funds in FY2024 for pre-development activities.

PLANNED NON-SIGNIFICANT CHANGES

SCCHA does not anticipate any non-significant changes or modifications to this activity and its authorizations.

PLANNED CHANGES TO METRICS/DATA COLLECTION

There are no planned changes to the activity’s metrics, baselines, or benchmarks.

PLANNED SIGNIFICANT CHANGES

SCCHA does not anticipate any significant changes or modifications to this activity and its authorizations.

ACTIVITY 2013-1: ELIMINATION OF THE EARNED INCOME DISALLOWANCE (EID) CALCULATION

PLAN YEAR APPROVED: FY2013 IMPLEMENTED: FY2015 AMENDED: N/A

DESCRIPTION OF MTW ACTIVITY

This activity eliminates the HUD-mandated Earned Income Disallowance (EID) calculation. The agency implemented this activity in early FY2015. Since implementation, this activity continues to decrease staff time required to calculate a family’s rent portion and reduces errors associated with calculating potential income exclusions.

UPDATE ON MTW ACTIVITY

SCCHA utilizes this activity on an ongoing basis and will continue to utilize the activity.

PLANNED NON-SIGNIFICANT CHANGES

There are no planned non-significant changes or modifications to this activity and its authorizations.

PLANNED CHANGES TO METRICS/DATA COLLECTION

There are no planned changes to the activity's metrics, baselines, or benchmarks.

PLANNED SIGNIFICANT CHANGES

There are no planned significant changes or modifications to this activity and its authorizations.

ACTIVITY 2014-4: INCREASED TENANT CONTRIBUTION – UP TO 35% OF GROSS INCOME

PLAN YEAR APPROVED: FY2014 IMPLEMENTED: FY2015 AMENDED: FY2015, FY2024

DESCRIPTION OF MTW ACTIVITY

This activity simplified the calculation of Total Tenant Payment (TTP) to the higher of between 30 and 35 percent of the participant family's gross monthly income or \$50 (minimum rent). Originally implemented in FY2014, this activity eliminated all standard allowances and deductions, as well eliminated the inclusion of a utility allowance in the tenant rent calculation. The initial implementation of this activity increased the TTP to 35 percent as a cost-saving measure in response to diminished funds resulting from federal sequestration. In September 2014, the TTP was reduced to 32 percent, and then further reduced to 30 percent in February 2022. SCCHA re-proposed this activity in FY2015 to include its four public housing units. This activity provided significant costs savings to SCCHA by reducing the amount of Housing Assistance Payment (HAP) paid to landlords. Additionally, the simplified calculation freed up staff hours by streamlining this task.

UPDATE ON MTW ACTIVITY

SCCHA plans to modify the range for calculation of Total Tenant Payment (TTP) to between 28 and 35 percent of the participant family's gross monthly income. This will give SCCHA further flexibility to adjust tenant rent share in response to changing economic conditions and the agency's fiscal health.

PLANNED NON-SIGNIFICANT CHANGES

All non-significant changes or modifications to this activity and its authorizations during FY2024 are described above.

PLANNED CHANGES TO METRICS/DATA COLLECTION

There are no planned changes to the activity's metrics, baselines, or benchmarks.

PLANNED SIGNIFICANT CHANGES

There are no planned significant changes or modifications to this activity and its authorizations.

ACTIVITY 2015-2: PROJECT BASED VOUCHER INSPECTION SELF-CERTIFICATION

PLAN YEAR APPROVED: FY2015 IMPLEMENTED: FY2015 AMENDED: N/A

DESCRIPTION OF MTW ACTIVITY

This activity was approved and implemented in FY2015 and allows Project Based Voucher owners and tenants to self-certify the correction of reported Housing Quality Standards (HQS) deficiencies within the 30-day period after the initial HQS inspection. This activity only applies to HQS deficiencies which are not life threatening. This activity reduces expenditures by eliminating the need for scheduling and conducting a re-inspection.

UPDATE ON MTW ACTIVITY

SCCHA utilizes this activity on an ongoing basis and will continue to utilize the activity.

PLANNED NON-SIGNIFICANT CHANGES

There are no planned non-significant changes or modifications to this activity and its authorizations.

PLANNED CHANGES TO METRICS/DATA COLLECTION

There are no planned changes to the activity’s metrics, baselines, or benchmarks.

PLANNED SIGNIFICANT CHANGES

There are no planned significant changes or modifications to this activity and its authorizations.

ACTIVITY 2015-3: MODIFIED ELDERLY DEFINITION FOR PBV

PLAN YEAR APPROVED: FY2015 IMPLEMENTED: FY2015 AMENDED: N/A

DESCRIPTION OF MTW ACTIVITY

HUD currently defines elderly to be persons aged 62 year or older and elderly families to those whose head, spouse or co-head are 62 years of age or older. This activity modifies the age, for the Project Based Voucher (PBV) program, at which a person or family is considered elderly from persons aged 62 or older to persons aged 55 or older to align with the definition used by several affordable housing developments in the area. Therefore, PBV sites which define elderly as 55 years of age and older are considered an elderly property.

