Please record this letter into the city record.

I dont support this Amicus brief in support of the extreme TDS the city staff is suffering.
Its harmful to the city budget to engage in a foolish and futile exercise for your DNC machine posturing.

The Citizens of this city are not persuaded by the DNC hysteria of your protestations that this is the end of democracy.

The American citizens voted for this administration's agenda.

Please end your Sanctuary City status and return our federal dollars to the taxpayers. Who gave you the authority to punish our Citizens?

Title 9 protections must be restored to protect our females from sexual predators in the locker room and denying opportunities hard fought for and won on the podium. Stip the Maladministration in my name.
