COMMENT

ADJOURNMENT

The City of San José is committed to open and honest government and strives to consistently meet the community's expectations by providing excellent service, in a positive and timely manner, and in the full view of the public.

The Code of Conduct is intended to promote open meetings that welcome debate of public policy issues being discussed by the City Council, their Committees, and City Boards and Commissions in an atmosphere of fairness, courtesy, and respect for differing points of view.

The Levine Act requires a Party in a Proceeding before the City of San José that involves any action related to their contract, license, permit, or use entitlement to disclose any campaign contributions to City elected or appointed officials totaling more than \$500 within the 12 months prior to the City decision. A Participant to a Proceeding may voluntarily report a campaign contribution on the form located on the Levine Act webpage.

You may speak to the Committee about any discussion item that is on the agenda, and you may also speak during Public Comments on items that are not on the agenda and are within the subject matter jurisdiction of the Committee. Speakers using a translator will be given twice the time allotted to ensure non-English speakers receive the same opportunity to directly address the Committee, Board or Commission. Please be advised that, by law, the Committee is unable to discuss or take action on issues presented during Public Comments. Pursuant to Government Code Section 54954.2,

no matter shall be acted upon by the Committee unless listed on the agenda, which has been posted not less than 72 hours prior to meeting.

The VEBA Advisory Committee meets every quarter on the third Monday of the month at 1 p.m., with special meetings as necessary.