UPDATE ON MTW ACTIVITY

This change in the definition allows SCCHA to refer a larger pool of applicants (any family with Head of Household or Spouse aged 55 and older) from its PBV waiting list to fill vacancies in these units and will allow the Agency to project-base 100% of the units in a project with aged 55 or older limitations (project is not subject to the 25% PBV per project cap). SCCHA increased the number of available units for households who otherwise would not have qualified under the property’s definition of elderly.

PLANNED NON-SIGNIFICANT CHANGES

SCCHA does not anticipate any non-significant changes or modifications to this activity and its authorizations.

PLANNED CHANGES TO METRICS/DATA COLLECTION

There are no planned changes to the activity’s metrics, baselines, or benchmarks.

PLANNED SIGNIFICANT CHANGES

SCCHA does not anticipate any significant changes or modifications to this activity and its authorizations.

ACTIVITY 2016-2: STREAMLINING OF PBV SELECTION REQUIREMENTS

PLAN YEAR APPROVED: FY2016 IMPLEMENTED: FY2018 AMENDED: N/A

DESCRIPTION OF MTW ACTIVITY

This activity enables SCCHA to select Project-Based Voucher proposals without conducting a competitive selection process where: 1) the proposed project was previously selected for award through any form of open public solicitation or invitation process conducted by a Federal, State, or local government entity, where a proposal is selected subject to funding availability; and 2) the proposed project was selected by the other government entity within the last fifteen years. This activity also eliminates the regulatory requirement that the previous selection process not consider rental assistance for the proposed project and allows proposers to include PBV assistance in their calculations.

UPDATE ON MTW ACTIVITY

SCCHA utilizes this activity on an ongoing basis and will continue to utilize the activity.

PLANNED NON-SIGNIFICANT CHANGES

There are no planned non-significant changes or modifications to this activity and its authorizations.

PLANNED CHANGES TO METRICS/DATA COLLECTION

There are no planned changes to the activity’s metrics, baselines, or benchmarks.

PLANNED SIGNIFICANT CHANGES

There are no planned significant changes or modifications to this activity and its authorizations.

ACTIVITY 2017-1: PHASING IN THE SUBSIDY STANDARD CHANGE

PLAN YEAR APPROVED: FY2017 IMPLEMENTED: FY2017 AMENDED: N/A

DESCRIPTION OF MTW ACTIVITY

This activity allows SCCHA to change the agency’s subsidy standard policy to two persons per bedroom. Under this activity, if a household’s voucher size changes due to the subsidy size change, the new voucher size does not take effect for households in a unit under a Housing Assistance Payment contract until (1) the family moves; or (2) the rental market vacancy rate remains five percent or higher for at least six months, whichever occurs first.

UPDATE ON MTW ACTIVITY

SCCHA continues to realize the ongoing benefit of reduced costs and an increase in the number of households served.

PLANNED NON-SIGNIFICANT CHANGES

SCCHA does not anticipate any non-significant changes or modifications to this activity and its authorizations.

PLANNED CHANGES TO METRICS/DATA COLLECTION

There are no planned changes to the activity’s metrics, baselines, or benchmarks.

PLANNED SIGNIFICANT CHANGES

SCCHA does not anticipate any significant changes or modifications to this activity and its authorizations.

ACTIVITY 2017-2: SPECIAL NEEDS POPULATION DIRECT REFERRAL PROGRAM

PLAN YEAR APPROVED: FY2017 IMPLEMENTED: FY2019 AMENDED: N/A

DESCRIPTION OF MTW ACTIVITY

This activity creates an exception to Section 8 waiting list regulations to create a direct referral program for certain special needs populations who are not best served through a waiting list (such as disabled individuals at risk of institutionalization or transition aged youth). This activity gives SCCHA the flexibility to work directly with community partners to rapidly house and provide supportive services to vulnerable populations.

UPDATE ON MTW ACTIVITY

SCCHA continues to utilize this activity to expand housing opportunities for special needs populations.

PLANNED NON-SIGNIFICANT CHANGES

SCCHA does not anticipate any non-significant changes or modifications to this activity and its authorizations.

PLANNED CHANGES TO METRICS/DATA COLLECTION

There are no planned changes to the activity’s metrics, baselines, or benchmarks.

PLANNED SIGNIFICANT CHANGES

SCCHA does not anticipate any significant changes or modifications to this activity and its authorizations.

ACTIVITY 2017-3: LANDLORD INITIATIVES (& RE-PROPOSED)

PLAN YEAR APPROVED: FY2017 IMPLEMENTED: FY2017 AMENDED: FY2018, FY2019, & FY2024

DESCRIPTION OF MTW ACTIVITY

This activity originally authorized SCCHA to administer loyalty bonus payments to Section 8 landlords who re-rent their unit to SCCHA program participants. Implemented in March 2017, SCCHA re-proposed the activity in FY2018 to streamline the process of administering the vacancy payments originally based on 80 percent of the previous contract rent for up to 30 days. Approved by HUD, loyalty bonus payments are now set within the range of \$500 and \$1,500 – an amount that was determined to be reasonable after evaluating the program-wide contract rent average. Moderate Rehabilitation and Project-Based Voucher vacancy payments remain at 80 percent of the previous contract rent.

