

Memorandum

TO: HONORABLE MAYOR
AND CITY COUNCIL

FROM: John Ristow

**SUBJECT: ABORN ROADWAY
IMPROVEMENT PROJECT**

DATE: October 13, 2020

Approved

Date

10/15/20

COUNCIL DISTRICT: 8

RECOMMENDATION

- (a) Approve award of a construction contract for the Aborn Roadway Improvement Project, to the low bidder, Redgwick Construction, Co. in the amount of \$644,998.
- (b) Approve an approximate 15% contingency in the amount of \$96,750.

OUTCOME

Approval of this construction contract will rehabilitate approximately 0.20 miles of streets on the Major Street Network. Approval of a 15% contingency will provide funding for unanticipated work necessary for the proper construction and completion of the project.

BACKGROUND

The Major Street Network consists of 944 miles of the City's most heavily traveled streets, which collectively carry over 85% of the traffic in the City. The Department of Transportation (DOT) annually schedules streets to be resurfaced to improve their structural integrity, ride quality, appearance, and extend the useful life of the streets in order to defer more costly reconstruction. In 2020, DOT is planning to resurface approximately 41.5 miles of Major Streets throughout the City, including 0.20 miles along Aborn Rd. The project area is shown in Attachment A.

The Aborn Roadway Improvement Project scope includes removing the existing asphalt concrete surface that is in poor condition, replacing and extending the guardrail, stabilizing the slope, placing a new layer of asphalt concrete pavement, and installing new striping and markings.

ANALYSIS

Bids were opened on September 17, 2020 with the following results:

CONTRACTOR	CITY	BID AMOUNT	VARIANCE	% UNDER/OVER ENGINEER'S ESTIMATE
Redwick Construction, Co.	Oakland, CA	\$644,998	\$23,610	-3.53%
<i>ENGINEER'S ESTIMATE</i>	--	\$668,608	--	--
Granite Rock Construction, Co.	San Jose, CA	\$717,558	\$48,950	7.32%
Joseph J. Albanese, Inc.	Santa Clara, CA	\$788,197	\$119,589	17.89%
Pacific Underground Construction, Inc.	San Jose, CA	\$804,814	\$136,206	20.37%
Granite Construction Company	San Jose, CA	\$939,098	\$270,490	40.46%

The low bid submitted by Redgwick Construction, Co. is \$644,998 and is 3.53% below the Engineer's Estimate. The Engineer's Estimate for this project is \$668,608. The estimate is based on bids received from similar past projects and current estimated construction prices. The bid is considered acceptable for the work involved in the project. Staff recommends that the construction contract be awarded to Redgwick Construction, Co.

San Jose Municipal Code Section 7.04.050 provides that the contingency for all public works contracts (except those involving the renovation of a building or buildings) cannot exceed 10% of the total contract amount without City Council approval. Staff recommends a 15% contingency for this project to account for unforeseen conditions that might arise in the excavation, removal, and replacement of failed asphalt areas. Preliminary field investigation of the project site shows roadway erosion which may result in repairs not included in the original scope if conditions are worse than design assumptions.

Construction is anticipated to begin in November 2020 and be completed by Spring 2021.

Project Labor Agreement Applicability

A project labor agreement (PLA) is not applicable to this project as this project meets the following exemption: More than 50% of the total cumulative engineer's estimate for the project is for street maintenance.

Local and Small Business Outreach

This project does not have a preference for local and/or small businesses.

CONCLUSION

Based on Staff's evaluation of the bids, the low bid is considered acceptable and staff recommends awarding the construction for the Aborn Roadway Improvement Project to Redgwick Construction, Co.

EVALUATION AND FOLLOW-UP

DOT provides an ongoing evaluation of the City's pavement conditions and provides periodic reports on this topic to the Transportation and Environment Committee, and the City Council. No additional follow up action with Council is expected at this time.

CLIMATE SMART SAN JOSE

The recommendation in this memo aligns with one or more Climate Smart San José energy, water, or mobility goals.

PUBLIC OUTREACH

To solicit contractors, this project was listed on an online bid solicitation website, Biddingo, where bid packages were made available to download for contractor organizations and builders' exchange. When the project commences the contractor will provide advance notification regarding working hours, duration of project, and any appropriate schedule and lane closures to affected businesses and residents, as stated in the specifications. To inform traveling motorists of upcoming construction activities and potential traffic delays, changeable message signs may be used on selected streets stating the scheduled date and time for work to occur on the street. This memorandum will be posted on the City's Council Agenda website for the October 27, 2020 Council Meeting.

COORDINATION

This project has been coordinated with the Department of Public Works and this memo has been coordinated with the City Attorney’s Office and the City Manager’s Budget Office.

COMMISSION RECOMMENDATION/INPUT

No commission recommendation or input is associated with this action.

FISCAL/POLICY ALIGNMENT

This project supports the Transportation and Aviation Services City Service Area goal to *Preserve and Improve Transportation Assets and Facilities.*

COST SUMMARY/IMPLICATIONS

1. COST OF PROJECT:

Programmatic Project Delivery Estimate	\$128,000
Construction Contract	\$644,998
Contingency	\$96,750
TOTAL PROJECT COSTS:	\$869,748

2. SOURCE OF FUNDING: 480 – Pavement Maintenance –
SB1 Road Repair & Accountability Act 2017

3. FISCAL IMPACT: This project will have no net operating and maintenance costs to the General Fund.

BUDGET REFERENCE

The table on the following page identifies the fund and appropriation proposed to fund the recommended contract award, including project delivery, construction, and contingency costs.

Fund #	Appn #	Appn Name	Total Appn	Amt. for Contract	2020-2021 Proposed Capital Budget Page*	Last Budget Action (Date, Ord. No.)
Source of New Funding
