

RESOLUTION NO. \_\_\_\_\_

**A RESOLUTION OF THE COUNCIL OF THE CITY OF  
SAN JOSE APPROVING THE WEST SAN JOSE  
MULTIMODAL TRANSPORTATION IMPROVEMENT  
PLAN**

**WHEREAS**, the City of San José Department of Transportation (“DOT”) has developed a comprehensive, community-based multimodal transportation improvement plan (“MTIP”) for West San José to implement the transportation vision and needs of West San Carlos, Stevens Creek Boulevard, Santana Row/Valley Fair, Winchester Boulevard, and South Bascom urban villages; and

**WHEREAS**, the West San José urban village plans together envision 5,094,000 square feet of commercial space, 11,500 new homes, and 16,980 new jobs, and establish land use and transportation strategies that promote walkable, bicycle-friendly, transit-oriented, mixed-use communities; and

**WHEREAS**, establishing a multimodal network for the West San José MTIP urban villages enables DOT to design streets with clear priorities and achieves the overall vision of a connected West San José that supports and promotes sustainable transportation options; and

**WHEREAS**, the West San José MTIP is a 20-year strategic plan that identifies and prioritizes specific transportation projects, policies, and programs that would reduce dependency on single occupancy automobile trips, enhance safety, and improve access and mobility for West San José residents, workers, and visitors;

**NOW, THEREFORE**, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF SAN JOSE THAT:

1. The City Council does hereby approve the West San José Multimodal Transportation Improvement Plan.
2. The Director of the Department of Transportation or their designee shall provide annual progress reports on the West San José MTIP to the Transportation and Environment Committee.