Re-proposed again in FY2019, Activity 2017-3 expands the initiatives SCCHA offers landlords to increase and maintain rental units available for Section 8 families. Offering a one-time bonus payment for new landlords between \$500 and \$2,500—based on a program-wide contract rent average, bonus payments provide new owners with an incentive to participate in the HCV program.

This activity increases the number of HCV units that are re-leased to HCV participants, ensuring the long-term viability of units that will be available to HCV low-income tenants and provides an incentive for new owner participation in the HCV program.

UPDATE ON MTW ACTIVITY

SCCHA originally implemented the use of loyalty bonus payments in March 2017 before seeking to streamline the process of administering the payments in FY2018. The expansion of the initiative in FY2019 offering one-time bonus payments to new owners who rent to a Section 8 tenant was implemented in January 2019. The loyalty bonus payment is currently set at a flat \$1,500 amount.

SCCHA is updating Activity 2017-3 to add a landlord assurance fund to its MTW landlord initiatives. It will reimburse property owners for certain HCV tenant-caused physical damage costs, beyond normal wear and tear that exceed the security deposit amount, up to \$2,500. At a minimum, claims must be made timely, include documentation of damage incurred and provide verification that the claim took place during an assisted family’s tenancy, to be considered for reimbursement. Through this activity update, SCCHA hopes to provide additional incentives to attract new owners to the HCV program and increase the number of rental units available for Section 8 families.

PLANNED NON-SIGNIFICANT CHANGES

All non-significant changes or modifications to this activity and its authorizations during FY2024 are described above.

PLANNED CHANGES TO METRICS/DATA COLLECTION

There are no planned changes to the activity’s metrics, baselines, or benchmarks.

PLANNED SIGNIFICANT CHANGES

SCCHA does not anticipate any significant changes or modifications to this activity and its authorizations.

ACTIVITY 2019-2: FAMILY SELF-SUFFICIENCY PROGRAM – WAIVE CONTRACT OF PARTICIPATION REQUIREMENTS

PLAN YEAR APPROVED: FY2019 IMPLEMENTED: FY2019 AMENDED: N/A

DESCRIPTION OF MTW ACTIVITY

This activity modifies certain aspects of the Family Self Sufficiency (FSS) program in order to reduce the administrative burdens on both the participant families and SCCHA, while broadening the pool of families who could benefit from the FSS program’s escrow savings account. First, the activity eliminates the requirement in the FSS Contract of Participation (CoP) (HUD Form 52560) that enrolling families must have been subject to an income reexamination within 120 days of the enrollment, and instead uses the family income as determined at the last regular reexamination, which may be up to two years before enrollment

for families which are not on fixed incomes. Second, the activity allows the successful maintained employment of any adult member of the enrolled family – rather than just the Head of Household – to count towards the family’s FSS goals. As long as at least one adult family member completes the Individual Training and Services Plan, the family will be considered a “successful FSS completion” and will receive the escrow payout.

UPDATE ON MTW ACTIVITY

SCCHA utilizes this activity on an ongoing basis and will continue to utilize the activity.

PLANNED NON-SIGNIFICANT CHANGES

There are no planned non-significant changes or modifications to this activity and its authorizations.

PLANNED CHANGES TO METRICS/DATA COLLECTION

There are no planned changes to the activity’s metrics, baselines, or benchmarks.

PLANNED SIGNIFICANT CHANGES

2019-3: WAIVING THE REQUIREMENT THAT A PHA REDETERMINE RENT REASONABLENESS FOR MANUFACTURED HOME SPACES ANNUALLY

PLAN YEAR APPROVED: FY2019 IMPLEMENTED: FY2019 AMENDED: N/A

DESCRIPTION OF MTW ACTIVITY

This activity allows SCCHA to eliminate the HUD requirement that a PHA annually re-determine that the current rent to owner is a reasonable rent for rent charged for a manufactured home space. SCCHA continues to perform a full rent reasonableness review at the time of a new contract, owner requested rent changes, tenant request, or when deemed necessary by SCCHA staff.

UPDATE ON MTW ACTIVITY

SCCHA continues to use this activity for manufactured home space rentals in the HCV program.

PLANNED NON-SIGNIFICANT CHANGES

SCCHA does not anticipate any non-significant changes to this activity and its authorizations.

PLANNED CHANGES TO METRICS/DATA COLLECTION

There are no changes to the activity’s metrics, baselines, or benchmarks.

PLANNED SIGNIFICANT CHANGES

SCCHA does not anticipate any significant changes to this activity and its authorizations.

2019-4: STREAMLINING THE LEASE UP PROCESS

PLAN YEAR APPROVED: FY2019 IMPLEMENTED: FY2019 AMENDED: N/A

DESCRIPTION OF MTW ACTIVITY

This activity was designed to alleviate the delays associated with the processing and completion of the Request for Tenancy Approval (RFTA) packet, tenancy addendum, and lease. HUD approved a waiver of 24 CFR §982.162 and §982.308 as necessary to change the requirement of using Form HUD-52517 and to simplify and streamline what constitutes an approvable lease.

