BACKGROUND

On September 17, 2013, City Council ("Council") approved a service delivery strategy to collect Recycle Plus payments for garbage and recycling services for single family residential households through the County Secured Property Tax Bill. Subsequently on May 5, 2015, Ordinance No. 29562 was passed by Council amending Chapter 9.10 of the San José Municipal Code ("Code") to allow for the billing and collection of garbage and recycling services for each

fiscal year by placing such on the County Secured Property Tax Bill and collected in the same manner, by the person and at the same time as, and together with and not separate from, general taxes. Section 9.10.1202, Section B of the Code requires that at least 15 days in advance of the last City Council meeting before the City is required to provide the County Tax Assessor with the amount of the solid waste collection service charges for the purpose of placing the solid waste collection services charges on the tax roll, the Director of Finance is hereby directed to prepare and file with the City Clerk, a written report describing all parcels served by the solid waste collection system for which solid waste collection service charges are to be billed and collected on the tax roll, and the amount of the solid waste collection service charges for each such parcel for the forthcoming fiscal year, computed in conformity with all provisions of this part and the Council resolution establishing the solid waste collection service charges for the forthcoming fiscal year.

ANALYSIS

The Finance Department requests that the Public Hearing regarding the placement of the 2021-2022 Residential Solid Waste Collection Service Charges on the County Secured Property Tax Roll be set for Tuesday, August 3, 2021 at 1:30 p.m., or as soon thereafter as the matter may be heard, in the City Council Chambers or via video conference should the City Council not meet in-person. The Director of Finance's report of the 2021-2022 Residential Solid Waste Collection Service Charges is due to the County Tax Assessor no later than August 20, 2021, to ensure placement on the 2021-2022 County Secured Property Tax Roll.

CONCLUSION

The Director of Finance recommends the City Council to adopt a resolution to set a public hearing to approve placement of the 2021-2022 annual Residential Solid Waste Collection Service Charges on the 2021-2022 Santa Clara County Secured Property Tax Roll.

EVALUATION AND FOLLOW-UP

The Director of Finance will file the Fiscal Year 2021-2022 annual Residential Solid Waste Collection Service Charge report with the City Clerk on or before July 15, 2021. The Finance Department will prepare a memorandum for the August 3, 2021 Council Meeting recommending that Council conduct a Public Hearing and approve the Fiscal Year 2021-2022 annual Residential Solid Waste Collection Service Charges, as presented in the report for purpose of placement on the 2021-2022 annual County Secured Property Tax Roll with any modifications Council may make based on public testimony to be heard on August 3, 2021.
