Petition to Maintain 25 foot Easements in Friendly Woods, Tract # 1693, City of San Jose, CA

The City of San Jose, CA, is considering a Resolution (79102) to change our 25 foot setback to a 20 foot setback.

This will impact the entirety of Tract # 1693.

The setback in question is the minimum distance a home must be built back from the sidewalk.

We, the undersigned concerned voters, homeowners, and residents of San Jose, CA, Tract # 1693, respectfully petition the City Council of San Jose, CA, to maintain the current easements and reject Resolution 79102.