SCCHA created a new RFTA form that consolidated certain sections which required owners to input duplicative information. Additionally, SCCHA created a “Mandatory Lease Information” form which acts as an addendum to the owner’s lease agreement. The goal of this form is to save staff time by providing the information HUD requires to be in the owner’s lease on a single page that the tenant and owner will sign and submit along with the lease. This will save staff time because they will no longer need to sift through the entire lease to find the HUD required elements and simultaneously achieve faster approval of the HAP contract for owners.

UPDATE ON MTW ACTIVITY

SCCHA utilizes this activity on an ongoing basis and will continue to utilize the activity.

PLANNED NON-SIGNIFICANT CHANGES

SCCHA does not anticipate any non-significant changes to this activity and its authorizations.

PLANNED CHANGES TO METRICS/DATA COLLECTION

There are no changes to the activity’s metrics, baselines, or benchmarks.

PLANNED SIGNIFICANT CHANGES

SCCHA does not anticipate any significant changes to this activity and its authorizations.

2020-1: PBV PROGRAM CAP

PLAN YEAR APPROVED: FY2020 IMPLEMENTED: FY2020 AMENDED: N/A

DESCRIPTION OF MTW ACTIVITY

This activity was approved in FY2020 and raises the percentage cap for the Housing Authority of the City of San José (HACSI) and the Santa Clara County Housing Authority (SCCHA) to 40% of the respective baseline number of vouchers and removes the restrictions on the types of allowable units.

UPDATE ON MTW ACTIVITY

SCCHA will utilize this activity when the number of Project Based Voucher units exceeds the 20% Program Cap threshold.

PLANNED NON-SIGNIFICANT CHANGES

SCCHA does not anticipate any non-significant changes to this activity and its authorizations.

PLANNED CHANGES TO METRICS/DATA COLLECTION

There are no changes to the activity’s metrics, baselines, or benchmarks.

PLANNED SIGNIFICANT CHANGES

SCCHA does not anticipate any significant changes to this activity and its authorizations.

2020-2: INTERIM HOUSING

PLAN YEAR APPROVED: FY2020 IMPLEMENTED: FY2020 AMENDED: N/A

DESCRIPTION OF MTW ACTIVITY

This activity was approved in FY2020 and creates a local rental subsidy program to assist special needs populations. SCCHA is partnering with the City of San Jose and the County of Santa Clara to provide interim (short-term) housing to individuals and families who are approved for a Permanent Supportive Housing (PSH) unit to which SCCHA has attached a PBV, but the unit is not yet ready for occupancy. The interim housing will move these highly vulnerable clients off the street while they await their permanent home and will provide stability and allow case managers to begin engaging with the clients.

UPDATE ON MTW ACTIVITY

SCCHA and the County entered into an Agreement for services for Pedro Street Interim housing on December 1, 2020. The first residents moved into the Pedro Street property in May 2021. In the first half of FY22 SCCHA and the County’s Office of Supportive Housing collaborated to change the time of applicant move-in from after SCCHA approval to upon referral by the local Continuum of Care. If and when the applicant is approved by SCCHA, SCCHA pays for the interim housing costs from the time of move in until the permanent unit is ready for lease up. This change allows the applicant to be safely and stably housed while going through the eligibility processes of the property and SCCHA, instead of after SCCHA approval, which could be weeks to months after the original referral.

This activity is being re-proposed in this Plan for FY2024.

PLANNED NON-SIGNIFICANT CHANGES

SCCHA does not anticipate any non-significant changes to this activity and its authorizations.

PLANNED CHANGES TO METRICS/DATA COLLECTION

There are no changes to the activity’s metrics, baselines, or benchmarks.

PLANNED SIGNIFICANT CHANGES

SCCHA does not anticipate any significant changes to this activity and its authorizations.

2020-3: OVER HOUSED/UNDER HOUSED PBV HOUSEHOLDS

PLAN YEAR APPROVED: FY2020 IMPLEMENTED: FY2020 AMENDED: N/A

DESCRIPTION OF MTW ACTIVITY

This activity modifies SCCHA’s subsidy standards for the Project-Based Voucher program such that if a family is over-housed or under housed but not in violation of Housing Quality Standards space standards, the family may remain in the wrong sized unit if the rental market vacancy rate is below five percent until (1) an appropriate sized unit becomes available at the project; or (2) the family requests a tenant-based

voucher, whichever occurs first.

UPDATE ON MTW ACTIVITY

SCCHA utilizes this activity on an ongoing basis and will continue to utilize the activity.

PLANNED NON-SIGNIFICANT CHANGES

There are no planned non-significant changes or modifications to this activity and its authorizations.

PLANNED CHANGES TO METRICS/DATA COLLECTION

There are no planned changes to the activity’s metrics, baselines, or benchmarks.

PLANNED SIGNIFICANT CHANGES

There are no planned significant changes or modifications to this activity and its authorizations.

