Memorandum

TO: HONORABLE MAYOR
AND CITY COUNCIL

FROM: Matt Cano

SUBJECT: SEE BELOW

DATE: September 6, 2018

Approved

Date

9/6/18

COUNCIL DISTRICT: 6

SUBJECT: VACATION OF THE 20- TO 25-FOOT, 15-FOOT, AND 12.5-FOOT SETBACK EASEMENTS WITHIN TRACT NO. 470

RECOMMENDATION

Conduct a Public Hearing and adopt a resolution:

- (a) Approving the report of the Director of Public Works setting forth the facts justifying the vacation of the 20- to 25-foot, 15-foot, and 12.5-foot light and air easements ("setback easements") located within Tract No. 470;
- (b) Vacating the 20- to 25-foot, 15-foot, and 12.5-foot setback easements located within Tract No. 470; and
- (c) Directing the City Clerk to record a certified copy of the resolution of vacation with the Office of the Recorder, County of Santa Clara.

OUTCOME

Upon recordation of the resolution of vacation, the setback easements located within Tract No. 470 will be vacated. By vacating the setback easements, all properties within Tract No. 470 will conform to the current San Jose Municipal Code front and side setback requirements of 20-foot and 12.5-foot, respectively, for single family residences in zoning district R1-8 and the property owners within Tract No. 470 can construct building improvements up to the current setbacks.

BACKGROUND

Jose Fernandez of Direct Home Remodeling, has submitted an application on behalf of Eugene P. Ravizza, property owner of 1322 Glen Eyrie Avenue, for the vacation of the 25-foot front

setback easement on his property, which is Lot 29 of Tract No. 470. The setback easement was created by dedication on the map of Tract No. 470 Glen Brook Subdivision, recorded on February 11, 1948 in Book 15 of Maps, Pages 40-41, of Official Records, Office of the Recorder, County of Santa Clara, and applies to all properties created by the subdivision. The property owner has indicated his desire to construct future improvements to his property that would encroach into the setback easement. The setback easement prohibits a building from encroaching into this area.

On August 28, 2018, the City Council adopted a resolution which declared the Council's intention to vacate the setback easements within the tract. The resolution also approved a map showing the setback easements to be vacated, set a Public Hearing for September 18, 2018, at 1:30 p.m., directed the City Clerk to file the vacation map and advertise said public hearing, and directed the Director of Public Works to post the site with a Notice of Vacation.

ANALYSIS

Staff has reviewed the vacation application and determined that the 25-foot setback easement can be vacated as they are not necessary for current or prospective use. Ordinance No. 29821 "An Ordinance of the City of San Jose Amending Title 20 of the Municipal Code to Amend Various Sections of Chapter 20.30....," effective on December 30, 2016, amended the front setback requirement of a single family residence in zoning district R1-8 from 25-feet to 20-feet. Section 20.30.200 of Title 20 of the Municipal Code also requires the side setback for a corner lot single family residence in zoning district R1-8 to be 12.5-feet. Consequently, upon review of the vacation by Planning staff, it was determined that the 25-foot setback easement on the subject property is no longer necessary for public purposes in favor of the more appropriate current zoning setbacks. Staff also concluded that it is more appropriate to regulate setbacks through the enforcement of the City's zoning code instead of through setback easements.

Since the December 2016 adoption of Ordinance No. 29821, the volume of setback easement vacation requests has increased. As a result, staff coordinated with the City Attorney's Office and the Office of the County Recorder to establish a proactive process to vacate all setback easements for entire subdivisions as opposed to the prior practice of vacating setback easements for an individual property upon request. Therefore, staff recommends including the other setback easements in this vacation process. Vacating setback easements by subdivision reduces the overall cost to property owners as multiple applications and corresponding costs would not be repeated.

Consequently, because zoning district R1-8 applies to all of Tract No. 470, staff has determined that the setback easements may be vacated for the entire tract, as all properties in the subdivision will be required to comply with the current setbacks for single family residences in zoning area R1-8 (Municipal Code 20.30.200). Additionally, as this proposed vacation will remove setback easements that conflict with the 2016 Council-approved reduced setback requirements in the City's zoning code for this tract, staff finds that the proposed vacation is consistent with and will

facilitate the Envision San Jose 2040 General Plan goal to allow additional density and parking with the zoning district R1-8. Therefore, staff is recommending all setback easements within Tract No. 470 be proposed for vacation and that setbacks for this subdivision be governed by the current San Jose Municipal Code.

The property owner who hold fee title within the setback easements have been identified through County records. In addition, there are existing public utility easements within the tract that will remain on the properties.

EVALUATION AND FOLLOW-UP

If Council approves the resolution vacating the setback easements within Tract No. 470, no further action by City Council will be required. The City Clerk will record the resolution of vacation at which time the vacation will be complete.
