

A wide-angle photograph of the San Jose International Airport terminal at night. The terminal's curved, glass-and-metal facade is brightly lit from within, creating a warm glow against the dark blue twilight sky. Several streetlights are visible, casting a bright white light. In the foreground, a multi-lane road shows blurred light trails from passing vehicles, including a white taxi with "DJ'S EXPTL" and "CHARTER TO SJC" visible on its side. A sign for "Public Bus Stop 5" is also visible near the terminal entrance.