2020-4: RENT TO OWNERS & RENT REASONABLENESS

PLAN YEAR APPROVED: FY2020 IMPLEMENTED: FY2020 AMENDED: N/A

DESCRIPTION OF MTW ACTIVITY

HUD regulations require that during an assisted tenancy, the rent paid to owner not exceed the reasonable rent as determined by the Public Housing Authority (in comparison with comparable units in the current rental market). Occasionally, upon an owner’s request for a rent adjustment of a specific amount (which can be done annually), the reasonable rent for the unit according to rental comparisons of similar units will not only **not** support the increased rent amount the owner is requesting but will be lower than the current approved rent for the unit. In these situations, HUD regulations require that SCCHA reduce the approved contract rent to reflect the current reasonable rent.

This activity waives the requirement to reduce the approved contract rent in these circumstances. Instead, SCCHA only reduces the approved contract rent in those cases (identified through owner-initiated rent increases) where the HUD-issued Fair Market Rents (FMRs) for the applicable bedroom size have dropped by 10% or more since the unit’s last rent reasonableness review.

UPDATE ON MTW ACTIVITY

SCCHA utilizes this activity on an ongoing basis and will continue to utilize the activity.

PLANNED NON-SIGNIFICANT CHANGES

There are no planned non-significant changes or modifications to this activity and its authorizations.

PLANNED CHANGES TO METRICS/DATA COLLECTION

There are no planned changes to the activity’s metrics, baselines, or benchmarks.

PLANNED SIGNIFICANT CHANGES

There are no planned significant changes or modifications to this activity and its authorizations.

2021-1: IMPOSE LIMITS ON PBV TO HCV CONVERSION

PLAN YEAR APPROVED: FY2021 IMPLEMENTED: FY2022 AMENDED: N/A

DESCRIPTION OF MTW ACTIVITY

This activity waives the requirement that PBV tenants who have resided in a PBV unit for the minimum period and who request to move receive priority for continued tenant-based assistance. The activity limits PBV to HCV conversions to 10% of the number of HCVs that SCCHA will issue each year. The HCVs available for PBV to HCV conversions will be issued to interested and qualified PBV tenants on a first-come, first-served basis. When all of the available HCVs have been issued, any remaining interested and qualified PBV tenants will be carried over to the following year.

UPDATE ON MTW ACTIVITY

SCCHA will continue to use this activity.

PLANNED NON-SIGNIFICANT CHANGES

There are no planned non-significant changes to this activity.

PLANNED CHANGES TO METRICS/DATA COLLECTION

There are no planned changes to the metrics or data collection for this activity.

PLANNED SIGNIFICANT CHANGES

There are no planned significant changes to this activity.

2021-2: MINIMUM RENT HARDSHIP EXEMPTION

PLAN YEAR APPROVED: FY2021 IMPLEMENTED: FY2022 AMENDED: N/A

DESCRIPTION OF MTW ACTIVITY

This activity replaces HUD’s Minimum Rent Hardship exemption with a simpler policy that better addresses the needs of SCCHA’s participants. SCCHA’s policy does not differentiate between a temporary and long-term hardship and does not require staff to track and receive payments from participants after the hardship waiver is lifted.

Minimum rent is suspended beginning the first of the month following the hardship request and will continue until the family submits new sources of income. If the housing Authority determines there is no longer a financial hardship, the minimum rent will be reinstated on the first of the month following the determination.

UPDATE ON MTW ACTIVITY

SCCHA continues to use this activity.

PLANNED NON-SIGNIFICANT CHANGES

SCCHA does not anticipate any non-significant changes to this activity and its authorizations.

PLANNED CHANGES TO METRICS/DATA COLLECTION

There are no changes to the activity’s metrics, baselines, or benchmarks.

PLANNED SIGNIFICANT CHANGES

SCCHA does not anticipate any significant changes to this activity and its authorizations.

2022-3: MAINSTREAM TURNOVER VOUCHER ISSUANCE FLEXIBILITY

PLAN YEAR APPROVED: FY2022 IMPLEMENTED: FY2022 AMENDED: N/A

DESCRIPTION OF MTW ACTIVITY

This activity waives the PIH Notice 2020-01 requirements to issue turnover vouchers to wait list applicants and allows SCCHA to issue turnover vouchers to applicants who have been directly referred by SCCHA’s partner agency. The 2017, 2018, and 2019 Mainstream Voucher Program Funding Opportunities encourage PHAs to partner with local Continuum of Care agencies for direct referrals and to create a preference for homeless or at-risk of homelessness Mainstream participants. In cases where eligible direct referral applicants who meet the preference for homelessness, at-risk of homelessness, institutionalized, or at-risk of institutionalization are unavailable, SCCHA plans to continue to utilize the interest/waiting list to fill Mainstream Program turnover vouchers.

UPDATE ON MTW ACTIVITY

SCCHA continues to use this activity.

PLANNED NON-SIGNIFICANT CHANGES

There are no planned non-significant changes to this activity.

PLANNED CHANGES TO METRICS/DATA COLLECTION

There are no planned changes to the metrics or data collection for this activity.

PLANNED SIGNIFICANT CHANGES

There are no planned significant changes to this activity or its authorizations.

