Item 10.2

PP18-046: Amendment to Title 20 of the San Jose Municipal Code for Accessory Dwelling Units (ADUs)

Changes to Title 20 will Impact:

Zoning Districts

Lot Size

Unit Size

Setbacks

Height

Parking

Design Standards

Other Provisions

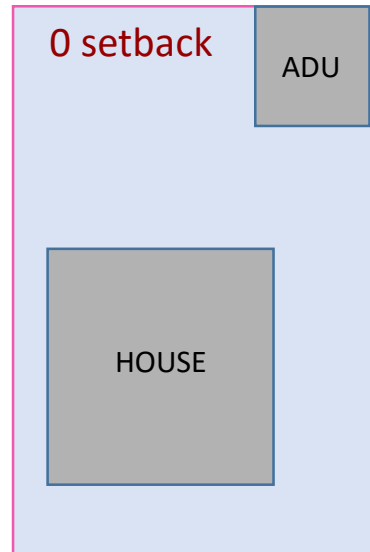

Setbacks from property lines may be modified

Current Minimum Setbacks

New detached ADU at grade or replacing a demolished accessory building or garage

Demolished garage with zero setbacks converted into an ADU

Proposed Minimum Setbacks

New 1-story ADU or conversion of an accessory building or accessory building conversion

New 2nd story ADU above existing accessory building

Proposed Setback and Height

Example 1: Detached 1-story ADU

Example 2: Detached 2nd-story ADU over garage

Proposed Parking Requirements

To align with state law:

- Replacement of required off-street spaces can be: Covered Spaces, Uncovered Spaces, Tandem Spaces, Mechanical Lifts
- Must provide replacement parking spaces for main dwelling where garage has been converted.
- Replacement parking only allowed in setbacks for properties with ADUs.
- Reduction in off-street parking spaces will match the state requirements.

Item 10.4

PDA79-094 & ABC18-001: Planned Development Permit Amendment and Determination of Public Convenience or Necessity for Real Property Located at 1771 East Capitol Expressway

Project Description

- A Planned Development Permit Amendment (File No. PDA79-094-02) and a Determination of Public Convenience or Necessity (File No. ABC18-001) to allow the off-sale of alcohol (beer and wine) and exterior modifications (outdoor seating) at an existing 30,130-square foot tenant space for Sprouts Farmers Market (formerly a Safeway) at 1771 East Capitol Expressway.
- **Correction:** The Council Hearing Agenda has the project listed as PDA74-094, however the correct Planning File Number is **PDA79-094-02**, which was included in the public meeting hearing notice
