

## **Attachment D: Legislation Related to Legislative Priority: Promote Safety and Vision Zero Initiatives**

The Intergovernmental Relations team is closely monitoring several bills related to public safety issues aligned with the Legislative Program:

### Signed Bills

- SB 2 (Portantino): This bill would update the State's concealed carry regulations in response to the Supreme Court decision in *New York State Rifle & Pistol Association v. Bruen* that limited local authorities' ability to deny permits. This bill failed to pass in the State 2021-2022 legislative session.
- SB 19 (Seyarto): This bill would establish an Anti-Fentanyl Abuse Task Force.
- SB 76 (Weiner): Would allow brick and mortar bars and restaurants to cater alcoholic beverages to patrons in off-premise entertainment zones in San Francisco.
- SB 241 (Min): This bill would require additional training for licensed firearms dealers.
- SB 368 (Portantino): This bill would require a licensed firearms dealer to store a firearm on behalf of a person to prevent its use in death by suicide.
- AB 28 (Gabriel): This bill would create a tax on firearms and ammunition to fund violence prevention.
- AB 33 (Bains): This bill would establish the Fentanyl Addiction and Overdose Prevention Task Force.
- AB 40 (Rodriguez): This bill would establish a statewide standard for ambulance offload time.
- AB 251 (Ward): This bill would require the California Transportation Commission to convene a task force to study the relationship between vehicle weight and injuries to vulnerable road users.
- AB 361 (Ward): This bill would allow certain public agencies to install automated cameras on city vehicles to take photographs of bicycle lane parking violations.
- AB 413 (Lee): This bill would prohibit the stopping, standing, or parking of a vehicle within 20 feet of any unmarked or marked crosswalk.
- AB 455 (Quirk-Silva): This bill would prohibit people who have completed mental health diversion for certain offenses from possessing a firearm.

## **Attachment D: Legislation Related to Legislative Priority: Promote Safety and Vision Zero Initiatives**

- AB 645 The bill will authorize a pilot program for San José and five other cities to implement speed cameras to enforce speed limits in specified areas beginning in 2024, with a legislative sunset date of 2032.
- AB 925 (Ta): This bill would require law enforcement officers or people authorized to enforce parking laws to verify much more thoroughly that a vehicle is not registered before removing it, and if it is registered, it cannot be removed.
- AB 701 (Villapudua): This bill would increase sentences and fines for fentanyl possession.

### Dead or Two-Year Bills

- SB 8 (Blakespear): This bill would mandate a statewide gun liability insurance requirement modeled after San José's 2022 ordinance
- SB 13 (Ochoa Bogh): This is the Senate companion bill to AB 18 (see below).
- SB 44 (Umberg): This bill would require written advisory of increased penalties for a person convicted of selling or manufacturing controlled substances if a person dies as a result of future repeated action.
- SB 226 (Alvarado Gil): This bill would prohibit the possession of fentanyl when armed with a loaded and operable firearm.
- SB 237 (Grove): This bill would increase penalties for possession, production, and trafficking of fentanyl.
- SB 268 (Alvarado-Gil): This bill would classify all rape violations as violent felonies.
- SB 377 (Skinner): This bill would remove the 10-day firearm waiting period exemption for peace officers and allow this exemption to apply only to law enforcement agencies.
- SB 400 (Wahab): This bill would clarify that law enforcement agencies have the discretion to proactively share disclosable incidents of misconduct without a public records request.
- AB 18 (Patterson): This bill would require a written notice to someone that pleads guilty or no contest to certain drug crimes to advise that future offenses could lead to manslaughter or murder charges.
- AB 21 (Gipson): This bill would require peace officer training on interactions with people with Alzheimer's disease or dementia.

## **Attachment D: Legislation Related to Legislative Priority: Promote Safety and Vision Zero Initiatives**

- AB 29 (Gabriel): This bill would allow a California resident the ability to list themselves on a firearm “do not sell” list.
- AB 73 (Boerner): This bill would require people 18 years and over who are riding a bicycle on a two-lane highway and approach a stop sign at an intersection to yield the right-of-way to any vehicles or pedestrians that are already at the intersection.
- AB 328 (Essayli): This bill would prohibit a court from dismissing some firearms-related sentencing enhancements.
- AB 367 (Maienschein): This bill would add sentence enhancements for providing controlled substance to someone who sustains significant harm from using it.
- AB 667 (Maienschein): This bill would increase gun violence restraining orders from a maximum of 5 years to 10 years.
- AB 742 (Jackson): This bill would prohibit the use of police canines in certain circumstances.

### Vetoed Bills

- AB 316 (Aguiar-Curry): This bill would prohibit the operation of an autonomous vehicle with a gross vehicle weight of 10,001 pounds or more on public roads for testing purposes, transporting goods, or transporting passengers without a human safety operator in the vehicle.
- AB 374 (Haney): This bill would allow cannabis cafes that sell both cannabis products and non-cannabis food and drinks to be licensed in the state, with enabling authority given to local jurisdictions.