Activities Not Yet Implemented

2017-4: SETTING THE PAYMENT STANDARDS ABOVE 110 PERCENT OF HUD FAIR MARKET RENTS (ORIGINALLY PROPOSED AS ACTIVITY 2017-1)

PLAN YEAR APPROVED: FY2017

This activity provides the flexibility to set SCCHA payment standards higher than 110 percent of the Fair Market Rent (FMR), if necessary, without HUD approval. This activity will give SCCHA participants the ability to be more competitive in the high priced and volatile Santa Clara County rental market.

This activity is intended to increase the probability of participants securing a rental unit in a tight, high-cost rental market. Currently, Santa Clara County is experiencing a stabilizing of the rental market such that SCCHA has not needed to implement this activity. SCCHA may implement this activity when the Santa Clara County housing market experiences another surge in cost.

There are no changes to the activity's metrics, baselines, or benchmarks.

SCCHA does not anticipate any non-significant changes or modifications to this activity and its authorizations.

2019-1: GRADUATION BONUS

PLAN YEAR APPROVED: FY2019

PLAN YEAR AMENDED: FY2022

This activity, re-proposed and approved in FY2022, reduces the time a zero HAP participant's assistance is terminated from 180 days to 60 days. Families with annual incomes at or above 80% of Area Median Income (AMI) will be paid a graduation bonus of \$2,000 per eligible individual and removed from the Section 8 program 60 days after the family's income has been certified by SCCHA and written notice has been sent to the family. The re-proposed activity relies on a more accurate measure of self-sufficiency by basing the expedited graduation criteria on income rather than housing assistance level, which could penalize families who rent cheaper units. This activity is intended to increase the number of vouchers available to new families and to provide a financial cushion for graduating families.

This activity was on hold while SCCHA was in the process of changing the structure of its waiting list to a permanently-open interest list, which was launched in FY2021. HUD approved the re-proposed activity in FY2022.

There have not been any non-significant changes or modifications to the MTW activity since it was approved by HUD in FY2022.

2022-1: HOMEOWNERSHIP AND ASSET LIMIT FOR ELIGIBILITY

PLAN YEAR APPROVED: FY2022

This activity makes the following applicants ineligible for SCCHA’s Section 8 program:

- Those with \$100,000 or more in assets per family member; and
- Those with a present ownership interest in a suitable home in which they have a legal right to reside in Alameda, Contra Costa, Marin, Merced, Napa, San Francisco, San Mateo, Santa Clara, Santa Cruz, San Benito, Solano, and Stanislaus Counties.

Units excepted from this rule are those that are part of SCCHA’s homeownership program, units not suitable for occupancy (i.e. vacant land or condemned properties), units jointly owned with a non-household member, and those owned by VAWA participants.

There are no changes to the activity’s metrics, baselines, or benchmarks.

A planned non-significant modification to this activity is a change to the definition of “asset” as noted above. The principal and interest in a 401(k) plan, 403(b) plan, IRA, 457 plan, 529 college savings plan, or Coverdell ESA, will not be considered an asset when determining if the family is eligible for a voucher. These funds will be included when calculating asset income for the family.

2022-2: WAIVE FULL-TIME STUDENT INCOME EXCLUSION FOR FAMILIES WHICH EARN 80% OF AREA MEDIAN INCOME

PLAN YEAR APPROVED: FY2022

This activity allows SCCHA to count income which would be excluded under 24 CFR 5.609(c)(11) towards a family’s annual income calculation. 24 CFR 5.609(c)(11) requires SCCHA, when calculating annual income for a family with a full-time student 18 years or older, to exclude all the income of that full-time student in excess of \$480. Under this activity, SCCHA will exclude full-time student income in excess of \$480 only when the family’s total annual income (before exclusion of any full-time student income) falls below 80 percent of the Santa Clara County area median income (AMI) applicable for that family’s size.

There are no changes to the activity’s metrics, baselines, or benchmarks.

There have not been any non-significant changes or modifications to the MTW activity since it was approved by HUD.

2022-4: MODIFIED PBV CONTRACT RENTS

PLAN YEAR APPROVED: FY2022

This activity waives 24 CFR 983.301(b) and 24 CFR 983.302 for PBV HAP contract renewals. For PBV HAP contract renewals, SCCHA is allowed to set PBV contract rents at a lower amount in cases where project underwriting analysis shows that there will be material excess cash flow. For larger projects with excess cash flow, contract rents would be limited to as low as 80% of FMR (for projects with 40 to 59 units) and as low as 70% of FMR (for projects with 60 or more

units).

The following types of projects would not be subject to the lower contract rent limit:

- Projects with 39 or fewer units;
- Projects in which PBVs comprise 25% or less of the total units;
- Projects with a Debt Service Coverage Ratio (DSCR) of 1.3 or below for the first year of contract renewal;
- Projects with a DSCR in any year of the HAP renewal contract term below 1.0; or
- LIHTC financed projects that can't meet the True Debt Test (that the debt incurred for a Low Income Housing Tax Credit project is a "true debt" for tax purposes).

There are no changes to the activity's metrics, baselines, or benchmarks.

There have not been any non-significant changes or modifications to the MTW activity since it was approved by HUD.

