[External Email]

Dear Toni and Nora:

In light of the scheduled second reading on August 3, 2021, please be advised that we would like to amend our letter of June 28, 2021, to reflect the August 3, 2021, second reading date and to confirm that our offer remains the same until that date.

Please let me know if you have any questions.

**Very truly yours,**

**LOREN B. VACCAREZZA**
