RE: Item 2.14 Council Meeting 9-28-21

On 9-2-21, Linda Nye, the statewide President of GSMOL, submitted a letter in support of AB 361.

As the GSMOL Regional Manager of Zone A-1, I strongly urge you to vote yes on the resolution at Item 2.14 on today's agenda that implements AB 361. All of you have heard me speak to this topic for over a year. The City needs to keep the immunocompromised and medically fragile citizens who have volunteered to serve on Boards and Commissions safe.

Please vote yes on item 2.14 and continue to vote yes, as required by AB 361, every 30 days.