Activities On Hold

ACTIVITY 2010-5: ASSISTING OVER-INCOME FAMILIES RESIDING AT SCCHA-OWNED PROJECT-BASED VOUCHER PROPERTIES

This activity waives PBV regulations relating to preference for in-place families who reside in former public housing in order to continue to commit tax-exempt bonds and tax credits to the disposed public housing properties. Families with income below the PBV limit, but above the tax credit limit, will receive Section 8 voucher and relocation assistance. This activity helps maintain the affordability of units that would otherwise become unaffordable to very low-income families by applying tax credits in unison with PBV assistance. It also increases housing choices for low-income families by preserving and improving the affordable housing stock in Santa Clara County.

Since this activity was implemented in 2011, SCCHA has had no need to use this waiver as no families have exceeded the income threshold. Only one public housing project (Deborah Drive) remains that could potentially benefit from this activity and there are no plans at this time to dispose of this property. Therefore, SCCHA has placed this activity on hold indefinitely but could re-implement when the last public housing project is eliminated.

There are no changes to the activity's metrics, baselines, or benchmarks. SCCHA does not anticipate any non-significant changes or modifications to this activity and its authorizations.

ACTIVITY 2012-5: EXPAND TENANT SERVICES AT SCCHA- OR AFFILIATE-OWNED AFFORDABLE HOUSING PROPERTIES

This activity was implemented in FY2012 and allowed SCCHA to use its MTW funding flexibility to expand its provision of programs and services for tenants living in SCCHA or affiliate-owned non-Section 8/9 affordable rental properties. SCCHA anticipated tenants to gain some or all of the necessary skills to address daily living requirements, maintain housing, and, for work-able residents, possibly re-enter or move up in the work force.

SCCHA placed this activity on hold in FY2016 because the Agency did not – and does not expect to – utilize MTW funds for programs and services expansions at its non-Section 8/9 rental properties. Therefore, there is no implementation timeline. If non-MTW funding sources are exhausted, SCCHA will re-implement this activity.

There are no changes to the activity's metrics, baselines, or benchmarks. SCCHA does not anticipate any non-significant changes or modifications to this activity and its authorizations.

ACTIVITY 2014-3: FREEZE ON CONTRACT RENT INCREASES

Implemented in FY2014, this activity imposed a freeze on any owner requested rent increases for one-year effective September 2013 through August 2014. Effective September 1, 2014, SCCHA lifted the freeze and accepted owner requested rent increases again. This activity helped reduce

costs by controlling increases to Housing Assistance Payments (HAP) while reducing labor costs but had negative effects on owner retention. Currently, there are no plans to re-implement this activity. Subsequent freezes on owner requested rent increases are subject to SCCHA's Board of Commissioners' approval and are limited to a one-year term.

There are no changes to the activity's metrics, baselines, or benchmarks. SCCHA does not anticipate any non-significant changes or modifications to this activity and its authorizations.

ACTIVITY 2020-5: ELIMINATE THE 40% OF INCOME CAP AT INITIAL LEASING

This activity was proposed in a technical amendment to the FY2020 MTW Annual Plan shortly after Santa Clara County imposed Shelter-in-Place orders in response to the COVID-19 pandemic and was implemented immediately upon approval. This activity waived the requirements of 24 CFR 982.508 and allowed families to rent a unit above 40% of their income, providing a larger pool of units for them to select from. The activity was re-proposed in the FY2022 MTW Annual Plan in order to extend its expiration date, but was not utilized past the original technical amendment expiration date.

There are no changes to the activity's metrics, baselines, or benchmarks. SCCHA plans to close out this activity in the FY2023 MTW Annual Report.

Closed Out Activities

ACTIVITY	WHY THE ACTIVITY WAS CLOSED	YEAR CLOSED
<p>2009-3 Reduced Frequency of Inspections</p>	<p>Effective July 2014, Public Housing Agencies (PHAs) can inspect units during the term of the Housing Assistance Payment (HAP) contract at least biennially instead of annually. There is no longer a need to waive HUD regulations to conduct biennial inspections.</p>	<p>This activity was closed out in FY2015</p>
<p>2009-4 Timeline to Correct HQS Deficiencies</p>	<p>Handhelds are now utilized by the inspections team at every regularly scheduled inspection. There is no longer a lag time between the date of the inspection and the date of the letter.</p>	<p>This activity was closed out in FY2012</p>
<p>2009-6 20% Sample Inspections Annually for PBV Units</p>	<p>After the approval of this activity, HUD issued PIH Notice 2008-14, in which HUD stipulates that a PHA may now renew or extend Project-Based Certificate Housing Assistance Payment (HAP) contracts as Project-Based Voucher HAP contracts in accordance with the regulations governing the PBV program at 24 CFR Part 983. This activity was never implemented.</p>	<p>This activity was closed out in FY2009</p>
<p>2009-7 Project-Based Unit Substitution</p>	<p>After the approval of this activity, HUD issued PIH Notice 2008-14, in which HUD stipulates that a PHA may now renew or extend Project-Based Certificate Housing Assistance Payment (HAP) contracts as Project-Based Voucher HAP contracts in accordance with the regulations governing the PBV program at 24 CFR Part 983. <p>2009-10 Selection of SCCHA-Owned Public Housing Projects for PBV without Competition</p>	<p>SCCHA utilizes MTW Activity 2010-4, which allows the Agency to select any of its properties for PBV assistance without a competitive process, including public housing units. Therefore, this activity is no longer necessary.</p>	<p>This activity was closed out in FY2015</p>
<p>2009-12 Adopt Investment Policies</p>	<p>SCCHA's Board of Commissioners annually adopts investment policies in accordance with the California Government Code (CGC) Sections 5922 and 53601. California law, which SCCHA cannot waive, is consistent with and, in fact, more restrictive than the provisions of federal regulations Section 6 (c) (4) of the 1937 Act and 24 CFR 982.156. Therefore, this activity was never implemented.</p>	<p>This activity was closed out in FY2009</p>

