20.100.1400 Sidewalk Seating and Parklets Purpose

For sidewalk seating or parklets in the public right-of-way refer to the procedures for encroachment permits set forth in Chapter 13.37 of Title 13 of this Code.

~~The sidewalk café regulations established in this part are intended to encourage sidewalk cafés in the City of San José, to provide for the creation of a more urban pedestrian environment, and to promote and protect the public health, safety, and general welfare. These general goals include among others the following specific purposes:~~

- ~~A.— To encourage and promote sidewalk cafés as visual amenities which in turn intensify pedestrian activity and make street life more attractive; and~~
- ~~B.— To preserve and enhance the character of the City of San José; and~~

~~C.— To ensure adequate space for pedestrians on the sidewalks adjacent to sidewalk cafés.~~

~~20.100.1410~~ Definitions

The ability to occupy the sidewalk under a sidewalk café permit is a privilege that is nontransferable and non-assignable.~~
