As Neighborhood Commissioner for District-7 I would work towards a consensus with the other commissioners in removing blight, trash, illegal dumping, encampments, abandoned vehicles. I would like to work towards a safe and clean open space for our children to play, as in our neighborhood parks. I would work towards learning of our community needs through requests by Neighborhood Associations as well as citizens requests for service. Upon identifying these neighborhood needs, I would like to forward this information to council and staff for possible action as required.

**Please state any other information which you feel would be useful in reviewing your application**

I work well with others, am able to organize and focus on subject at hand and work towards resolution. I believe I can contribute with my own life long experiences. I have lived in District-7 for 40 years and raised five children here. They have attended local schools in the neighborhood. I was active when they were young and volunteered my time for reading selection committee at Franklin McKinley School District. Mike Honda ex=congressman was on the same committee at the time. Current age 62.