ACTIVITY	WHY THE ACTIVITY WAS CLOSED	YEAR CLOSED
<p>2010-1 Eliminating 100% Excluded Income from the Income Calculation Process</p>	<p>With the publication of PIH Notice 2013-4, issued January 28, 2013, the verification and calculation of 100% excluded income is no longer required. Therefore, SCCHA eliminated this activity in FY2013. This activity saved labor time and costs.</p>	<p>This activity was closed out in FY2013</p>
<p>2012-1 Create Standard Utility Allowance Schedule</p>	<p>SCCHA utilizes MTW Activity 2014-4, which simplifies the rent calculation method and eliminates utility allowances. Because of Activity 2014-4, MTW Activity 2012-1 is no longer necessary and was closed out prior to implementation.</p>	<p>This activity was closed out in FY2013</p>
<p>2014-1a & 2014-1b Focus Forward Program (and amendments)</p>	<p>After reviewing the outcomes of time-limited voucher programs, SCCHA determined this pilot program did not meet the needs of the local community and close it out prior to implementation.</p>	<p>This activity was closed out in FY2022</p>
<p>2014-2 Eliminate Requirement to Re-Determine Rent Reasonableness when HUD decreased Fair Market Rent</p>	<p>This activity was closed out prior to being implemented because HUD regulations made this activity moot.</p>	<p>This activity was closed out in FY2022</p>
<p>2015-1 Using UPCS or Local Inspection Standards to Determine Housing Quality Standards</p>	<p>On June 25, 2014, HUD published in the Federal Register that, effective July 1, 2014, “A PHA may comply with the biennial inspection requirement through reliance upon an inspection conducted for another housing assistance program. If a PHA relies on an alternative inspection to fulfill the biennial inspection requirement for a particular unit, then the PHA must identify the alternative standard in its administrative plan.” Therefore, this activity was closed without implementation because HUD’s directive superseded this activity.</p>	<p>This activity was closed out in FY2015</p>
<p>2016-1 Restriction on Head of Household Changes</p>	<p>This activity was intended to be implemented when the Focus Forward Program (Activity 2014-1a/1b) was implemented. Activity 2014 1a/1b was not implemented and was closed in FY2022.</p>	<p>This activity was closed out in FY2022</p>
<p>2018-1 Strengthening Partnerships through Capacity Building</p>	<p>This activity was intended to be implemented when the Focus Forward Program (Activity 2014-1a/1b) was implemented. Activity 2014 1a/1b was not implemented and was closed in FY2022.</p>	<p>This activity was closed out in FY2022</p>

ACTIVITY	WHY THE ACTIVITY WAS CLOSED	YEAR CLOSED
<p>2020-6 Reduced Frequency of Periodic Inspections (Not Implemented/On-Hold)</p>	<p>This activity was proposed in a technical amendment to the FY 2020 MTW Annual Plan shortly after Santa Clara County imposed Shelter in Place orders in response to the COVID-19 pandemic and was implemented immediately upon Plan approval. On April 13, 2020, SCCHA adopted COVID-19 waiver HQS-5 and resumed performance of biennial HQS inspections. Families who are uncomfortable allowing the performance of an inspection could cancel biennial HQS inspections and have the inspection rescheduled to a later date removing the need to move to a three-year regular HQS inspection cycle as proposed by this activity. Under HUD COVID-19 Waiver HQS-5 SCCHA must inspect units with delayed inspections by June 30, 2022. SCCHA will continue to allow families to cancel scheduled biennial HQS inspections until December 21, 2021. Because of HQS-5 SCCHA did not re-propose this activity in a subsequent MTW Annual Plan.</p>	<p>This activity was closed out in FY2021</p>

iii. Description of Planned Application of MTW Single Fund Flexibility

PLANNED USE OF MTW SINGLE FUND FLEXIBILITY

The MTW Agreement allows SCCHA to combine public housing operating and capital funds, including development and Replacement Housing Factor (RHF)/Demolition and Disposition Transition Fund (DDTF) funds, provided under Section 9, and tenant-based voucher program funds provided under Section 8 of the 1937 Act into a single, authority-wide funding source.

In FY2024, SCCHA plans to continue to use MTW Single Fund Flexibility to pay for housing search services for participants who are experiencing challenges in finding a rental unit. The Agency also plans to continue several Information Technology Department projects, such as migrating our Section 8 software system.
